

# God's Prophecy REPEATS and 607 BCE Babylon Benchmark Proof

PDF Version March 26, 2020

## Basic Master Pattern Already Set

The Revelation 11 "two witnesses" will be two witnessing periods of 1260 days each, 1914-1918 and the future for a total 2520 days as "seven times".

**(Revelation 10:11) And they say to me: "You must prophesy AGAIN (1260 days more) with regard to peoples and nations and tongues and many kings."**

**(Revelation 11:3) And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth. (past "witness" and future "witness")**

Keep in mind that in the final apostasy now operative for a few decades in Jehovah's witnesses now subverted ministry, the 1914 prophecy date is being undermined with a known lie concerning the 586-587 BCE Jerusalem destruction date. The WTBTs claimed date+event is 607 BCE, which is a globally-known error.

In the future, the final "witness" will prove the actual Babylonian ascension period of 609 BCE to 605 BCE. That will rectify that purposeful 1914 subverting error of the Jehovah's witnesses apostasy upon a "gentile" times benchmark on the gentile Babylon period.

That will come from God (Rev10:11; Rev11:3) after the final apostasy in Jehovah's witness goes down in the Daniel 8:13-14 [epic temple judgment downfall globally](#), as this final world-crisis cycle begins. (Dan11:41-43)

### 1914-1918

1. The first witness cycle manifested with a world cycle "sword-stroke" of WW1 (Rev13:3), which resolved into the League of Nations "image" of the wildbeast world government in its first step of progress. (Dan12:11; Rev13:11-15)
2. The first witness cycle of 1260 days from 1914 to 1918 (Dan12:7; Rev11:3), was ceased by legal means in 1918, to come into recovery in 1919 as Daniel 12:11's first cycle was defined.

**(Daniel 12:11 First Cycle) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:3-11, post 1260 days first ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as the League of Nations "image"), there will be one thousand two hundred and ninety days.**

### Future

1. The final witness cycle will manifest in the future world cycle "sword-stroke" (Rev13:3), of for now unknown severity (Dan11:41-43), which will also resolve into the United National final "image" of the wildbeast along with completed "8th King" World Government in its last step of progress. (Dan12:11; Rev13:11-15)
2. The final witness cycle in the future 1260 days (Dan12:7; Rev11:3), will be ceased by legal means in the future, to lead into the Christ arrival via Revelation 14 (Rev11:11-13), in the Daniel 12:11 final cycle 1290 days as defined by the same related criteria as the first cycle.

**(Daniel 12:11 Final Cycle) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with its final UN-related rendition "image"), there will be one thousand two hundred and ninety days.**

Spiritual and World Cycle Prophecy and Events Repeat

1. Final world peace resolution under World Government: 1Thss5:1-3; Dan8:25
2. Final prophecy and world event cycle based on 1914-1922 first cycle master pattern.
3. Completes Revelation "seven times" connection as 2520 days, 7 times, 84 months; March 2020

## The 1914-1926 Daniel 12 Master Pattern Repeats

The first complete prophecy and spiritual cycle of 1914-1926 and the world cycle it manifested with in the "sword-stroke" global-crisis "time of distress" principle laid out the exact same prophecy pattern, as the assured master pattern of the final future cycle.

**There had to be a preview of minor fulfillment cycle first. The Daniel 12 [prophecy and world event master pattern](#) of 1914-1926, is the only way the future prophecy can be known [before] it fulfills this time. This time the prophecy must be known before it fulfills because it will be giving the warning of what completed world government will be triggering: the Christ "second coming", for the global sheep gathering phase first.**

Unlike other prophecy periods which had to be ascertained after the fact, there will not be that luxury of extra time in the future. Just as Charles Russell was able to forecast the Daniel 4 "gentile times" to 1914, before it happened, this time the whole prophecy will be known with the same sovereign-time-limit message for the rival world government, this time, in completed form as well. (Rev10:5-7)

## The 607 BCE Babylon Ascension to 586 Jerusalem Destruction to 516 BCE Second Temple Completion Gentile Times Rectification

Now that the WTBS centered apostates have fully discredited 1914 with a real 607 BCE Jerusalem destruction *fiction*, this explains how Babylon's actual "gentile" ascension marks the 609-605 BCE prophecy benchmark era.

## 607 BCE Babylon-Based Timed Prophecy Fix

(Excerpt from coming article: Daniel and Revelation Repeating Prophecy Basis Primer for Understanding)

A. Dating 607 BCE to the 609 BCE era of the foretold Babylonian world power ascension under the dynasty of Nebuchadnezzar from king-designate (607 BCE) to King of Babylon by 605 BCE, will base the "seven times" on an actual "gentile time" in verifiable history;

- [1.] [The Daniel 4 Super Tree and Gentile Times Rectified Reference with All Final Prophecy Cycle Tables](#)
- [2.] [The Daniel 4 Gentile Times 607 BCE Babylon Ascension Benchmark Proof and Purpose](#)

1. The Isaiah 45 foretold divine-anointing of Cyrus indicates the 537 BCE date is certain to mark the end of the seventy years "seven times" as the beginning of the 2520 years "seven times" global will still encompass the 586 BCE Jerusalem true destruction date approximation.

a. The 607 BCE Babylon benchmark is the dating basis, which will parallel with the "seven times" sovereign "trampling" intrigues on Israel, as will be shown, with all of its "seven times" connctions.

b. This is why [this prophecy and its benchmark "gentile times" dating is targeted](#) by the modern apostasy operation effects for discrediting; it makes the divine time limit and 1914-era warning seem invalid.

2. The Babylonian ascension (609-605 BCE) is historically documented from the emergence of Babylon's beginning defeat of Egypt/Assyria in [609 BCE at Megiddo](#), and the subsequent defeat in [605 BCE at Carchemish](#).

a. Nebuchadnezzar's "King designate" crown-prince period of co-regency is thus 607 BCE-based, to his full Babylonian Kingship in 605 BCE as also marked by the victory at Carchemish.

**Nebuchadnezzar is first mentioned in 607 BC, during the destruction of Babylon's arch-enemy Assyria, at which point he was already crown prince.**

[https://en.wikipedia.org/wiki/Nebuchadnezzar\\_II](https://en.wikipedia.org/wiki/Nebuchadnezzar_II)

3. Either by (1) the meaning of the crown-prince designation as assured King of Babylon in [607 BCE](#), or by (2) the average 607 BCE dating from the 609 BCE to 605 BCE timeframe, or by (3) the Cyrus 537 BCE benchmark date of prophecy, the 607 BCE Gentile Times Prophecy Benchmark can be established based on historically provable "gentile time" histories.

a. The 609-539 BCE (defeat of Babylon) to the 607-537 BCE (Cyrus decree) as both divinely indicated "seven times" as seventy years, is also then established by either the 539 BCE Babylonian defeat by Medo-Persia or the 537 BCE decree of King Cyrus which emancipated Israel officially as also benchmarked fully in "gentile times" history.

b. Israel's defeat by Egypt at Megiddo in 609 BCE, and [King Josiah's death](#) which resulted, mark the true beginning of the "gentile trampling" of Israel's divine-king rule. It was between 609 BCE and 605 BCE when Israel's last five Davidic-lineage kings transitioned from "gentile" Egyptian to "gentile" Babylonian domination during the vassal-reign of King Jehoiakim.

* Approximate Dating							
1. Dating shown is within accepted variance of calendar dating issues.							
2. Dating shown harmonizes with accepted global Biblical chronologies and "gentile" history.							
3. Dating shown rectifies and removes erred JW fantasy dating issues which affects all pre 537 BCE dates in JW research.							

c. From kings Josiah to Zedekiah all these kings were deposed by, placed by, or vassals of, the "gentile" world powers of prophecy of Egypt and or Babylon. From kings Jehoahaz to Zedekiah all Judean Kings were disapproved by God as noted in the Bible. From King Jehoiakim's partial reign forward from 605 BCE, Babylon was the dominating "gentile" nation of prophecy and reality.

**Therefore: BABYLON is the "gentile times" actual 607 BCE defining Gentile Times Benchmark nation of prophecy.**

4. By this actual "gentile times" world history, the 586 BCE Jerusalem and temple destruction date is affirmed removing the former discrediting effect;

5. The "seven times" is affirmed from 607 BCE to 537 BCE, the 2520 years to 1914 CE is affirmed;

**6. The very important third "seven times" period of this prophecy, from 586 BCE temple destruction to its 516 BCE temple completion is demonstrated for the Haggai and Zechariah prophecy connections to Revelation 11 and its own final 2520 days "seven times" future completion based on the future repeating prophecy certainty;**

**(Revelation 11:2-4) But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth." 4 These are [symbolized by] the two olive trees and the two lampstands and are standing before the Lord of the earth**

**(Zechariah 4:14) 14 Accordingly he said: "These are the two anointed ones who are standing alongside the Lord of the whole earth."**

And its future Christ Temple completion certainty:

**(Zechariah 4:6-7) Accordingly he answered and said to me: "This is the word of Jehovah to Zerubbabel, saying, "Not by a military force, nor by power, but by my spirit," Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he will certainly bring forth the headstone. There will be shoutings to it: "How charming! How charming!""**

7. Daniel 4 is to be explained accurately and fully in the [1260 days recovered ministry](#), which will also complete that **final Revelation 11 "seven times" as 2520 days** total "witnessing" in two periods past and future, unto the Christ future Temple completion of Revelation 14:1;
