

Fake "King North" Warning: The JW Fake "King North" and Fake "The End" WTBTs Setup is Completing...

PDF Version March 2020

The Setup Smokescreen "Exit Strategy" of the WTBTs "Cave of Robbers"

(Ezekiel 7:22) And I shall have to turn away my face from them, and they will actually profane my concealed place, and into it robbers will really come and profane it.

The national sovereign nations have to individually lose and give "their power and authority to the wildbeast" which forms over these last several years into "8th King"-"King North" World Government in completed and stated form. That final global sovereign rival global government is what triggers [the Christ "second coming" to Earth, for the Revelation 14 open salvation offer](#) during the final Daniel 12:11 1290 days time period in its entirety.

That takes a few years in a final world crisis to complete this process outlined in prophecy. In reality, the prophecy contains the whole final cycle stepped over seven trumpets and seven plagues (Rev8-11; Rev16), over the temple judgment and its timing (Dan8:13-14), to Daniel 12 final three timed periods of Adamic human history. (Dan12:7; Dan12:11; Dan12:12)

That coming world crisis is the Revelation 13:3 "sword-stroke" principle running its final cyclic phase in the future. That is the "tribulation of those days" which "heals" with the sword-stroke" as it resolves on its own into "8th King" World Government "King North" and "King Fierce" of all convergent structured sovereign prophecy.

That is the coming temporary crisis period which will resolve peacefully as per prophecy (1Thess5:1-3), which the foretold WTBTs temple raiders (Dan8:11-14; Dan11:30-35), are now setting up as a smokescreen of deception to look like a prophetic "end of the world" among misled Jehovah's witnesses.

They use dated nation-state era prophecy misapplications retained from the past in Daniel's prophecy, and a purposeful rearrangement of the prophecy timeline to support their "as though from us" (2Thess2:1-2) premature "Christ arrival" claim with an "end of the world" final chapter deception. This deception can aid their deposition and pillage of the Jehovah's witnesses apostate ministry and organization as the global crisis is beginning, while deceiving Jehovah's witnesses as to its true [temple judgment nature](#). (Dan8:13-14)

Now we can examine the real King North Daniel 11:40-45 future overview to King North world government completion upon [the future loss of all King South national sovereignty](#). Then we can look at a few recent examples of the completing deception the Governing Body deceivers (Rev2:2), are now promoting among Jehovah's witnesses from some recent Watchtower magazines and the Pure Worship of Jehovah—Restored at Last book. In reality, the WTBTs have led and completed the final apostasy for the era.

(Daniel 11:32) And those who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words.

The Real Globalist-System King North World Government of the Future

As Jehovah's witnesses continue to be distracted by supposed national-based "king of the north" vs. "the king of the south" global dramas similar to the "The USA vs. The USSR" former Cold War era distracting [national-based] drama, the true identity of King South and King North prophecy symbolisms have actually gone completely global and easy to see.

Now with a little research, it is easy to recognize "King South" is the **global nationalism-based** governmental systems and "King North" is the **worldwide globalization-based** governmental system identities.

And that [Nationalist vs. Globalist](#) Daniel 11:40-45 prophecy reality eventually forms future totally complete "8th King" World Government "Scarlet Wildbeast" several years from now.

That is, World Government is what is coming after this next global-crisis passes peacefully (Rev13:3; 1Thess5:1-3), which Jehovah's witnesses will try to sell as "the end of it all" for a little while, in the future as their apostasy goes down hard. (Dan8:13-14; Rev8; 1Pet4:17)

That is, the true **King South national-based systems** and the **King North globalization-system**, run by the so-called Anglo-American "Globalist Elites", have also simplified in true recognition while going truly global in final application.

It will NOT be a partial national-bloc like Russia and its allies or the Anglo-American national alliance nations who will end up being the all time dominant "King North" true final world power "8th King" which triggers the full Christ "second coming" in the future. ALL the nations are globalization "gathered" into world government in the future. (Rev16:13-16; Rev17:8-18)

In the years since WW1, **national sovereignties** are who have been "battling" this assured **globalist-system takeover** to that world government final goal.

Daniel 11:40 gives an overview of this struggle.

(Daniel 11:40) And in the time of [the] end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through.

(Daniel 11:40) And in the time of [the] end the (nationalism-based) king of the south will engage with (globalism-based King North) in a (global-scale) pushing, and against (King South nationalism-systems) the king of the north (elite globalization-system) will storm with chariots and with horsemen and with many ships; and he will certainly enter into the (national) lands (globally) and flood over and pass through. (to the future final cycle globalization completion into world government in the Dan11:45 future)

The reality is the "King South" **national systems** are now facing the power consolidating effects of the "King North" **globalization-system** "pushing" on and into them globally, especially financially.

In fact, high finance investment in tens of billions, corporate control, international organization, and "in house" UN NGO based apostasy (Matt24:15), have made Jehovah's witnesses subject to globalist system entry into the control of their own ministry as they themselves are now a "globalist organization" themselves.

(Daniel 11:41) He will also actually enter into the land of the Decoration, and there will be many [lands] that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon.

(Daniel 11:41a) [King North] (Globalist-System) will also actually enter into the land of the Decoration, and there will be many [PEOPLE] that will be made to stumble. (Dan11:32-35) But these are the ones that will escape out of his hand, (aiding enemies "in the temple") Edom and Moab and the main part of the sons of Ammon.

More on this aspect later.

This is why the WTBS has erected this final "Russia is King of the North" smokescreen decoy, which will be examined next. It is to give a false expectation the next world crisis is "the end", while concealing the truth that "King North" has to be finally "8th King" World Government in the future, while erasing the JW ministry to further assure the silencing of it all further.

First, we will review the global reality of forming "King North" world government "8th King" parallels in Daniel 11:40-45.

The real danger is that the "King South" **national systems** will lose their wealth sovereignty by massive debts and eventual full global **national-system** financial default [in the future], to the real "King North" **globalist-system** sector of globalist financial and investment corporations worldwide as foretold in Daniel 11:42-43.

Even now, the King North **globalist-system** trans-national corporate system is who issued the "King South" **national-system** governmental and economic defined massive debts of the global national "King South" system.

Loss of true **national-system** wealth "power and authority" is thus the real loss of true national sovereignty which transfers by real ownership into the **globalist-system world government** in the future.

(Revelation 17:13) These have one thought, and so they give their (national-based) power and authority to the wild beast (of globalized world government).

Once a true **national-system** governmental and national financial system debt default occurs of a truly serious nature, like many times more severe than the 2008 Global Financial Crisis, the real King North defined **globalist-system** financial-sector private international banking and credit corporations will also come to completely own the King South **national-system** collateral assets backing those debts, and that at global scale in the future.

The **King North globalist-system** will own the **King South nations** outright.

That [future] "**King North**"="8th King" **globalist-system** world scale ownership "power and authority" from all the captured "**King South**"="7th King" **national-systems** forms the basis of world government.

That prophecy period of the future, will develop into a [temporary] world crisis of unprecedented scale as the era of national sovereignty is what is ending, not the world. (Rev13:3; Dan11:42-43)

That is the coming future global-crisis foretold "sword-stroke" period the WTBS apostate and impostor frauds will be trying to sell to Jehovah's witnesses and others as "the end of the world" as long as they can, in the future.

In modern globalism research, it is well known international central banks are who run the global economy through many **globalist-operated** international scale investment, financial, and banking corporations and international market systems.

These corporations are supra-national in power, and aided internationally by many national governmental laws in currency creation, finance, and trade which aid the globalization process.

Even Jehovah's witnesses "cave of robbers" WTBS has billions tied into these "King North" globalist

financial systems for easy future liquidation and relocation. (Eze7:22)

But in the future, it is the "King South" "will not prove to be an escapee" **national-systems** "captured" in the entire world (Rev16:13-16) by King North **globalist-system**, who will be liquidated of their true wealth sovereignty.

Loss of real national wealth sovereignty equates to the total loss of their former **national sovereignty**, which will become the **globalized-sovereignty** of world government.

(Daniel 11:42-43) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps.

(Daniel 11:42-43) And [King North] (Globalist-System) will keep thrusting out his (globalization) hand against the (King South national-system) lands; and as regards the (7th King/King South national-system capitol symbol) land of Egypt, she (subservient King South, 7th King fall) will not prove to be an escapee. 43a And [King North] ("8th King" Globalist-System) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (of former "King South", then fallen "7th King" assets globally) And the Libyans and the Ethiopians will be at his steps. (all smaller nations sucked in too)

And as we see in God's own prophetic outline, [global scale] loss of "King South's" national-based wealth and gold reserves, is what precedes "King North" complete world government rule several years from now. There may be some military "sword-stroke" aspects, but it all aids the bankrupting of the King South national-systems worldwide, as explicitly described in that above prophecy..

(Daniel 11:44-45) But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

(Daniel 11:44-45) "But there will be reports (final ministry, Rev10:11; Rev11:1-7) that will disturb [King North] (Globalist-System), out of the sunrising and out of the north (from God and Christ), and [King North] (Globalist-System) will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (Dan8:25 "during a freedom from care" as world peace "and security" phase of 1Thess5:1-3, under world government) 45 And [King North] (Globalist-System) will plant his (World Government global) palatial tents between [the] grand sea and the holy mountain of Decoration (fraud "Jerusalem" claims of Zion and God's Kingdom); and he will have to come all the way to his end, and there will be no helper for him. (Dan8:25b, Rev19:19-21; Rev11:15)

In the future, several years from now, that completed and stated world government is what will trigger the Christ arrival.

"King North" World government "8th King" complete, functional (Dan11:45, Rev17:8-18) and "world peace" stated (1Thess5:1-3; Dan12:11), triggers Christ's arrival, not before, but AFTER it completes. That takes several more years.

Complete the Invasion of Jehovah's Witnesses in the Future

Now the real King North globalist-entry (by infiltration) is into that of the now fully apostate Jehovah's witnesses ministry for quite some time now. The Governing Body WTBS coup of 1976 was when this really started to go into action.

But, they have many transgression developed in Jehovah's witnesses to secure the future temple judgment desolations (Dan8:11-14; Dan11:30-35) as permitted and actually now required by God.

Therefore, they have to also crash and liquidate the JW Org before they leave, keep that in mind for the future.

(Daniel 11:41a) [King North] (Globalist-System) will also actually enter into the land of the Decoration, and there will be many [PEOPLE] that will be made to stumble. (Dan11:32-35)

In fact, the prophecy Jehovah's witnesses WTBS globalist-religious fraud leaders have been covering up, is very explicit in who controls that debauched ministry by means of the globalist-backed "Governing Body":

(Daniel 11:32) And those who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words.

And those fully foretold WTBS apostate and impostor leaders have been **defecting** and "leaving the holy covenant" well before 1976, profaning the "constant feature", and allying with the UN NGO for the 1990 third United Nations real globalist "King North" meaning and system "image", for quite some time now.

(Daniel 11:30-31) "And [King North] (Globalist-System) will actually go back and hurl denunciations against the holy covenant and act effectively; and [King North] (Globalist-System) will have to go back and will give consideration to those leaving the holy covenant (among JWs). 31 And there will be arms that will stand up, proceeding from [King North] (Globalist-System); and they (apostate JWs) will actually profane the sanctuary, the fortress, and remove the constant [feature]. And they (all) will certainly put in place the disgusting thing that is causing desolation. (King North globalist 1990

3rd UN placement, JW UN NGO, 1991)

Now for future reference, when the Globalist-System King North enemy does actually complete the full effects of this now active "entry" of "the decoration" in the future, to fully dissolve the Jehovah's witnesses ministry, soon, that will begin the Daniel 11:41-43 true world context prophecy of the future.

THAT will be the true spiritual context of the real Daniel 8:13-14 (Dan11:41) temple judgment starting, and the enemy GB and other impostors will have an exit strategy already setup.

They will have used the false-prophetic set-up to be described in this study to make it look like "the end of the world" and the "Christ arrival" and "Jehovah's day" as a pretense smokescreen.

That kind of apostate deception is what Paul was warning of here in that same principle.

(2 Thessalonians 2:1-2) However, brothers, respecting the presence of our Lord Jesus Christ and our being gathered together to him, we request of you 2 not to be quickly shaken from your reason nor to be excited either through an inspired expression or through a verbal message or through a letter **as though from us, to the effect that the day of Jehovah is here. (prematurely)**

By use of that deceptive pretext, to be applied to Jehovah's witnesses fully soon, **they can fully and globally depose and liquidate the entire Jehovah's witnesses "official ministry" and organization** under cover of a false prophecy pretext and smokescreen.

But, in the ongoing world system development, to keep going even after Jehovah's witnesses ministry crashes and burns by design in the future, it is those apostates and their "man of lawlessness" completion in the Governing Body and "Watchtower Society" elites, who will then be exposed, "revealed", by Christ for the final recovery and ministry of the future. (Rev11:3)

(2 Thessalonians 2:3-5) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone who is called "god" or an object of reverence, so that he sits down in the temple of The God, publicly showing himself to be a god. 5 Do you not remember that, while I was yet with you, I used to tell you these things?

Thus, the final world crisis has to run its temporary course.

The temple cleansed final ministry must emerge into that period (Dan12:7), and expose this last apostasy (Rev10:11; Rev11:3), as eventually, over a few final years, world government must complete before Christ will arrive.

(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.

(Revelation 17:8) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. (Rev17:14) And when they see how the wild beast was, but is not, and yet will be present, **those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.**

1. There is a true "tribulation of those days" (Matt24:29-31) world crisis coming which runs its Revelation 13:3 "sword-stroke" course into a global peaceful recovery into King North "8th King" World Government. (Rev13:3; Rev17:8)

A. World Government completion and cancellation of the final ministry 1260 days is what triggers the Christ arrival. (Dan12:11; Rev11:7; Rev13:5-7)

2. The Governing Body frauds will tell Jehovah's witnesses that temporary world crisis in reality of prophecy, is instead, "the end of the world" and the "Christ arrival".

3. That will aid the God allowed epic global judgment downfall of the apostate Jehovah's witnesses organized ministry and corrupted globalist organization.

WTBTS Hoax Purpose:

1. That fake smokescreen running for a few years (Dan8:14), allows the enemy the pretext to cancel the ministry and globally liquidate the Jehovah's witnesses organization.

2. That diversion helps conceal 8th King modern development since 1990 and into the final cycle of prophecy and world government developmental of the future. The "King North" fictions aid concealment of both the King North=8th King identity and the Daniel 11:41-45, Daniel 12 future final cycle requirement.

3. That deception creates a fake "end of the world" and premature Christ arrival delusion to further conceal that prophecy as culminating into 8th King world government and then Christ's arrival.

4. That deception creates a diversionary "prophecy is fulfilling" delusion to cover up one set of events (temple judgment; Dan8:13-14) with an illusion of another set of events ("end of the world").

5. The ultimate purpose is to delay and or destroy the Jehovah's witnesses ministry and provide a context of that destruction that is covered over with false and misapplied premature and or erred prophetic expectations whose future assured failure brings one more

wave of final stumbling and discrediting.

Techniques of The Deception

1. Misapplication of prophecy to decoy entities;
2. Premature expectations of the Christ arrival;
3. Fake "end of the world" "doomsday" hyping;

The WTBS Prophecy Deception Setup

Now we can examine how the WTBS and Governing Body are now "new light" morphing a number of key prophecies to support one expectation: An Attack Coming From the North!

That is, now key prophecies are made to support the expectation that "King North Russia", and the "Gog Coalition of Nations", and "The Assyrian" will be attacking the Jehovah's witnesses ministry so, "KEEP READY FOR THE ATTACK ON GOD'S PEOPLE".

1. It has become one big picture of the destruction of the Jehovah's witnesses ministry and organization. That much is true.

2, God is who will use the world power UN NGO-allied Jehovah's witnesses actually serve to desolate this apostate ministry, true.

3. But the true WTBS promoted reason for this judgment downfall is not true.

Thus, the real apostasy reason and long-range outcome are what are quite different than this WT-hoax, from actual future final cycle prophetic reality.

(Daniel 8: 14) So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." (*Temple purification completed in this time period parallel Zechariah 3:4-5, Revelation 8:1-5; 1150 days minimum or 2300 days probable*);

Thus, the "enemy in the house" KNOWS they have misled Jehovah's witnesses into transgressions against God so severe, God is going to desolate the Jehovah's witnesses ministry and organization to a severe degree which magnitude is not known at this time. (Dan8:13-14)

Being with the globalist-system, the Governing Body know a world-crisis is forming to pass into the world government entity, to "ascend" in the future. (Rev17:8-17; Rev11:7)

Thus, the Governing Body globalist-religious frauds must erect a pretense to make this all look real as "prophecy fulfilling brothers!" to aid the JW Org global liquidation process.

There is tens of billions of dollars in the WTBS organizations in its many global hard assets, corporations, hedge funds, investments, etc, which must be stolen by the King North globalists.

Because this is an apostate-aided enemy action to also destroy the ability to globally "publish the good news", the physical basis of the ministerial management and publishing operations need to be liquidated and removed from any Jehovah's witnesses ownership and control very quickly, globally.

Thus, this is a HUGE anti-JW operation, and it will take some time (Dan8:14), it needs a covering global operational pretense that can go one for a while at global scale. The new "Gog update" "coalition of nations" broad-brush prophecy deception will aid that process.

Any possible world tensions or conflict with Russia and its allies against the Anglo-American world system and its allies will also exacerbate these false expectations in Jehovah's witnesses.

The pretext that "it is an attack as foretold in prophecy now fulfilling", then allows the actual globalist "coalition of nations" to seize and liquidate these Jehovah's witnesses organization physical assets in the billions, while transferring the means of their global ministerial publishing system into globalist control and liquidation.

Then,

1. These impostors in the ministry simply "exit";
2. "JW Bunker" capture as many Jehovah's witnesses as they can for prison or worse;
3. Then just abandon bamboozled Jehovah's witnesses scattered and petrified, clueless and baffled, and worse; (Zech11)

In time (Dan8:14), Jehovah's witnesses will realize something is not quite right, and the world is not ending as they planned as misled to believe "from prophecy".

But, the organized ministry will be ceased and the organization as they knew it may very well have been completely liquidated. They may not even have a Kingdom Hall leftover, we shall have to wait to see.

"New Light" "Clarifications" of Key "Attack" Prophecies

Keep in mind the real reason why the globalist-religious fraud Governing Body can "foretell" all this is from their own King North intelligence relationship, which they always use in tangent with globalist backed King North world events.

A past example of such cooperation was the post Cold War third UN 1990 presentation (Dan11:31b; Dan8:23), which the WTBTs covered up and adjoined as UN NGO (Matt24:15), as that related UN NGO "world news" was released in October 2001, just one month after the WTC 911 event, of September 11, 2001.

Thus, they also covered up the then notable globalist "King North" third UN event of 1990 (Dan11:31b), to now be able to apply their fake King North to the now USSR-related and reframed Russia decoy nation for future final use.

1. The King North is Russia Decoy

Now, as Cold War era related Russia is "warmed up" in recent media hyping *for some future purpose now unknown*, the Governing Body use that media-hype to back their latest official "King North" purposeful fraud interpretation.

Lo and behold, Russia is now the "new" "King of the North". No real surprise there, as this decoy setup was expected since before 2014 [here](#). What else can they do right? WTBTs

Thus, this latest decoy was sort of easy to predict for a while now.

In any event, "King North" fiction is used by Bethel to conceal the 8th King actual King North final developments.

That subterfuge must continue as long as possible, in whatever new fictional form "King North" may "interpret" as from Bethel.

[Russia as King North Required Decoy](#) August 2014

Now, once again, the Governing Body and WTBTs act in tangent with the globalist-backed world developments and media atmosphere.

The Watchtower May 2020

Who Is "the King of the North" Today?

9 In recent years, Russia and its allies have also entered into "the land of the Decoration." How? In 2017, this current king of the north banned the work of Jehovah's people and threw some of our brothers and sisters into prison. He also banned our publications, including the New World Translation. Further, he confiscated our branch office in Russia as well as Kingdom Halls and Assembly Halls. **After these actions, in 2018 the Governing Body identified Russia and its allies as the king of the north. However, even when Jehovah's people are severely persecuted, they refuse to participate in any action to subvert or change human governments. Rather, they follow the Bible's counsel to pray for "all those who are in high positions," especially when such ones are making decisions that could affect freedom of worship.—1 Tim. 2:1, 2.**

1. Since the real King North Globalists KNOW God is going to permit them world government completion and its very brief rule in the future (Rev17:12; Dan12:11), they need to divert attention from the full prophecy as long as possible. The framed Russia decoy will serve this purpose in the future as Russia never has been anything globalist "King North" related, [even as the failed USSR](#).

A. The enemy "in the temple" also knows, that by massive transgressions the Jehovah's witnesses now apostate ministry has been given by God to the "trampling" of Daniel 8:13-14. But as in Isaiah 36:10 this knowledge does NOT give all Jehovah's witnesses globally to the globalist "King North" agenda. (Isa37:36; Isa31:8-9; Hos1:4-7)

2. From the same actual prophecy information, the use of a Russia decoy nation, in the future, is to make Jehovah's witnesses believe it is also "the end" due that Daniel 11:44-45 over-advanced prophecy location *assumption* with also a handy "Russia" "FAKE KING NORTH" decoy.

A. Like the rest of the Romans 13 **national** "superior authorities" Russia has always been but a "King South" nation which must fail as in Daniel 11:27b.

(Daniel 11:27) And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But nothing will succeed (in the limited national sense), because [the] end is yet for the time appointed.

B. Only "King North" **globalism-based** development and eventual world government will be successful the whole time and continue successful into the future.

(Daniel 11:36) And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things. And [King North] will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

3. This false-expectation is convenient especially if a world conflict or crisis of some sort comes to involve Russia in the future. If that occurs, Jehovah's witnesses will be fully under the impression "the end" has arrived. (Dan11:45b)

4. Russia as a nation, is just part of the "King South" **national-systems**, who is also destined to come under the real **globalist-system** "King North" World Government "8th King", in the future. (Rev16:13-16; Rev17:12-13)

The Governing Body globalist-religious frauds want to:

1. Bypass Jehovah's witnesses and others past the real future activation of Daniel 11:42-43 King North globalization completion on the nations then developing to global maturity into future world government completion by Daniel 11:44-45, several years from then;

2. Bypass the true "enter the land of decoration" completion of Daniel 11:41 which is this selfsame Globalist "King North" Jehovah's witnesses focused [global] ministerial takeover operation and deposition now fully infiltrated into the Jehovah's witnesses apostate ministry;

3. Make Jehovah's witnesses and others think by deception "Daniel 11:44-45 is activating brothers!, we are under attack!, it certainly must be 'the end!'", **while Daniel 11:41-43 is actually the prophecy which is activating to completion in the future;**

A. The Governing Body deceivers want to sell the God required Daniel 11:41 anti-JW ministerial [global apostate downfall context](#) as if Daniel 11:44 "King North" Russia future "attack" phase.

4. Promote the false impression "the end of the world" with "the end" of King North must be where we are in prophecy, which is just WTBS over-advanced prophecy position deception;

5. Create a believable "prophecy is fulfilling" false-pretext to depose and loot the Jehovah's witnesses ministry and organization which is actually the instrument of the final apostasy leadership of prophecy. (Dan11:32a; Dan11:30-35; Dan8:11-14; Zech3:1-3)

2. The Gog of Magog "Coalition of Nations"

Pure Worship of Jehovah—Restored At Last! chap. 17

4 Who, then, is Gog of Magog? From Ezekiel's description, we may conclude that Gog is an enemy of pure worshippers. Is Gog a prophetic name for Satan—the greatest of all enemies of true worship? For many decades, that is what our publications said. However, a further consideration of Ezekiel's prophecy led to an adjustment in our understanding. The Watchtower explained that the title Gog of Magog refers, not to an invisible spirit creature, but to a visible human enemy—a coalition of nations that will fight against pure worship.

The Land—When, Why, and How Will Gog Invade It?

15, 16. When will Gog of Magog invade our restored spiritual land?

15 It is sobering to think that soon a coalition of earthly nations will invade our precious spiritual land. Since this foretold attack will involve us as Jehovah's pure worshippers, we want to know more about it. Consider three questions that naturally arise.

1. Since the enemy plan is to destroy the Jehovah's witnesses organization and ministry globally, and Russia and their allies are not global in extent in their ability to destroy the Jehovah's witnesses organization, the "coalition of nations" is a broad term which can then be general enough in "prophecy application" to then "identify" the global scale "coalition of nations" worldwide means of the eradication of the Jehovah's witnesses organization.

2. This "coalition of nations" false-application can then be broad enough to apply globally, not just limited to [decoy] King North "Russia and its allies" application which would limit the true global scope of destruction required to come on the Jehovah's witnesses organization.

3. At the same time the "Gog" connection to this latest "coalition of nations" "interpretation" by the WTBS can be applied to anything Russian or worldly nation based which is deposing the "Worldwide Organization of Jehovah's witnesses" at that time.

3. The Attack of the Assyrian

The Watchtower November 2013, pg. 20, par. 16

16 Today, Jehovah certainly has provided an abundance of spiritual men to shepherd his precious sheep, to strengthen his people for the future attack of the modern-day "Assyrian."

The real "Assyrian" is the globalists who will be attacking the Jehovah's witnesses apostate ministry and corrupted organization as permitted (2Thess2:11-12), and required by God **due to apostasy** via Daniel 8:13-14 and Revelation 8, in the future. (Hos1:4-7) But, these "Assyrian" Governing Body globalist-religious frauds will not be explaining that detail or exposing the final apostasy they lead and define. (Dan8:12; Dan11:32a)

1. These WTBS-based deceivers used this article's fictional "Assyrian" application to promote the expectation of this "attack".

A. That continues to culture the JW expectation of [future attack] and to [expect] some "unsound" yet "life saving" obedience directives from "God's organization" so that "at that time", they can "bunker funnel" Jehovah's witnesses misled enough to obey this insanity to prison or worse.

At that time, the lifesaving direction that we receive from Jehovah's organization may not appear practical from a human standpoint.

The Watchtower November 2013, pg. 20, par. 17, #3:

We will look at that "lifesaving direction that we receive from Jehovah's organization" in more detail later.

The "Light of Zion's" Real "Assyrian" BBQ to End the Temple Desolations in the Future

In the time the "evening" of the temple judgment first phase of Daniel 8:14 ends (Dan8:26), as "Christ visits the temple" in the future (Mal3:1-4), these burrowed in globalist-backed "Assyrians" controlling the organization will be purged by stealth angelic means from the "temple". (Hos1:4-7; Isa31:8-9; Rev9)

That assured angelic-aided "temple cleansing" action is so that the ministry can later be recovered [for the eventual final warning] (Rev10-11:3), fully free of these many apostate and "weed" frauds now "parasited" into the ministry, however God may accomplish this certainty. (Rev9; to Rev10-Rev11:3-10).

(Isaiah 31:8-9) And the Assyrian must fall by the sword, not [that of] a man; and a sword, not [that of] earthling man, will devour him. And he must flee because of the sword, and his own young men will come to be for forced labor itself. (death; Job 7:1; 14:14) 9 And his own crag will pass away out of sheer fright (Rev8:9), and because of the signal his princes must be terrified," is the utterance of Jehovah, whose light is in Zion and whose furnace is in Jerusalem.

As we shall see later, this may be why the "Governing Body" may be planning to exit early "and go to heaven", to attempt to avoid those limited "Destroyer" vaporizations and other terror inducing "temple cleansing" events.

That final "Christ temple visitation" prior to completion (Rev14:1; Rev3:2), will [globally] cleanse and recover the "holy place" to its Daniel 8:14 promised "morning" "right condition" actually defined in anointed Christians as a "body" globally. (Rev9; Dan8:14; Hos1:4-7; Mic5:5-6)

(Isaiah 37:36) And the angel of Jehovah proceeded to go forth and strike down a hundred and eighty-five thousand in the camp of the Assyrians.

That is, Jehovah will NOT be giving up all Jehovah's witnesses globally (Hos1:4-7) to the globalist anti-Christian agenda. Only the corrupted organization and apostasy is given over by God.

This is not a full Christ arrival prophecy for conquest. This is the temple visit. This is Christ the "angel of the covenant" reminding the globalist real "King North" that "guess who" is around (Zech9:8), and to remember to get and be ready. (Joel 3:9-12; Eze38:7) Christ deposes a limited number of the enemy "in temple" key anti-temple "illuminator" personnel, to aid this message in the future. (Rev16:10-11)

Though Christ always gives fair warning, there has to be a little "pay back plague" given (Isa66:6; Rev16:10-11), to clean out the "Assyrian" Globalists and key apostates away from the ministry, from "in the temple". (2Thess2:3-4)

(Revelation 16:10-11) And the fifth one poured out his bowl upon the throne of the wild beast. And its kingdom became darkened (Rev9 recovery parallel), and they began to gnaw their tongues for [their] pain, 11 but they blasphemed the God of heaven for their pains and for their ulcers, and they did not repent of their works.

There is also the assurance they WILL NOT be "returning" or even "passing through".

(Zechariah 9:8) And I will encamp (out of heaven; Rev15; Zech1), as an outpost for my house, so that there will be no one passing through and no one returning; and there will no more pass through them a taskmaster, for now I have seen [it] with my eyes.

Because demons are involved in this temple insurrection (Zech3:1; 2Thess2:9), the "angel of the covenant" is who cleanses this "temple" by also angelic super human means, or else, yes, Jehovah's witnesses could be exterminated globally in a few years had God not intervened "for His house" in stealth but effective manner.

(Hosea 1:6-7) ...for I shall no more show mercy again to the house of Israel (WTBTS/Org), because I shall positively take them away. 7 But to the house of Judah I shall show mercy (Jehovah's witnesses who repent, worldwide), and I will save them by Jehovah their God; but I shall not save them by a bow or by a sword or by war, by horses or by horsemen.

Repentant and cleansed Jehovah's witnesses and others will be needed for the final recovery (Rev9), "little scroll" commission (Rev10; Zech3:4-9), and final 1260 days ministerial warning of the future "final witness" ministry. (Rev11:2-4; Dan12:7; Rev13:5; Dan7:25; Rev12:14)

4. The Attack of the Locusts

The Watchtower April 2020

11 A closer look at Joel's prophecy in its context reveals that the prophet was predicting a military attack.

A "military attack" eh? It is nicely coming together isn't it?

Now just about all usable "attack" prophecy is now converging for the destruction of the JW Org, not due to some supposed "closer look" in reality. It is because the globalists know the end of the JW Org is nearing, not the world.

The Governing Body works parallel with this globalist-based intelligence, to help setup the smokescreen for the required apostate ministry deposition and their own "exit strategy" [for the future].

1. This little "military attack" "locust" "invasion" detail, now adds a little extra fear and expectation to this Governing Body cauldron of lies they plan to try to cook Jehovah's witnesses in. (Zech11) Since this is a more minor prophecy, this "locust" effect is just a fear and doomsday "seasoning" for the Jehovah's witnesses mind.

Though this Governing Body quackery has had nothing to say for 20 plus years getting to this point, out of the blue they now have all kinds of "new light" detail about the destruction of the JW ministry—all of a sudden. And none of this weirdness is setting off any alarms to most comatose Jehovah's witnesses who are now being fully baptized into this doom and gloom "enlightenment" wormwood water (Rev8:10-11), from the WTBTs.

2. What we notice is the cherry-picked set of these latest "new light adjustments" are just more hi-jacked prophecies to aid the "attack"-to-"end of the world" hyping-deception "sequence". (See image [below](#))

We should also expect the Daniel 8:25 "King Fierce" "Anglo-American" "bring many to ruin" false-application to also possibly be applied by the WTBTs to this "attack scenario" some time in the future, also in total error by fraud-application and over-advancement of prophecy.

Now get ready for one huge "four course" helping of this plate of lies synthesized and served up for more, now Watchtower 2020, JW deception as it all "comes together" from the "all-seeing" Governing Body "eye"!

The Symphony of the Smokescreen of Deception

The Watchtower May 2020

Who Is "the **King of the North**" Today?

WHAT WILL THE KING OF THE NORTH DO IN THE NEAR FUTURE?

13-14. Who is "**Gog of the land of Magog**," and what may provoke him to **attack God's people**?

13 A prophecy recorded by Ezekiel gives some insight into what may happen during the last days of the **king of the north** and the king of the south. If we view the prophecies of Ezekiel 38:10-23; Daniel 2:43-45; 11:44-12:1; and Revelation 16:13-16, 21 as speaking about the same time period and events, it appears that we can expect the following developments.

14 Sometime after the start of the great tribulation, "**the kings of the entire inhabited earth**" will form a **coalition of nations**. (Rev. 16:13, 14; 19:19) That **coalition** becomes what the Scriptures call "**Gog of the land of Magog**." (Ezek. 38:2) That **coalition of nations** will make one final **all-out assault** on God's people. What will provoke the **attack**? Speaking of this time, the apostle John saw a storm of unusually large hailstones raining down on God's enemies. That symbolic hailstorm may take the form of a **hard-hitting judgment message** delivered by Jehovah's people. It could be that this message provokes **Gog of Magog into attacking God's people** with the intention of **wiping them off the earth**.—Rev. 16:21.

15-16. (a) To what event may Daniel 11:44, 45 be referring? (b) What happens to the **king of the north** and the rest of **Gog of Magog**?

15 This **hard-hitting message** and the **final attack by God's enemies** may be the same events referred to at Daniel 11:44, 45. (Read.) There, Daniel says that "reports out of the east and out of the north" disturb the king of the north, **who goes off in "a great rage."** The **king of the north** intends "**to devote many to destruction.**" The "many" referred to seem to be Jehovah's people. * Daniel may here be describing the **final all-out assault on God's people**.

16 **This attack by the king of the north, acting along with the rest of the world's governments, provokes the Almighty and brings on the war of Armageddon.** (Rev. 16:14, 16) At that time, the king of the north, along with the rest of the nations that make up Gog of Magog, comes to his end, and there will be "no helper for him".—Dan. 11:45.

Exactly why "king south" and "all the governments of the world" will now follow "king north" Russia's lead, is of course not explained as it is purely baseless fear-hyping FICTION.

One **globalist "King North" enemy** is who God is allowing to down the apostate JW ministry and organization.

(Zechariah 11:4-5) This is what Jehovah my God has said, 'Shepherd the flock [meant] for the killing, 5 the buyers of

which proceed to kill [them] although they are not held guilty. And those who are selling them say: "May Jehovah be blessed, while I shall gain riches." And their own shepherds do not show any compassion upon them.

But, now they give credit to Jehovah's witnesses "judgment message" to also "bring on the war of Armageddon".

1. What this means to deluded Jehovah's witnesses is, the "attack" quickly turns into "the end"; that is all they want, to bamboozle and paralyze Jehovah's witnesses with this false-expectation for the future for more control "shepherding".

What this actually brings on, is the temple judgment of Daniel 8:13-14 and the start of Revelation 8-11 with Revelation 8.

The true [Christ arrival indications and purposes](#) are quite different in prophecy.

2. But, that too must be kept hidden from misled Jehovah's witnesses still in this UN NGO Temple trap. (Matt24:15)

3. The other controlling effect is what this fake "the end" deception is having, and will have, on Jehovah's witnesses still gullible enough to drink this Kool-Aid. Thus, this deception has already met its initial deceptive purpose: "The end is here" "brothers", so be sure to obey [the organization] and "be saved", for it is "the end of the world everyone!", now "head to the bunkers everyone!" (Zech11)

4. Now the Governing Body frauds (Rev2:2), have melded this whole false-prophecy based deception into one final deceptive picture of "the attack on God's people" which "brings on" "the end" shortly thereafter.

Now almost every major prophecy has been fully subverted and orchestrated for one final deceptive effect: 1-2-TheEnd.

Fake Peace and Security

1. Even the future FAKE "peace and security", *IF* it happens to manifest in the future, will aid the "end of the world" expectation hype in Jehovah's witnesses.

The Watchtower October 2019

1-2. (a) What will the nations proclaim one day soon? (b) What questions need to be answered?

IMAGINE that the nations have just made their long-awaited proclamation of "peace and security." They may boast that the world has never been so safe. The nations will want us to think that they have the world situation under control. But they have absolutely no control over what will follow! Why not? According to Bible prophecy, "sudden destruction is to be instantly on them, . . . and they will by no means escape."—1 Thess. 5:3.

Completed "8th King" "King North" World Government in complete form is what must issue that "World Peace" mantra and claim. That is the real "world peace" of prophecy note, under future world government. That is the 1 Thessalonians 5:1-3 signal to keep in mind over these next few years. (Dan8:25 "freedom from care" parallel)

The Impostor GB Exit Plan Agenda

(Zechariah 11:4) This is what Jehovah my God has said, 'Shepherd the flock [meant] for the killing...

Future "Unsound" WTBS Pied Piper Directives

The Watchtower July 2015, pg. 16, par. 7-8

Figuratively speaking, however, God's people will flee to the refuge that Jehovah provides.

1. Thus, rather than actually promote faith in the Almighty God and Jesus Christ, the GB Pied Pipers instead encourage Jehovah's witnesses to trust in them and their manmade "Jehovah's" organization and their fraud and dangerous "life saving direction".

The Watchtower November 2013, pg. 20, par. 17, #3:

Elders who are reading this article can draw some useful conclusions from the account we have just considered:...

[And sandwiched into the admonition:]

(3) At that time, the lifesaving direction that we receive from Jehovah's organization may not appear practical from a human standpoint. All of us must be ready to obey any instructions we may receive, whether these appear sound from a strategic or human standpoint or not.

2. Obviously, this is already wholly unsound and insane "direction". It appears the WTBS "Pied Piper Shepherd" is planning to use the "JW Org" "JW Bunker scenario" to herd JWs to capture, or worse. (Zech11)

GB Alchemy Catalyst: JW "Hard-Hitting Judgment Message" Starts "The End of the World" Chain Reaction!

1. Now we can see how this sure-to-fail "judgment message" is being setup in more detail for the future total flop it must become. This is so that Jehovah's witnesses can soon exit stage left, into an eventual totally ridiculous laughing stock failure eventuality, as the final discrediting reproach on God and the prophecy. (2Thess2:1-2)

The Watchtower October 2019

8. How will our message likely change in the future?

8 During the great tribulation, the message that we proclaim will likely change. Currently, we are preaching the good news of the Kingdom and we are endeavoring to make disciples. But at that time, [we may well deliver a message as hard-hitting as hailstones](#). (Rev. 16:21) [We may proclaim the impending doom of Satan's world. In time, we will find out exactly what our message will be and how we will deliver it](#). Will we use the same methods we have used for over a hundred years to accomplish our ministry? Or will we use some other methods? We will have to wait and see. In any case, it seems that we will have the privilege of boldly proclaiming Jehovah's judgment message!—Ezek. 2:3-5.

9. How may the nations react to our message, but of what can we be sure?

9 Quite likely, [our message will provoke the nations into trying to silence us once and for all](#). Just as we rely on Jehovah for support in our ministry now, we will need his support then. We can be sure that our God will fill us with power to accomplish his will.—Mic. 3:8.

As Jehovah's witnesses are whose "message" "triggers Armageddon".

Pure Worship of Jehovah—Restored At Last! chap. 18

19 Sometime after false religion is devastated, Jehovah may well have his people deliver a hard-hitting message, one that the book of Revelation likens to a hailstorm in which each hailstone weighs about 45 pounds (20 kg). (Rev. 16:21, fn.) This message, possibly a declaration that the political and commercial system is about to end, torments the hearers to such a degree that they blaspheme God. Likely it is this message that provokes the nations into making an all-out assault on God's people, to silence us once and for all. They will think that we are defenseless, an easy target to destroy. What a mistake that will be!

2. Now that the "hard-hitting judgment message" is setup to fail miserably, there we have the future global laughing stock failure "judgment message" this apostate Jehovah's witness farce will then devolve into, eventually.

The JW "the end" will not be coming according to prophecy. In the meantime, the real Globalist-System "King North" orchestrates the final "sword-stroke" to full global activation for the final cycle healing world peace resolution to "8th King" "King North" World Government.

In the process that "sword-stroke" will become for the Governing Body hoax the "convincing evidence and context" (Rev13:3; Dan11:41-43), for "the end of the world" which the JW-Neo-Nostradamus "Governing Body foresaw coming" for everyone.

Thus, that final "tribulation of those days" phase will in time "heal" with the "sword-stroke" and peacefully resolve into said "8th King" World Government "Scarlet Wildbeast" global reality which final rival sovereign entity is what must trigger the Christ arrival into Revelation 14 via the final Daniel 12:11 1290 days open salvation period.

In the meantime, this is what the prophecy will mean to misled Jehovah's witnesses.

The Watchtower May 2020

14 Sometime after the start of the great tribulation, "the kings of the entire inhabited earth" will form a coalition of nations. (Rev. 16:13, 14; 19:19) That coalition becomes what the Scriptures call "Gog of the land of Magog." (Ezek. 38:2) That coalition of nations will make one final all-out assault on God's people. What will provoke the attack? Speaking of this time, the apostle John saw a storm of unusually large hailstones raining down on God's enemies. That symbolic hailstorm may take the form of a hard-hitting judgment message delivered by Jehovah's people. It could be that this message provokes Gog of Magog into attacking God's people with the intention of wiping them off the earth.—Rev. 16:21.

15-16. (a) To what event may Daniel 11:44, 45 be referring? (b) What happens to the king of the north and the rest of Gog of Magog?

15 This hard-hitting message and the final attack by God's enemies may be the same events referred to at Daniel 11:44, 45. (Read.) There, Daniel says that "reports out of the east and out of the north" disturb the king of the north, who goes off in "a great rage." The king of the north intends "to devote many to destruction." The "many" referred to seem to be Jehovah's people. * Daniel may here be describing the final all-out assault on God's people.

3. Now Jehovah's witnesses can think the end of their ministry for apostasy is actually because "its is all over" and time for "the end" now.

4. They can also fancy the ministerial hubris that their "it is the end of the world and Russia is King North" "judgment message" would provoke the nations to finally "just have had enough of those Jehovah's witness pests" for a GLOBAL ASSAULT on the ministry.

The truth is, like "the little boy who cried wolf", pedophile-packer "Jehovah's witnesses" and "their judgment message" are just a faint background blather to the "global villagers" now; much like that of Charlie Brown's parents, bwah, wah, wah, wah, bwaha, no one really cares what UN NGO pedophile-packers have to "warn" of any longer.

They are the ones who need to heed the warning. (Dan8:13-14)

Truthfully, there is NOTHING Jehovah's witnesses could possibly blurt out now to provoke "the whole world" to eradicate their dead ministry. This is all built up in Jehovah's witnesses Kool-Aid soaked minds, AS IF everyone cares and is so disturbed by the "doomsday warning".

The JW Pedophile Paradise is a better reason than any doomsday message for GLOBALLY dissolving the Jehovah's witnesses apostate ministry and criminal organization, let's put it that way.

There will be a global assault on the ministry for **APOSTASY**, it is what it is; it is the final apostasy of prophecy. (Dan8:11-14; Dan11:30-35)

The **real reason and meaning of the Jehovah's witnesses GLOBAL judgment downfall is APOSTASY**; REALITY COMING, will be far different than what apostate Jehovah's witnesses will have been misled to believe.

Cancel the Ministry

The Watchtower July 2015, pg. 16, par. 9:

9 This will not be the time to preach the “good news of the Kingdom.” That time will have passed. **The time for “the end” will have come! (Matthew 24: 14) No doubt God’s people will proclaim a hard-hitting judgment message. This may well involve a declaration announcing that Satan’s wicked world is about to come to its complete end.**

1. Now the real goal of shutting up Jehovah's witnesses by means of apostasy, can actually be accomplished from Jehovah's witnesses own WTBTBTS mouth!

Get ready to cease the organized ministry entirely everyone!

2. Now they can cancel the ministry and "free up" all its resources for liquidation since "it will no longer be needed, brothers".

3. Now Jehovah's witnesses and their "authorities" can "thumbs up" the whole organizational assets deposition process to actually aid the "sell off" because "it is the end, it is prophecy fulfilling brothers!".

Governing Body "Rapture" Exit Plan

Now when the Governing Body "disappears" back to the real "King North" globalist enclaves they slithered out from with their own blood money booty haul portion, the reason given to Jehovah's witnesses for that "disappearance" evac will be "*we have to go to heaven now everyone!*".

The Watchtower October 2019

14 During the great tribulation, a change will take place regarding the brothers who take the lead on earth. At some point, all anointed ones who are still on earth will be gathered to heaven to share in the war of Armageddon. (Matt. 24:31; Rev. 2:26, 27) This means that the Governing Body will no longer be with us on earth. However, the great crowd will remain organized. Capable brothers from among the other sheep will take the lead. We will need to show our loyalty by supporting these brothers and by following their God-given direction. Our survival will depend on it!

Thank God. Apparently, the Governing Body may try to jettison out "to heaven" early, to try to avoid the Destroyer. (Rev9; Mal3:1-4)

Survival depends on God, not "these brothers" or their corrupted "organization". "Capable brothers" will just be more pied pipers, to be purged "in the temple" later. (Dan8:14; Isa37:36; Isa31:8-9; Hos1:4-7; Eze37)

1. Thus, JW Lemming obedience is being cultured in Jehovah's witnesses mind to then also obey the Pied Piper globalist organization so-called "God-given direction" (Zech11), even after the Governing Body anti-Christ's have "gone to heaven".

But, as these enemies flee or are *fully* purged "from the temple" by other means, that will remove the only organized obstruction currently impeding the final prophecy truth and reality. (Zech4:6-9)

(Zechariah 4:6-7) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “Not by a military force, nor by power, but by my spirit,” Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he will certainly bring forth the (temple completing Christ) headstone. There will be (two witnesses completion final ministry) shoutings to it: “How charming! How charming!””

The Future Temple Judgment Apostasy Reality of Jehovah's Witnesses

The Last Apostasy is Why Jehovah's Witnesses are Going Down, NOT "The End"

The real reason this final apostasy signaling ministry is being [globally] "attacked" as the prophetic temple judgment of God global context (Dan11:41-43), is **for a decades long apostasy** the leaders of Jehovah's witnesses have been developing for quite some time now. (Dan8:11-14; Dan11:30-35; 2Thess2:1-4)

[The Coming Epic Judgment Downfall of Jehovah's Witnesses January 2020 Draft 1](#)

(Daniel 11:32) And those (Jehovah's witnesses) who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words. (from the Governing Body "King North" placed apostasy leadership of the WTBTBTS)

And those fully foretold WTBTBTS apostate and impostor leaders have been **defecting** and "leaving the holy covenant" well before 1976 and their red flag "Governing Body" rogue coup. From then it is "King North" globalists who lead the anti-temple operation to profane the "constant feature", and ally Jehovah's witnesses with the UN NGO for the 1990 **third United Nations presentation**, and its real **globalist-system** "King North" meaning and system "image", for quite some time now.

(Daniel 11:30-32) “And [King North] (Globalist-System) will actually go back and hurl denunciations against the holy covenant and act effectively; and [King North] (Globalist-System) will have to go back and will give consideration to those

leaving the holy covenant (among JW's). 31 And there will be arms that will stand up, proceeding from [King North] (Globalist-System); and they (apostate JW's) will actually **profane the sanctuary**, the fortress, and **remove the constant [feature]**. And they (all) will certainly put in **place the disgusting thing** that is causing desolation. (King North globalist 1990 3rd UN placement, JW UN NGO, 1991) 32 And those who are acting wickedly against [the] covenant, [King North] (Globalist-System) **will lead into apostasy** by means of smooth words.

(Matthew 24:15-16) Therefore, when you **catch sight of the** (JW UN NGO) **disgusting thing that causes desolation**, as spoken of through Daniel the prophet (Dan11:31b), **standing in a holy place**, (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.

Transgression and Subversion

(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place (corrupted JW worldwide organization) of his sanctuary was thrown down. 12 And an (JW worldwide) army itself was gradually given over (to 8th King infiltrative control), together with the constant [feature] (laced with profanations), **because of transgression**; (UN NGO and other sins); and it kept throwing truth to the earth (cover up, misinformation), **and it acted and had success**. (Dan11:30 "act effectively" by the apostate subversion operation deployed through the Governing Body and WTBTs);

UN NGO Transgression Causing Desolation

(Daniel 8: 13) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the (profaned and subverted) constant [feature] (of JW ministerial offerings) and of the **transgression causing desolation** (UN NGO alliance and co-promotions fulfilling Daniel 11:31b), to make both [the] holy place (temple "established place"; Dan8:11, "fortress" Daniel 11:31a) and [the] (JW worldwide) army things to trample on?" (the temple judgment "trampling" "attack" aided temple desolation "fire" of Zechariah 3:2 and Revelation 8:3-5 starting the final prophetic cycle in a global tribulation forming);

Timed Temple Judgment Period and Purification Purpose

(Daniel 8: 14) So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." (Temple purification completed in this time period parallel Zechariah 3:4-5, Revelation 8:1-5; 1150 days minimum or 2300 days probable);

Final Prophecy and World Event Cycle Overview

The First Witnessing Prophecy Master Pattern from 1914-1918

Now that the 1914 "first witness" cycle has already laid out the repeating prophecy master pattern for the future final cycle, we know why these apostates and impostors are in Jehovah's witnesses to try to impede the final witnessing 1260 days cycle of the future which will be upon the same prophecy fulfillment pattern as set in 1914-1918:

1. The 1914-1918 World War 1 distraction "sword-stroke" cycle ran its full global course (Rev13:3), and then "healed" and peacefully resolved into the globalist "League of Nations" presentation in the prophecy of Daniel 12:11's first cycle as Revelation 13:5-11.

A. That was to be the first step of 4 sword-stroke cycles, including the threat of one in Cold WW3 cycle, to run one last time in the future to then present complete "8th King" "King North" World Government "Scarlet Wildbeast" of Revelation 17:8-18. That is what triggers [the future Christ arrival](#).

2. That 1914-1918 first cycle then led to the events of the first 1260 days completion and ministerial cancelled "first witnessing";

3. That led to the recovered ministerial prophecy events of Daniel 12:11's first 1290 days cycle from 1919-1922, and the League of Nations "disgusting thing placement" counterfeit as well;

4. and on to Daniel 12:12 full recovery in 1922-1926 and into the rest of the eventual Jehovah's witnesses identified ministry.

That prophecy pattern repeats in full, in the future.

The Future Repeat of this Master Pattern from 1914-1918

This time, the Jehovah's witnesses apostasy, then judged, timed, and desolated globally, will mark the first timed prophecy proof of Daniel 8:13-14.

That timed temple judgment event begins Revelation 8-9, which eventual Daniel 8:14 temple cleansed "right condition" (Zech3:4-9), leads to the **repeating** 1260 days final ministry "last witness" of the Revelation 11.

Revelation 11 has a complete TWO "witnessings" requirement for 2520 days as "seven times" completion when the future ministerial 1260 days [completion] is combined with the first 1260 days "first witness" of 1914-1918.

That "last witness" emerges into the final sword-stroke cycle coming up, and **REPEATS in the future** as Revelation 11:2-3 "witnesses" again for the required "last witness" 1260 days completion (Rev10:11; Rev11:2-3; Dan12:7), of the future.

1. The future fourth "sword-stroke" cycle (Rev13:3), as in World War 1 formerly, provides the future distraction global "sword-stroke" cycle which will now run its full global course. As before (Rev13:3), that final world crisis of the future, will then "heal" and peacefully resolved into the globalist "8th King" World Government and its "image" as the final "United Nations-related" presentation, no matter what they might finally name the "United Nations" as.

A. That future finale competes the **repeated prophecy** of Daniel 12:11's future final cycle as Revelation 13:11-18 completes. (Dan2:44; Dan7:23-26; Dan8:25; Dan11:45; Rev17:8-18; eventually Rev19:19-21)

B. That will be the last step of 4 sword-stroke cycles into complete World Government. The world event and final prophecy cycle runs one last time in the future to then present complete "8th King" "King North" World Government "Scarlet Wildbeast" of Revelation 17:8-18. That is what triggers [the future Christ arrival](#).

2. That future Daniel 8:13-14 timed temple judgment is what will have led to the events of the LAST 1260 days ministry to completion and then world government sanctioned final ministerial cancellation of that "final witnessing"; (Rev11:7; Rev13:5-7; Dan12:7; Dan12:11)

2. That leads this time as the final world and prophecy cycle, **to the Daniel 12:11 Christ arrival and the Messianic Kingdom completion of Revelation 14**. (Rev7:1-8; Rev14:4; Rev11:11-12; Rev16:17; Matt24:29-31) Christ secures all the global sheep into the final Kingdom-backed open salvation peace offer and "salvation parousia" period of Revelation 14:6-7.

A. In that Daniel 12:11 repeated 1290 days for its whole period, Christ secures all savable human worldwide before he conquers the rival world government then full forewarned and ready for the war. (Rev6:12-16; Rev11:3-7)

4. That leads to the 1290 days concluding Christ Kingdom conquest to then prepare the Marriage of the Lamb event as the "great crowd" is who are "invited to the evening meal of the Lamb's marriage".

Thus, both "witnessing" prophecy patterns are the same from preview of 1914-1918 to the finality of the future final fulfillment cycle of Revelation 8-11 which but begins with the apostate Jehovah's witnesses ministerial judgment and downfall.

This is the real future "sword-stroke" cycle which the apostate and trespasser Governing Body are now attempting to cloak in false-prophecy to aid their exit with the real globalist King North frauds leading this apostasy. (Dan11:32a)

The Final World Event Cycle Starts With the Jehovah's Witnesses Judgment Downfall

The first required future proof must start with the future required [prophecy timed] downfall of Jehovah's witnesses apostasy to affirm Daniel 8:13-14 events and timing, after that final temple judgment has passed. The true context of the JW ministerial and organizational downfall is APOSTASY foretold!

As you know, this whole WTBS hoax will have been trying to conceal that reality, and the following, as long as they are permitted to do so.

The now final apostasy defining prophetic ministry of Jehovah's witnesses is judged first (1Pet4:17; Dan8:13-14), as [the first timed prophecy signal](#) for the rest of the prophecy to unfold then for several more years.

1. Temple Judgment of Jehovah's Witnesses:

The Jehovah's witnesses apostate ministry and JW Org is judged by God, as apostate and corrupted and [dissolved globally](#). (Dan8:13-14; Rev8; Zech3:1-9; Mal3:1-4; 2Thess2:1-12; Eze10; Isa6)

According to the "sword-stroke-to-global-healing" logic of Revelation 13:3 (Rev17:8-13), a future forming world-crisis will be when Jehovah's witnesses will start to go down globally.

This is because in their fraud-prophecy setup, the "end of the world" "proof" will be provided by that future world-crisis "tribulation of those days" starting, which the Governing Body will try to sell for a while as "the end of the world" to continue to cover this all up.

Misled Jehovah's witnesses will need that applied false-prophecy context activated by an actual world-crisis to then claim "the end has arrived", so their apostate and impostor leaders [can cancel their apostate ministry and dissolve and loot their corrupted organization](#) under a final false-prophecy "coming true" smokescreen pretext.

They can then claim the ministry is in good standing and it because it is "the end" "as prophecy fulfilling" that this is all occurring, not due to their apostasy and the final sword-stroke-to-world-government prophecy cycle required completion.

Along with that deception, the JW Organization is dissolved and looted globally under cover of the "the end" smokescreen and exit strategy aid. (Important: That is when to mark the start of the anti-JW event-dates for the Daniel 8:13-14 future temple judgment timing proof.)

A. The JW "end of the world" fails into a global laughing stock of great discrediting, stumbling many and undermining all Christian prophecy believability (Mat24:6), for many people.

Because it is just a fraud WTBS created "self fulfilling prophecy" (2Thess2:1-2), the JW "end of the world" will not manifest, prophecy guaranteed.

As outlined in actual prophecy, the global crisis "sword-stroke" must eventually resolve peacefully into world government. (Rev13:3; rev17:8-13)

In that future timing of Daniel 8:14 temple judgment, whether it be 1150 or 2300 days, some abandoned Jehovah's witnesses will have to start to realize something is not right, after enough "failure time" has passed.

Jehovah's witnesses ministry and organization must go down with the initial global-crisis events to be dissolved and pillaged globally, before the "sword-stroke" "tribulation of those days" runs its full course into Daniel 12:7's timeframe and after.

The real Governing Body WTBS purpose is to destroy the Jehovah's witnesses ministry to try to impede the final prophecy warning which will emerge anyways. (Rev10:5-7; Rev11:3)

In that interim, the real prophecy reality has to emerge to the attention of some Jehovah's witnesses and others.

B. Christendom's "rapture" similar deception based on prematurity, will also fail globally.

Religions' many false-prophecies will suffer *failure* and be greatly discredited (Rev16:12); especially the Christian corporate sector whose "rapture" premature expectation *failure*, along with the JW "end of the world" *failure* all serve to undermine, discredit, and cause great doubt of the whole prophecy of God, globally. (Aiding Rev16:12 depletion of religious populations)

2. The Final 1260 Days "Witnessing":

Into that highly distracting context, after Jehovah's witnesses have gone down fully (as timed in Daniel 8:14), a final "non-religious" ministry "witnessing" publishes the final prophecy outline for 1260 days. (Rev10:5-11; Rev11:3; Dan12:7)

(Revelation 10:11) And they say to me: "You must prophesy **AGAIN (1260 days more) with regard to peoples and nations and tongues and many kings."**

(Revelation 11:3) And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.

How God "causes my two witnesses" to emerge [non-religiously] for 1260 days [in the future], is for now unknown. (Rev11:2-3; Rev12:14; Rev13:5-7; Dan7:25; Dan12:7)

In part, the final 1260 days "last witness" ministry of the Revelation 11 "two witnesses" must:

- [1.] Expose the final apostasy then downed in Jehovah's witnesses;
- [2.] Make the Messianic Kingdom completion proclamation;
- [3.] and warn of what "8th King" World Government will be triggering and meaning, before it completes;

3. World Government and World Peace:

As per prophecy, the global-crisis "tribulation of those days" resolves peacefully (Rev13:3), globally "healing" into the foretold "8th King" World Government presentation. (Rev17:8-12)

The global forming "world peace" is under world government to become its main mantra; (1Thess5:1-3).

The global corporate religious complex worldwide will endorse and bless world government as if divine. (Rev7:1-7)

That will be the "Babylon the Great" global religious corporate complex's final attempt at survival, they will have only one option: apply prophecy to the 666 world government as if fulfilled in that "God's Kingdom" "Zion" counterfeit; all former religion "prophecy" will have failed, which aids the Euphrates curse of the sixth trumpet and sixth plague parallel, and the "draining" effect it will have on Babylon the Great's corporate-religious human resource support .

(Revelation 9:13-15) And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet: "Untie the four angels that are bound at the great river Euphrates." 15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men.

(Revelation 16:12) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that

the way might be prepared for the kings from the rising of the sun.

(Revelation 17:15) And he says to me: "The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues.

The final "two witnesses" "last witnessing" deploys successfully, but cannot go to total global completion (Matt10:23), and is eventually CANCELLED as a ministry under world government sanction. (Rev11:7-10; Dan12:11)

Christ is who completes the ministry in [Revelation 14](#) as Matthew 24:14 by fully Kingdom angelic means [for the whole 1290 days open salvation period of Daniel 12:11](#).

Christ Arrival Two Phases

1. The Christ "Second Coming" "Salvation Parousia" Arrival:

Into [the final period of completed world government](#), which that final 1260 days ministry will have been warning of, Christ's long awaited "second coming" will manifest in two phases.

Christ arrives for stealth "sheep gathering" mode first (Matt25:31-40), for the Daniel 12:11 1290 days of his open salvation parousia of Revelation 14.

Babylon the Great Deposed Under World Government: Aiding Christ salvation freedom sweep worldwide, global religion is also deposed and liquidated in this world government phase. (Rev17:12-17)

Thus, Christ arrives into a "salvation parousia" (Matt24:30-31), before the downfall of global religion. Global religion is to be outlawed under world government after the "Babylon Harlot" has fully blessed world government and its 666 allegiance as "divine".

Christ and the Messianic Kingdom and Kingdom of God holy angels complete the global ministry in the Daniel 12:11 1290 days with [the open salvation offer of Revelation 14:6-8](#), which any human on Earth can accept and live. (Dan12:11; Dan9:27; Joel2:30-32)

2. Global and Universal Conquest of the Kingdom of God:

Then, after all savable humans are secured worldwide, Christ as the Messianic Kingdom "King of kings", deposes the rival "8th King" World Government. (Rev19:19-21; Dan2:44; Rev17:14) and abyssees Satan and the demons. (Rev20:1-3)

A. That begins the Messianic Kingdom one thousand year reign inception and its guided [human immortality](#) process phase of Revelation 21-22.

B. Daniel 12:12 is the global preparation for the "Marriage of the Lamb" which the "[great crowd](#)" are "[invited](#)" to attend.

Christ Kingdom rule will then complete the earthly "[God's will be done on Earth](#)" purpose (Rom8:18-22; Rev19:28; Matt6:9-10), of the Messianic Kingdom rule of Christ "as in heaven", over the one thousand year reign, and after into the human immortal completion for those willing. (Rev20:3b,7-10; Rev21:22-27; Rev22:14)
