## Daniel 11-12's "King North"

- Daniel 11:27-45 is the second of three "King" symbolic entities in prophecy which final maturation is globalized world government in the future. World government is what is being foretold in all of these "King" parallel-symbologies of future world government in the prophecy "King" symbols in Daniel 8 "King Fierce", Daniel 11:27-25 "King North" and Revelation 17:8-18 "8th King";

---

- Daniel 11:27-45 tracks Anglo-American globalist guided world government development from where Daniel 2, Daniel 7, and Daniel 8 have left the description and in the most volume of detail of all the "world government" sovereign prophecies;

---

- Daniel 11:31-45 is parallel global-sovereign world-governmental prophecy, history and future development of world government in Daniel 8:23-25;

---

- Daniel 11:41-43 will be the global context of the future Daniel 8:13-14 temple judgment of Jehovah's witnesses prophecy when it fulfills in the future as parallel with 1 Peter 4:17, Revelation 8, Zechariah 3, Malachi 3:1-5, 2 Thessalonians 2:1-12;

---

- Daniel 11:41-45 is the global development context leading to world government and the final agenda context which must merge with the Daniel 12:7 1260 days timing and Daniel 12:11 1290 days timing with the meanings of those periods;

---

- Daniel 11:30b-32 apostasy details and the Daniel 11:32-35 Governing Body and Jehovah's witnesses sheep-stumbling campaign is the parallel Jehovah's witnesses apostasy prophecy and history of Daniel 8:11-14;

---

- Daniel 11:30-32 is the second Daniel prophecy to co-develop the prophetic apostasy details of today's Jehovah's witnesses as parallel with Daniel 8:11-14,23 with the modern progress of the globalist-system "world government in-progress". The events matching that apostasy and stumbling (Dan11:32-35), prophecy became evident since 1990 as concurrently Jehovah's witnesses devolved fully into the final signal terminal apostasy as known UN NGO partnered co-publicists as Jehovah's witnesses now cover-up this prophecy and their apostasy in it;

---

- Daniel 11:40-45 culminating into total globalization completion in the future must converge into Daniel 12 to produce the final world government "King North" global-presentation of Daniel 12:11 in the future;

---

- Daniel 12 provides epic final cycle timings in relation to Daniel 7:25-26, Revelation 11:2-3, Revelation 12:14 and Revelation 13:5-7 as all these prophecies describe important details concerning the final ministerial period of Revelation 10-11:1-12, in the future;

## Connection to Satan in World Government

Although "King North" is definitely human based world government its "North" symbology [includes Satan](#) as the ultimate power behind world government. That is why "King North" comes "all the way to his end" with "no helper" in Daniel 11:45. That is, world government will be destroyed but this "end" also implies Satan's ouster to the abyss as the "remotest parts of the north" "heavenly places" "helper" of "King North" is incarcerated. (Eph6:12; Rev20:1-3)

**(Daniel 11:45) And [King North] will plant his (world government) palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.**

Because Daniel 11:45 has some descriptions of "King North's" deceptive final ploys which do have spiritual significance as world government is a counterfeit "Zion" which does attempt to entrap people globally as pictured in that "grand sea" it can have other meanings in the future.

As a speculation, world government and its fake "Zion" divine claims and aiding backers may be reinforced by some literal presence in Jerusalem and some part in the "third temple" decoy. In that speculative post-sword-stroke scenario (Rev13:3) Satan may be the decoy "Messiah" and "Christ" to manifest with his demons at that time.

**(Daniel 10:12-14) And he went on to say to me: "Do not be afraid, O Daniel, for from the first day that you gave your heart**

to understanding and humbling yourself before your God your words have been heard, and I myself have come because of your words. 13 But the prince of the royal realm of Persia was standing in opposition to me for twenty-one days, and, look! Michael, one of the foremost princes, came to help me; and I, for my part, remained there beside the kings of Persia. 14 And I have come to cause you to discern what will befall your people in the final part of the days, because it is a vision yet for the days [to come].”

By that demonic reference to guiding national powers from the demon "princes", that connection of Daniel 7 "four winds of the heavens" as demonically guided progress connects to Medo-Persia and Greece to being Daniel 11:1-2.

**(Ephesians 6:11-13) Put on the complete suit of armor from God that you may be able to stand firm against the machinations of the Devil; 12 because we have a wrestling, not against blood and flesh, but against the governments, against the authorities, against the world rulers of this darkness, against the wicked spirit forces in the heavenly places. 13 On this account take up the complete suit of armor from God, that you may be able to resist in the wicked day and, after you have done all things thoroughly, to stand firm.**

Thus, celestial demons from spirit to material powers are connected to the final world government development.

**(Ezekiel 38:6) Gomer and all its bands, the house of Togarmah, [of] the remotest parts of the north, and all its bands, many peoples with you.**

Therefore, the same "seven-headed" sovereign structure is present in the demonic "dragon" body under Satan in Revelation 12, and in their [Revelation 17 "scarlet wildbeast"](#) body as total world government in the future.

**(Revelation 12:3-4) And another sign was seen in heaven, and, look! a great fiery-colored dragon, with seven heads and ten horns and upon its heads seven diadems; 4 and its tail drags a third of the stars of heaven, and it hurled them down to the earth.**

### **Note on Daniel 11:1-26 and the Final Global Cycle of the Future:**

Jehovah's witnesses (JW) interpretation of Daniel 11:1-26 is accurate.

They devolve into the 1990 third United Nations event (Dan11:31b), and their backing UN NGO marked apostasy (Matt24:15), to affect Daniel 11:27-45 by retaining its 1958 based erred analysis. The means by which they formed their false-interpretations of Daniel 11:27-45 is covered in this [King North Globalization](#) study.

For this reason, in the future, Jehovah's witnesses are "desolated" in their [coming epic temple judgment downfall](#) due to apostasy (Dan8:12; Dan11:32a; Zech3:1-3), to mark Daniel 8:13-14 in the future, remove their apostate obstacle for the final 1260 days warning (Rev11:3; Dan12:7), and cleanse the "temple" before that recovery can deploy in the future.

Thus, when Jehovah's witnesses soon claim "Daniel 11:44-45 has activated" with "[Russia as King North](#)" it will be Daniel 11:41-43 which activates with King North as "8th King" World Government then going into completion.

**As the Jehovah's witnesses based apostasy starts to be deposed globally, that is when to mark the events and dates to affirm the [Daniel 8:13-14 temple judgment](#) timing later with.**

1. In the future, the global context will be Daniel 11:41 to activate as Daniel 8:13-14,

2. In that global "sword-stroke" context to resolve peacefully into world government, its leads into the Daniel 11:42-43 [loss of all national sovereignty](#) for that of forming world government as the Daniel 12:7 parallel.

The parallel final 1260 days ministry (Rev11:3) is to be ceased under world government.

3. Therefore, Daniel 11:44-45 is the Daniel 12:11 parallel of Daniel 7:26 and its final 1290 days time period of the [Christ arrival](#) and Messianic Kingdom co-completion of Revelation 14.

### **Daniel 11:27—World War1, World War2, Cold War First Three Cycles of Four (Dan11:27-30)**

1. The FIRST important [principle of reality] to recognize when studying this prophecy is the **Globalist** "King North" system "comes against" **Nationalist** "King South" systems by use of world wars and various wars between nations as the distraction, while capitalizing on the nations financially. (Dan11:42-43)

These war profiteering system cycles do not reveal the globalist "disgusting thing that is causing desolation" which is the actual "north" based orchestrator, main profiting system, and controlling system by multi-national pinnacle corporate means.

**[Daniel 11:40 is the perpetual worldwide invasion of globalism systems into the global nation-state system of all the nations in some form.](#)**

2. The SECOND important [principle of reality] in this prophecy is also the simplest to understand.

**"King South" is the global national systems and "King North" is global globalism systems which are all now at truly global scale of application. As national system weaken, the globalism system strengthens.**

3. The THIRD important [reality] is "King North" globalism (Dan11:36-39,42-43), does capture the "King South" global nation-state system in the future, and will be the global-victor.

But that is mostly by financial and economic subservience as in Daniel 11:42-43. Unlike the Jehovah's witnesses myth the "pushing" of "these two kings" is not perpetual, Daniel 11:42-43 clearly describes the "King North" dominance goal "successful" (Dan11:36);

The Globalism basis of world government in-progress to eventual complete world government in the future is what all this progressive globalist-system consolidation of wealth and sovereignty results in. That constant King North globalist-system financial and economic draining process empowered by globalization (Rev16:13-16), weakens nations wealth and sovereignty.

**That globalization process to complete, is how a worldwide "King North" World Government will form, the process will complete globalization in time, which will complete the corporate based global systems which administer it as a world government.**

4. The FOURTH important [principle of reality] is the "sword stroke" [cyclic-principle] of Revelation 13 as shown in all these distracting "King South" nation(s) versus "King South" nation(s) world wars since 1914 and WW1, wherein the cycle resolves peacefully into but another United Nations-related global presentation.

That global-stressing cycle runs to completion and actually aids the globalist-system "King North" system domination power, so a final "sword stroke" [of the future] will also manifest, and accelerate the globalization process unto completion.

**Even if the final global-crisis cycle "looks like doomsday" (Rev13:3), in that final global "sword stroke" cycle coming, however it may manifest, it will merely run its course, weaken the "King South" nations globally in the process to a global fall (Dan11:42-43), and then resolve peacefully into a global "healing recovery" phase into the final world government presentation as a complete global-sovereign entity.**

5. Maybe the most important reality is that final global-sovereign rival as one whole globally complete and stated world government is what triggers Christ's arrival and since it takes several more years which become epic in global changes in before Christ arrives many will be able to understand where this is going even at the most non-religious level of personal realization and awareness.

**8th King World government complete, functional (Dan11:45, Rev17:8-18) and "world peace" stated (1Thess5:1-3; Dan12:11), triggers Christ's arrival, not before, but AFTER it completes. That takes several more years.**

This coming global cycle will complete Daniel 11 and Daniel 12 as Daniel 12 repeats the same "placement" as in the 1919 League of Nations, but this time as complete world government.

### Daniel 11:30-35—Third United Nations Presentation and Jehovah's Witnesses Apostasy

Now we know the first two UN-related global presentation events of 1919 and 1945 had a third UN presentation event after the Cold WW3 cycle in 1990. This is the period Jehovah's witnesses were misled to:

1. Adjoin that third UN event as UN NGO;
2. Conceal the King North meaning as the globalist-system "world government in progress" as the 8th King World Government designate parallel.
3. [Cover up](#) all these final prophetic details, and;
4. Fulfill [the final apostasy](#) modern evidence of Daniel 11:30-35 in that same timeframe.

### The King of Daniel 11:36-39

A dominant feature of this section of prophecy is that King North is the driving global force for the entire progression and final sequence to "King North" World Government in Daniel 11:27-45 which results in the final United Nations-related "place the disgusting thing" of Daniel 12:11 as full world government.

Under "8th King"="King North" World Government comes the cessation of the final 1260 days "final witnessing" of the "two witnesses" of Revelation 11:1-7 which defines the dual criteria of Daniel 12:11.

That Daniel 12:11 period is the Revelation 14 parallel of the final 1290 day period beginning will be the approximate Christ arrival "open salvation" period prior to global conquest over world government—truly this prophecy's "the king" is "King North" globalism-based world government now in-progress. (Dan11:36)

**(Daniel 11:36a)** "And *the king* will actually **do according to his own will**...

## Daniel 11:27-45 King North Globalist-System Updates

### Daniel 11:27: World War 1 Era

King South	King North
<b>Nation-State System "Old World Order"</b>	<b>Globalist Globalization System "New World Order"</b>
Progressive global theater of WW1, WW2 to Cold WW3	Orchestrates "causes desolation" of world war cycles

**(Daniel 11:27)** "And as regards these two kings (**south nationalist** and **north globalist**), their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking. But **nothing will succeed**, because [the] end is yet for the time appointed.

**(Daniel 11:27a)** "And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking.

1. These two kings are the "king" "south" nation-state system aka the "old world order", and the "king" "north" globalizing system aka the "new world order" basis of world government, now all simplified in meaning but also at global scope of application as national systems decline into the globalist world government system ascension. (Dan11:42-43; Rev11:7; Rev13:3; Rev17:8-12)

A. The real overall "world war" in all of the "world wars" is **King North Globalism** versus **King South Nationalism** at global scale;

2. The "one table" is the global common sovereign expansion goal both nationalists and globalists continually obsess over, though by differing means for national system and globalist system goals;

3. The "one thought" is therefore related to sovereign expansion and global rulership "thought" scheming which only the globalist "King North" system will actually achieve; (Dan11:36)

A. National systems desire more sovereign power but the method they use helps ensures they will end up losing their own national-sovereignty to Globalist "King North" world government system by the time Daniel 11:32-43 of the future runs its course. As true national wealth and its wealth sovereignty is transformed to massive national debt so is the national sovereignty transformed into globalist-system dependency and eventually, total world government sovereign subservience;

B. The "King North" globalist system capitalizes on the expensive methodology the "King South" national systems embrace with its globalist-finance-system owed debt as their sovereign expansion drive culminates into world war developments in hot or cold nature cyclically, along with the compounding massive debt already brought on their national governmental and societal systems.

C. That massive "King South" national debt and unfunded liability "portfolio" is what Daniel 11:42-43 describes which will climax with the future global-crisis "sword stroke" phase completion into its foretold global peaceful resolution and global "healing" (Rev13:3; 1Thess5:1-3) into "King North" world government in the future. All of these "Kings" sovereign delusions of grandeur are synonymous with the "empty thing" of Psalm 2, upon the whole planet Earth scope. (Rev16:13-16)

**(Psalm 2:1-2) Why have the nations been in tumult And the national groups themselves kept muttering an empty thing?  
2 The kings of earth take their stand And high officials themselves have massed together as one Against Jehovah and against his anointed one**

4. The lie is the same lie for both "King" systems national and globalist in their own self-deceptive delusions of power as if it could actually become the first successful human global rulership upon expanded sovereign development in opposition to God's Kingdom of Christ. Thus, these kings lie to themselves, each other, and to the global populations in order to carry out this "empty thing" of world government.

The actually conflicting methods they use to reach their sovereign aims means "King South" nationalists have to lie to themselves to believe the lies "King North" globalists feed them as world war and massive national debt only serves the "King North" globalist interest.

**(Daniel 11:27b)** But **nothing will succeed**, because [the] end is yet for the time appointed.

1. This is why nothing "King South" nationalist based will ever succeed and why it totally fails at total national-system worldwide scale in the future.

This is because the national-system sovereign failure, while accruing massive indebted dependency and progressive servitude, is the very global means of global-sovereign-success for the "King North" world government system (Dan11:42-43) as it globalizes "gathers" all the then "fallen" national-systems into finally full world government subservience as the only national-system-"salvation" of the future. (Rev16:13-16; Rev17:8-18)

2. All "King South" nation-state and globalist efforts at *premature* world domination fail regardless of the driving system "north" or "south" because nothing can change "times and law" regarding God's prophetic timing. (Dan7:25) As in Daniel 11:36, in time, "King North" is who will succeed and complete this world government effort for a short timed rule. (Dan12:11; Rev17:12)

**Thus, in divine governed time only the "King North" globalist world government developing system will eventually complete "8th King" "King North" "King Fierce" World Government but according to God's prophetic timing; (Dan8:14; Dan12:7; Dan12:11)**

3. Eventually the globalist "King North" global-system must succeed (Dan11:36c), and does achieve all of the United Nations related capping global presentations of all four global world war cycles. That fourth and final UN "image" presentation will manifest in the future along with world government.

A. The future final world "sword stroke" cycle will resolve peacefully (Rev13:3; Rev17:8; 1Thess5:1-3), to then "place the disgusting thing" in the final United Nations related presentation (Dan12:11), as the "image" of the larger "King North" World Government system. (Rev17:12)

**"King North" is synonymous with the "8th King" (Rev17:8-18) and "King Fierce" (Dan8:23-25) prophetic terminal global-sovereign convergence meaning of World Government.**

4. The nation-state world war failure examples in Germany and the USSR are the visible "and nothing will succeed" in all three first world war "sword-stroke" cycles, WW1, WW2, and Cold WW3, which fail in the national sense, as the globalist "King North" system gets stronger in the guiding background.

5. What has "proven successful" (Dan11:36b) so far, was and is the globalist-system "King North" United Nations global presentation marked "image" "place the disgusting thing" finales of all THREE of those past world war periods in 1919, 1945 and 1990 (of 4 total, the last one in the future.)

A. At the same time that the progressive global "King South" national-system loss of sovereignty increases the "King North" globalist system keeps progressing in true global wealth and "power and authority" sovereignty as a result. (Rev17:12-13)

6. After the final global "sword stroke" and global-crisis cycle runs its course into a peaceful resolution and global "healing" phase in the future, the final and fourth United Nations presentation (no matter what the UN may be renamed as), will occur in the future with and under complete "King North" globalist-system World Government in Daniel 11:44-45 and Daniel 12:11 parallel; (Rev17:8-18; Rev13:3; Rev11:7; Dan8:25)

## Daniel 11:28: WW1 Cycle

King South	King North
Nation-State System "Old World Order"	Globalist Globalization System "New World Order"

WW1 "sword-stroke" cycle

**(Daniel 11:28)** "And **he** will go back to **his land with a great amount of goods**, and **his** heart will be against the holy covenant. And **he will act effectively** and certainly go back to **his land**."

**(Daniel 11:28)** "And **he** will **go back** to **his land with a great amount of goods** (WW1 financial capitalization), and **his** heart will be against the holy covenant. (WW1 holy covenant major identification 1914-1922 period) And **he will act effectively** (WW1 cycle success and League of Nations "placement") and certainly **go back** to **his land**. (WW2 prep)

1. From first identification of holy covenant location 1870s-1922, the WTBTs corporate coup attempts in 1897 and 1917, then the 1918 imprisonment are examples of these King North "denunciation" attempts;

2. The "King North" Globalists did not want the first League of Nations placement (1919) or the 2nd United Nations placement (1945) exposed as prophecy; (Rev13:11-15; Dan12:11; Rev17:8-11)

3. The "act effectively" is in regard to the successful orchestration of the first world war cycle, upon an international scale globalist-corporate Anglo-American based industrial and finance war profiteering system fully in action in Europe and the US system. This was aided by the 1913-1914 Federal Reserve central bank system being fully implemented by US government legislation just prior to WW1;

A. That globalist run industrial and financial system was how a "great amount of goods", at truly enormous wealth expansion magnitudes, was brought into the King North globalist wealth consolidating camp for WW2 preparation;

4. WW1 and the 1914-1918 first cycle of such an orchestration to aid globalist "King North" objectives is significant because it was the first fully complete global war cycle and its main "King North" globalist profiteering system implementation cycle as the master pattern of "world-war-to-world-government" formulaic cycle to be used then in WW2 1939-1945, Cold WW3 1945-1990, and the future

final "sword stroke" cycle;

A. "King South" national systems are those used for the "King North" globalist profit and production source. In the process the "King South" national-systems are indebted in war preparation, war deployment, and war reparations, which the "King North" globalist-system is further enriched by.

B. At the same time, these "King South" world wars based on "nation versus nation" dramas provide a global theatrical spectacle which aids distraction away from what is really going on as political-viruses of national obsessed leaders continue to be suckered by King North globalist guidance, into the exact same development of world war and war in general over and over again. (Mat24:6)

**That is how King South nationalists "give their power and authority" to the scarlet wildbeast "King North" "8th King" World Government, in this process to the future finale.**

## Daniel 11:29: WW2 Cycle to the Unique "Cold" WW3 Cycle

King South	King North
<b>Nation-State System "Old World Order"</b>	<b>Globalist Globalization System "New World Order"</b>
WW2 to the Cold War; Cold WW3 Cycle historic benchmark;	Leads to 1990 third United Nations presentation as Daniel 11:31b; Daniel 8:23

(Daniel 11:29a) "At the time appointed **he** will go back, and he will actually come against **the south**;

(Daniel 11:29a) "At the **time appointed he (King North) will go back**, (WW2 and 2nd UN placement; Rev17:8-11) and **he** will actually come against the south (WW2 and Cold War as one "come against the south");

1. The only "time appointed" of this post WW1 period is the prophetic marking of the second world war cycle "sword stroke abyss" [principle] and its capping second UN global presentation as the principle of the "abyss" "ascension" of that 8th King *designate* of 1945 (Rev17:8-11) in the United Nations "image of the wildbeast" entity, at that time.

**(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss (Rev13:3 future "sword-stroke" effect), and it is to go off into destruction. And when they see how the wild beast was (United Nations), but is not (UN impotent to stop the coming "sword-stroke" global-crisis), and yet will be present (but comes back up (Rev11:7), for the final UN rendition to representing the World Government 'miracle' "healing"), those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. (7th King/King South is not destroyed but "remains a short while", it becomes a global national-system vassalized-state of "King North" world government; Dan11:42-43) 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction. (world government is the entity Christ will target for precision selective deposition and removal, a UN-related "image" and "disgusting thing" globalist-entity will continue to represent it, no matter how they may rename and rebrand it in the future in this future "abyss ascension" finality)**

2. This is how and why the WW2-to-United-Nations cycle, is this "appointed time" and how and why certain principle features of this sovereign prophecy cycle and associated global-events repeat:

A. The Revelation 13:3 world war "**sword-stroke**" cycle and [principle] repeats with all "sword stroke" global world war cycles;

B. The Revelation 17:8 "**abyss**" [principle] of global-conditions rendering any UN peace-keeping efforts ineffective, due to that temporary "sword stroke" cycle repeats with all of the "hot" "sword stroke" global world war cycles in WW1 and WW2.

In [principle] and global-effect for the 1990 third United Nations presentation of prophecy at Daniel 11:31b, the Cold WW3 cycle also manifested this same cyclic-principle.

And why no "abyss" ascension prophecy was included in Daniel 8:23 or Daniel 11:31b, but its "appearance" principle is there, because the "Cold War" had no actual "hot" conflict to form a global "abyss" of UN inaction. But, it did have the severe "nuclear war" threat of that possibility for that global-fear promoting effect, which was also transformed into hopeful relief as the USSR fell;

C. Thus, the "King North" "8th King" Globalist "United Nations" "**ascension**" from that "abyss", repeats with all "sword stroke" global world war cycles, even if in Cold WW3 it was by the principle of global relief into the 1990 third United Nations presentation era. As the "sword stroke" cycle ceases and goes into its hopeful "**healing**" phase (Rev13:3), that globally-positive upswing highlights that "place the disgusting thing" global-presentation.

Though of a uniquely "cold" nature, as we will see actually noted in the rest of this Daniel 11:29 prophecy later, the Cold WW3 also employed that same global-scale [cyclic-principle]. It was a "cold" "sword-stroke" phase.

D. That is how the "abyss **ascension**" [principle] always repeats with these eventual four "sword-stroke" cycles in all these prophecies as in:

[1.] 1914-1919's WW1 "sword stroke" cycle,

[2.] 1939-1945's WW2 "sword stroke" cycle,

[3.] The 1945-1990's Cold WW3 cold-"sword stroke" cycle, and

[4.] The future final "sword-stroke" cycle coming up;

**But this last and fourth cycle will be the also foretold global presentation of completed world government along with its UN-related "image".**

E. The "Cold" world war was extended, expansive, and far more subtle in effect. This is because much of it was psychological anxiety due to the "nuclear war threat", but it still resulted in a hopeful United Nations capping presentation in 1990 and a globalization-expanding and aiding subtle "healing" phase.

**After 1990, is when all the former socialist national economies joined the global-capitalist globalization markets and efforts in a comprehensive manner never known at this scale before 1990.**

3. In all cases a "place the disgusting thing" United National related presentation concludes all of these "sword stroke" cycles "hot" or "cold".

This is because the "disgusting thing" "King North" Globalist-system is who "causes desolation" (or a threat of one) for that very "problem to solution" purpose to deceptively highlight the validity of the United Nations fronted "image" world rulership necessity and its obligatory "we need world peace" mantra and claims;

4. In the future, this same "sword stroke" to "abyss" to "ascension" into "healing" [principle] cycle will repeat ***for the fourth and final time*** in the future Revelation 17:8-11 "8th King" parallel "King North" prophecy as Revelation 17:8-18 (Dan11:41-45), in its entirety to present world government in completion in the future with that final global "ascension".

A. That "King North" world government global presentation of Daniel 11:45 (Dan12:11 final cycle), parallels the "world government" meaning of the Revelation 17:8-18 prophecy of "ascending" "8th King" world government which again repeats this post "sword stroke" "abyss" "ascension" principle in the future. (Rev13:3; Rev17:8-13; Rev11:7-10)

B. World government of the future will "ascend" from the future "abyss" of the final "sword stroke" cycle, which will again precede that final "place the disgusting thing" as Daniel 12:11 repeats as the "sword stroke to healing" cycle of Revelation 13:3 also repeats and concludes in this same manner;

5. World Government in completion is what triggers the Christ arrival in "[sheep gathering](#)" mode as first priority (Matt24:31) prior to world government conquest in Daniel 12:11, and Revelation 14:6-8;

A. And because the global deposition of "Babylon the Great" as the global-corporate-religious complex [comes under complete world government](#) as the global-illegalizing entity, some people being freed from global-religion by its destruction as outlawed internationally, with quite a "wake up call" at that time for those survivors (Hag2:7), will become part of the "sheep" being gathered by Christ. (Rev14:6-8; Rev11:13; Rev18:4; Matt24:31)

6. Prior to the destruction of "Babylon the Great", the "two witnesses" of Revelation 11:7-10 are "killed" to conclude in that "abyss ascension" parallel as world government first ceases the "second witnessing" of the "two witnesses" future 1260 days final ministry which will have been explaining these details.

**(Revelation 11:7) And when they have finished their [1260 days] witnessing, the wild beast that ascends out of the abyss (Rev13:3; Rev17:8-12, in future world government completing) will make war with them and conquer them and kill them. (which final ministerial cancellation is the "constant feature removed" of Daniel 12:11 which activates the 1290 days [when present with completed world government].)**

A. Revelation 11:3 is the 1260 days ministry completed which is being ceased (Rev11:7-10) by world government in "ascension" as near completion or in completion, at that time. (Dan12:7 "dash the holy ones" concludes into Dan12:11 "remove the constant feature").

**(Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with its final UN-related rendition "image"), there will be one thousand two hundred and ninety days.**

B. Revelation 11:2-3 1260 days timing also repeats with the Daniel 7:25, Daniel 12:11, Revelation 12:14 and Revelation 13:5-7 1260 day parallel and concurrent timings, as each prophecy offers unique details about the period.

7. That final world government "ascension" is thus into the terminus of all the sovereign prophecies of Daniel 2, 4, 7, 8, 11-12 and Revelation 17 in these seven structured prophecy timelines being examined here in this section in Daniel 11-12.

## How the "Cold War" was Different

**(Daniel 11:29b)** but it will not prove to be at the last the same as at the first.

**(Daniel 11:29b)** but it will not prove to be at the last the same as at the first. (the Cold War period is the unique "will not prove to be at the last the same as at the first" global cycle which preceded the third United Nations presentation of 1990 which JWs allied with and endorsed as UN NGO; (Dan11:31b; Dan8:13; Matt24:15)

1. Or as the King James Bible phrases it:

**(Daniel 11:29)** At the time appointed [King North] shall return, and come toward the south (Cold War); but it shall not be as the former (WW1), or as the latter (WW2).

**Cold War, the open yet restricted rivalry that developed after World War II between the United States and the Soviet Union and their respective allies. The Cold War was waged on political, economic, and propaganda fronts and had only limited recourse to weapons.**

2. The "cold war" term was first used by George Orwell in a published article in 1945. The Cold WW3 cycle was *different* as compared to the two previous "hot" world wars because no global scale "hot" "world war" of destruction occurred in this unique "cold war" cycle from 1945-7 to 1990;

The essence of "[World War Four](#)" was the argument that amidst all the optimism and triumph engendered by the collapse of communism—the end of World War Three (the Cold War, 1945-1990), we were in all likelihood at the threshold of World War Four (1990-????). World War Three, a relatively bloodless war which nonetheless consumed far more wealth than any of its predecessors, was about which economic and political system was appropriate for large industrialised nations. That's pretty much been settled now. World War Four was, I predicted, going to be centred on the essential definition of a nation and the appropriate size and scale of political entities. I went on to argue that 45 years of bipolar confrontation had simply put a lid on these issues, which have been at the heart of the overwhelming majority of all modern wars, and that we were probably entering into an era where borders were going to be redrawn all around the world.

The [Cold War](#) would be quite different from past wars. Most wars had been "hot" wars where there had been direct armed conflict between opponents. However, the Cold War was a struggle between the Americans and the Soviets to determine which of their economic and ideological systems would govern world affairs.

3. The "cold" world war cycle was unique as plainly described by Daniel 11:29b and global researchers, even its "world war" terminology was diverting.

But really the Cold War's vying *bi-polar* national-alliance based "super power" in that USA versus USSR conflict, in its multi-decade, multi-national, "cold" form was unique as compared to the two former hot world war cycles. Those conflicting, actually "King South" identified, **national-alliance-based** "super powers", in the USA and the USSR, were globally promoting both of those powers' conflicting ideological, political, commercial, and military expansion agendas which also made the Cold War world war cycle unique.

4. The difficulty to identify as a world war due to its "cold" nature and terming, the scale of the "conflict", and the decades it ran its course is also how it lured Fred Franz into a [premature](#) "King South" versus "King North" Daniel 11:27-45 erred prophecy interpretation attempt which has now failed along with the USSR.

The USSR like the USA, was just a "King South" national system element and thus cannot possibly be the real "King North" Globalist World Power in that prophecy en route to World Government.

## **Cold War Unique in a Number of Ways**

1. This unique Cold War was hard to recognize as a world war cycle even if "cold" in nature, because it was described as "cold" and it was truly unique in lacking any major global world engulfing conflict making it a "different" period altogether; (But, there were limited scale conflicts which were known to be of geo-strategic positioning [related to the "cold war" expansions of the USA and USSR](#) political and military systems.

And during the Cold War era, that positioning came to also include space and earth's upper atmosphere for potential strategic purposes.

[Cold War](#). Space was an important arena for the Cold War and even led to the creation of NASA. Millions of people were killed in the proxy wars between the US and the USSR during the Cold War. The "hot" parts of the Cold War included the Korean War, the failed Bay of Pigs invasion into Cuba, and the Vietnam War.

2. But its USA versus USSR global effect was epic in the potential of a "nuclear holocaust" conflict never imagined in previous world war cycles, so its psychological effect of anxiety was effective but also unique in application.

A. The epic distracting nature of this "King South" type USA based *national* alliance versus the "King South" type USSR Soviet based *national* bloc is also why this conflict was read-in to Daniel 11 by Fred Franz by 1958, by what can now be seen as an honest error; and that actually King South versus King South global-scale national-system-based conflict, which benefited the Globalist "King North" system expansion and coffers, also kept that Globalist "King North" uniquely hidden in the background.

3. Because "globalism" did not become global public knowledge in any real volume until after 1990, it also aided "King North" Globalists being hard to identify in prophecy.

**Even today, it is a uniquely semi-hidden "globalism" phenomena as mostly absent from world mainstream media as well as Jehovah's witnesses prophecy commentary.**

A. Without knowledge on the techniques, character, and methods, which make the globalization development also unique, and the driving "gather the nations" world power force and coming system of our age, such as surrounds the globalism development globally, then no prophecy descriptions can be applied to those proving features;

B. This post-Cold War modern stall in Jehovah's witnesses prophecy progress is also unique, as they uniquely also apostatized to match prophecies in this Daniel 11:30-35 prophecy.

C. Thus, "King North" globalism-based world government in-progress slipped off the prophecy radar in Jehovah's witnesses but also for reasons of apostasy and treason in the Jehovah's witnesses ministerial leadership. (Dan1 1:30b; Dan1 1:32a; Dan8:12-13)

**(Daniel 11:32) And those (Jehovah's witnesses) who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words. (from the Governing Body "King North" placed apostasy leadership of the WTBS)**

We will cover that more later.

4. Thus, because the "cold war" was hard to identify as a world war cycle and because globalism is also a "revolution by night" and more available for research from "alternative media" information, which also started to come out especially "on the Web" after 1990, the apostate and infiltrator Governing Body could keep the USSR "King North" **decoy** and erred interpretation in place.

A. To this day, Jehovah's witnesses are in a known anti-worldly-media Governing Body (GB) imposed blackout and "over-organization" web of their own making, which keeps them in "all media blackout" ignorance regarding how the modern world has changed. That "organized backwardness" also ensures modern Jehovah's witnesses never will explain this erred prophecy correctly as part of their apostate divine curse of darkness. (Isa59:9-10; Jer13:16)

B. After Jehovah's witnesses go down as Daniel 8:13-14 (Dan1 1:41 completion), in the final temple judgment timed cycle of that prophecy to start with Revelation 8 (1Pet4:17), then the required prophecy updates to modern world reality, must emerge from God for the final 1260 days ministry then in the final cycle Daniel 12:7 convergence of Daniel 11:42-43. (Rev1 1:3)

5. This unique Cold War cycle nature is noted by God in this prophecy so we know clearly that the post-Cold War unique cycle which led to the 1990 United Nations "place the disgusting thing" of Daniel 11:31b is the event of most importance to mark the real Globalist System "King North" of this prophecy.

6. Thus, the modern globalism details of Globalist "King North" "world government in-progress" and the Jehovah's witnesses co-developing apostasy and UN NGO (Matt24:15), with this same prophecy period, is far more provable than the Governing Body concreted-in fictional interpretations now helping divert Jehovah's witnesses into apostasy and modern globalism prophecy cover-up.

7. The final world war cycle, now possibly being prepared by use of the post-91, "Global War on Terror", as a global prelude global military expansion phase, is also unique in nature of initial deployment, but it is a preparatory global expansion continuing Daniel 11:40, for future use.

**Though the "Global War on Terror" (GWOT) has ended as also a unique development, and termed for "world war" concealment, a second phase of the "World War" "on terror", may continue as a second phase of the "Cold War" may heat up with Russia in the future, as a speculation.**

A. Thus, because the "cold war" was hard to identify in the world and in prophecy and because globalism understanding came out after 1990, the trespasser Governing Body still keeps the USSR "King North" decoy and erred interpretation in place. That "King North is Russia" framed deception aids the modern Jehovah's witnesses "end of the world" delusional set-up for organizational and ministerial deposition, in the future. (2Thess2:1-2; Zech11)

8. Since the USSR="King North" error has been useful as that DECOY "King North", upon Jehovah's witnesses expectations, it may become more so as the Governing Body primes Russia to continue the "King North" meaning and application to continue the distraction. It also deceptively promotes the false-idea of "the end of the world" in Daniel 11:44, as the current place in the Daniel 11 prophecy the apostate Governing Body are now "on hold" at, regarding now their new fake/decoy "King North".

A. Thus, the current GB deception can be used against Jehovah's witnesses for a final deception for aiding the final fake JW "end of the world" impression as the pretext to crash their apostate ministry and ministerial organization globally within, but allowed and required by God (Dan8:13-14; Rev8) due to apostasy, **not** the "end of the world" which is a final GB aided deception.

**In this way the Governing Body can state in error that "Gog", with or as, "King North" and the "coalition of nations", is Daniel 11:44-45 activating which is false, over advanced application on a framed Russia, and premature of world government in the future.**

9. In reality of Globalist "King North", leading the apostasy in Jehovah's witnesses in Daniel 11:32a, essentially already "entered the Decoration". To complete the ministerial "invasion" and destruction, then Daniel 11:41 is what prophecy will be activating next as the JW global organizational "trampling" of Daniel 8:13 and its apostate JW ministerial cancellation.

A. In that Daniel 11:42-43 global-crisis context of the real future "King South" "7th King", it is the global national-systems that will fall and be pawned by "King North" in Daniel 11:42-43 to its conclusion. In the future, both prophecies will have been active-to-completion, but then they will climax as the "King South" **national-system worldwide** is made subservient to "King North" **globalist-system sovereignty**.

B. As per prophecy, Jehovah's witnesses will be Daniel 11:41 "invaded", slam-dunked into silence, and in total bewilderment rather than be explaining this prophecy as King North globalization-system applied, and it will take them time to figure out something is very wrong. (Dan8:14,26 timing and phasing)

**This proves Jehovah's witnesses total error in this Daniel 11:27-43 interpretation and that the "King South" defined USSR nation-state bloc system never has been anything "King North" fulfilling or related.**

10. Russia and the nation-states of the former USSR "Soviet Union" system are all "King South" national system meaning component

parts now globalizing as well with the 7th King "King South" lead Anglo-American national-alliance system, who also fall by sovereign-transference in Daniel 11:42-43 into the global-rise of full "King North" World Government "8th King" future sovereign subservience, in the future.

11. In its entirety, with all of these unique features, this whole prophecy fulfillment since WW1 and after, and especially since 1990, is unique in itself.

## Daniel 11:30-31: Cold War to 1990 Third United Nations Presentation and JW UN NGO

King South	King North
<b>Nation-State System "Old World Order"</b>	<b>Globalist Globalization System "New World Order"</b>
USSR "King South" national bloc component eventually dissolves in globalist "King North" victory;	Third United Nations "place the disgusting thing" in 1990; (Dan11:31b; Dan8:23)
World system scraps socialism for global-capitalism globalism global economic model after 1990;	Bethel apostasy anomaly and UN NGO benchmark; (Dan8:13; Matt24:15)
Former USSR nations and others freely join globalism markets in billions of people and trillions of dollars after 1990	Establishes profaning "arms" in spiritual infiltration means in the JW ministry by the 1976 GB <a href="#">apostate entry point</a> and eventual lead; (Dan11:32a)

**(Daniel 11:30a-31a)** And there will certainly come against him the **ships of Kittim**, and **he** will have to become dejected. And **he** will actually go back and hurl denunciations against the holy covenant **and act effectively**; and **he** will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be **arms that will stand up**, proceeding from **him**; and they will actually profane the sanctuary, the fortress, and **remove the constant [feature]**.

**(Daniel 11: 30b)** "And **he** will actually **go back** (after the Cold War cycle)

1. "King South" national-based "vessels" of sovereign national-protective resistance impede global government in the whole WW1-to-WW2-to-Cold War phase over that whole period of preparatory world government steps in WW1, WW2, and the Cold War whole period.

2. "King North" Globalists "goes back" after the Cold WW3 cycle "dejected" not being able to fully vanquish national-sovereignty yet;

**(Daniel 11:30c)** ...and hurl denunciations against the holy covenant **and act effectively** (as shown in the JW apostasy, this apostate subversion and cover-up operation is very effective); and **he** will have to **go back** and will give consideration to those leaving the holy covenant. (This shows anointed Christian defection in JW leadership capacity is how KN globalist-intel manages to get into the JW ministry to later fully lead the apostasy as per Dan11:32a)

1. For "King North" anti-Christian goals this post WW2-to-Cold-War period requires more attention be given to the internal aspect "of those leaving the holy covenant" in Jehovah's witnesses leadership to be able to capitalize on this "holy covenant" "anointed Christian" defection internal to the anointed Christian ministerial "fortress" (Dan11:31a) in Jehovah's witnesses "established place" ministerial organization. (Dan8:11b)

A. That Daniel 11:30b anointed Christian defection is after 1919 and on-going thus it must be within the Jehovah's witnesses ministry and leadership.

B. That earlier development as set up since the 1976 Governing Body takeover is what later allows "King North" Globalist Intel guided subversion by means of that apostate Governing Body guiding cell.

C. By the time of Daniel 11:32a, from 1990 to today, it is a total internal aided apostasy and "profaning" leading development.

2. Thus, after two successful United Nations related prophecies were exposed by the Bible Students and Jehovah's witnesses related to 1919 (Rev13:11-15) and 1945 (Rev17:8-11), a renewed effort of subversion against the "holy covenant" announcing Jehovah's witnesses ministry had to be undertaken by internal means.

A. In time, it "acted effectively" in the eventual assured success to keep the Daniel 11:31b 1990 third United Nations global presentation concealed and severed from the Jehovah's witnesses prophecy continuum, as they UN NGO "partnered with the wildbeast" instead.

B. This is illustrated well, in the way the King James Bible phrases this same prophecy:

**(Daniel 11:30d)** [King North] shall even return, and **have intelligence** with them that forsake the holy covenant.

1. The "acted and had success" (Dan8:12b), and the "act effectively" (Daniel 11:30c), is the Globalist "King North" ability to distract and apostatize Jehovah's witnesses from connecting the original two United Nations related prophecy fulfillment explanations to this 1990 third United Nations prophecy as Daniel 11:31b and Daniel 8:23, for the current JW UN1-2-end-of-story in today's apostate Jehovah's witnesses, rather than make the UN1-2-3 progress by explaining that third United Nations event of 1990.

A. Thereby, Jehovah's witnesses are totally silent on this 1990 third United Nations global presentation prophecy as misled by their defector [UN NGO-allied "Governing Body"](#), who instead covenanted with the wildbeast system as UN NGO global UN co-publicists which became the JW subverted "army" of Daniel 8:12 and the profanations of Daniel 11:31a;

**Thereby, if Jehovah's witnesses do not realize the UN1-2-3 in prophecy up to 1990, they will also not comprehend the final cycle culmination as UN1-2-3-4 where UN 4 of the future is complete world government "King North".**

2. Instead, Jehovah's witnesses can be dissolved in a fake "end of the world", which delusional expectation can now be further reinforced by the Governing Body future application of Daniel 11:44-45 (over-advanced) to the next global crisis, if in any serious conflicts involving Russia develop in the future.

A. In the future, the apostate infiltrator Governing Body and WTBS can use Russia as the next "King North" [DECOY](#) along with a "coalition of nations" in Russian allies to aid Jehovah's witnesses deluded fantasy that "the end of the world" must be developing in which context their ministry can be cancelled, dissolved and looted as the Daniel 8:13-14 timing benchmark event or events.

3. Now both [Daniel 11:31-45](#) and [Daniel 8:23-25](#) concentrate on the 1990 3rd UN event (Dan11:31b; Dan8:23) and the fourth and final UN event (Dan11:45; Dan8:25) progressions of primarily the last two United Nations related developments, (1990; future).

A. That will eventually progress to world government in the future actually in those final prophecies—prophecies which the clearly identified apostate WTBS now keeps buried in WW2-Cold War era developments by now total error in their premature and now deceptive interpretation of this prophecy.

**(Daniel 11:30c)** and hurl denunciations against the holy covenant **and act effectively**; and **he** will have to **go back** and will give consideration to those leaving the holy covenant.

1. The "hurl denunciations" is a renewed effort because since Daniel 11:28, King North's "heart will be against the holy covenant" and thus was already in action since the "holy covenant" renewed location was emerging identifiable since the 1870s, made fully known by 1919-1922. (Dan12:11 first cycle)

2. Since WW1 era attempts to silence the League of Nations exposure, the "hurl denunciations" are present, and "consideration" of internal Bethel subversion is first by apostasy developing inside of WTBS/Bethel for the whole time.

A. By 1944-1990 "King North" "will act effectively" within the Bethel administration to effect a successful "governing body" concept to the "Governing Body" entity based "operation of error" subversion that God permits for greater purposes later. (2Thess2:11-12);

3. The "Governing Body" entity, in time, formed an "effective" internal operation inside of Bethel for a dictatorial ministerial controlling device:

A. The [1944 "governing body"](#) is first mentioned at Bethel and accepted as valid; (introduced in the active WW2 period with the Rutherford 1942 death distraction period)

B. The 1971 "lifted up" "Governing Body" title was applied at WTBS/Bethel to these signal apostate driven "board rogues"; (Cold War period)

C. The 1976 Governing Body dictatorship was fully established; (Cold War period) This [third WTBS "board of directors" coup was successful](#).

D. Which setup of apostasy was then in place for the whole Cold War period eventual 1990-1991 UN NGO and the 3rd UN presentation, with the signal [fully apostate WTBS/Bethel leadership](#) cover-up, and silencing subversion, [very "gradually given over" as per Daniel 8:12 to "throw truth to the earth"](#);

**(Daniel 11:31a)** And there will be **arms that will stand up**, proceeding from **him**; and they will **actually profane** the sanctuary, the fortress, and **remove the constant [feature]**.

1. This original "Governing Body" defector-anointed-based entity allows the later guidance of the "King North" Globalist-intel based apostasy and internal infiltration to mature for that whole period to the point of profaning the whole anointed Christian ministry, by subsequent King North guided "arms that stand up" in internal Bethel infiltration.

A. This is how "King North" globalist-intel is in full control of Jehovah's witnesses by the time of Daniel 11:32a;

B. Today's "Governing Body" are likely all "King North" Globalist avowed anointed Satanist undercovers, rather than the defector-anointed and infiltrator mix which probably made up the first Governing Body coup groups since the 1970s.

2. Nathan Knorr, Fred Franz, and Ray Franz are exonerated and are likely true faithful anointed Christians as the target of ministerial override of the GB apostasy. This is because it was their team leadership that the Governing Body power-trippers were targeting for usurpation in that 1970s Governing Body "Korah Class" WTBS Coup stunt of that time; (and unknown others in that probable mix of characters in the "Governing Body" of that time)

A. In any event, prophecy identifies "King North's" "root of all evil" in Jehovah's witnesses today as this so-called "Governing Body of Jehovah's Witnesses", whose post 1975 dubious developmental forensics are now easy to track and identify by the prophecy and by their "well organized" apostate lawlessness.

**Amazingly, the Governing Body of Jehovah's witnesses actively cover-up the very prophecy that identifies their active apostasy. They also conceal the critical 1990 third United Nations presentation, and their collusion with that covenant as the avowed leaders of that UN NGO "wildbeast and dragon worship" campaign which now fully seals the apostate JW ministry fate in the future. (Dan8:13-14)**

3. Thus, as Jehovah's witnesses now publicly describe in a number of their recent apostate propaganda publications, their fake "end of the world" is the perfect pretext to globally dissolve their ministry and organization within, while paralyzing JWs with their own fraudulent apostate "doomsday" heroin, thus allowing the deposition to proceed at global scale as actually timed as the temple judgment context of Daniel 8:13-14.

## Daniel 11:31b—Globalist King North 1990 3rd United Nations Global Presentation

King South	King North
<b>Nation-State System "Old World Order"</b>	<b>Globalist Globalization System "New World Order"</b>
3rd UN global presentation and Bethel UN NGO historic benchmark;	3rd UN global presentation and Bethel UN NGO historic benchmark;

(Daniel 11:31b) "And **they** will certainly put in **place the disgusting thing** that is causing desolation.

### Third United Nations Placement, Bethel UN NGO 1990-1991

1. By the time the 1990 3rd UN presentation occurred, it is joined by infiltrated Bethel as UN NGO (Awake! 9/8/1991);

A. Thus, "King North", "King South", and Jehovah's witnesses corporate ministry leadership all "place the disgusting thing" in that third United Nations global presentation in their own respective "wildbeast worship" events.

2. Jehovah's witnesses place the "disgusting thing" in the Matthew 24:15 and Daniel 8:13 "holy place", as globally known UN NGO wildbeast "King North" partners as the Daniel 8:13 UN NGO "transgression causing desolation".

**(Matthew 24:15-16) Therefore, when you catch sight of the (JW UN NGO) disgusting thing that causes desolation, as spoken of through Daniel the prophet (Dan11:31b), standing in a holy place, (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.**

3. All these former participants just described in the above "King North" "those leaving the holy covenant" and the "arms that stand up" impostors all work for the same goal, "they" work in collusion:

(Daniel 11:31b) "And **they will certainly put in place the disgusting thing** that is causing desolation. (as "placed" in that 1990 third United Nations presentation)

1. Subsequently the 1990 fulfilled 3rd United Nations "place the disgusting thing" prophecy is covered up as prophecy by this subverted apostate Jehovah's witnesses ministry (Dan11:32a), breaking the UN1-2-3 continuum in 1990 and severing it from Jehovah's witnesses awareness, thus, absent from their global ministry to this day;

A. The Daniel 11:32a "King North" external globalist-intel guidance leads Jehovah's witnesses into the signal final prophetic apostasy by means of their illegal "Governing Body" "governance" entity;

2. An example of "desolation" "caused" by "the disgusting thing" is the real "King North" globalist orchestration of all three of these world war cycles as. Those global-crisis global problems", and their various "wars and reports of wars" (Matt24:6), are all *conveniently resolved* for their capping United Nations "global solution" presentations—all three times so far! [1]

3. All the world war cycles culminated all three times into a marked "disgusting thing" UN related presentation, as the finale of the "desolation" cycle as per the Revelation 13:3 global "sword-stroke" principle of the eventual global "healing" process, as first seen in the WW1 first cycle.

4. Thus, the future fourth cycle of the "sword stroke", unknown as to how it will manifest in the future, will become the fourth global crisis cycle which must peacefully resolve into the prophetic world government presentation of the future, along with its UN related international governmental political forum "image".

5. Because this fourth cycle is essentially self-predictable, based on the globalist system use and logic of the three former "world-war-to-world-government" building cycles since (1) 1914-1919 (2) 1945; (3) 1990, this is why it was imperative that the King North "intelligence" effort controlling WTBT's apostate leadership (Dan11:30b), ensured that the third United Nations capping cycle in the Cold War *was ignored and never mentioned in any Jehovah's witnesses prophecy commentary.*

A. Instead, WTBT's secretly joined the 'United Nations System' UN NGO until the news of this compromise was later exposed by secular press in October of 2001 while news of the 911 events distracted many.

B. That UN NGO is the Daniel 8:13 "transgression causing desolation" which will come next on the apostate Jehovah's witnesses ministry. But it will be covered-up by their own Governing Body promoted modern smokescreen of deception as if "the end of the world", which will eventually fully fail.

6. Or, as the King James Bible phrases it:

(Daniel 11:30d) [King North] shall even return, and *have intelligence* with them that forsake the holy covenant.

## Daniel 11:32-35—King North Led Jehovah's Witnesses Apostasy

Leads the final apostasy of prophecy in Jehovah's witnesses as Daniel 11:30-35 and Daniel 8:11-12.

**(Daniel 11:32-35)** "And those who are acting wickedly against [the] covenant, **he will lead into apostasy** by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively. 33 And as regards those having insight among the people, they will impart understanding to the many. And **they will certainly be made to stumble** by sword and by flame, by captivity and by plundering, for [some] days. 34 But when they are made to stumble they will be helped with a little help; and **many will certainly join themselves to them by means of smoothness**. 35 And some of those having insight will be made to stumble, **in order to do a refining work because of them** and to do a cleansing and to do a whitening, until the time of [the] end; because it is yet for the time appointed.

1. This is a generalized period of the effects of King North "denunciations" that finally progress into forming the specific Daniel 11:32a apostasy now terminal and inside the apostate Jehovah's witnesses ministry from that time to today. This development creates the "temple" "wrong condition" in the ministry, (Zech3:1-3; Dan8:14), which apostate activity is finally ceased in the timed temple judgment accounting and purification; the "time appointed" of Daniel 8:13-14. (Zech3:1-5; Rev8:3-5)

A. But in the meantime the ministry is compromised to unacceptable and rejected by God first, to be totally removed in the future apostate Jehovah's witnesses downfall of Daniel 8:13:

**(Daniel 8:11) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down.**

2. In a spiritual sense, those things are removed and "thrown down" now by internal WTBTS-Bethel profanation and its illegal leadership actually guided by King North globalist infiltration expertise.

A. Thus, the apostate JW polluted "constant feature" is already unacceptable and "taken away" from God, the organization is spiritually "thrown down" as but a vain idol "devoted to destruction", before it actually manifests with the coming JW fake "the end" smokescreened global ministerial destruction cycle of the future;

3. But in the future, by the very mouths of Jehovah's witnesses leadership sanctions no less, the JW ministry will also be officially cancelled and the organizational idol literally deposed at global scale by aid of the "GB foretold" "coalition of nations", as God allows and actually requires this Daniel 8:13-14 "desolation trampling" judgment on the apostate Jehovah's witnesses ministry, in the future;

A. Just as this "gradually given over" apostate subversion took time to even develop, this finality of the situation will also take time to culminate fully in the future, as Daniel 8:13-14 which [timed] temple judgment will also take time to fully manifest.

4. Thus, these apostasy and stumbling developments will eventually have globally-visible full judgment effects upon the Jehovah's witnesses ministry by actually "throwing down" the "established place" (JW organization), in the future;

A. That epic judgment downfall of apostate Jehovah's witnesses will be fully visible and seen in the the coming destruction of the Worldwide Organization of Jehovah's Witnesses by that well-designed future coup, now developed into a vain idol among Jehovah's witnesses.

***That being the real case in the Bethel based ministry, these developments and GB deceptions (Rev2:2) will get worse in the actual global-coup phase on the Jehovah's witnesses apostate ministry (Zech11), which ultimately King North is there to accomplish in the future. (Dan11:41; Dan8:13)***

*But like Pharaoh charging into the Red Sea after Israel, God has these globalist-backed temple transgressors right where He wants them and foretold them to be.*

**(Isaiah 31:8-9) And the Assyrian must fall by the sword, not [that of] a man; and a sword, not [that of] earthling man, will devour him. And he must flee because of the sword, and his own young men will come to be for forced labor itself. (death; Job 7:1; 14:14) 9 And his own crag will pass away out of sheer fright (Rev8:9), and because of the signal his princes must be terrified,"** is the utterance of Jehovah, whose **light is in Zion** and whose furnace is in Jerusalem.

That above temple cleansing effect to end the Daniel 8:14,26 "evening" of the future Jehovah's witnesses desolation downfall drive, is purposed by God for only the ministerial recovery (Rev9; Eze37), final commission (Rev10), and final 1260 days deployment (Rev1:3), not the total conquest upon the globalist-system "Assyrian"—yet.

## **Bethel Progressive Apostasy Period Effects and Stumbling**

1. This Daniel 11:32-45 section parallels apostasy and profanation features of the whole "hurl denunciations" period. Thus, it develops with the general **internal ministerial "beat the sheep" persecutions and stumbling** that were also exacerbated by post 1944 "governing body" centered progressive apostasy developments.

**(Daniel 8:12) And an (JW worldwide) army itself was gradually given over (to 8th King/King North infiltrative control), together with the constant [feature] (laced with profanations), because of transgression; (UN NGO and other sins); and it kept throwing truth to the earth (cover up, WT/JW misinformation), and it acted and had success. (Dan11:30 "act effectively" by the apostate subversion operation deployed through the Governing Body and WTBTS);**

That is how Jehovah's witnesses were "gradually giving over" (Dan8:12) to eventual total subversion, [from inside] the anointed Christian ministry "in the temple" (2Thess3:-4), unto its terminally matured "transgressors act to a completion" apostasy and globalist-system control and profanations of today to the future downfall climax, as foretold. (Dan8:23a)

**(Daniel 8:23-25) "And in the final part of their kingdom (national zenith complete to Daniel 11:42-43 sovereign fall of the future), as the (temple; Dan8:11-14) transgressors act to a completion (temple apostates; Dan8:11-14; Dan11:30-35), there will stand up a (globalist-system, 1990 3rd UN presentation; Dan11:31b) king fierce in countenance (world government "8th King, "King North") and understanding ambiguous sayings.**

A. This is how in Jehovah's witnesses "gradually given over" development since after 1942, the "true religion" conundrum error, the assumption of the first-century "governing body" error, and the organizational idolatry error later become a full blown "the lie" complex and global prophecy information suppression campaign carried out from "in the [apostate controlled] temple".

**(2 Thessalonians 2:9-12) But the lawless one's presence (Governing Body "man of lawlessness" led "organized apostasy") is according to the operation of Satan (Zech3:1-3) with every powerful work and lying signs and portents 10 and with every unrighteous deception for those who are perishing, as a retribution because they did not accept the love of the truth that they might be saved. 11 So that is why God lets (first the) operation of error go to them (Jehovah's witnesses, too), that they may get to (later) believing the lie, 12 in order that they all may be judged because they did not believe the truth but took pleasure in unrighteousness.**

B. All those elements Jehovah's witnesses at first accidentally embraced, the "operation of error", all stem from Babel "religious" management devices, and that also allowed just such a subversion cell to germinate in the ["governing body" concept since 1944](#).

By day one, 1976, the totally apostate and "lawless one" Governing Body took the tyrannical coup and from there it has all been downhill ever since.

Jehovah's witnesses, now fully under the "man of lawlessness" "Governing Body" apostate-to-infiltrator cabal, are the truly "gradually given over" apostate ministry now fully controlled by the enemy system, serving its "give consideration to those leaving the holy covenant" apostasy goal. (Dan8:12);

C. This temple judgment cycle coming in the future on the apostate Jehovah's witnesses' ministry (Dan8:13-14), is not a lump sum condemnation. That 1 Peter 4:17 "the judgment" starting with them (1Pet4:17), can have a positive or negative outcome. (Matt25:1-13);

D. Repentance and prophetic accuracy is the purified temple "right condition" recovery objective of Daniel 8:14 for the final ministry clarification basis and its eventual truthful final prophecy summary (Rev10:5-7) later, in the future 1260 days of Revelation 11:3 by means of Revelation 10:5-11;

**The Daniel 8:13-14 temple judgment desolation to purification events and its timing must fully manifest and run its complete Daniel 8:13 timed course before the clarified ministry can proceed into the 1260 days "final witnessing" of the "two witnesses" of Revelation 11:1-10, several years from now;**

2. The other "operation of error" is governed by the Governing Body by retaining rectifiable prophecy error to divert attention, while greatly discrediting the 1914 era prophecies.

A. This includes the dating error with the [607 BCE assumption date](#) of Jerusalem's actual 586 BCE destruction event which now undermines the whole 1914 "seven times" prophecy benchmark meaning.

Though that could be easily rectified even now, by placing the [Babylonian ascension in 607 BCE](#) as a valid "gentile time" true benchmark in history, which would retain the whole 607-1914 dating framework as still valid, the WTBS apostasy complex stubbornly retains this known error instead.

B. Thus, the "evil slave" apostate Governing Body, knowing full well the deleterious effects their prophecy errors, dating errors, and lawlessness are having, stubbornly retain all these errors and dangerous policies, as part of their "sheep beating" agenda, as part of their foretold sheep-stumbling campaign. (Dan11:41b; Dan11:33-35)

## King North Intel Connected Apostasy Leadership

The King James Bible version expresses the meaning of "give consideration to those [actively] leaving the holy covenant" in Daniel 11:30 b, as such:

**(Daniel 11:30d) [King North] shall even return, and have intelligence with them that forsake the holy covenant.**

1. It is good to keep that sense of the development of this apostasy in Jehovah's witnesses in mind from that time, for it progresses later into the full blown "King North" led apostasy we see today in the Jehovah's witnesses ministry. And it is explicit in the prophecy as to who the top leader of it is: "King North" globalists.

A. Logic and plenty of "organized" apostate-evidence will tell us an "intelligence" sector of King North globalist systems has used the "Governing Body" based anointed Christian defection earlier formed, as a later means of apostate JW total control.

**(Daniel 11:32) "And those who are acting wickedly against [the] covenant, **he will lead into apostasy** by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.**

2. That is why the Jehovah's witnesses ministry has such enormous spiritual sins and secular crimes. The modern "operation of Satan" (2Thess2:9), is what is actually leading it then by King North globalist intelligence systems, then by the criminal Governing Body itself, and then who knows what other "arms that stand up" are now managing the JW assets and organizational logistics for when this operation will cease and loot the JW ministry in the future.

A. This "operation" may extend down into the JW congregation system, but it is definitely also in the "theocratic organization" upper management and in the upper ministerial management of regional "zones and districts", or however the modern JW organization actually globally implements its "GB Pied Piper" JW-funneling system.

B. This is also how the Governing Body knows the next sword stroke "causes desolation" planning of King North globalists, they are and have been "in on it". It is not because of any approved actually truthful prophecy knowledge from God.

C. Thus, they know it is "King North" who can "end" the apostate JW ministry, sealed in fate by the UN NGO "transgression causing desolation", which they can smokescreen with their "end of the world" cover-all pretext to be able to develop to the full, in the next King North global-crisis orchestration to present world government, not due to any real "end of the world" coming.

D. Thus, if they can get far enough in the [JW Trapping agenda](#), those recently hyped "JW Bunker" "obey the GB as unsound as it may appear" will be to send JWs to prisons, insane asylums, or worse, in some prepared JW internment system. They can also secure JW abandoned assets in the process, for no "doomsday" shall arrive most certainly, this was all to dissolve and loot the apostate Jehovah's witnesses ministry and its organization.

E. This is why the Governing Body act as if "the end is here", but have been "cutting expenses" and re-organizing rather than splurge of a "end of the world" "global warning blitz"; they have no intention of liquidating the assets for the ministry for that reason, but only for King North globalist coffers. Hence, all the liquidations and congregational asset seizures of recent note, are inflating the already multi-billion dollar asset score potential for King North globalist system use as JW Org is actually dissolved globally in the future.

**(Daniel 11:32)** "And those who are acting wickedly against [the] covenant, **he will lead into apostasy** by means of smooth words. **But as regards the people who are knowing their God, they will prevail and act effectively.**

3. This duality of success in the above, as apostasy against, and yet "act effectively" faithfulness to, God, is present the whole time. This is because both the "wheat" and "weeds" progress (Matt13:36-42), at the same time, as both are present in the anointed Christian modern "ministry" "field" for the whole period.

4. King North "leading" Jehovah's witnesses into fresh and progressive apostasy takes time, but it progresses to the point of apostate WTBS-Bethel's modern terminally apostate and lawless state, as originally empowered earlier in time, by the defector anointed development of Daniel 11:30b;

A. We know an original actual anointed Christian defection in the JW leadership from the past in Daniel 11:30b prophecy detail, is what has later opened the door for "King North" globalist-intel infiltration into the "land of Decoration" as the leaders of this apostasy in reality. That main "entry", is by means of the "rich man class" Governing Body of Jehovah's witnesses subversion-unit, as also Daniel 11:41 "entry into the Decoration" manifested, as we will examine later.

B. As later shown in Daniel 11:33-35, the also foretold mass-stumbling (Dan11:41b), which these lawless renegades in the Governing Body cause, ends up being for spiritual purification purposes, in those who flee or are stumbled out of the apostate Jehovah's witnesses Matthew 24:15 "apostate Jerusalem" organizational context of the modern JW apostate doom and darkness.

C. This is because the 2 Thessalonians 2:9 "operation of Satan", now fully active in the apostate JW ministry and congregational system, has a depletion of holy spirit effect, which is why Jehovah's witnesses in the congregational context remain in the dark and under this "operation of error" fully.

D. In addition, due to being unacceptable to God, God will not reveal these things to active Jehovah's witnesses apostates in their ministry today, because they obey the Governing Body "man of lawlessness" and actually practice, condone and help cover-up these lawless activities in their ministry.

E. There is no way God will use such unrepentant apostates as in Jehovah's witnesses today. And that is how we also know their "end of the world" 'divine warning', that they think they are heralding to the world, is now totally invalid along with their true apostate status.

**God will not use globally known or secret criminal apostates to deliver a true "divine warning" from Him. Thus, we also know by this, more prophecy and a final cycle is yet still to manifest for several more years.**

5. But "the people" "knowing their God", who are now probably mostly stumbled and fled ones for these reasons (Matt24:15), are also effective at explaining prophecy the whole time (except for among Jehovah's witnesses in this period of total Bethel JW subversion), and or worshiping God acceptably, in the principle of "wheat" and "weeds" growing parallel (Matt13:36-42) for the whole period:

**(Daniel 11:33)** And as regards those having insight among the people, they will impart understanding to the many. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for [some] days.

1. Though the XJW fallout ministry is effective to "impart understanding to the many" to a certain degree of JW apostasy recognition, still general persecutions and internal "arms that stand up" "harassment" and progressive apostasy (Dan7:25), occurs at the same time.

A. The Governing Body continues to promote and support the WTBS Pedophile Protection Program.

**Jehovah's witnesses, by codified policy and threat of expulsion, now condone in their congregations worldwide, the cover up of the rape of children, the protection of their pedophile abusers, and the further perpetual torture of these "little ones" by the injustices and cover-ups of the so-called "Judicial Committee", which are just Corporate WT-Inquisition abuse-units and spiritual death-squads.**

B. Thus, the Governing Body temple-crime-bosses continually "beat the sheep" "and "their fellow slaves" and the "little ones", as they also require the "elder thug enforcers" to aid this process today in the criminal Jehovah's witnesses congregational system of organized miseries.

C. Thus, an apostate-development instead, creating a conflicting, emotional, and or confusing reaction context, causing deep internal conflict and questionings as to its deeper meanings, does fit the fallout and doubt the JW Governing Body apostates have developed.

**(Daniel 11:34a)** But when they are made to stumble they will be helped with a little help;

1. God helps the "wheat" through the "harassments" internal (weed) and external to the ministry for Matthew 24:15 fled ones, or else no one could identify the Governing Body apostasy and what it really means.

A. And because much reactionary opinion and assumptions on the meaning of this apostasy raises more doubts, not all of this information is fully helpful or valid.

B. But we know the demonic goal in an apostasy promoting "operation of Satan" would be designed to mislead, create doubt, and discredit prophecy to weaken faith, and that the modus operandi of the Devil often employs confusion, actual crimes, and frustration, to stir emotions into disgust and confusion, to further complicate the situation. Part of the goal is to get people to simply give up looking for the real answer behind all the confusing distraction.

C. The lawless criminal activity and apostate spiritual behavior of the Governing Body definitely cultures such a confusing and often emotional reaction due to their many unaccounted injustices, spiritual and secular in criminal evidence and impact.

2. Ironically, the Jehovah's witnesses ministry is actually a death-trap now. Those stumbled people, "sighing and groaning" and leaving the apostate JW organizational system (Matt24:15), are actually in an exodus to far safer ground.

**The stumbled "groaning ones" are now those who are "marked for survival" in this divine process.**

**(Mark 13:14)** However, when you catch sight of the disgusting thing that causes desolation standing where it ought not (let the reader use discernment), then let those in Judea begin fleeing to the mountains.

A. Thus, with the UN NGO "disgusting thing standing" "where it ought not" "in a holy place" (Matt24:15), and the gathering of global national legal "armies" now "surrounding" the JW organization to investigate child abuse crimes, the Governing Body's illegal private-corporate "judicial system", and possibly money laundering and [fraud-charity] racketeering types of crimes, we know the JW org desolation is near.

**(Luke 21:20-22)** Furthermore, when you see Jerusalem surrounded by encamped armies, then know that the desolating of her has drawn near. 21 Then let those in Judea begin fleeing to the mountains, and let those in the midst of her withdraw, and let those in the country places not enter into her; 22 because these are days for meting out justice, that all the things written may be fulfilled.

3. We know Jehovah's witnesses have not perceived the modern temple inspection. (Zech3:1-3), Now, the future Daniel 8:13-14 temple judgment will come on them like the "thief in the night."

**(Luke 19:41-44)** And when he got nearby, he viewed the city and wept over it, 42 saying: "If you, even you, had discerned in this day the things having to do with peace—but now they have been hid from your eyes. 43 Because the days will come upon you when your enemies will build around you a fortification with pointed stakes and will encircle you and distress you from every side, 44 and they will dash you and your children within you to the ground, and they will not leave a stone upon a stone in you, because you did not discern the time of your being inspected."

4. We know in the temple desolation coming (Dan8:13-14), that Christ will "toss out" the modern "cave of robbers" of the WTBS for the "temple cleansing" completion (Dan8:14), in time:

**(Luke 19:45-46)** And he entered into the temple and started to throw out those who were selling, 46 saying to them: "It is written, 'And my house will be a house of prayer,' but you made it a cave of robbers."

5. We know the WTBS UN NGO (Dan8:13), is what to "catch sight of" among Jehovah's witnesses as connected to Daniel 11:31b in the early 1990s:

**(Matthew 24:15-16)** Therefore, when you catch sight of the (JW UN NGO) disgusting thing that causes desolation, as spoken of through Daniel the prophet (Dan11:31b), standing in a holy place, (let the reader use discernment), 16 then let those in Judea begin fleeing to the mountains.

A. And thus, Christ's command would be to immediately vacate apostate Jehovah's witnesses this very second.

B. One has to immediately get away from the apostate JW organization version of its own modern doomed "Jerusalem", for what is coming will have devastating and deadly developments in a JW Organizational global-catastrophe "temple judgment" context, and that for unfaithfulness as misled by the GB Cult and its UN NGO Idol from "King North". (Dan11:32; Rev8:9-11)

6. But that is also why, when terminal apostasy progresses beyond human remedies, expect divine justice to then *have to be necessary* to run its "reap what has been sown" course of justice beyond human means.

A. As that temple judgment manifests, it will fully mark the prophecy it fulfills for future ministry use. (Dan8:13-14)

B. And in this context, the Daniel 8:13-14 describes just such a future "temple judgment" of God as He will handle the Governing Body serpent nest, in time, during the JW Catastrophe context.

7. "King North" "led" apostasy is the cause of the effects in that stumbling by progressive apostasy, scandal, crimes, and global JW WTBS-Bethel centered scandalous controversies, as an increasing global reproach, developed by GB WTBS/Bethel subversion, codifies and aids the development; (1Pet4:12; 2Pet2:1-3)

**(Daniel 11:34b) and many will certainly join themselves to them by means of smoothness.**

1. There are a couple of ways this can be interpreted.

A. These "many" are also "joining themselves" to the ministry not by sincerity, but by "smoothness" of the apostasies "smooth words" which has created a transformed Christian ministry that is not in the "right condition" of purity and full prophetic truth. Thus, Jehovah's witnesses are attracting some people for the wrong reasons.

And so you have the duality of today's apostate Jehovah's witnesses ministry, now said by them to be carrying out the Kingdom of God ministry, though it is now subverted in apostasy, and also bringing in the UN NGO, as an example of such duality and scandalous co-development.

B. But if we see this as applying to the context those stumbled out, as the prophetic group to "join", those "joining themselves" to "XJWs" are varied and growing daily as those either "sighing and groaning" themselves unite for protest, or those sympathizing with this trialsome development, due to all the Jehovah's witnesses borne lawless apostasy effects.

**It is a mass exodus from the doomed JW apostasy and corrupted criminal organization, ultimately for beneficial life saving reasons, none the less.**

## **Daniel 11:35 "Time Appointed" and the Future Temple Judgment "Time Appointed" of Daniel 8:13 Future Timing**

All this lawless stumbling will in fact be addressed [by God and Christ], in the coming temple judgment.

**(Daniel 11:35)** And some of those having insight will be made to stumble, **in order to do a refining work because of them** and to do a cleansing and to do a whitening, until the time of [the] end; because it is yet for the [time appointed](#).

**(Daniel 11:35)** And some of those having insight will be made to stumble, **in order to do a refining work because of them** (2Thess2:11-12; eventually results in the "temple cleansing" of the Daniel 8:14 "right condition" in the coming temple judgment as Dan8:14; Zech3:4-5; Mal3:1-5; Rev8:3-5) and to do a cleansing and to do a whitening, until the time of [the] end; because it is yet for the [time appointed](#). (Dan8:14 "time appointed")

1. The "time appointed" for this stumbling to climax and its backing operation to end is the Daniel 8:13-14 temple judgment [and its timing running its full course] to produce that full "cleansing and whitening" as Daniel 8:14 "right condition" of temple purification in the culmination of the removal and exposure of the modern apostasy. (2Thess2:3-4; Mal3:1-5; Zech3:1-5)

**(Daniel 8:13-14) And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: "How long will the vision be of the (*profaned*) constant [feature] and of the *transgression causing desolation* (UN NGO alliance of Daniel 11:31b), to make both [the] holy place (*temple "established place"; Dan8:11*) and [the] (*JW worldwide*) **army things to trample on?"** (*first 8th King "trampling" "attack" defining the spiritual meaning of the "tribulation of those days" beginning*); **14 So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition."** (*Temple judgment purification completed in this timed period parallel Zechariah 3:4-5, Revelation 8:1-5*);**

2. Thus, the "until the time of [the] end" is because the "yet for the time appointed" Daniel 8:13-14 "time appointed" of the temple judgment purpose, phasing, and validation timing (Dan8:14) will become the true final cycle starting signal.

A. Thus, the stumbling will have a great climax in the final Jehovah's witnesses assured future mega-prophecy fail.

B. The "cleansing" is on-going to its final commission goal of Revelation 10:5-11, to form the final ministry 1260 days later.

C. Thus the "last days" also have a "last days" portion—the "time of the end" of the "last days"—as Revelation 8-11 final fulfillment cycle must also activate with that temple judgment "appointed time".

**That being the case, this whole final cycle "cleansing" is to finally approve (Matt25:1-13), and commission that last ministry (Rev10:5-11), to its deployment "again" (Rev10:11), all the way to world government, and the Christ arrival it will trigger. That final prophecy cycle will thus complete the "time of the end" for the whole prophecy, to Christ taking over the ministry for the salvation parousia upon arrival into Revelation 14, via Daniel 12:11's whole final 1290 days open**

## salvation timeframe.

3. Therefore, this soon to be globally seen Daniel 8:13-14 *timed* temple judgment on apostate Jehovah's witnesses' ministry will mark two very important features of a marked conclusion **and** a marked beginning in the same event.

[1.] That is, the stumbling of Daniel 11:33-35 (Dan11:41b) will climax, and yet come to an end, with its apostate and impostor-leaders being deposed during this JW ministerial downfall event running its full timed course of Daniel 8:14, with its final negative effects, **and**;

[2.] The Daniel 8:14 temple judgment inception "time of the end" benchmark, will begin and be provable in prophecy as such. (1Pet4:17)

4. The epic temple judgment of Daniel 8:13-14 climaxes, then concludes the Daniel 11:33-35 stumbling campaign which must run the whole timed course of Daniel 8:13-14.

A. The removal of the Jehovah's witnesses apostate ministry globally, and that very catastrophically, will cease its stumbling effects while giving some closure and sense of "divine justice" to those negatively affected by its many criminal and spiritual apostate injustices.

B. The epic temple judgment of Daniel 8:13-14 begins the "time of the end" which must run several more years, as Revelation 8 temple judgment parallel will start the Revelation 8-11 final fulfillment cycle of Revelation. (Rev15:16 parallel global context; Dan11:41-43; Rev13:3)

5. That is when the divinely permitted error (2Thess2:1-12), and apostasy aided subversion (Zech3:1-3), will climax in anti-temple operations (Dan8:13; Dan11:41), and then the apostasy will be ceased by God and Christ, well before world government, and the real "the end" of only that rival sovereign entity. (Dan7:11,26; Rev19:19-21)

6. Thus that "stumble work" will proceed during the JW temple judgment final catastrophes.

A. But, in Daniel 8:14 timing, it will also be ceased as far as divine permission to carry out this apostasy, in order to form the final ministerial recovery of Revelation 9-11's final fulfillment cycle.

7. Because the temple judgment of Daniel 8:13-14 is the parallel of the final fulfillment parallel of Revelation 8 (first four trumpets are the temple judgment context, in the future), Revelation 8-11 is the seven trumpets gauged sequence as the "time of the end" prophetic continuum of the final global cycle which parallels Daniel 12's final timed period of the Adamic era.

A. That final prophecy cycle, and its true "time of the end", will be marked by major global events coming on the apostate JW Organization first (Dan11:41; Dan8:13), in a global "sword-stroke" context of the "King South" final national-downfall developments of sovereign national-system transference (Dan11:42-43; Dan12:7), into the full King North eventual world government "8th King" domination period of Daniel 12:11.

8. When the real prophecy update comes after the JW apostate temple judgment desolation of Daniel 8:13-14, there will not be stumbling effects from that then final clarified and truthful anointed Christian ministry, which has to be "non-religious" in context. (Rev11:3)

9. Since we do know exactly how that final 1260 days ministry will form (Rev10:5-11; Zech3:4-9), we must pay full attention to how Daniel 8:13-14 plays out in its future temple judgment events, timing, phasing, dating, and effects, when that temple judgment desolation for purification runs its full course first on the modern Jehovah's witnesses apostasy in the future.

## Daniel 11:36-39—King North Unique Globalist Attributes

Keep in mind that when the Soviet USSR System failed, that entity cannot fulfill anything but *national-system based* "King South" failure (Dan11:27), in the following prophecy details of modern pinnacle globalization "global gathering" force of the real "King North" Anglo-American "Globalist Elites":

**(Revelation 16:12-14,16) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun. 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty. 15 "Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness." 16 And they gathered them together to the place that is called in Hebrew Har-Magedon.**

**(Revelation 16:12-14, 16) And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete King North/8th King globalist influence culminating with the "newworld order" false prophecy, and the driving force of globalism "inspired expressions") 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together (globalization is the main global force accomplishing this "gathering" especially since 1990) to the war of the great day of God the Almighty. (parallels future Revelation 17:12-18 and Daniel 11:42-43 culminations into globalist 8th King power) ... 16 And they [globalized] them (eventually "globalization" completes into King North World Government) together (into final 8th King globalist unification symbolized in world government completion by 4th UN (Dan11:45; Dan12:11)"placement" and final "world peace" proclamations (1Thess5:1-3)) to the place that is called in Hebrew Har-**

## Magedon.

Thus, these King North features of Daniel 11:36-39 have been fully active since "*the king*" made "his" 1990 third United Nations "cold victory" global-presentation over the downed USSR. Daniel 11:36-39 are parallel characteristics of the whole King North growing globalist power system, through out the rest of the prophecy.

King South	King North
<b>Nation-State System "Old World Order"</b> National systems continue to weaken financially and suffer sovereign leakage as a result, weakening also their sovereign national autonomy as they become progressively dependent on globalist system aids (and ownership dynamically).	<b>Globalist Globalization System "New World Order"</b> "King North" Globalization processes mature at worldwide scale in globalist-political, mega-corporate, global-financial and global-military system aspects.

**(Daniel 11:36-39)** "And *the king* will actually **do according to his own will**, and **he** will exalt himself and magnify himself above every god; and against the God of gods **he** will speak marvelous things. And **he** will certainly **prove successful until [the] denunciation will have come to a finish**; because the thing decided upon must be done. 37 And to the God of **his** fathers **he** will give no consideration; and to the desire of women and to every other god **he** will give no consideration, but **over everyone he** will magnify himself. 38 But to the god of fortresses, in his position **he** will give glory; and to a god that his fathers did not know **he** will give glory by means of gold and by means of silver and by means of precious stone and by means of desirable things. 39 And **he will act effectively against the most fortified strongholds**, along with a foreign god. Whoever has given [**him**] recognition **he will make abound with glory**, and he will actually **make them rule** among many; and [the] ground **he** will apportion out for a price.

## Globalist King North Attributes

Daniel 11:31-39 parallels the whole King North globalist development to overcome the USSR system as the prophetic marker of the *irreversible global ascendancy* of the real King North "*the king*" globalist-system, who alone possesses these successful attributes to overcome any nation or national bloc progressively, which will result in future world government as assured by the prophecy completion.

**1. The entire deceptively erred Jehovah's witnesses interpretation of Daniel 11:27-43 is applying actually national "King South" versus national "King South" nation-state-based entities to "Kings" "south" and "north" through multiple world war distractions.**

**Thus, the USSR="King North" JW erred-decoy were all "King South" nations among all of the target nations of Globalist "King North" system who is the actual controller and beneficiary of these national versus national global conflicts. Neither the USSR or Russia can ever fit the "King North" Globalist System criteria of the real "King North".**

**2. The Governing Body of Jehovah's witnesses, as described in Daniel 11:32a, retains this error to stall Jehovah's witnesses and to conceal the eventuality of world government as now being developed by the "King North" globalism basis of future world government. This will allow them to dissolve the JW ministry in a fake "Daniel 11:44-45" "end of the world" pretext in the future, as if that was also the end of the story.**

3. "King North" globalist-system powers are the "disgusting thing" engineers who "cause desolation" by use of "King North" orchestrated world wars by which "King South" nations are controlled and crippled.

**Then the "King North" "solution" of the then presented United Nations "image" "disgusting thing" and its "we must have world government" sales-pitches, completes the world war cycle with that obligatory peace resolution; as the world war "problem" eventually "solves" to highlight "King North's" world government "solution" by formulaic cycle design as in 1919, 1945 and 1990.**

4. Jehovah's witnesses perpetrate this Daniel 11:27-43 fiction, as all the while the real "King North" globalist-system remains the key concealed mystery Jehovah's witnesses are commanded to ignore as part of the apostasy also described in these same prophecies.

Today's Jehovah's witnesses' Daniel 11:27-43 interpretation is total distracting fiction and will continue to be manipulative fiction when it comes time for their apostate Governing Body to apply the "King North is now Russia" final-decoy [in the future] when they pull Daniel 11:44-45 from their sleeve, in the future.

5. That over-advanced and premature decoy prophecy will instead amp up the deceived belief in Jehovah's witnesses that "the end of the world" has arrived which will then aid the global dissolution of the Jehovah's witnesses ministry and JW Organization.

And that epic judgment downfall coming on Jehovah's witnesses ministry soon is not because of any "end of the world", but due to this very Jehovah's witnesses based modern signal apostasy, its prophecy cover-up, and their UN NGO "transgression causing desolation" of Daniel 8:13.

6. Now when one considers all of the provable globalism features now forming the global "gather the nations" basis of a real world government in the future, we see now, how for many decades Jehovah's witnesses have fallen behind, and how far they have been drifted off course by their foretold "man of lawlessness" Governing Body of Apostate Slumbering Gloryhounds of King North. (Dan11:32a; 2Thess2:3-4)

## King North Unique Globalization Features

Though some people may think many rulers have had these qualities, the globalist-system is the ultimate form of these dominating characteristics. No national system of planet Earth will be able to "escape" King North globalization-system eventual total domination and real global ownership under world government in the future.

**(Daniel 8:23-25) "And in the final part of their kingdom (national zenith complete to Daniel 11:42-43 sovereign fall of the future), as the (temple; Dan8:11-14) transgressors act to a completion (temple apostates; Dan8:11-14; Dan11:30-35), there will stand up a (globalist-system, 1990 3rd UN presentation; Dan11:31b) king fierce in countenance (world government "8th King, "King North") and understanding ambiguous sayings. 24 And his power must become mighty, but not by his own power. (by capture of national sovereignty worldwide; Dan11:42-43; Rev17:11-13) And in a wonderful way he will cause ruin, and he will certainly prove successful and do effectively. And he will actually bring mighty ones to ruin, also the people made up of [the] holy ones. (Rev11:7; Rev13:5-7; Dan12:7) 25 And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a (world government announced world peace) freedom from care (post-sword-stroke "healing" into 1Thess5:1-3 "world peace"; Isa41:1) he will bring many to ruin (Dan11:44; Rev13:15-18). And against the Prince of princes he will stand up (in completed world government; Dan11:45; Dan12:11), but it will be without hand that he will be broken. (Rev19:19-21)**

Daniel 11:36-39 parallels some of the globalist-system mastery as shown also in Daniel 8:23-25.

**(Daniel 11:36-39) "And the king (a globalist "king" definitive statement) will actually do according to his own will, and he will exalt himself and magnify himself above every god; (national, religious, and philosophic) and against the God of gods he will speak marvelous things. (newworld order, etc) And he will certainly prove successful until [the] denunciation will have come to a finish; (MUST be continuous in success to Daniel 11:45 Armageddon parallel) because the thing decided upon must be done. (Rev17:11-18) 37 And to the God of his fathers he will give no consideration; (governmentally, nationally, religiously or philosophically; globalism "god" is unique) and to the desire of women and to every other god he will give no consideration, but over everyone (comprehensively and finally) he will magnify himself. 38 But to the god of fortresses (Joel 3:9-11), in his position he will give glory; and to a god that his (national minded) fathers did not know he will give glory by means of gold and by means of silver and by means of precious stone and by means of desirable things. (Dan11:42-43) 39 And he will act effectively against the most fortified (national, corporate and financial) strongholds (and Bethel "fortress" and "established place"; Dan11:30-31, 41; 8:11-12), along with a foreign god. (Habakkuk 1:11; Dan8:24, as globalism as Satanic masterminded world rulership method) Whoever has given [him] recognition he will make abound with glory (Rev13:11-18; Luke 4:5-8), and he will actually make them rule among many (nations in UN elite collective); and [the] ground he will apportion out for a price. (global "monopoly" game gamers);**

1. Superior features of King North "globalism" system effectiveness, culminating in the 1990 third UN global presentation prophecy marking Cold War victory over the globalist collapsed USSR in utter "cold defeat", are what Daniel 11:36-39 details.

**(Daniel 11:36a) "And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things.**

2. A "New World Order" of the World Government objective is one of these "marvelous things" as "grandiose words" (Rev13:5-7; Dan7:8), but more also come by way of hyped-up technological delusions and claims, as others are also sure to come.

3. As marked by the Cold War victorious real King North Anglo-American Globalist System meaning progressing the world government objective, marked by that 1990 third UN presentation, the real King North globalist system is successful the whole time since WW1, from the first two UN related presentations (1919,1945), to the 3rd UN presentation of 1990, to World Government of the future in Daniel 11:45, UN1-2-3-4 [1]:

**(Daniel 11:36b) And he will certainly prove successful until [the] denunciation will have come to a finish;** because the thing decided upon must be done.

1. Thus, "King North" Globalism-based development will be successful unto world government when the denunciation of God and Christ will end it. (Dan11:45)

**(Daniel 11:37) And to the God of his fathers he will give no consideration; and to the desire of women ("women" example; Dan11:42 "she" nation-states) and to every other god he will give no consideration, but over everyone he will magnify himself.**

**(Daniel 11:38) But to the god of fortresses (Joel3:9-12), in his position he will give glory; and to a god (globalism god) that his (national) fathers did not know he will give glory by means of gold and by means of silver and by means of precious stone and by means of desirable things.**

1. Thus, the **King North Globalism System** is unique in all ways pertaining to the "north" rise of the ascendant global power system to eventually implement world government at global scale in the future. (Rev13:3; Rev17:8-13 final cycle parallel).

A. "8th King" World Government in complete form is the zenith of "King North" "top of the world" meaning.

2. King North progressive military global monopoly, the "god of fortresses" progresses at global scale under NATO to a truly Globalized NATO, as Daniel 11:40-41 active now, must culminate in the final cycle of the future global takeover by the globalist system to 100% "Armageddon" defining globalized military control. (Joel3:9-11)

3. Global King North financial and wealth control domination has been forming since WW1 in marked manner, to culminate as Daniel 11:42-43 completing, in the future.

4. All of the above allows **globalist-system** King North to "act effectively" upon all rival sovereign "King South" **national-systems** such as the nation-state and religious sovereignties (Rev17:11-18) to be liquidated to culminate into world government **globalized-unipolar-sovereignty**, in the future. (Rev16:13-16)

**(Daniel 11:39)** And **he will act effectively** against the most fortified strongholds (such as the USSR and "King South" global nation-state system), along with a foreign god. Whoever has given **[him]** recognition **he** will make abound with glory, and **he** will actually **make them rule** among many, and [the] ground **he** will apportion out for a price.

Thus, national "progressive" globalist-puppets are rewarded for "giving their power and authority" to the globalists, and devising the national governmental legislation which allowed their various nations to be sold out to the globalist-system King North, especially by economic and financial means.

**(Revelation 17:12-13)** "And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast (as world government). 13 These have one thought (global-scale sovereignty), and so they give their (national-system) power and authority to the wild beast (world government).

## Daniel 11:40-41—King North Global Invasion and World Government Takeover

Though the preparatory King North globalism system setup has been active fully recognizable before and since 1990, to aid Daniel 11:40-43 progress, the final cycle culmination of those prophecies occurs in the future and before King North World Government of the Daniel 11:44-45 final cycle finale into the "one hour" of full and complete World Government. (Rev17:12)

**The importance of recognizing this final cycle is because King North/8th King World Government complete, functional (Dan11:45, Rev17:8-18) and stated (1Thess5:1-3; Dan12:11), triggers Christ's arrival, not before, but AFTER it completes. That takes several more years as this final cycle eventually fully activates and totally completes as Revelation 17:8-18 full final sequence into official world government.**

King South	King North
<b>Nation-State System "Old World Order"</b> Progressive orchestrated "global events"; Progressive financial undermining by massive debts; Progressive guidance to the final "sword-stroke" cycle of the future;	<b>Globalist Globalization System "New World Order"</b> Post 1990 global NATO military expansion historic benchmark; Post 1990 Full blown globalization process administration;

**(Daniel 11:40-41)** "And in the time of [the] end the **king of the south** will engage with **him** in a pushing, and against **him** the **king of the north** will storm with chariots and with horsemen and with many ships; and **he will certainly enter** into the lands and **flood over and pass through**. 41 **He** will also **actually enter into the land of the Decoration**, and there will be many that will be made to stumble. But these are the ones that will escape out of **his** hand, Edom and Moab and the main part of the sons of Ammon.

## King North Global Expansion Progress Since 1990 Marked Events (Daniel 11:40-41)

### Globalist Global Invasion (Overview [here](#))

1. These real King North **globalist-system** attributes (Dan11:36-39), lead to continued global expansion of the globalist system, in technocratic, financial, and military aspects of the globalization-process, as prophetically marked since 1990, as it progressively undermines the sovereignty of all the "King South" **national-system** worldwide powers of the world:

**(Daniel 11:40)** "And in the time of [the] end (marked in 1990 3rd UN event, but culminates as Rev8-11 as marked by Daniel 8:13-14 temple judgment event and timing) the **king of the south** (nation-state) will engage with **him** in a pushing (for global sovereignty based on loss of national sovereignty), and against **him** the **king of the north** will storm with chariots and with horsemen and with many ships; and **he will certainly enter** into the (national) lands and **flood over and pass through**.

1. What makes 1990 unique in NATO global militarization expansion is that in the Gulf War, NATO became a truly militarily deployed entity to eventually be coined "Global NATO" in 1999.

2. Now though Bethel deceptively states the "kings" engage in a "pushing" where one does not overcome the other, all of Daniel 11:30-31, and Daniel 11:36-45 is about King North globalist-system developing world government.

**By the globalization completion phase, the global driving force to world government will indeed overcome the national-system "Egypt, will not prove to be an escapee" in the original "King South" symbol.**

By the future time of the Daniel 11:42-43 completion drive—King North World Government is what "proves successful" and "acts effectively" to depose the fragmented nation-state sovereign system. (Dan11:36; Dan2:31-45);

3. Thus, "King South" "7th King" national-systems "fall" by **loss of sovereignty** into "King North" world government sovereignty, not by destruction.

**(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss (Rev13:3 future "sword-stroke" effect), and it is to go off into destruction. And when they see how the wild beast was (United Nations), but is not (UN impotent to stop the coming "sword-stroke" global-crisis), and yet will be present (but comes back up (Rev11:7), for the final UN rendition to representing the World Government 'miracle' "healing"), those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. (7th King/King South is not destroyed but "remains a short while", it becomes a global national-system vassalized-state of "King North" world government; Dan11:42-43) 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction. (world government is the entity Christ will target for precision selective deposition and removal, a UN-related "image" and "disgusting thing" globalist-entity will continue to represent it, no matter how they may rename and rebrand it in the future in this future "abyss ascension" finality)**

4. In Bible prophecy, the "7th King" national-system era "remains a short while", as it is described in that way because its sovereignty is what is deposed non-destructively by mostly financial means.

## **Bethel Apostate Invasion**

1. And as seen in Daniel 11:30b-31a, King North has "given consideration to [those leaving the holy covenant](#)" and the subsequent impostor "arms that stand up" in the "Decoration" ministerial "fortress" are now within the Jehovah's witnesses ministry as King North infiltrators.

A. Thus, by [Bethel apostasy and infiltration development for some decades](#), they have already "entered the Decoration" as well.

B. But this will get far more severe in the future when they literally [dissolve the apostate Jehovah's witnesses ministry](#) and organization:

**(Daniel 11:41a) He** will also **actually enter into the land of the Decoration**, and there will be many [PEOPLE] that will be made to stumble.

2. But in the time of the Temple Judgment of Daniel 8:13 "trampling", that *global* "invasion" above, on WTBS as the "Worldwide Organization of Jehovah's Witnesses", will become globally culminated, visible and in the global news. (Matt24:15)

3. These are apostate (Edom) "those leaving the holy covenant", anti-Christian and opposing supports that "escape" King North by not being the actual target, but internal and external aids in the JW organization "trampling":

**(Daniel 11:41b) But** these are the ones that will escape out of **his** hand, Edom and Moab and the main part of the sons of Ammon.

1. And so, all of Daniel 11:40-41 is now globally active fully marked since 1990, but it will reach the global invasion maturation in the future in far more visible and King North vocal forms of financial and military true global domination of King North over "King South" national-systems worldwide, as it progresses to fully globalized world government.

A. The Daniel 11:41b "Edom" and "Moab" "nation" symbols are known in Bible prophecy to picture apostate and enemy resistance, such as that inside the Jehovah's witnesses apostate ministry (Dan11:32a) which "escape" "King North" because they are allies of "King North" globalist systems.

B. But, as per Hosea 1:4-7, Isaiah 31:8-9, Isaiah 37:33, Micah 5:6 they will not remain "in the temple" as the "evening" phase desolations of the temple judgment complete in Daniel 8:13-14.

That is, the JW Org will be given over to "King North" desolations, but Jehovah's witnesses in the global "Jerusalem" symbol will not be given over to a total spiritual genocide depicted also in Zechariah 11.

C. Rather, as in Revelation 8:9 "**burning** mountain", the "King North" infiltrator "crag" of Isaiah 31:8-9 will be purged by super-natural stealth angelic means as plainly shown in those "Destroyer" temple cleansing prophecy-parallels, in the above list. (Rev9 parallel)

D. Had "The Destroyer", as the burning "Furnace of Jerusalem" (Isa31:8-9), not been "Angel of the Covenant" deployed to "cleanse the temple", yes, Jehovah's witnesses would have been exterminated globally in time. That is ultimately the Governing Body "son of destruction" "King North" devised plan (Dan11:32a), as in Zechariah 11. (2Thess2:3-4)

2. What we can gather is, the global developments of Daniel 11:40 culminating (Rev16:1-9), will be the global context of Jehovah's witnesses judgment phase and the JW Org "trampling" context of Daniel 8:13-14.

A. The JW Org "desolation" "invasion" global context specific at Daniel 11:41 (Dan8:13-14) timing in the future, is with the whole Daniel 11:42-43 culmination phase in the future as Daniel 11:42-43 merges into the Daniel 12:7 1260 days parallel timeframe.

B. Contrary to the Governing Body deceptive lie at that time, it will **not yet be "Daniel 11:44 activating in fulfillment"**, as Jehovah's witnesses will claim with their Russia="King North" final King North decoy.

C. That will be the "end of the world" promoting delusion-on-steroids, in the future, as the [deceptive expectation](#) (2Thess2:1-2), which apostate WTBS/Bethel has been promoting to Jehovah's witnesses in now total purposeful error.

D. The "end of the world" JW Hype by that time going into total hyped-belief among them, will be for the actual global context of Daniel 11:41-43 being concealed by this JW hyped-up "end of the world" hoax phase to allow WTBS, JW Org, and the JW ministry to be

dissolved at global scale by a "coalition of nations".

E. That is why the Governing Body have erected this "self fulfilling prophecy" with their fake "King North" and "Gog='coalition of nations'" preparatory set up in the minds of Jehovah's witnesses till in that death-trap. (Matt24:15)

3. The Governing Body can do this because they have internal "intelligence" with King North globalist intel and its system planners (Dan11:30b; Dan11:32; Dan8:12), so they know a final global crisis "sword stroke" is to be orchestrated by the "King North" globalists to present world government after it peacefully resolves as in Revelation 13:3.

A. In that manner they can dissolve the apostate Jehovah's witnesses ministry in a pretext of "the end of the world", cease the Jehovah's witnesses ministry, silence Jehovah's witnesses, and just proceed over the "sword stroke" cycle into world government with zero Jehovah's witnesses prophetic warning.

B. The enemy controlled "Governing Body and Company" just loot the JW Org, liquidate the place "like there is no tomorrow", entangle it in legal webs, and abandon apostate Jehovah's witnesses to their own downfall in bedarkened bamboozled bewilderment with no real clue (an no real ministry), as to what is really happening in their ministry, then, former-ministry (Dan8:13-14) as officially "the end of the good news" cancelled by deception and judgment.

4. Thus, the coming financial system coup by "King North" ([Dan11:42-43](#)) globalist-systems on the "King South" national-systems is also well set-up during this whole post 1990 globalization wave (as founded since WW1 financial systems), and must culminate in the future in the actuality of its intended real purpose of global wealth control (Dan11:42-43), also to be seen globally, **before** World Government completes.

A. That financial global crisis potential, however it may manifest to total King North global ownership and final finance system "solution" implementation ([Rev13:15-18](#)), under world government, will be a striking global event and subsequent period.

5. Daniel 11:41-43 is the first four plague global context parallel of the "tribulation of those days" and the first four trumpets of the temple judgment parallel of Daniel 8:13-14.

A. It must parallel the [Revelation 13:3 "global sword stroke" and Revelation 17:8 United Nations future "abyss plunge"](#), to eventually "ascend" into King North "8th King" World Government (Rev17:8-13; Dan11:44-45), upon the eventual subservient King South nation-state system "global healing" phase (Isa41:1), for its "world peace" purpose of maximizing that fourth and final United Nations based World Government presentation to the full. (Rev17:8; Rev13:3; 1Thess5:1-3)

**[This is the prophecy which must activate next in Daniel 11:41-43 in global culmination of the apostate Jehovah's witnesses ministerial and organizational downfall and the larger global downfall of national sovereignty.](#)**

**1. Daniel 11:41 will encompass the temple judgment timing and context of Daniel 8:13-14;**

**2. Daniel 11:42-43 will merge into the 1260 days period of Daniel 12:7=Revelation 11:3;**

**3. Daniel 11:44-45 is deeper into the final cycle transitioning into complete world government by Daniel 11:45=Daniel 12:11;**

**The Daniel 12 section explains this in more detail later.**

## **FYI Warning for the Future:**

**1. The Governing Body of Jehovah's witnesses will claim Daniel 11:44-45 has activated to reinforce their fake "end of the world" delusional hype among apostate Jehovah's witnesses.**

**2. The Governing Body of Jehovah's witnesses (Rev2:2; Dan11:32a) will pin this decoy deception on decoy "King North" Russia and a "coalition of nations" for their fake-prophecy ["Gog" attack] scenario.**

**3. That is all (2Thess2:1-2) a deceptive pretext to globally dissolve the WTBS and JW ministry within, while Jehovah's witnesses allow it all to happen as paralyzed by the "end of the world" amped up, but erred, expectation.**

**4. This may lead to the GB Pied Piper "head to the JW Bunkers" JW trapping and prison internment phase; we will have to wait and see if and how that unfolds in the future.**

**5. The JW promoted "end of the world" will fail, resulting in "the end" of their apostate ministry as the temple judgment of Daniel 8:13-14. (Rev8 parallel)**

## **Daniel 11:42-43—King North Global Wealth and Financial Takeover**

<b>King South</b>	<b>King North</b>
<b>Nation-State System "Old World Order"</b>	<b>Globalist Globalization System "New World Order"</b>
The national-system goes bankrupt and into terminal loss of national sovereignty worldwide.	The globalist-system absorbs the national sovereignty worldwide into eventual Daniel 11:45 world government.

**(Daniel 11:42-43) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove**

**to be an escapee.** 43 And **he** will **actually rule over the hidden treasures of the gold and the silver** and over *all* the desirable things of **Egypt**. And the Libyans and the Ethiopians will be at **his** steps.

## Future Global Wealth Coup of King North Globalists

For the more detailed overview of the national sovereignty downfall by financial setup, see [Daniel 12 Section II](#), below.

1. Loss of "King South" national sovereignty by globalist "King North" globalist-system wealth control and the global "power and authority" global-wealth controls, is how the King North Globalist System transfers that "power and authority" (Rev17:12-17) into world government.

A. In the end of the process, the King North world government administering international corporate system ends up in control of the global wealth and national assets "desirable things", formerly in national hands, to completion.

**(Daniel 11:42)** And **he** will keep thrusting out his hand against **the lands (nation-state system)**; and as regards the **land of Egypt**, **she will not prove to be an escapee.**

2. Now the "King South" global nation-state domain of "Egypt" is the feminine "she" symbol of nation-state system subservience in future complete loss of national sovereignty for that of world government globalist sovereignty control.

A. Daniel 11:42 "and as regards the **[[land of Egypt, she]]** will not prove to be an escapee" is the **[[feminine singular construct]]** from the [interlinear version](#) translation notes of the Westminster Leningrad Codex; Thus, the "King South" "made a she" national-system subservience is further emphasized by the prophecy description.

B. This "King South" to be "Queen South" "*she* will not escape" under the "King North" Globalists global-checkmate, will not "escape".

C. The "King South" nation-state system will fall and become fully subservient to "King North" globalization which completes for the eventual forming World Government finale (Dan11:45; Rev17:12), which "will actually rule" the total global gold/silver, wealth and asset ownership of the whole global nation-state system, thus the whole world.

**(Daniel 11:43a)** And **he** will *actually rule* over the hidden treasures of the gold and the silver and over *all* the desirable things of **Egypt**.

1. Since Bible prophecy is from God, the detail of the globalist wealth control coming before world government is very important, because:

A. We know national loss of wealth sovereignty already in action [even now](#), will result in the national sovereignty being fully lost later in the process into world government global sovereign control. (Rev17:12-17)

B. In prophecy terms of Revelation 17:12-17, the national loss of wealth sovereignty as part of their former national-sovereign "power and authority", will result in the national sovereignty governmental "power and authority" being fully lost later in the process into world government global sovereign control. (Rev17:12-17)

C. Because this is a "checkmate" by "King North" by mostly wealth and financial means, not military destructions, this is why the Anglo-American national-system "7th King" "remains a short while" In Revelation 17:10.

**That "7th King"=King South" is not described in destruction, because the loss of sovereignty by financial aided meltdown is how the national systems are mostly overtaken.**

D. Thus, "King South" is also shown as not ending in destruction, it is described as a "feminized" subservient "King" system, "King South" "falls" into "King North" world government sovereign domination as the national powers "give their power and authority" (Rev17:13) to world government;

E. It is so complete that in Revelation 17:17 "they give their kingdom" as the global nation-state system to the "King North" globalists as vassal-states of world government, and mostly by financially overtaken means as Daniel 11:42-43 plainly describes in literal terms.

**(Revelation 17:12-17)** "And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast. 13 These have one thought, and so they give their power and authority to the wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]." 15 And he says to me: "The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their kingdom to the wild beast, until the words of God will have been accomplished.

**(Revelation 17:12-13,15-17)** "And the ten horns that you saw mean ten kings, who have not yet received a kingdom (because they lose their national kingdom in Rev17:17, to the world government "8th Kingdom"), but they do receive authority as kings (under world government) one hour (very brief "rule the world" for world government) with the wild beast. (world government) 13 These have one thought (sovereign greed), and so they give their (national-sovereignty) power and authority to the wild beast. (by sovereign obsession and other corrupted "thoughts" they were pawned by the globalists who receive their sovereignty) 15 And he says to me: "The waters that you saw (Rev16:12), where the harlot is sitting, mean peoples and

**crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national sovereign) kingdom to the wild beast (world government sovereignty), until the words of God will have been accomplished.**

2. It has been made obvious on the Web that global "alternative media and news" is very informative on how the national systems have been brought into serious fiscal jeopardy since especially the 2008 "[Global Financial Crisis](#)".

A. That 2008 global credit development helps form a "[Central Bank based World Government](#)" transformation on-going, for the financial sector of "King North"; but this setup has been going on quite some time now.

3. "King North" global "mainstream media" will not explain these dynamics as the priority, thus this develops below the radar of most people.

4. This is why Daniel 11:42-43 is such a literally worded prophecy, it has to be recognizable beyond a doubt before, as, and after, "King South" national systems plunge into economic "sword stroke" meltdown and total loss of wealth and national sovereignty.

**(Daniel 11:43b)** And the Libyans and the Ethiopians will be at **his** steps.

1. Insignificant nations were not the goal to fully dominate, first. Dominating the core industrial nations first, will lead to every dependent nation "at his steps" falling in, in time; and it shows World Government will be huge and recognizable but not truly global to the point every human can be affected with ease. This is because, as per Revelation 17:12 and Daniel 12:11, their world government ruling timeframe will be very short.

2. Thus the "King South" downfall is not into destruction but into loss of national sovereignty as the EU and US national-system future plunge (Rev13:3), will drag the whole world of nations down with it, but back up as well, into the "admirable" world government rescue in its own ascension.

**(Revelation 17:8)** The wild beast that you saw was, but is not, **and yet is about to ascend out of the abyss, and it is to go off into destruction. (Rev17:14)** And when they see how the wild beast was, but is not, and yet will be present, **those who dwell on the earth will wonder admiringly**, but their names have not been written upon the scroll of life from the founding of the world.

A. But, it should be noted major nations like Russia and China, etc, and all the other "King South" nations of that symbolic "land of Egypt" in the global nation-state system, will also "fall in checkmate" by King North globalist-finance control and ownership of the world system, and become nationally dominated by world government.

B. Even if "King North" military must be used on "King South" "land of Egypt" national systems like Russia and China and some Middle Eastern holdouts, in any case, the main means is also national-economic meltdown by financial override as aided and accelerated by the final "sword stroke" cycle. (Rev13:3)

C. Any massive military "hot" "sword-stroke" development would also only further ensure and globally aid the national-system economic and financial downfall process, of that Daniel 11:42-43 time.

3. Military actions are not the main power of subservience, for national-system domination, except for the most resistant nations; but no doubt a world government 100% controlled globalized military sector will be very powerful henceforth. (Rev16:13-16; Joel3:9-11; Matt24:21-22)

A. What was seen in WW1, world war processes are for global distraction purposes as well, to also drag the global public along in the cyclic production of the whole martial drama to lead them to the obligatory United Nations "we need world peace" final word on the matter.

B. Like in WW1 and the first ministry it was trying to divert in 1914-1918, a final 1260 days must also emerge at some time in the final sword-stroke cycle context, as "King North" will also want to try to divert that final warning. (Rev11:3)

4. Then the globalist-elite "personal wildbeast system" Anglo-American "two horned wildbeast" and its Revelation 13:14-18 666 campaign can be backed by the "ten horns" martial elements where required. It is also a fraud globalist-elite Anglo-Zion "horn" and American-Zion "horn" "false-prophet" configuration as they also complete their spiritual war and blasphemies against Christ as the core "anti-Christ" elite-globalized "false-prophet" force of the Devil's spiritual resistance since ca. 33 CE.

**(Daniel 11:42-43)** And **[King North]** (*Globalist-System*) will keep thrusting out his (*globalization*) hand against the (*King South national-system*) lands; and as regards the (*7th King/King South national-system capitol symbol*) land of Egypt, she (*subservient King South, 7th King fall*) will not prove to be an escapee. **43** And **[King North]** ("*8th King*" *Globalist-System*) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (*of former "King South", then fallen "7th King" assets globally*) And the Libyans and the Ethiopians will be at **his** steps.

## Daniel 11:44-45—King North World Government

**King South**

**"She" Subservient Nation-State System**

National-systems worldwide captured by world government.

**King North**

**Globalist World Government**

**(Daniel 11:44-45)** "But **there will be reports** that will disturb **him**, out of the sunrising and out of the north, and **he will certainly go forth in a great rage** in order to annihilate and to devote many to destruction. 45 And **he** will plant his palatial tents (world government) between [the] grand sea and the holy mountain of Decoration; and **he** will have to come all the way to his end, and there will be no helper for him.

## Final King North Agenda Prelude with World Government Completion

### Temple Judgment Purpose

1. In the future, after the temple judgment of Daniel 8:13-14 (Rev8 parallel) initial timing (1150 min, 2300 days possible), phasing, and purpose completes Daniel 11:41, the temple judgment-to-purification "right condition" will be reached in the prelude timing to parallel Revelation 8, for the recovery of Revelation 9 final ministry preparation and eventual Revelation 10-11 deployment.

A. Those fifth and sixth "trumpets" of alarm carry the "four trumpets" of the temple judgment modern meaning (Rev8:3-5 is the temple judgment), as a [final "two witnesses" deployed](#) "little scroll" message will emerge (Rev9-10), with the fifth and sixth "plagues" as the global context.

2. Then, a fully truthful and [full prophetic summary](#) explanation (Rev10:5-11; Rev11:3), of all these covered up prophecy of this final apostasy and final world government details will complete its final 1260 days warning mission. (Dan7:25; Dan12:7; Rev11:2-3; Rev12:14; Rev13:5-7)

**That final 1260 days of the future, when combined with the 1260 days of 1914-1918, will complete the Revelation "two witnessings" "seven times" as 2520 days.**

3. What will emerge (Rev9), in time, is the full "little scroll" (Rev10:5-7), "two witnesses" second witnessing (Rev10:11; Rev11:1-7), for the coming Messianic Kingdom completion as preceded by that final 1260 days announcement, with well mapped and convincing final forecasts, much of which had already fulfilled in the apostate downfall of Jehovah's witnesses.

A. That will present the "reports" of the complete explanation (Rev10:5-7), of all these post 1990 third UN and globalization developments-to-world government to complete in the future fourth UN cycle, with their completed prophetic meanings of the future as world government completes, UN1-2-3-4 [1].

### The Main "Report" that will "Disturb" King North

1. The "little scroll" "report" subject of that final witnessing (Rev9-11:1-7), which is part of the "reports" (little scroll), is what will really "disturb" King North before (Rev11:2-3; Rev13:5-7; Dan12:7), and as King North progresses (Rev11:7), to "King North" synonymous 8th King World Government.

**(Daniel 11:44)** "But **there will be reports** that will disturb **him**, out of the sunrising and out of the north, and **he will certainly go forth in a great rage** in order to annihilate and to devote many to destruction. (Dan8:25 parallel "during a freedom from care" (1Thess5:1-3) world government power "will bring many to ruin")

Parallel:

**(Daniel 8:25)** **And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs** (world government, "newworld order", "world peace", etc), and **during a freedom from care** (1Thess5:1-3 "world peace" in the global "healing" of Rev13:3) **he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.** (7th Trumpet conquest of Christ)

2. As described in Daniel 8:25 there is a world government dual agenda in action.

3. This is how world government is "bringing many to ruin" **during** "a freedom from care" as they are proclaiming world "peace and security" to fulfill 1 Thessalonians 5:13, while rendering some destruction requirements of prophecy. (Rev11:7; Rev13:15-18; Rev17:16)

Parallel:

**(1 Thessalonians 5:1-5)** **Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: "Peace and security!" then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape. 4 But you, brothers, you are not in darkness, so that that day should overtake you as it would thieves, 5 for you are all sons of light and sons of day. We belong neither to night nor to darkness.**

4. These other Bible versions of Daniel 8:25 show how the "freedom from care" is the time of global world government proclaimed "peace and security" as the timeframe of world government also "bringing many to ruin" agenda:

### (1 Thessalonians 5:3) Christian Standard Bible

**He will cause deceit to prosper through his cunning and by his influence, and in his own mind he will exalt himself. He will destroy many in a time of peace; he will even stand against the Prince of princes. Yet he will be broken—not by human**

hands.

### (1 Thessalonians 5:3) New International Version

**He will cause deceit to prosper, and he will consider himself superior. When they feel secure, he will destroy many and take his stand against the Prince of princes. Yet he will be destroyed, but not by human power.**

5. **During** the world government and member nation announced world peace proclamation build-up or in official "peace and security" form, these final prophetic world government destructions include:

- (1). The final ministry "second witnessing" of Revelation 11:3 is ceased as Revelation 11:7-10 by world government in completing "ascension", or as completed officially; (Rev10:5-7; Dan12:7; Dan12:11)
- (2). Babylon the Great endorses world government and is then outlawed and deposed by it; (Rev17:8-18; Rev14:6-8; Rev17:16; Rev18; Rev11:11-13; Rev16:17-20)
- (3). People are coerced to accept the "666" of world government acceptance in allegiance and worship, as some are destroyed who refuse the "mark" of the 666; (Rev13:14-18; Rev14:9-11)
- (4). Because the Revelation 7:1 "four winds" is the final phase of the "great tribulation" under world government, that is the period Christ must "cut short" in Matthew 24:21-22 or "no flesh would be saved";

A. Thus, world government may be initiating their "population reduction and control" agenda, which *may* be overridden in the global network by the ["Gog guard" empowered Satan and the demons](#) (Eze38:7), whose final pre-abys agenda is far worse than any human agenda;

i. The Revelation 14:17-20 "winepress" in relation to the "vineyard" of the "vine of the earth" may be a literal manmade weapons systems network construct to be eventually overtaken from humans and demons by Christ's angels and unleashed on world government, as a speculation.

ii. The "four winds" *"of the earth"* meaning, as in the Revelation 7:1 "four winds *of the earth*" means that "tribulation" is manmade "of the earth", in this final context, by the "King North" "disgusting thing" which actually engineers "desolation" such as this.

iii. That is why in 2 Thessalonians 1:6-10 "God repays tribulation to those who make tribulation", which "plague" starts with the Revelation 16:17 "seventh plague" Christ "air arrival" of 1 Thessalonians 4:17 parallel.

**(2 Thessalonians 1:6-10) This takes into account that it is righteous on God's part to repay tribulation to those who make tribulation for you, 7 but, to you who suffer tribulation, relief along with us at the revelation of the Lord Jesus from heaven with his powerful angels 8 in a flaming fire, as he brings vengeance upon those who do not know God and those who do not obey the good news about our Lord Jesus. 9 These very ones will undergo the judicial punishment of everlasting destruction from before the Lord and from the glory of his strength, 10 at the time he comes to be glorified in connection with his holy ones and to be regarded in that day with wonder in connection with all those who exercised faith, because the witness we gave met with faith among you.**

iv. If the apostate-criminal infiltrator Governing Body (Dan11:32a) are allowed to exit without being "retired", vaporized, or congealed, by Christ's temple cleansing "visit", we know their ill gotten gain in JW blood monies will not alleviate the "tribulation from God" coming on them (Am9:1-3; Rev6:12-17), and their "in the temple" thrown-out King North cohorts (Isa31:8-9), eventually, as that will come on the whole "King North" globalist system in time, from God, as promised.

B. Satan may gain access to their globally networked weapons and energy systems; (Eze38:7)

C. Satan may also manifest with the demons in their own *fake* "Christ arrival", which if it did occur in the Ezekiel 38:7 context it will be to aid the counterfeit "Babylon the Great" corporate "Christian" World Government endorsement and believability.

i. Satan can also manifest the "alien arrival" distraction hype events, if those occur.

ii. Satan can also fake the "Zion" focused fake "Messiah" hoax, if that occurs.

D. All global weapons networks, then in 100% world government "ten horns" military control, would no longer be required for nation versus nation wars. Thus, they can then be used for their final purpose in aiding population control agendas, and in the planned demolition of outdated and dilapidated infrastructure (like cities), by means of nuclear and other advanced energy system applications.

E. We do not know how this will manifest, but we know in Matthew 24:21-22 the post-sword-stroke "global healing" phase is more dangerous under world government full control of 100% global military systems, than the "sword stroke" cycle which led to it, which eventually resolved (Rev13:3), into world government, as leading to this world government first and final "one hour" reign; (Rev17:12)

F. We do know, by aid of world researchers and prophecy, that world government "elites" are with and from the demons, and do not have any beneficial plans for humanity as a whole;

A. If their weapons and energy system falls into abyss-bound demonic power, it could be extreme in destructive potential; hence, why Christ "cuts short" this period to spare planet Earth from the full agenda of either world government or Satan and the demons.

(5). Christ arrives when it is truly necessary, but carries out the global sheep securing mission (Rev14:6-8; Matt24:31), before

exterminating world government and abysing Satan and the demons. (Rev19:11-21; Rev20:1-3)

6. The other disturbing realization for King North powers as in Revelation 6:12-17 parallel of Matthew 24:29-31, is eventually the [Christ "salvation parousia"](#) will also start to be realized.

A. This is because the [global awareness of Christ "present"](#) eventually develops which aids salvation of many;

B. [Kingdom of Christ angels](#) (not humans), carry out the final salvation as Christ completes his own ministry in Daniel 12:11's final 1290 days which is all open for salvation.

## World Government Triggers the Christ Arrival

1. What emerges in the final warning period of 1260 days before this climax, is the knowledge of the full [Global Open Salvation Appeal](#), which in time Christ completes as Revelation 14:6-7.

2. Any human unable to be reached (Matt10:23), by the 1260 days ministry, will experience the Christ "Kingdom Ministry" completion in person sometime during the Daniel 12:11 final 1290 days period in which Revelation 11:4-8 deploys by holy angels, not humans as the primary means of public notification.

A. Prophecy reveals [world government must first complete](#) before Christ arrives.

B. [Revelation 14](#) is the whole post Christ arrival sequence which Daniel 1290 days concludes into as the Revelation 14:17-20 "vine of the earth" judgment.

2. Daniel 8 and 11 provides one time only global event prophecies, to support Daniel 12 and Revelation's applicable [repeating](#) prophecy principles in final form in the future. (Rev8-11; Rev15-16)

A. The "first witnessing" of the "two witnesses" of the Bible Students and the insights to be revealed in the 1920's provides the primary Daniel and Revelation 1260 days (1914-1918), 1290 days (1919-1922), and 1335 days (Dan12:12), period meanings as previews for the [repeating future final cycle](#).

B. By the principle meanings of those previews of Revelation, in its first fulfillment features of that 1914-1922 timeframe, the final Kingdom "witnessing" of the "final witness" of the "two witnesses" of Revelation 11's future 1260 days leading to the Christ arrival 1290 days, is how the future Revelation final fulfillment cycle can be known before it occurs. (Rev1:1)

C. Christ's arrival for Messianic Kingdom completion and open salvation offer ministerial completion of the Daniel 12:111290 days can now be known, this time, *before it unfolds* as will be necessary in this final timed period.

D. Since there are two Kingdom periods in announcing God's Kingdom events of 1914 (1260 days) and the Messianic Kingdom of Christ events of the future 1260 days, there are two Revelation fulfillment cycles as also TWO "witnesses" of 1260 days each for a total final witness of 2520 days, as "seven times".

E. Jesus Christ must also complete his 3.5 years ministry of the past in the 3.5 years of the future 1290 days of Daniel 12:11, also for a "seven times" meaning, as the finality of Christ's ministry is seven years total, as Christ completes the last Kingdom ministry leg, personally in Revelation 14 in the future.

3. This is why King North, by use of the illegal Governing Body (Dan11:32a), has been dead-set on apostatizing Jehovah's witnesses, adjoining them with the wildbeast as UN NGO (Dan8:13 "transgression causing desolation"), and stubbornly retaining rectifiable errors to aid the global discrediting of the first Revelation cycle and its [1914 dating validity](#).

A. Those GB retained and promoted prophecy-based errors stumble people, divert attention, discredit prophecy, and allow the prophecy to be "rearranged" in final error (2Thess2:1-2), to instead be used against Jehovah's witnesses in the future to cancel their ministry and attempt to lead them to prison and worse (Matt24:15), via the "JW Bunker System" trapping-intakes.

B. If the GB Liars (Rev2:2) had been successful, the final Revelation cycle would not have become ascertainable with total certain future repeated form clarity. But, they will fail. (Isa66:6; Rev10:5-11; Rev11:3; Dan11:32b)

C. The GB promoted lawless-*policy*-based errors which also stumble people, diverts attention, to kill and "beat the sheep" and discredit prophecy to also involve Jehovah's witnesses and the ministry in secular as well as spiritual criminal activity to make the ministry look like a reproaching joke of a total hypocrisy, to aid the overall discrediting effect by rampant terminal blasphemy and "organized lawlessness".

8. But due to the Governing Body's well known and documented "organized lawlessness" and "lifting themselves over everyone" as self-approved and self-appointed "man of lawlessness" "in the temple" in 2011-2012 globally public manner, we know the Governing Body and Jehovah's witnesses apostasy also fulfills critical final signal apostasy prophecy. (Dan11:30-35; Dan8:11-14; Zech3:1-3; 2Thess2:1-12)

A. Thus, the infiltrator Governing Body may claim to be the sole "faithful slave" of all time in effect, they are actually the "evil slave" as they "lifted themselves up over everyone" right in the JW face in 2011-2012, to blatantly and brazenly fulfill the "man of lawlessness" prophecy in broad daylight as they sat there "in the temple" "publicly claiming" to be divine-gods to the clapping of the JW "seals", the new "domestics" of this criminal temple operation.

B. Thus, ironically, the Governing Body apostate-borne (Dan11:30b), infiltrator development (Dan11:32a), will "receive Christ's belongings" by divinely permitted pillage of the apostate WTBS as the GB "evil slave" "son of destruction", and God will allow it and

require it because this is the worst, most serious apostasy in all "Christendom" era history. (Dan8:13-14)

C. Recovery of a final 1260 days purified and truthful approved and commissioned anointed Christian ministry, non-religious in basis, is the reason God allows this apostate-JW-downfall for a fast-tracked fully "little scroll" summarized (Rev10:5-7), final Kingdom announcement (Rev11:2-3), in "King North's" face. (Ps110:2)

## "King North" World Government

1. World Government global distribution "tents" of "one hour" (Rev17:12; Dan12:11 parallel), global sovereign power:

**(Daniel 11:45)** And **he** will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and **he** will have to come all the way to his end, and there will be no helper for him.

2. Because these "palatial tents" is plural it implies a divine "Jerusalem" "location" will be one of the claims that will be made, as a counterfeit and a final obstacle entity "between" the people ("the grand sea") and God's real spiritual "holy mountain, Zion" of Revelation 14:1, also completing in this same future timeframe.

3. World Government will be demonic central power, but its "palatial tents" must be distributed in some manner internationally, even if it has a "world government" visible headquarters which may be the location of the "image of the wildbeast" revived United Nations international nucleus of wildbeast global-political worship, no matter where they may seat their doomed "throne". (Rev16:10-11)

A. The "United Nations" will "ascend" from the "sword stroke" "abyss" coming (Rev13:3; Rev17:8-12; Rev11:7), and it may get a new location, name, packaging, and global marketing branding, but it will still be the same old "disgusting thing" "image" to represent the whole Scarlet Wildbeast World Government.

4. The UN is just the visible international "executive branch" political forum, world government must also have a full globalization complete financial wealth control system, and a globalized military "ten horns" system, all under the "King North" Globalist mega-corporate-matrix control at global scale in all the nations.

5. Because only the 8th King will become the final World Government parallel global-sovereign rival entity (Rev17:8-13), and this is obviously "palatial tents" of just such a global-system, "King North" has actually always been explicit in Daniel 11:45 as to "who" this global pinnacle world power "king" "north" must be: the "8th King" scarlet wildbeast.

6. WTBS-Bethel retains the decoy USSR="King North" error, which keeps "King North" "a mystery" until they could frame Russia as the "new King North" decoy entity, to cover for their King North Globalist System partners. (Dan11:32a)

A. This "mystery" allows the decoy "King North" prop to now be aligned with Russia in the future, *over-advanced* in the prophecy for this time, at Daniel 11:44.

B. The [potential future Russian alignment](#) "as King North" (now tentatively affirmed by the GB as of 2018), allows the over advanced Daniel 11:44 expectation among misled Jehovah's witnesses.

C. Now Daniel 11:44-45 can be prematurely expected among Jehovah's witnesses (2Thess2:1-2), which future Governing Body false impression will then amp up the JW false belief "the end of the world" is "right around the corner", if anything should develop in the future regarding "Russian conflict".

7. That pretext "end of the world" hoax, allows the apostate JW organization's future "trampling" (Dan8:13), and "invasion" (Dan11:41), coming, to be misperceived as "the end" rather than what it will truly be: The Temple Judgment of Daniel 8:11-14 in the Daniel 11:41-43 global context of the future.

A. Daniel 8 King Fierce, Daniel 7 Fourth Beast, Daniel 2 "immense image" and Gog of Magog are all parallel symbols in prophecy of complete world government.

8. Because the explicit "Jerusalem" location is not mentioned, but only implied "between [the] grand sea and the holy mountain", and the true spiritual "Jerusalem" entity will be in spiritual completion as Revelation 14:1-7 in this period (Zech2:5), this implied "location" is the counterfeit "Kingdom of God" and "Zion" claims of King North's final [World Government system "location" to emerge on the world scene in the future](#).

A. "Palatial tents" could take a physical form of location in Israel, in some form of presence, to reinforce the "spiritual prophetic" aspect of that physical Israel global-deception, possibly along with the "Third Temple of Jerusalem" prop for the further deceptive effect of the counterfeit "Zion" "elite" development, which must attempt to lead Israel to the wildbeast as well.

B. In any event, the post-sword-stroke Middle East conquering world government, will use its "Israel" "divine elite" decoy, which will be required to aid believability for all of the future false Biblical prophecy applications to "666" world government to then come from its own "false-prophet" "priests" and "Babylon the Great".

C. The post-sword-stroke "Christian Crusade" victory effect upon a fully conquered Middle-East play prop, and the global "sword-stroke got healed" prop (Rev13:3), will also add to the "world government must be divine" effect.

D. Christendom's "Babylon the Great" global corporate-religious sector will not pull out of this "harlot" "rides the wildbeast" trajectory, but will "go all the way" to blessing the world government and endorsing its "666" under whatever camouflaged form it is globally deployed as; the "666 mark" will be defined by a person's acceptance of the allegiance and worship of world government. (Rev13:14-18)

9. After Babylon the Great "does" the wildbeast in final signal spiritual harlotry "riding", the "religious prostitute" "harlot" purpose will be completed and it will then be globally deposed (Rev17:12-18), to give final credibility to support the world "peace and security" mantra (1Thess5:1-3), and its "freedom from care" (Dan8:25) effect, along with the proper global-fear of the "bring many to ruin" on religion as in Revelation 18 and Daniel 8:25 meaning;

**(Revelation 18:9-10) "And the kings of the earth who committed fornication with her and lived in shameless luxury will weep and beat themselves in grief over her, when they look at the smoke from the burning of her, 10 while they stand at a distance because of their fear of her torment and say, 'Too bad, too bad, you great city, Babylon you strong city, because in one hour (Rev17:12, the "one hour" of world government rule) your judgment has arrived!"**

10. Daniel 11:45 world government presentation must parallel Daniel 12:11 final placing of the "disgusting thing". Thus, Daniel 11:40-45 merges into Daniel 12 whose final fulfillment must be "during that time" (Dan12:1), of Daniel 11:40-45 final global cycle events. (More detail is given in the Daniel 12 section, below)

11. When both the final 1260 days ministry is ceased by "the wildbeast that ascends from the abyss" (Rev11:7), and the world government presenting "disgusting thing has been placed", as both present at the same time no matter what order they may manifest in in the future, then the 1290 days begins as Daniel 12:11.

A. When in the fulfillment of **both criteria**, as both in completion at same time (even if it took time for both criteria to complete in separate events and timing), when both criteria are finalized, the 1290 days begins.

**(Daniel 12:11) "And from the time that the constant [feature] has been removed (Rev11:7-10) and there has been a placing of the disgusting thing that is causing desolation (world government official presentation globally; Rev17:12-17; Dan11:45), there will be one thousand two hundred and ninety days.**

## After World Government Completes

**All these events and judgments are leading directly to, or under, full World Government:**

1. Final "world peace" "and security" of the King North/8th King system as the Daniel 8:25 "freedom from care" parallel;

2. Final anointed Christian sealing by completing final mission (Rev10:5-11), thus the "Four Winds" phase [final "great tribulation" phase] (Matt24:31; Rev7:1-4), activates under world government;

A. The "two witnesses" final warning is ceased at that time (Rev11:7; Dan12:11), as world government is "ascending" or in completion, to be determined by that time;

3. The larger scale religious Babylon the Great and its global Christendom sector deposition, will also be within that Daniel 11:44 "devote many to destruction" and the Daniel 8:25 "bring many to ruin" parallel. (Rev17:15-18; Rev16:12,17-20);

4. The attempted global coercion of *anyone* resisting the 666 marking campaign of World Government will also be on the King North agenda under world government, in Revelation 13:15-18. (Rev14:9-11 Christian focus)

## Har-Magedon "Super Power" Planetary Arena: Christ Arrival into Complete World Government

1. The reason those judgments and contextual final events take place under full World Government is for that sovereign entity to complete its judgments as an official global sovereign, and to provide many people headed for salvation with indisputable indications world government complete will eventually trigger the Christ "second coming".

A. It is in that same complete world government period (as Daniel 11:40-45 merges into Dan12:1's "and during *that* time"), the Christ arrival (Matt24:29-31; Rev11:11-12) commences to complete the Messianic Kingdom to oversee its own official Messianic Kingdom judgments in the climax 1290 days period of Daniel 12:11. (Dan7:26)

B. The complete Messianic Kingdom must also complete the salvation priority as Christ completes his own ministry for that 1290 days entire period as the final 3.5 years of his seven year total "seven times" Kingdom Ministry. (Matt24:14; Rev14:6-8)

C. Babylon the Great global corporate-religious complex will endorse world government and bless it as divine, after which the "harlot" entity will be deposed which aids the sheep-securing process as many people are freed from religion. (Rev14:6-8; Rev18:4)

D. Christ arrives after world government completes, but before Babylon the Great is destroyed, to complete all the first priority salvation missions.

E. The judgment on Babylon the Great frees up many to salvation before Christ eventually "cuts short the days" (Matt24:21-22), of that final King North ruling and final agenda period (2Thess1:6-10), after securing all the global sheep first. (Matt25:31-40; Rev14:14-16);

2. Thus, that period under full world government and its final global agenda in action is the "four winds of the earth" period of Revelation 7:1. That is the now angel "held back" globalist-agenda period of "bring many to ruin" (Dan8:25), and "devote many to destruction" (Dan11:44), as a multi-facet initial 666 "marking" campaign, and a reaction to "disturbing" "little scroll" reports of their coming doom.

A. Thus, world government ascending or ascended into completion (Rev11:7; Rev17:8-12), will cease the final ministry as Revelation 11:7-10, in the Daniel 12:11 half-criteria.

B. World Government will "host" the Babylon the Great "ride the wildbeast" global corporate-religious complex endorsement blessing as divine, then world government will outlaw and depose global-religion institutions to aid their "world peace" mantra effect globally. (1Thess5:1-3; Dan8:25)

C. That is the final Daniel 12:11 1290 days period Christ arrives into (Matt24:30-31; Rev16:17) via Revelation 14, as Christ secures the global sheep (Rev14:1-16) first, "from the four winds", before he deposes King North/8th King completely in the "seventh trumpet" event (Rev11:15-19), to conclude with the 1290 days expired. (Dan12:12; Rev19:19-21)

3. Thus, knowing what world government and its final cycle will mean, to be increasingly backed by enormous progressive global events and milestones of the first six "trumpets" for some years in the future, will be more easily perceived by those believing the final witnessing "little scroll" message when it emerges—even now it can be beneficial to not accept the now prevalent "it's the end of the world" (2Thess2:1-2), and its "doomsday" false impression. (Rev13:3)

A. But, since angels are involved with the seven trumpets, and seven plagues (seventh plague as the Christ arrival, precedes seventh trumpet), to lead to the 100% angelic final open salvation offer of Revelation 14:6-8, some people will be given personal awareness by spiritual super-natural means, because religion will be of no use and the period is for personal awareness, as not all can be reached by the final ministry. (Matt10:23)

4. That is why Christ, in Revelation 14:6-8 in this timed period of Daniel 12:11's 1290 days, will complete his own ministry globally by use of holy angels as the actual "sheep gathering" proceeds and also extracts people from the global-religious system downfall and other global contextual events globally.

5. Thus, contrary to many religious delusions such as that also in Jehovah's witnesses apostate ministry, there is no "end of the world" (2Thess2:1-2), which would abort this comprehensive completion requirement of all the Biblical prophetically described final prophecy entities and their final missions. (Rev10:5-7; Rev6-7)

**(Daniel 11:44) "But there will be reports (Rev10:11; Rev11:1-7) that will disturb [King North] (Globalist-System), out of the sunrising and out of the north (from God and Christ), and [King North] (Globalist-System) will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (Dan8:25 "during a freedom from care" as world peace "and security" phase of 1Thess5:1-3, under world government) 45 And [King North] (Globalist-System) will plant his (World Government global) palatial tents between [the] grand sea and the holy mountain of Decoration (fraud "Jerusalem" claims of Zion and God's Kingdom); and he will have to come all the way to his end, and there will be no helper for him. (Dan8:25b, Rev19:19-21; Rev11:15)**

## Daniel 12 Repeating Prophecy Convergence

<https://jwupdate.files.wordpress.com/2019/11/final-prophecy-cycle-tables.pdf>

### I. Daniel 12 "Time of the End" Overview

**(Daniel 12:4) "And as for you, O Daniel, make secret the words and seal up the book, until the time of [the] end. Many will rove about, and the [true] knowledge will become abundant.**

#### A. Daniel 11:40-45 Final Cycle Must Converge into Daniel 12 Final Fulfillment

Daniel 11 is a one time only, unique prophecy.

The final portion of Daniel 11:40-45 future events must converge, live and real-time in the future, into Daniel 12's final fulfillment in repeating form. Unique to this future continuum, Daniel 12 has repeating prophecies with milestone timed meanings (Dan12:7; Dan12:11; Dan12:12) which were previewed in the 1914-1918, 1919-1922 initial cycles.

**The future temple judgment of apostate Jehovah's witnesses will activate as Daniel 8:13-14 as the invasive completion of the Daniel 11:41 context to complete in timing and purpose fully, before the Daniel 12:7 final 1260 days parallel period manifests.**

It was not until after 1990's third United Nations presentation of Daniel 11:31b, that the eventual globalization features manifesting globally from the globalist-system "King North" of Daniel 11:36-40 could be fully recognized as the main Revelation 16:13-16 "gathering of the nations" global-force upon which world government can be presented in official complete form with the future globalization process completion.

Related to the Daniel 11:36-39 unique features of Globalist King North sovereign development, Daniel 11:40-45 is explicit in the final global progressive development of world government by Daniel 11:45. It therefore includes detailed milestone future events and the nature of financial (Dan11:42-43), and sovereign developments that must fully culminate into World Government in the future, as global developments that will be explicitly recognizable, eventually globally.

The unique feature about the sovereign prophecies in Daniel is that it gives explicit rival sovereign developmental details which can be registered and overlaid upon Revelation's structural details of the final cycle in Revelation 8-11 and Revelation 16.

Jehovah's witnesses are now in a foretold apostasy which produces the globalization-ignorant detours in their modern but outdated

prophecy commentary.

In the Daniel 11:32a prophecy, Jehovah's witnesses are on this detour into darkness because they have apostasy developing deft anointed Christians (Dan11:30b), and globalist-intel infiltrators misleading them as part of the prophecy suppression campaign, as well as a UN NGO alliance with the enemy system from the same 1990 third United Nations presentation era since after the Cold War ended.

## B. The Daniel "Time of the End"

The "time of the end" term is unique as only mentioned in the book of Daniel. From the prophecy criteria it is not the last days since 1914, it is the coming "time of the end" of the "last days" themselves and is noted as such because that final prophecy-to-world-event timeframe is all prophetically mapped.

It is also a "time of the end" gauged in the final sequential timed prophecies of Daniel 8:14, Daniel 12:7, Daniel 12:11, and Daniel 12:12 to begin to unfold with the apostate Jehovah's witnesses foretold ministerial downfall first as Daniel 8:13-14.

The "time of the end" **starts** with "the judgment" (1Pet4:17), on apostate Jehovah's witnesses as Daniel 8:13-14 and leads to the 1260 days purified ministry (Rev11:3; Dan12:7; Dan7:25) by the temple cleansing, and into the Daniel 12:11 (Dan7:26), 1290 days Christ arrival context that "final witnessing" ministry will have been giving warning of. (Rev10:11)

And that prophecy is given to inform many people about the nature of the final global cycle and its global indications (over several final years), of the Christ arrival of the future. The foretold global developmental indications of the temple judgment and final "sword-stroke" to resolve peacefully into world government will precede the Christ arrival and thus lead to it over several timed-period gauged final years in prophecy. (Dan8:14; Dan12:7 (Rev11:3); Dan12:11)

It is also "gauged" by the meaning of the events of the "seven trumpets" spiritual context and the seven plagues" global context. (Tables below summarize the seven trumpets/plagues overlay)

And thus Daniel 11:40-45 must connect into the reference in Daniel 12:1 "and during that time" of the Daniel 11 final events.

**(Daniel 12:1) "And during that time (of Daniel 11:44-45) Michael will stand up (as World Government completes, Christ arrives to be coronated by God "king of kings"), the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress such as has not been made to occur since there came to be a nation until that time. (Rev13:3; Dan11:41-43; Matt24:29-31) And during that time your people will escape, every one who is found written down in the book.**

And we can then prove the nature of the global developments in Daniel 11:40-45 as converging into Daniel 12 as Daniel 8:14 (Dan11:41), Daniel 12:7 (Daniel 11:42-43) and into the Daniel 12:11 (Dan11:44-45) world government and Christ arrival concurrent period.

## C. Temple Judgment to Messianic Kingdom Completion by Christ "Standing Up"

1. It can be noted Christ "stands up" in final form as the "King of kings", but in Daniel 12:1 it is also the "temple visitation" for the judgment and the cleansing purpose. (Rev8:1-7; Zech3:1-5; Mal3:1-4; Dan8:14)

**Thus, since the temple judgment of Jehovah's witnesses requires Christ to "visit the temple" he does "stand up" "in the temple" to remove/purge the rival Governing Body and any other globalist-backed trespassers as in Hosea 1:4-7, Isaiah**

## 31:8-9, Micah 5:5-6, Revelation 9, before it all proceeds into Daniel 12:7.

A. It is also the expulsion of the "five foolish virgins", and "all those doing lawlessness", and the "weeds" during the temple judgment process of Daniel 8:13-14. The purpose is to produce repentance and mark the first timed prophecy of the cycle.

B. Christ must purge the "man of lawlessness" and the 2 Thessalonians 2:9 "operation of Satan" from "in the temple" (2Thess2:3-4), by use of stealth "temple cleansing" angels, because the temple cannot be freed and purged by humans due to direct demon presence now inside the apostate Jehovah's witnesses ministry by control of their "man of lawlessness" Governing Body and other WTBS corporate authorities. (Dan11:32a; Dan8:11-12; Zech3:1-3)

2. This "temple cleansing" (Zech3:4-5), prepares the ministerial recovery (Zech3:6-9; Rev10:5-11), for the final "little scroll" commission and clarifications (Rev11:3) along with the temple purge and purification of Daniel 8:14's "right condition" which requires "certain men" (Jude1:4), to be neutralized out of the "temple" by whatever means Christ employs.

A. After the Daniel 8:13-14 "evening" phase (Dan8:26), of temple desolations ends its phase of timing, to become defined *and timed* in the apostate Jehovah's witnesses ministerial cancellation and global organizational downfall, Christ will "visit" the temple and depose the trespassers in the Jehovah's witnesses context.

**Jehovah's witnesses will have no ministry by that time, it being cancelled by the apostate enemy Governing Body and WTBS. (note these event(s) date(s) for the Daniel 8:14 timing verifications later)**

B. Then the temple judgment timing of Daniel 8:13-14 will complete in the "morning" phase of recovery as symbolically described in the "morning" phase (Dan8:14,26), at which time full enlightenment will manifest to then expose the current Jehovah's witnesses apostasy in full prophetic detail along with everything this foretold apostasy has been concealing by trespasser Governing Body misleading. (Dan11:32a; Rev8:10-11; 2Thess2:1-12)

## D. Prophetically Mapped "Time of the End" Overview

1. The "time of the end" is NOT "the end of the world", it is defined by the prophetically-mapped final timed periods of prophecy as noted, and their marked global milestones leading to the Christ arrival.

2. Therefore, the "time of the end" is to be known by timed prophecies for approximate knowledge of the "time of the end" of the "last days". The purpose for those timed prophecies, to activate in sequence in the future, is to describe "the things which must take place" *before* they arrive as in Revelation 1:1.

**(Revelation 1:1) A revelation by Jesus Christ, which God gave him, to show his slaves the things that *must shortly take place*.**

As time proceeds, the global awareness naturally grows concerning world government and the Christ arrival which is in a salvation parousia via Revelation 14 via Daniel 12:11's final open salvation 1290 days period. In time everyone on Earth knows Christ has arrived (Rev1:7; Matt24:30), but it is in a "great crowd" gathering mission upon arrival, first.

### (Timing 1) Temple Judgment Time (Dan8:14)

**(Daniel 8: 14) So he said to me: "Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition." (Temple purification completed in this time period parallel Zechariah 3:4-5, Revelation 8:1-5; 1150 days minimum or 2300 days probable);**

1. The Jehovah's witnesses prophetic apostasy will end soon as Daniel 8:13-14, it is the first step and sign.

2. The stumbling campaign *allowance as in Daniel 11:33-35*, as carried out by the "man of lawlessness" criminal Governing Body and misled Jehovah's witnesses, ends in the completion of the temple desolation meaning ("evening") of the first-phase of the temple judgment of Daniel 8:13-14 overall. From there the temple judgment progresses into "the morning" of purified recovery. (Dan8:1426; Zech3:4-5; mal3:1-5; isa6:6-9)

### (Timing 2) Temple Judgment Leads into the 1260 Days

**(Daniel 12:7) And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right [hand] and his left [hand] to the heavens and to swear by the One who is alive for time indefinite: "It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish."**

3. The national system sovereignty ends with the end of the "7th King" "King South" national-sovereign systems in sovereign downfall (Rev17:12-17; Dan11:42-43), *not destruction*, but subservience to world government, to manifest with the 1260 days prophetic timed period in the context of an unprecedented global crisis phase:

A. As a global crisis "sword stroke" period leading to a peaceful global resolution and its global "healing context". (Rev13:3; isa41:1)

B. As the "tribulation of those days" (phase one of the "great tribulation") phase to resolve peacefully into world government;

C. As the Revelation 16 first four "plagues" as the global context of the Revelation 8 temple judgment first four "trumpets", and into the rest of the plagues (Rev16:10-11), to world government (Rev16:12-16), and the Christ arrival seventh plague;

D. As the "rock the nations" of Haggai 2:7;

E. As the "time of distress" of Daniel 12:1

F. As the climax "pangs of distress" before the "global birthing" of "8th King" World Government;

G. As the climax global-anxiety of Luke 21:25-28;

H. As the pre-Christ arrival "wars and reports of wars" and "disorders" phase of Matthew 24:6, and Luke 21:9:

**(Matthew 24:6) you are going to hear of wars and reports of wars; see that you are not terrified. For these things must take place, but the end is not yet.**

**(Mark 13:7) Moreover, when you hear of wars and reports of wars, do not be terrified; [these things] must take place, but the end is not yet.**

**(Luke 21:9) Furthermore, when you hear of wars and disorders, do not be terrified. For these things must occur first, but the end does not [occur] immediately."**

That is very important, for contrary to Jehovah's witnesses "the end of the world" GB fantasy and the Christendom "rapture escape plan", Christ DOES NOT ARRIVE during the time of trouble, but after it has resolved on its own, as plainly stated:

**(Matthew 24:29-31) 29 "Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones together from the four winds, from one extremity of the heavens to their other extremity.**

Thus the 1260 days manifests and ends into the above. The process to get there will have begun with the temple judgment timeframe of the Daniel 8:14 temple judgment 1150/2300 days to fully expire first. (unknown at this time) That timing will have led and expired into the 1260 days recovered final ministry announcement "little scroll", which ends with the "tribulation of those days" in some approximate form. This is because it must give foretold full warning of the Christ arrival BEFORE he arrives.

Thus, in Matthew 24:29-31 the 1260 days will also end as Revelation 11:7-12 into the Christ arrival (Rev11:11-12), it will have been giving due public notice of.

That anointed Christian final affirmation sealing and approval shown in Revelation 11:11-12, is thus the final sealing of Revelation 7:1-8, as granted by the completion of the final mission 1260 days proclamation. Thus, Christ arrives into the "four winds" as then defined by the rule of world government also "ascending" into completion at this time. (Rev11:7; Rev17:8)

### **(Timing 3) World Government Triggered Christ Arrival 1290 Days**

**(Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with its final UN-related rendition "image"), there will be one thousand two hundred and ninety days.**

**All of the above leads to the Daniel 12:11 1290 days period under world government;**

Then, this would all also be transpiring under completed world government in the "four winds" final phase of the "great tribulation":

1. Babylon the Great worldwide corporate religious complex must end in world government internationally outlawed destruction, which frees up many people for salvation. (Rev14:6-8; Rev11:13)

2. When Christ arrives he will complete the worldwide "sheep gathering" global "sheep sweep" for the entire Daniel 12:11's 1290 days to its open salvation period completion, thus ending the "time of the end" of the "last days" with the final rival world government entity to conquer on Earth (Rev19:19-21), and in the demon realm to the abyss (Rev20:1-3), the world being saved for its new beginning. (Rev11:15; Matt19:28; Rev21)

3. Then the rival world government "8th King" competing sovereignty will be conquered by Christ, and as in Daniel 2:44, Christ and the Messianic Kingdom "stone" from God's Kingdom will "crush and put an end" to world government.

4. Christ will also "cast the ruler of this world out" and end the reign of Satan and the demons as they start their sentence as "Abyss POWs" of the "war of the great day of God the Almighty" which also completes. (Rev19:11-21; Rev20:1-3)

### **E. "Time of the End" Starts with the Epic Judgment Downfall of Jehovah's witnesses**

1. Thus, as discussed in Daniel 11:35 examination, the "time of the end" unique to the book of Daniel starts with the epic and timed temple judgment downfall of the Jehovah's witnesses apostate ministry, as "the judgment" begins with Daniel 8:13-14. (1Pet4:17)

2. In relation to the apostate and criminal Governing Body stumbling campaign of Daniel 11:33-35, that Apostate-JW-Downfall will create a final mass-stumbling effect in fulfillment of Daniel 11:33-35 culmination climax. (Dan11:41b) But, due to the temple judgment, many believing this and many repenting will be recovered for the final ministry.

A. But, when the temple judgment and its timing is completed, that is all the stumbling that will be allowed in any divinely permitted apostasy operation "in the temple". The temple judgment "morning" recovery phase will help some who have been wronged and or stumbled, even as the temple judgment timing is still recovery "morning" phase active. (Rev9)

3. But after it clarifies fully, it must lead to the 1260 days final witnessing (Rev10:11), and many people can be helped to have their faith strengthened rather than it be violated as is the case with today's criminal apostate Jehovah's witnesses ministry.

By then the apostate JW ministry will have paid the divine price (Isa66:6; Matt22:1-14), then that justice and accounting can aid faith-recovery in us all, which can proceed with full justice having been globally served on the apostate Jehovah's witnesses ministry in full global view.

4. Jehovah's witnesses lawlessness and apostasy was divinely permitted (2Thess2:11-12), as the final apostasy signal **with a greater overall purpose** for a final clarification ministry.

That final 1260 days ministry will complete the truthful prophecy "sacred secret" summarization (Rev10:5-11; Rev11:1-7), to know the nature and overall prophetic timing of the "time of the end" of the "last days" before it unfolds to world government, since the whole prophecy pattern is based on the "first witnessing" periods of Daniel 12:7 1914-1918, Daniel 12:11 1919-1922, and Daniel 12:12 1919-1926 of the Daniel 12 first cycle since 1914.

Thus, this guaranteed prophecy timing and meaning of the periods covered can aid human salvation, and that over several final guaranteed years available for action.

## F. "Time of the End" is Timed in Three Prophecy Sequential Timings

1. It is called the "time" "of the end" because prophecy will provide approximate "appointed time" knowledge in contextually-detailed prophetic timings and their period meaning and purpose, for a final timeline continuum of known events and global milestones en route to world government and the Christ arrival it will trigger.

<b>"Time of the End" 1-2-3 Timed Prophecy Periods</b>		
<b>(1) Temple Judgment</b>	<b>(2) Final Ministry/Open Salvation</b>	<b>(3) World Government/Christ Arrival/Open Salvation</b>

## G. Sevens Plagues and Seven Trumpets

1. The seven plagues form the global context meaning in which the seven trumpets manifest.

A. This is how the "meet the Lord in the air" (1Thess4:17), seventh plague, is the Christ "air" arrival over planet Earth (Rev16:17), which must precede the 7th Trumpet of Kingdom conquest (Rev11:15-19), by a few years as also gauged in the Daniel 12:11 1290 days. (Dan12:11; Rev14:6-7)

2. Thus the "seven plagues" form the initial global "time of distress" context into which the "seven trumpets" activate.

A. For example, the global crisis forms the first four plagues context into which global development (Dan11:41-43), the JW apostate ministry will be ceased and "desolated".

B. As shown the seventh plague Christ "Air Arrival" must precede the 7th Trumpet of global Messianic Kingdom conquest because in that plague Christ performs the first priority salvation missions first as Revelation 14 in the open salvation of the Daniel 12:11 1290 days.

3. The Christ arrival first priority is the global sheep-salvation missions within the Messianic Kingdom completion first objective. (Rev14:1)

4. The post sixth plague open salvation offer period of Daniel 12:11 1290 days period entirety, as Revelation 14:6-8, occurs fully for the 1290 days, well before the "7th Trumpet" meaning of the event of global conquest by the Kingdom of Christ over the world government rival.

## H. "Time of the End" Approximates and Unknowns

Though very helpful and known in purpose, the "time of the end" is still approximate, because:

1. We do not now know the Daniel 8:13-14 exact timing as either 3.15 years (1150 days) or 6.30 years (2300 days). But we will in that selfsame timing, because that temple judgment timing and phasing will be the great affirmation sign by its verified timing to unfold with the apostate Jehovah's witnesses temple judgment downfall process, to aid the final ministry.

A. The prophecy has to be fully verifiable as it is the initial timed/event proof prophecy to found the validity of the "final witnessing" final ministry;

B. It may be a 3 year approximate "sign of Jonah", and the three years marking Isaiah 37:30, and Hosea 6:1-3 temple protection and recovery meaning;

C. The "evening and morning" will be temple judgment phases (Dan8:14,16), which may be 3 year approximate length in each respective temple judgment phase from "evening" phase of desolation/accounting to "morning" phase of recovery to final enlightenment being made known,

2. As the 1150/2300 days ends and transitions into the 1260 days, and as it ends and transitions into the 1290 days, we do not know if those transitions in timing are back-to-back, or if they have a brief space of time between them.

**(Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with its final UN-related rendition "image"), there will be one thousand two hundred and ninety days.**

3. Daniel 12:11 is defined by **both** the (1) cancellation of the final 1260 days completed ministry and (2) world government complete and officially ruling.

**(Revelation 11:7) And when they have finished their [1260 days] witnessing, the wild beast that ascends out of the abyss (Rev13:3; Rev17:8-12, in future world government completing) will make war with them and conquer them and kill them. (which final ministerial cancellation is the "constant feature removed" of Daniel 12:11 which activates the 1290 days [when present with completed world government.]**

**(Revelation 11:8-10) And their corpses will be on the broad way (Christendom) of the great city (Babylon the Great) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, (last symbolic period to expire before Christ arrives) and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth.**

Because the post 1260 days ministerial "killing" of the "two witnesses" (Rev11:7-10) final witnessing (Rev10:11) results in a "3.5 days" interim period symbolic "death state", just before the Christ arrival (Rev11:11-12), as the last symbolic timed period before Christ arrives:

A. We do not know how long in time that "3.5 days" symbolic period will be, as activated by ministerial cancellation; we know it is after the 1260 days is fully complete.

B. We do not know how long in time after the 1260 days completes (Rev11:7), for the final ministry to be ceased as officially "killed" as in Revelation 11:7-10; it may be back-to-back, it may have a brief interim space of time;

C. For the [Daniel 12:11 1290 days activation](#), we do not know if world government will be "ascending" (not yet complete but getting close, thus not activating Daniel 12:11 yet), or fully completed, when it officially ceases that final ministry;

D. We do know world government fully "ascended" into world government official completion AND the "two witnesses" final ministry "killed", BOTH present at the same time, would activate Daniel 12:11.

E. Thus, we do not know if the "3.5 days" is prior to, or part of, the 1290 days period when it activates in both criteria of ministerial cessation and world government completely presented and ruling.

**If world government completed and "placed", then ceased the final ministry, the 3.5 days death state would activate with the Daniel 12:11 1290 days.**

**If world government is "ascending" and not yet completed when they cease the final ministry, then the 3.5 days death state would start with the cessation of the final ministry, but Daniel 12:11 would not activate UNTIL world government officially completed and "placed" itself.**

4. As time proceeds, more will become clear. But, we do know the overall purpose of God for all three of those timed periods.

5. Daniel 12:12 timing is for the Marriage of the Lamb staging event, by then Christ is in global rule prerequisite formalities, such as the official preparation for the "Marriage of the Lamb" (Rev19:1-9), so its timing is not as critical as that in Daniel 8:14, Daniel 12:7, and Daniel 12:11.

## I. 2034 Prophecy Marked Year

1. In the final ministry, the 607-1914 2520 years time frame will be based on Babylon's known "gentile times" history, not that of non-gentile Jerusalem which the Governing Body has derived a massive 20 year error concerning as a carryover from former assumptions and omission of historic investigations.

**(Matthew 24:36-42) "Concerning that day and hour nobody knows, neither the angels of the heavens nor the Son, but only the Father. 37 For just as the days of Noah were, so the presence of the Son of man will be. 38 For as they were in those days before the flood, eating and drinking, men marrying and women being given in marriage, until the day that Noah entered into the ark; 39 and they took no note until the flood came and swept them all away, so the presence of the Son of man will be. 40 Then two men will be in the field: one will be taken along and the other be abandoned; 41 two women will be grinding at the hand mill: one will be taken along and the other be abandoned. 42 Keep on the watch, therefore, because you do not know on what day your Lord is coming."**

2. Though we cannot know the "day and the hour" we can speculate on the year, but even that carries some uncertainties as to the prophetic period that ends in that year.

**(Genesis 6:3) After that Jehovah said: "My spirit shall not act toward man indefinitely in that he is also flesh. Accordingly his days shall amount to a hundred and twenty years."**

3. As far as the Genesis 6:3 known 120 years time limit for Noah's "time of the end" and the prophetic certainty of 1914, we can take a prophetically educated guess that 2034 will be significant in prophecy, but we cannot know exactly to what degree because we will not know until that time if the 1260 days or the 1290 days is ending around 2034.

**That is, we know 2034 will be marked in prophecy, we do not know what event will manifest.**

4. We know the 1260 days and 1290 days is a "week of open salvation" based on these principles:

**(Daniel 9:27) "And he must keep [the] covenant in force for the many for one week; and at the half of the week he will cause sacrifice and gift offering to cease."**

**(Genesis 7:4) For in just seven days more I am making it rain upon the earth forty days and forty nights; and I will wipe every existing thing that I have made off the surface of the ground."**

5. We see Noah had a literal week's warning, which was also an open salvation period available to anyone.

A. And though the Daniel 9:27 prophecy is about Jesus Christ and the 70th "week", Christ's last ministerial "week" which he died in the "middle of the week" also registers with some very interesting Revelation 11 final "two witnesses" parallels of relatable meaning to Daniel 12:11 "remove the constant feature".

6. For example, in the future, as the 1260 days complete with the final ministry, it too will be ceased by the enemy system "at the half of the week" (Rev11:7), of the seven years of the 1260 days and the 1290 days combined "week" of seven years.

**(Daniel 9:27) "And he must keep [the] covenant in force for the many for one week; and at the half of the week (Rev11:7) he will cause sacrifice and gift offering to cease."**

7. So, in Daniel 9:27 the cessation of the 1260 days completed final witnessing warning "sacrifice and gift offering", is at the "half of the week". And that following 1290 days is also "open for salvation" for "the rest of the week". Thus, the whole 1260 days and 1290 days the "covenant is force" is open for all people, as it transitions into the "[Covenant of Peace](#)" for the sheep invited to the "Marriage of the Lamb" big universal wedding, reception and mega-party.

A. That guaranteed "week" of "open covenant" certainty is how we know the 1290 days is also completely "open for salvation" to ANYONE as the "last half of the week" in that final 1260 days and 1290 days seven year "week".

**Since it is in the Christ "salvation parousia" arrival of Revelation 14, it means agreeing to the Kingdom peace terms of Revelation 14:6-7 can be made by ANYONE at that time, for that whole 1290 days.**

8. What we do not know is if the 1260 days ends into 2034 or if the 1290 days ends into 2034.

9. So, though we can take a guess at the year of the 2000th Memorial or so, we cannot know what it means entirely. And though it is obvious Christ would arrive relating to his own Memorial, the exact "day and hour" is unknown because the year is approximate but also unknown.

A. The "hour" is irrelevant because a Christ "global arrival" would encompass all 24 hours globally, depending on locale. As far as the "hour" in say Lovelock, Nevada, or Rancho California, California, or Archangel, Russia or Red Rock, Arizona, etc, "the hour" would still be an unknown.

10. Adding to the uncertainty, the Daniel 8:13-14 temple judgment actual timing as 1150 days or 2300 days is not known for sure at this time. That will affect how the 1150 days or the 2300 days to the 1260 days to the 1290 days unfolds.

11. But, we know this time we are in the ballpark. The intent of this is just for a heads up, because there will be plenty of other "Christ second coming" mega-hints along the way starting with the epic apostate downfall of the now enemy-controlled Jehovah's witnesses ministry which certainly will be seen globally. (Dan8:13-14)

A. Jehovah's witnesses prophecy explanation, though now riddled with errors to form a hoax "Armageddon" scenario to crash their

lawless-apostate organization and ministry under a pretext of total deception, was still the last point of furthest advancement in prophecy.

B. And from its Daniel 8:13-14 coming Jehovah's witnesses apostate downfall, the prophecy will continue to manifest.

C. But at this time, the prophecy affirmation can only be formed by Jehovah's witnesses lawlessness as "fulfilling the final apostasy prophecy".

12. Either way, the temple trespassers and rejects, now in the bull's-eye of God (Dan11:32a), have become part of the prophecy fulfillment, which helped form this update from their own historic apostasy clues in Daniel 8:11-14 and Daniel 11:30-35.

A. The prophecy cannot be stopped because God and Christ are unstoppable immortals. They will give fair warning preceding their arrival.

**(Revelation 1:7-8) Look! He is coming with the clouds, and every eye will see him, and those who pierced him; and all the tribes of the earth will beat themselves in grief because of him. Yes, Amen. 8 "I am the Alpha and the Omega," says Jehovah God, "the One who is and who was and who is coming, the Almighty."**

13. Fortunately as well, there will be no time to "argue" Christendom metaphysical dead-end erred minutia, that is done, and in that context, Christendom is buried in centuries of error, never progressing past a 1800s era erred prophecy commentary.

A. Now Jehovah's witnesses are decades behind reality, and that was the furthest point of prophecy advancement in understanding which must now be rectified and continued, from that dead-end.

14. But, as stated before, this is not to judge people in religion, there will be no religion anyways under world government and the final judgment of God by Christ is a very personal assessment which requires no religious stamp of approval anyways.

A. The command of God and appeal now is to flee religion (Rev18:4), including Jehovah's witnesses (Matt24:15), it is all doomed. And without leaving religion behind, the final spiritual progress will only be further delayed.

B. The goal of this final epic global cycle period will be to shake many many people awake! (Hag2:7; Matt25:1-13); and that with enough years to act positively towards the Revelation 14:6-8 salvation for anyone willing.

## II. Daniel 12 World Government Process Overview

### A. How "King North" Globalized-Sovereignty Pushes "King South" National-Sovereignty Over

1. Globalist System "King North" [globalism ascendancy] has been "coming against" the "King South" nation-state system [national declination] of national governments and societies for over a century as now easily provable in that century since 1914.

World wars are only one way "King North" Globalist Systems have progressively undermined national governments reducing their sovereignty over time.

**And, as this "King South" versus "King North" prophecy went global over time, in both "south" nationalist global coverage and "north" globalist system expansion, the "King South" [national-system] and "King North" [globalist-system] meaning also simplified, as it also went truly global in worldwide dynamic scope and scale.**

**Thus, as the "King South" [old world order] declines in sovereignty, the "King North" [new world order] rises into world government. Very simple.**

**And thus the "7th King" "fall" by "sword stroke" (Rev13:3), into subservience into the "8th King" world government (Rev17:12-17), not total destruction, is the same as "King South" [national system] "fall" into subservience into the "King North" [globalism system based] world government.**

**World Government is the solely identified governmental entity to "go off into destruction" in Revelation 17:8,11. Also, in Daniel 11:40-45 only "King North" meets "his end", "King South" fate is left unstated, because "Queen South" (by that time; Dan11:42-43), must be spared as shown in other "Kingdom of the World" supporting prophecies.**

**This is because God purposes to "bless the nations", Jesus Christ will be taking over, but he will be saving the nations in all those [Revelation 14:6-7] willing to agree. This is because it is the Globalist "8th King" "King North" global-enemy who has no good plans for humanity. (Rev7:1; Matt24:21-22)**

**Christ is truly "saving the world" as the Immortal Messiah! Good news indeed! (Rev14:6-7) God never has purposed to "kill bill", to destroy billions of people. It is "King North" is who has made those plans because abyss-bound Satan is who is really empowering "King North" and he is who wants to "destroy the world" if he could, before he goes.**

2. But, in any event, in the [time of the end] timed cycle coming up (Dan8:14; Dan12:7; Dan12:11), that "King North" "pushing" will knock "King South" [national sovereignty] over as made clear in Daniel 11:42-43. (Dan12:7 parallel) And that national-system downfall, will result in world government in Daniel 11:44-45. (Dan12:11 parallel; Dan7:26; Dan8:25; Rev13:14-18; Rev17:8-18; Rev13:3; Dan2:44).

**(Daniel 11:40) "And in the time of [the] end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through.**

3. What throws many the Christian academic analysts off, if there are any sincerely trying to explain this prophecy, is that "chariots" and "horsemen" and "ships" are not always military in nature, and this is no "dead prophecy" from the distant past. And in no way would God waste a prophet's time with mediocre highly-transient regional powers like Antiochus IV Epiphanes, or even national powers of today, to describe and define the GLOBALIST-SYSTEM King North true world government finality.

A. This prophecy is about **national-system** capture for **globalization-system** progress to King North world government and who it will trigger in the arrival of Jesus Christ after world government completes.

4. The basic global power dynamic many understand now, is that the "King North" globalist corporate funding through its private international-corporate system of "King South" national governments comes first (it is also the first system to truly "globalize"), to then even manage national militaries, as funding is required first, before any military can even be present to expand or "invade" in the field modern military presence or in a war.

A. Thus, the Globalist-System King North expands first by international globalized financial corporatism (Dan11:42-43), which drives the rest of the national governmental, military and societal progress into complete globalization.

**(Daniel 11:40) "And in the time of [the] end the king of the south will engage with him in a pushing, and against him the (aggressor globalism) king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the (national) lands and flood over and pass through. (globalization will complete into world government)**

5. This invasion is a [global scale] invasion and its globalist "revolution by night" into the national systems. This globalization-expansion "King North" system "storm" "flooding" into the global "King South" national "lands" [worldwide] is by means of the comprehensively massive globalization system maturing expansion.

A. It is "by night" because most people are unaware of the globalization process and its end objective of world government, even if it progresses "in broad daylight" as any Google Search will attest to.

6. This real "super world war" since 1914 World War 1 note (including **all** the "causes desolation" modern wars and world wars), is the "King North" globalist system *versus* all the "King South" national [sovereignties] in reality, but for [sovereign] control first for world government to secure the national-system "power and authority" for the "King North" "8th King" final agenda. (Rev17:12-17)

7. That is why Christ arrives into post world government completion, because that is when **he will have to arrive**. (Matt24:21-22) In addition, all prophecy processes must complete to the full (Rev10:5-7), including world government's final rival sovereignty and its global signal.

8. (What "throws off" Jehovah's witnesses in this prophecy is the nefarious Governing Body knowing all this (Dan11:32a), being trespassing globalist handmaidens themselves, but instead diverting JW attention to well ingrained erred Daniel interpretations of the past in Daniel 8:11-27 and 11:27-43—**while ignoring**, as policy, all modern globalization system information widely available since after 1990, which fully matches "gather the nations" globalization global-force dynamics. (Rev16:13-16)

9. Thus, it is "King North" 'Globalizers', the Globalist System internationalists, who have been behind all military expansion in all the world wars. "King North" orchestrated the Cold [world] War cycle (1945-1990), between the USA [national alliance] and the USSR [national bloc] systems. Both the US and USSR (Russian) "coalitions of nations" were all "King South" defining [national-based] entities.

A. In fact the "disgusting thing that causes desolation" is that exact "disgusting thing" globalist world government designate forming King North system which "causes desolation" in all world wars since 1914. The world wars help enslave the national powers in various financial related and political compromises while expanding the global monetary and military system scale at the same time.

B. Even in that sense "King North" globalism is "storming" the world with globalization-system expansion, as it has continued globally well beyond those days, into today.

10. But the more powerful globalist "King North" "storm" power is the globalist globalized-corporate system which guides all this development as nations are distracted with their own "nation versus nation" plays and dramas. Political theory wars, class and race theory wars, gender theory wars, and religious theory wars, etc, the "all versus all" complex, all aids this mass global distraction, not to mention many "mainstream" media and entertainment distractions.

A. All the while, since World War 1, the globalist system has been getting stronger above the national scenes. At the same time, the national systems have been distracted with various national identity minutia and impotent "political solutions" all invented or overridden by the globalist super-system.

B. Even Jehovah's witnesses fell for this distracting national cast play. Even they let a "globalist governing body" lead them into a pit (Rev8:10-11; Dan11:32a), with a fake "King North", which the bankrupted USSR never could "fulfill" successfully (Dan11:36), to be the owning ruler of the global "gold and silver".

11. The "pushing" is due to the fact not all "King South" national governmental authorities simply accepted globalization and its [required] loss of national sovereignty to contract with those "international law" forming globalism-backing "international organization" systems.

A. Especially in the past, many "King South" national leaders thought twice about entering international scale agreements and or allowing private corporations to run and own their monetary management systems. Now we know why, because in the end their sincere national sovereignty-protecting caution and reservations were ignored and overcome, nations are now being "bought out with their own money" by the King North globalist-system at worldwide scale.

12. And, as noted in the prophecy, it is the **KING NORTH** globalization-system which produces the "storming" global invasion and "floods over" into national-system "King South" "the lands", plural.

A. Thus, the "King North" globalization system uses all forms of national "invasion" to propel this globalism-system. That globalization dynamic is what causes the "pushing" on the "King South" national governmental and societal systems of Earth with the goal of eventually fully owning and controlling the nations. Globalization is how the "gathering the nations" (Rev16:13-16), produces the future final global world government sovereignty over and owning them all.

## **B. How "King North" Buys Out "King South" with 'Her Own' Money**

1. But there is a far more effective way for "King North" Globalization Systems to "storm" and "enter" into "King South" National Systems than just military expansion: progressive private-corporate supranational wealth control.

A. It turns out "King North" can simply "buy out" the national powers by use of "their own money" empowered by massive debt!

**(Daniel 11:42) And [King North] will keep thrusting out his hand against the lands (globalism based); and as regards the [King South] land of Egypt, (made subservient:) she will not prove to be an escapee.**

2. That is why King South and its [national lands] in "she will not prove to be an escapee" means what it says, King North will dominate King South in the end. In Daniel 11:42, the very "gender" of [national-system] "King South" takes on its final subservient feminized "she" symbology.

3. In addition, some national politicians were corruptible due to their own love of money as they helped legalize everything "King North" globalist have been financially positioning *within* their very nations. (Rev17:12-17)

A. And if it was not greed that compromised these national politicians to empower "King North" globalist-system finance so as to completely underpin their own national economies, then they were deceived as aided by their own limited understanding of how "King North" financial systems undermine national systems by compounding debt and interest liabilities, especially when reaching the astronomical proportions as in the US and EU national fiscal systems today.

4. "King South" 'Humpty Dumpty' is on the wall, the nation-state "nest egg" is going to fall, but King North Globalist's "horses and men" will put "King South" 'Humpty Dumpty' "back together again", but in the world government "international basket". (Rev13:3; Isa41:1)

5. And further, the global "invasion" of King North globalist-controlled central banking, global market control and ownership, globalized finance and the globalization economy altogether, was a pretty wide net for any nation to attempt to escape.

6. The point is, there was no escape in the long run from "King North" global-checkmate and that is why prophecy describes it as such: Globalization complete, complete World Government in the future.

7. The means by which the national governments have their sovereignty undermined progressively (Rev17:12-18), in the single most effective manner, is by the supra-national "King North" globalist corporate based financial management mechanism the "King South" nationalists themselves have empowered [internationally] over time.

**(Daniel 11:43) And [King North] will actually rule over the hidden (global-scale) treasures of the gold and the silver and over all the desirable things of [King South] Egypt (national system global domain). And the Libyans and the Ethiopians will be at his steps. (Less significant nations will tumble into the sovereign vacuum naturally in the US/EU "King South" sovereign-downfall global-wake vortex)**

8. That is why the Daniel 11:42-43 prophecy also describes that King North globalist financial wealth control process first, before world government completed by Daniel 11:45.

A. Thus, as Daniel 11:42-43 describes in *literal terms* rare for prophecy, that "King South" national-system [continual] loss of national wealth sovereignty by means of huge debts, unfunded liabilities, and economic credit system dependency is how the global national governmental sovereignty is first positioned for the [national] sovereignty draining process into globalist "King North" corporate control.

9. This is because, if a nation does not own and control their own real wealth, they do not own and control their own real national sovereignty which that real wealth empowers. As [national] wealth sovereignty is drained from national systems, so is their actual autonomous sovereignty diminished to eventual zero, it will all go into globalist "King North" actual control by eventual international law backed world government ownership.

A. It means even now the national sovereignty is being rented and mortgaged from "King North's" own globalist wealth system for the "King South" tenant. When the tables turn in the future (Rev13:3), national governments will have their sovereignty vanquished in real King North sovereign ownership, which is the world government final sovereignty, not that of the national systems any longer. (Rev17:8-17)

**(Habakkuk 2:6-7) Woe to him who is multiplying what is not his own—O how long!—and who is making debt heavy against himself! 7 Will not those claiming interest of you rise up suddenly, and those wake up who are violently shaking**

you, and you certainly become to them something to pillage?

**In the future, as national governments plunge into the sovereign-abysm coming up (Rev13:3), with a 'millstone of debt' around their necks, their [national-based] legal systems will also be made impotent and overridden by the true "ascension" of [globalist-system] international law, to be "ten horn" globalized-military enforced worldwide, by the richest most powerful governmental system to ever exist on Earth by that time: "King North" "8th King" Scarlet Wildbeast World Government! (Rev17:12)**

B. Instead, national systems now "own" massive debt portfolios, completely dependent on economic growth and income flows, which are not real wealth but King North programmed symbolic alchemies, of what amount to imagined real wealth all administered even now by "King North" Globalist System national loans. The imagined wealth of the King South national system is already a globalist King North loan by fiat currency creation.

C. Instead, in this process, national governments and their whole societies have "mortgaged" their economic and governmental continuance on credit and currency controlled by "King North's" private international corporate conglomerates.

D. Now the "nation-state" actual country, the physical hard wealth, all the cities, all the land, all the gold, and all types of "property" and "desirable things" have been positioned and allowed, by their national governments, to be jeopardized by this enormous debt and economic dependency upon the "King North" globalizer setup.

E. Now the global national-system actual real hard wealth has been collateralized to "asset back" all kinds of massive and complex securitizations. Now all the "King South" nations have backed the funding of their continued existence with their whole nation. Now what happened to the "King South" Residential Mortgage Backed Securities (RMBS) meltdown, will upgrade to Commercial Mortgage Backed Security (CMBS) scale "King North" over "King South" by financial checkmate, in the future.

F. The whole "King South" National-System worldwide has now become the National-System "Master Debtor", and "King North" the Globalist-System "Master Creditor".

G. Now the entire global nation-state system itself, the [entire country], is ultimately the "King South" "asset" which is "backing" this enormous "King North" "Master Creditor" national-debt and unfunded liability portfolio, in which case "King North" globalists own that debt.

10. And when it does finally implode, "King North" will claim the "asset", "modify the loan", and begin the basis of the new global financial system as the national system's "world savior", but also complete owner going under world government "power and authority". (Rev13:3; Rev17:8-12)

11. The "King South" national systems will have no other recourse, it will be the foretold "King North" global-checkmate of Daniel 11:42-43 and Revelation 17:8-13.

12. That is also why in prophecy there is no "end of the world", the final global stressing crisis cycle to produce this outcome will resolve peacefully for that exact effect (Rev13:3), to establish "King North" World Government into globalized-completion, by predominantly that exact process, to then guide the global recovery "healing" process.

And that takes several more years, not some "end of the world".

**(Isaiah 19:4) And I will deliver up Egypt into the hand of a hard master, and strong will be the king ("8th king" world government King North) that will rule over them," is the utterance of the [true] Lord, Jehovah of armies.**

**(Isaiah 19:22) And Jehovah will certainly deal Egypt a blow. There will be a dealing of a blow and a healing;** (Rev13:3; Isa41:1) **and they must return to Jehovah, and he must let himself be entreated by them and must heal them. (ultimately in the Christ reign)**

**(Isaiah 19:19-22) In that day there will prove to be an altar to Jehovah in the midst of the land of Egypt (In the preparation for and after the Christ arrival), and a pillar to Jehovah beside its boundary. 20 And it must prove to be for a sign and for a witness to Jehovah of armies in the land of Egypt; for they will cry out to Jehovah because of the oppressors, and he will send them a savior (not world government, but Jesus Christ), even a grand one, who will actually deliver them. 21 And Jehovah will certainly become known to the Egyptians; and the Egyptians must know Jehovah in that day, and they must render sacrifice and gift and must make a vow to Jehovah and pay it.**

13. And even a global crisis "sword stroke" merely accelerates King North globalization-system coercive power by stressing the national systems into controlled economic meltdown with only one way out at that time: world government (because its wealth will be enormous as in Daniel 11:42-43).

A. As the King South national-system plunges, the King North globalist-system surges, and ascends in total global ownership, in the self-same cyclic process, in the future.

14. THAT is why the prophecy of God describes this most important wealth control aspect (Dan11:42-43) as **first required in the global national system development**, to then *later lead* to its national-sovereign vanquished-transference completion (Rev17:12-17) into "King North" world government "8th King" in prophecy, in very little words in Daniel 11:42-45 and Revelation 17:12-17.

**C. "King South" Wealth Lost, "King South" Sovereignty Lost, "King North" World Government Wealth and Sovereignty Found**

1. To make matters worse, and to seal the certainty of the completion of this wealth and sovereign transference process into "King North" total global wealth control in the future, the national governments and commercial societal systems are now totally, irreversibly, perpetually dependent upon the "King North" globalist-corporate system.

A. Now King South whole nations' entire governments, societies and economies are dependent on King North controlled central banking and international investment banking conglomerates to even manage "their wealth" and to even continue operating their international "globalism" economies and currency/credit/debt systems.

B. And now this enforced dependency on "King North" is at international scale affecting all national governments and societal systems and that is how, by a final global-stressing cycle of "sword stroke" crisis in the future (Rev13:3), the "King North" Globalist System will complete the drain of that [national] wealth control sovereignty, into their own "King North" corporate matrix of actual wealth control beyond national governmental laws and legal systems: world government.

C. Now, even the wealth the national systems imagine they "own", is ultimately in supranational corporate system control, as "King North" has even designed the global monetary system and its global corporate controlled web of credit and debt system engineering, now fully underpinning the national systems.

2. This is why "King North" corporatism, is even now, its own global sovereignty above national governmental control.

3. That is how in Revelation 17:13-17 the national powers, after financial capture first as shown in Daniel 11:42-43, in that very process, will "give their power and authority" to the "8th King" "King North" globalist system in that same overall sovereign transference process of the future.

A. Then, last, by Revelation 17:17 time, they give their entire nations, "they give *their kingdom* to the wildbeast" globalist world government system "8th King" "King North".

**(Revelation 17:17) For God put [it] into their hearts to carry out his thought (Rev18:8), even to carry out [their] one thought by giving their (national-system) kingdom to the (world government) wild beast, until the words of God will have been accomplished.**

4. But, since this has already shifted well into the "King North" globalist balance of global wealth power and control, and the global military it thus also funds, the coming "tribulation of those days" final global-crisis will tip the balance fully into globalist "King North" "8th King" global control. It will be the global coup de grace on "King South" "7th King" national systems who must fall by Daniel 11:42-43 subservience by national "buyout", rather than destruction. (Rev13:3)

5. That is how the final global stressing cycle will run its course and resolve peacefully (Rev13:3; no matter how bad it may appear for a time), and in that process it will complete the "King North" Globalist System domination because their already well honed and global financial system and their huge real wealth ownership (then in peaking form, as well) will be the only resort to "save the nations" for the then fully world government subservient national powers.

## **D. The Hopeful "Golden Age" of the "King North" Globalist "World Healing" Operation**

**(Isaiah 41:1) "Attend to me in silence, you islands; and let national groups themselves regain power (Rev13:3-7 healing). Let them approach. At that time let them speak. Let us come up close together for the judgment itself. (the "healing" leads to world government and thus precedes the Christ arrival "judgment")"**

1. Once it turns out the Revelation 13:3 sword stroke "end of the world" "certain doomsday" of the future, was just another global-crisis cycle to pass, (no matter how it may actually unfold or the "doomful" impressions it may inspire), the global effect will be surprising, relieving, hopeful, and "healing".

A. The Revelation 13:3 "sword stroke" on the "7th King" system must then be resolved peacefully into a global "healing" and a global triumph phase for the "solution of world government"; that "twist in the story" will become quite amazing in global psychologically amping hopeful effect. (Rev17:8-12)

2. It turns out it is much more effective to sell "666" world government with global "world peace" (1Thess5:1-3), and real recovery, and hope for a great future, rather than with an "end of the world".

3. The religious-doomsday depressing news about the "sword stroke" will pass, instead, into the world government presentation in a hopeful global-healing context.

A. Then the "doomsday" scare, can then have its depressing, doomful, and uncertain mega-energy all-time low, *transformed directly* into an exuberantly hopeful and positive global atmosphere all-time high, which also aids the world government acceptance by some. (Rev13:3; Rev17:8)

B. Do not expect "Babylon the Great" global corporate-religions to catch on either, they will also buy, endorse, and bless, the world government by this same psychological conning effect. (Rev17:12-18)

C. It is a "harlots" job to "ride the wildbeast" world government in the end, prior to global world government outlawed dissolution, whose 100s of trillions in religious-system liquid capital and hard assets will actually aid the "global healing" process of the "nations regaining power".

4. Then the Globalist World Government System can guide the global "healing" of Revelation 13:3, and Isaiah 41, into a final "One World Government" designed final wealth management sector, and the nations are then just controlled "states" of world government,

fully "new world order" reengineered in the process.

5. However the re-arisen (Rev11:7; Rev17:8-12), United Nations "image of the wildbeast" shall be renamed, repackaged and rebranded for final effect, if that renaming occurs, it is a required *part* of the whole "scarlet wildbeast" World Government complex.

A. The "New World Order" "United Nations" (or whatever they end up calling it) will still be the international executive sector of its political forum facade and international visible "roundtable", which the "King North" Anglo-American "two horned wildbeast" globalists super-corporate system would then fully control as the real world power in World Government.

**The world government sector of wealth power will then be able to actually "heal" the world national systems globally because:**

1. This "positive" will aid the global world government acceptability campaign (Rev13:14-18), by use of a "near-doomsday" "sword stroke" resolved peacefully "and miraculously", which will amplify the psychologically relieving, truly hopeful, and optimistic global recovery phase positivity, to then present world government and its final "world peace" within such a positive global upswing; (1Thess5:1-3)

2. "King North" World Government will have the entire planet in its ownership, including all the global "gold and silver", etc; (Dan1 1:42-43);

3. "King North" World Government will have the huge "world government endowment" wealth it already possesses in its ownership;

4. "King North" World Government will have designed the final financial and world economic system evolution to then deploy it internationally, just as they designed the previous system;

5. "King North" World Government will be the global-engineers of its final currency and monetary system;

6. "King North" World Government will then toss in the few hundred trillions in global-religious-system wealth; (Rev17:12-18)

**That is why:**

1. There will be a "world peace" proclaiming and backing world recovery (1Thess5:1-3), of great global hope developing, rather than that "end of the world" doomful ruse.

2. Destruction of world-government-outlawed global corporate religion will only help the "world peace and security" believability and its global triumphant celebration. (Rev13:3; Rev17:8);

A. That overall amped-up global world government mantra "world peace effect" will finalize and amplify with that institutional "Babylon the Great" religious "harlot" deposition after "Babylon the Great" "does the final date" of endorsing world government as divine.

B. That global-corporate-religion destruction phase will also infuse a couple hundred trillion in mega-capital into the globalist "world recovery" coffers, making the sweet deal even sweeter;

3. "King North" World Government will be, by far, the richest, most powerful and globally encompassing "world power" of all Bible and earthly history for this per-Christ conquest finale;

4. Unfortunate for that system, but good news for planet Earth, "King North" World Government will also be the shortest rule ever of any world power in Bible or earthly history, only "one hour" symbolic in Revelation 17:12! (Dan12:11)

5. "8th King" World Government has their "One Hour Reign of Satan", but God has His "One Thousand Year Reign of Jesus Christ", and on into forever and ever.

**(Psalm 2:1-4) Why have the nations been in tumult (Hag2:7) and the national groups themselves kept muttering an empty thing? (world government) 2 The kings of earth take their stand And high officials themselves have massed together as one (in "united nations" world government) against Jehovah and against his anointed one, 3 [Saying:] "Let us tear their bands apart And cast their cords away from us!" 4 The very One sitting in the heavens will laugh.**

### **III. Daniel 12 Final Human Ministry to Christ Arrival**

#### **Overview of the Christ Ministerial Completion: Messianic Kingdom Completion to Open Salvation "Covenant of Peace" Completion**

##### **A. Repeating Prophecy of 1260 Days and 1290 Days**

1. Daniel and Revelation both have one time only, as well as repeating prophecy.

A. For example, after the temple judgment events and timing of the unique prophecy of Daniel 8:13-14 cleanses the temple and purifies the final "little scroll" prophecy summary (Rev10:5-11), for Revelation 11 deployment, the 1260 days future final Kingdom announcing open salvation explaining ministry of Daniel 12:7 is a concurrent 1260 days parallel for the future **repeating** prophecy contexts of Daniel 7:25, Revelation 11:1-7 (final witnessing), Revelation 12:14 and Revelation 13:5-7.

2. Daniel 7:26 will be [repeating], in the same period as the 1290 days timed in Daniel 12:11 as an open salvation period into which

Christ arrives upon completed world government.

3. Christ's arrival is not to exterminate the rival world government immediately. (Rev19:11-21 final phase of the Christ "second coming" is later)

A. But Christ does arrive AFTER its "8th King" World Government completion, for its completion will be a great global sign (Rev13:3; Rev17:8-11; Isa41:1), which will aid the salvation of many people at a very *personal awareness* level aided by the holy spirit of God and Christ. (Rev14:6-8)

## **B. Christ Arrival Agenda: Christian Ministerial Completion for Global Open Salvation Offer**

1. Christ arrives to first complete the second leg (Dan12:11), of his seven year required ministry "seven times" as seven years (Rev14:6-7), because humans "by no means" can complete it (Matt10:23; Rev11:7; Dan12:7; Rev13:5-7), and it is a prophecy final "seven times" principle completion as seven years total. (Rev10:5-7)

2. Christ is the ultimate and perfect ministerial Salvation Agent of God, "The Messiah", who founded this ministry for 3.5 years in his first arrival from God.

A. In around ONE Anno Domini, that is 1 "A.D.", "In the year of the Lord", Christ arrived, way back even before western civilization reset their global calendar to the [Gregorian](#) global-calendar system, a global calendar based on?

### **Christ's birth into his "first arrival".**

3. Since that time of the first 3.5 years from around 29 "AD", that Christian human deployed ministry is not complete, nor can humans complete it! (Matt10:23)

4. Jesus Christ is who [completes Matthew 24:14](#) in person in the future Daniel 12:11 1290 days (3.5 years; Rev14:6-7), contrary to popular "church" and JW belief that "the church" could complete it, it was a religious delusion overall.

A. In the future, Christ "arrives again" in his "second coming" to complete his own "second witnessing" principle in the Daniel 12:11 1290 days period as that final 3.5 year ministry will complete the seven years total ministry of Christ ON EARTH, also of "seven times" principle note.

5. And as the first ministry was "open for salvation to ANYONE" willing, so too, the final Christ ministry is also "open for salvation to ANYONE" willing, and it is the main positive global-feature mission of the purpose of the 1290 days of Daniel 12:11, deep in the final prophecy and global development cycle of the future.

A. This is because in Christ's ministry from God Almighty Jehovah, SALVATION is the higher priority. Jesus Christ is literally "Jehovah's Salvation" in the Yehshua name definition, Yahweh's Salvation. (Isa63:9)

6. We already know Christ can easily handle the extermination of any sovereign rival such as a world government botch-job, it is not the highest priority, and that is why it is saved for last. (Rev19:11-21)

7. Additionally, running the prophecy to its fullest course (Rev10:5-7), even allowing "8th King" world government to complete for its "one hour" rule and stay (Rev17:12), will aid people's recognition for salvation aiding awareness. (Hag2:7)

8. Requiring world government to internationally outlaw and depose "Babylon the Great" world corporate religion will be another salvation aiding epic global sign. (Rev11:13; Rev17:8-18; Rev16:17-20; Rev18:8)

9. That is why this open salvation message of the future, unfolds under completed official world government in their very face (Rev17:14; Ps110:2), because even some humans in that weak rival effigy of so-called global-sovereignty in "8th King" world government can also "change sides" in that 1290 days period.

A. Salvation is the goal, eventual destruction of the rival world government is guaranteed. (Joel3:11; Zech3:8-9)

10. In Immortal Mighty God form, but with all physical earthly power capability, and by the use of indomitable holy angels (Rev14:6-7), Christ and his Kingdom Angelic Air Force arrival is the "seventh plague" (Rev16:16-16) event parallel, and its first priority is to gather the global "sheep flock", and that from under completed world government. (Rev14:6-8,14-16)

11. After "harlot" world religion endorses world government as divine, the "Babylon the Great" worldwide religious system downfall, also under world government (Rev17:8-18), will free up some people (Rev18:4; Rev11:13), for the salvation of Christ (Rev14:6-8), then obviously not "religion" for it will no longer even exist.

12. That is also why the Daniel 12:11 1290 days timeframe allows the time for all these events. Although global corporate religion can be officially outlawed by world government "in an hour" "in a day" globally (Rev18), the actual deposition process will take more time to effect worldwide.

A. The 1290 days allows for the complete "Babylon the Great" destruction fallout of humans to be swept into the salvation of Christ, for those willing. (Rev11:13; Rev18:4; Rev18)

## **C. Messianic Kingdom Completion**

In the overall "global sheep sweep" of Christ, the heavenly sheep gathered first to completion, completes the Messianic Kingdom body 100% for God Almighty. (Rev14:1)

1. Then God Almighty, can Crown Christ "King of kings" of the completed Kingdom of Messiah in that Messianic Kingdom and the King-Priest as Eternal High Priest of the Kingdom Temple. (Rev11:15-18; Zech6:9-15; Rev11:19; Zech4:6-9)

2. Christ is then becoming Universal King of the "Kingdom of the World", the "Lord of lords" of planet Earth as well, the entire Earthly planetary trophy "courtyard" of the Great Immortal Temple then completed as well.

**This is all unfolding in the Daniel 12:11 time period as "King North" world government will not "come to his end" (Dan11:45) until the end of the 1290 days of Daniel 12:11. That is how we know Daniel 11:42-45 merges into Daniel 12 in final prophetic convergence into the Christ arrival and its actual divine priority list covered here.**

**The Messianic Kingdom must complete as the official divine judgment agency for all the post-World Government final divine judgments.**

## D. First Judgment: Sheep Salvation

1. That Messianic Kingdom completion is accomplished first because the sheep salvation (Matt24:31), is **the first positive judgment** of that completed Messianic Kingdom to then officially gather the last "gifts for God" (Rev14:6-7,14-16), in human sheep (Matt25:31-40), as angels make that final appeal with Christ worldwide to absolute global and planetary completion.

2. After the 1260 days final human ministry completes (Rev11:1-12), and will have been summarizing all this (Rev10:5-7), that final Daniel 12:11 1290 days is the open salvation final period to then officially offer the global open salvation "Covenant of Peace" offer, under the completed Messianic Kingdom, to ANYONE willing to agree to, and complete, that peace agreement by their own freewill cooperation at that time of Revelation 14:6-7.

3. Holy angels and immortal spiritual powers are used by Christ, so the completion of his ministry is guaranteed, and that worldwide and all within that final 1290 days. Thus, even individuals in the enemy rival system can "change sides" in that Daniel 12:11 1290 days period.

4. The Daniel 12:11 1290 days is provided as a prophecy registry of guaranteed time for global coverage of this Christ ministerial completion process, according to God's own scheduling.

A. It will be in a worldwide scope Christ "parousia" mode of "coming with the clouds" stealth salvation operation with the free ability to use super-natural events of "power and great glory". (Matt24:29-31; Rev16:12-17)

**(Revelation 14:6-8) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: "Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters." 8 And another, a second angel, followed, saying: "She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!"**  
(Rev17:15-17; Rev11:11-13; Rev16:17-20)

5. It is all purposed by God Almighty for encouraging people, ANYONE, to enter the Covenant of Peace agreement being offered globally with its first simple request of Revelation 14:6-7.

## E. World Judgment—Babylon the Great Downfall, and the Human Freedom Aftermath

1. As the **first adverse judgment** overseen by the complete Messianic Kingdom authority, the global religious complex will be deposed by worldly powers to then aid the freeing of God's "my people" (Rev18:4) still stuck in religion, from the corporate snares of the "Babylon the Great" religious corporate racket.

2. Thus, as in Revelation 14:8, that destruction completion announcement of "Babylon the Great has fallen" has to be carried out during the Revelation 14:6-7 angelically backed completion of Christ's own "Kingdom Ministry".

A. The Daniel 12:11 1290 days reflects the fact, that though a true global religious illegalization can be in a day, the deposition phase will take some time.

B. But, in any event, that will complete in the world judgment totality of the "sheep and the goats" (Matt25:31-46) and the Revelation 14:14-20 finality concludes in that 1290 days timeframe.

## F. Finale: World Government Destroyed

1. Since world government is not invited to the Marriage of the Lamb, and is the illegal sovereign entity acting like they own the place, and by then fully and freshly fair warned, that entity is deposed as the last priority.

In Revelation 19:11-21 in the post-Christ arrival "Kingdom Conquest Mode" finale, World Government is the long foretold final rival world sovereign "8th King" which can then be conquered by Christ, as Christ conquers world government by global exact, selective, but complete worldwide destruction (Amos9:1-3), after securing all the global "sheep".

Willing individuals, ANYONE willing, in this system, can avail themselves of the Terms of Surrender and open Salvation Covenant Guarantee that will have gone forth in the Daniel 12:11 1290 days period as Revelation 14:6-7.

# IV. Daniel 12 - "King North" World Government Ascension to Final "Disgusting Thing" as Complete World Government

## A. Christ's Arrival: Open Salvation Sequence

**(Daniel 12:1) "And during that time Michael will stand up, the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress such as has not been made to occur since there came to be a nation until that time. And during that time your people will escape, every one who is found written down in the book."**

1. Since Christ "stands" as King designate in the King-Priest Temple authority when he "visits the temple", now full of Governing Body profanations and resistance activities foretold in this prophecy, that temple visit is in the "stand" principle which term is used in Daniel to denote a "stand" into kingship as in Daniel 8:23-25.

A. As shown earlier, Christ stand into "King of kings" kingship at the end of the process as [designate" in Daniel 12:11 to full King of kings upon total conquest. (Rev11:15)

2. The Daniel 8:13-14 temple judgment will eventually result in the "right condition" cleansing" as the "evening" of desolations ends.

A. Logically, in that temple judgment transition into the "morning" of "holy place" recovery (Dan8:1426), Michael as the "Angel of the Covenant" will "stand" in the temple and neutralize the infiltrated enemy (Hos1:4-7; Isa31:8-9), now inside the apostatized Jehovah's witnesses ministry illegally, but permitted. (2Thss2:1-12; Dan11:32a; Dan8:12)

3. As with all cases where "Michael" is used to denote modern Christ actions (as in times past; Jude1:9; Rev12:7-12), it is because Satan and the demons are also being neutralized from any further activity "in the temple" (2Thess2:9; Zech3:1). as part of the spiritual cleansing.

4. Thus, Daniel 12:1 "during that time" will be a parallel of the culmination of the Daniel 11:41 King North globalist-intel "invasion" of the Jehovah's witnesses anointed Christian "land of Decoration" now fully aborted and profaned by the Governing Body led apostasy and lawless profanations operation (Dan11:31a; Dan32a; Zech3:3), which includes direct demon activity in the Governing Body and ministry itself. (2Thess2:3-4,9)

5. The end goal of this Daniel 8:12 subversion of Jehovah's witnesses, by way of Daniel 11:30b-32a apostasy, is to destroy the JW Org by globally dissolving WTBTS and canceling the JW ministry, aborting the advancement to the final ministerial summary, for a while.

6. That full-blown global anti-JW ministry operation will unfold in the Daniel 12:1 "time of distress" of the final global crisis of the future and Daniel 11:42-43 is the global context description of the effect that "sword stroke" will have on the "King South" national systems.

7. Thus Daniel 12:1-11 has features which must occur in Daniel 11:41-45 actual global events as the prophecy merges into Daniel 12's final "time of the end" timed prophecy mapping to the Christ arrival.

A. Daniel 12:7 1260 days is in Daniel 11:42-44 context, Daniel 12:11 1290 days is in the Daniel 11:44 context completing into Daniel 11:45 as official King North world government, in the future.

8. "King North" world government completion triggers the Christ arrival for the global sheep gathering mission phase as first priority.

A. Christ arrives to complete the Messianic Kingdom by heavenly-sheep gathering to complete the earthly-sheep gathering by that completed Kingdom of Revelation 14:1-8, prior to the Christ conquest upon world government (Rev19:11-21), and the Universal conquest. (Rev20:1-3)

9. The "the great prince who stand in behalf of your people" is the Revelation 14:6-7 global sheep gathering meaning as "your people will escape" as the rest of the Daniel 12:1 convergent timings occurs in the Daniel 12:7 1260 days into world government which is made complete as the Daniel 12:11 1290 days begins as the Daniel 11:45 parallel which Christ must arrive into.

A. This is why in the global/universal context, Christ's Michael name is used in context when vanquishing Satan (Rev12:7-10), as he did "in the temple" previously. (2Thess2:8-9)

10. "King North" Satanized World Government "Gog" over "King South" "Magog", will be the universal component of the "King North" fullest world government meaning as Satan crowns himself king of the world when under world government:

**(Ezekiel 38:15) And you will certainly come from your place, from the remotest parts of the north, you and many peoples with you... [The King North world government and all controlled by him; (Rev19:19-21); Gog "with no helper" as well; (Rev20:1-3)]**

## B. Christ Pre and Post Arrival Period Features

2. This "judgment" symbology is after the total Universal conquest of heavens and earth leading to the Reign of Christ at which time these prophecies will fulfill.

**(Daniel 12:2) And there will be many of those asleep in the ground of dust who will wake up, these to indefinitely lasting life and those to reproaches and to indefinitely lasting abhorrence. (in the millennial reign)**

1. But since Daniel 12 is a sequence of guaranteed timed prophecy leading to the Messianic Kingdom preparatory rulership staging events for the earthly-sheep in Daniel 12:12 in post Christ arrival, some Messianic reign features are weaved in.

They are symbolic preludes of why Christ is to fully "stand" as Messianic Kingdom King of kings.

2. As the temple judgment completes to temple purification first (hence Michael's "temple" "stand" first; Mal3:1-5; Zech3:1-5; Dan8:13-14), as the events and timing of Daniel 8:13-14 expire first with Daniel 11:41, that temple "right condition" aids the final prophecy summary of the final 1260 days with the parallel Daniel 7:25, Daniel 12:7, Revelation 11:2-3, Revelation 12:14 and Revelation 13:5-7 repeated fulfillments.

3. The current debased Jehovah's witnesses apostasy and enemy system controlling the "temple" ministry (2Thess2:1-4), has been concealing much final prophecy verifiable information (Dan8:12b), including, of course, their own apostasy. (Dan11:30b,32a)

4. That "temple" apostate condition must be dealt with by God, for it is now demonically backed in direct form (2Thess2:9), through the "son of destruction" "Governing Body" as a direct "operation of Satan", which purpose is indeed darkness upon the Jehovah's witnesses ministry, with eventual destruction planned. (Dan8:13; Hos1:4-7)

5. Thus, the Devil will be planning to attempt to abort the final required testimony (Rev10:5-7,11), based on the final prophecy updates Jehovah's witnesses now conceal as misled by the "man of lawlessness" Governing Body "in the temple of the God".

6. Because King North "8th King" World government complete, functional (Dan11:45, Rev17:8-18) and "world peace" stated (1Thess5:1-3; Dan12:11), triggers Christ's arrival, not before, but AFTER it completes, and that that takes several more years to runs its full complete course, the Governing Body "end of the world" deception (2Thess2:1-2), is merely the pretext to attempt to destroy Jehovah's witnesses along with the apostate ministry and organization.

We do not know how complete the organizational "desolation" will become.

7. What we do know is they cannot stop the final ministry. Instead, all of this final apostasy adds the chapter 1 proof for the "little scroll" which deploys in the Daniel 12:7 1260 days parallel of Revelation 10:5-11 summarized in the "final witnessing" of Revelation 11:1-7, to help others understand what has really been going on.

**(Isaiah 28:18-19) And your covenant with Death will certainly be dissolved, and that vision of yours with Sheol will not stand. The overflowing flash flood, when it passes through—you must also become for it a trampling place. 19 As often as it passes through, it will take you men away, because morning by morning it will pass through, during the day and during the night; and it must become nothing but a reason for quaking TO MAKE OTHERS UNDERSTAND what has been heard.” (Dan11:41; Dan8:13-14)**

8. Speaking of Isaiah's unique prophetic hints below, and the new things on the way in the second witnessing (Rev10:11), of the future, the Jehovah's witnesses current signal apostasy will not stop the final "reports" from God's Kingdom "little scroll", rather, it will aid the prophecy summary, once the apostasy is destroyed in Daniel 8:13-14 timing and events which will provide the first verifiable prophecy benchmark that this is all real, and for a final enlightening purpose:.

**(Isaiah 43:18-19) 18 “Do not remember the first things (1914-1919), and to the former things do not turn your consideration. 19 Look! I am doing *something new*. Now it will spring up. you people will know it, will you not?**

**(Isaiah 42:9) .The first things (1914-1919)—here they have come, but new things (of the future) I am telling out. Before they begin to spring up, I cause you people to hear [them].**

**(Isaiah 48:6-7) You have heard. Behold it all. As for you people, will you not tell [it]? I have made you hear new things from the present time, even THINGS KEPT IN RESERVE, that you have not known. 7 At the present time they must be created, and not from that time, even things that before today you have not heard, that you may not say, ‘Look! I have already known them.’**

**Thus, the "something new" is strange (Isa28:21), not expected, but based on the Jehovah's witnesses apostasy being purged from "in the temple" for a final period of enlightenment preceding the Christ arrival to be backed by epically huge global events of the final global indications of that arrival.**

**(Daniel 12:3) “And the ones having insight will shine like the brightness of the expanse; and those who are bringing the many to righteousness, like the stars to time indefinite, even forever. (Ps147)**

9. Though that prophecy is about the final glorification of the immortal Kingdom spirits under Christ as well, it is the truth Daniel 12 depicts huge final timed epic prophecy periods which will have "light" shone upon them by God as to their exact purposed meaning.

This is because it is this period proceeding to illegal world government that will usher in Christ as triggered by King North world government itself!

10. Of course, God and Christ will give a revived (Eze37), fresh fair warning to a completion of the whole warning since Christ arrived in every detail and foreknowable before it all continues to unfold forward in time, from the apostate JW downfall coming up as Daniel 8:13-14.

11. Thus, God must not only allow, but require, the destruction of the Jehovah's witnesses ministerial apostasy and its various idols, such as the JW organization.

12. Thus, when God does allow the Daniel 8:13 (Dan11:41), "desolation trampling" of the Jehovah's witnesses ministry to even global cancellation of the ministry, and the pillage and dissolution of JW organization, in time, everything the GB Devils are concealing must "come to light" in that Daniel 8:14,26 "morning" phase of temple recovery.

13. Of course, the GB Termites of Darkness, must be purged by angelic "fire of the altar" (Rev8; Zech3:2) and "the light of Zion" (Isa31:8-9), to allow the final "good news" to come forth. The pyre and ashes of that GB illegal managerial entity will help light and smooth the way (Zech4:6-9), of the final witnessing emergence. (Zech3:4-9; Rev11:3)

14. All of this final prophecy fulfilling and being made known, in time, as leading to the final 1260 days ministry as the Revelation 11:3 Daniel 12:7 parallel timing, is purposed by God to aid human salvation for the final ministry, and then the Christ arrival to complete his own ministry.

**(Daniel 12:3) "And the ones having insight will shine like the brightness of the expanse; and those who are bringing the many to righteousness, like the stars to time indefinite, even forever.**

15. Daniel 12:3 is also a prophetic reference to the final heavenly-sheep gathering glorification of the approved fully affirmation sealed anointed in this finale period, who must be "glorified" into immortal spirit form among the earth-sheep to aid Christ's gathering.

16. And because all things spiritual and physical in God's perfect manner of prophecy communicative teaching, like the "great crowd" who never have to die the Adamic death, the final heavenly-sheep anointed Christians must also be "gathered" alive in "we the living, who are surviving":

**(1 Thessalonians 4:17-18) Afterward we the living who are surviving will, together with them, be caught away in clouds to meet the Lord in the air (Rev16:17; Rev11:11-12); and thus we shall always be with [the] Lord. 18 Consequently keep comforting one another with these words.**

**(Matthew 13:43) At that time (Jude 14) the righteous ones will shine as brightly as the sun in the kingdom of their Father.**

17. It is an instantaneous "rebirth" into immortal spirits "in the air" of Earth, in the presence of the earth-sheep also on earth, also not having to die the Adamic death.

**(1 Corinthians 15:50-57) However, this I say, brothers, that flesh and blood cannot inherit God's kingdom, neither does corruption inherit incorruption. 51 Look! I tell you a sacred secret: We shall not all fall asleep [in death], but we shall all be changed (those who are surviving), 52 in a moment, in the twinkling of an eye, during the last trumpet. For the trumpet will sound, and the dead will be raised up incorruptible, and we shall be changed. 53 For this which is corruptible must put on incorruption, and this which is mortal must put on immortality. 54 But when [this which is corruptible puts on incorruption and] this which is mortal puts on immortality, then the saying will take place that is written: "Death is swallowed up forever." 55 "Death, where is your victory? Death, where is your sting?" 56 The sting producing death is sin, but the power for sin is the Law. 57 But thanks to God, for he gives us the victory through our Lord Jesus Christ!**

18. The "killed number" of approved anointed Christians will complete, but that is only part of the 144,000 completion.

**(Revelation 6:9-11) And when he opened the fifth seal, I saw underneath the altar the souls of those slaughtered because of the word of God and because of the witness work that they used to have. 10 And they cried with a loud voice, saying: "Until when, Sovereign Lord holy and true, are you refraining from judging and avenging our blood upon those who dwell on the earth?" 11 And a white robe was given to each of them; and they were told to rest a little while longer, until the number was filled also of their fellow slaves and their brothers who were about to be killed as they also had been.**

**(Revelation 13:9-10) If anyone has an ear, let him hear. 10 If anyone [is meant] for captivity (anointed gathered alive), he goes away into captivity. If anyone will kill with the sword (anointed of the "killed number"), he must be killed with the sword. Here is where it means the endurance and faith of the holy ones.**

**(Psalm 68:18) You have ascended on high; You have carried away captives; You have taken gifts in the form of men...**

19. But the final "gifts in the form of men" changed into immortal "in the twinkling of an eye", "the living, who are surviving" of this final anointed group will be like Enoch's *principle* as the first example, that is "taken to God" as instantaneously rebirthed immortal spirits. Those final anointed "are changed" in the midst of the earth-sheep.

**(Jude 14-15) Yes, the seventh one [in line] from Adam, Enoch, prophesied also regarding them, when he said: "Look! Jehovah came with his holy myriads, 15 to execute judgment against all, and to convict all the ungodly concerning all their ungodly deeds that they did in an ungodly way, and concerning all the shocking things that ungodly sinners spoke against him."**

20. Because all the anointed in spirit-immortality must be present:

**(Zechariah 14:5) And you people will certainly flee to the valley of my mountains; because the valley of [the] mountains will reach all the way to Azel. And you will have to flee, just as you fled because of the [earth]quake (of Rev16:17-20) in the days of Uzziah the king of Judah. And Jehovah my God will certainly come, all the holy ones being with him.**

21. And that completion forms the Immortal Messianic Kingdom power for this completion in the Daniel 12:11 1290 days defined timed final period of the open salvation offer and global sheep gathering:

**(Zechariah 12:6-10)** In that day I shall make the sheiks of Judah like a firepot among trees and like a fiery torch in a row of newly cut grain, and they must devour on the right [hand] and on the left all the peoples round about; and Jerusalem must yet be inhabited in her [own] place, in Jerusalem. *(Rev17:14)* 7 “And Jehovah will certainly save the tents of Judah first *(final anointed)*, to the end that the beauty of the house of David and the beauty of the inhabitants of Jerusalem *(former immortals present)* may not become too great over Judah. *(for Messianic Kingdom completion purpose)* 8 In that day Jehovah will be a defense around the inhabitants of Jerusalem; and the one that is stumbling among them must become in that day like David *(humans alive will be empowered by the holy spirit for faith)*, and the house of David like God *(Christ and the total anointed immortal revelation)*, like Jehovah’s angel before them. *(anointed immortals protect the earth-sheep at some point)* 9 And it must occur in that day [that] I shall seek to annihilate all the nations that are coming against Jerusalem. *(the Christ foregleams:)* 10 “And I will pour out upon the house of David and upon the inhabitants of Jerusalem the spirit of favor and entreaties, and they will certainly look to the One whom they pierced through, and they will certainly wail over Him as in the wailing over an only [son]; and there will be a bitter lamentation over him as when there is bitter lamentation over the firstborn [son].

### **C. All "True Knowledge" will Help Affirm Prophecy as Part of that "True Knowledge"**

1. Because world researchers provide world developmental globalism clues even applicable to the final prophecy, this generic abundant knowledge synergizes into the final prophecy explanations as well.

**(Daniel 12:4-6)** “And as for you, O Daniel, make secret the words and seal up the book, until the time of the end. Many will rove about, and the [true] knowledge will become abundant.” And I saw, I Daniel, and, look! there were two others standing, one on the bank here of the stream and the other on the bank there of the stream. Then one said to the man clothed with the linen, who was up above the waters of the stream: “How long will it be to the end of the wonderful things?”

2. This final batch of "true knowledge" is required to move past the criminal Governing Body Jehovah's witnesses apostate-engineered current stalled ignorance as to world development since after 1945.

3. Now, world researchers who know the power dynamics of modern world government development based on globalization completion and what globalism entails, are not applying this to prophecy in any truly comprehensive manner.

A. Now, Jehovah's witnesses who did know prophecy, now outdated and erred, do not know a thing about the globalism-basis of coming world government certainty.

B. Now, the two areas of "true knowledge" are not being related and connected as they should be to affirm modern updated prophecy of world government "King North" "8th King" required full-course completion to world government in the future.

4. Now the angel gives timed prophecy periods of knowable divine purpose (Rev1:1), that must have two fulfillments one at kingdom/temple birth/foundation (1914-1918), and the coming final one at kingdom/temple completion and final conquest of the future. (See [2])

### **D. The 1260 Days Final Kingdom Announcement (Final Ministry Phase)**

**(Daniel 12:7)** And I began to hear the man clothed with the linen, who was up above the waters of the stream, as he proceeded to raise his right hand and his left hand to the heavens and to swear by the One who is alive for time indefinite: “It will be for an appointed time, appointed times and a half. And as soon as there will have been a finishing of the dashing of the power of the holy people to pieces, all these things will come to their finish.”

#### **1. Parallels of 1260 Time Signature:**

**(Daniel 7:25)** And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time.

**(Revelation 11:2-7)** But as for the courtyard that is outside the temple sanctuary, cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth...7 And when they have *finished* their witnessing, the wild beast that ascends out of the abyss *(Rev17:8-12, going into, or in complete world government)* will make war with them and conquer them and kill them.

**(Revelation 12:14-17)** But the two wings *(two witnessing 1260 days deliverances, past and future)* of the great eagle *(Christ)* were given the woman, that she might fly into the wilderness to her place; there is where she is fed for a time and times and half a time away from the face of the serpent. 15 And the serpent disgorged water like a river from its mouth after the woman, to cause her to be drowned by the river. 16 But the earth came to the woman’s help, and the earth opened its mouth and swallowed up the river that the dragon disgorged from its mouth. *(the world aids the post-temple recovery deliverance)* 17 And the dragon grew wrathful at the woman, and went off to wage war with the remaining ones of her seed, who observe the commandments of God and have the work of bearing witness to Jesus.

**(Revelation 13:5-8)** And a *(pre-world government "ascending")* mouth speaking great things and blasphemies was given it,

and authority to act forty-two months was given it. 6 And it opened its mouth in blasphemies against God, to blaspheme his name and his residence, even those residing in heaven. 7 And there was granted it to wage war (*Rev11:7; Dan12:7b*) with the holy ones and conquer them (*Rev11:7; Dan12:11*), and authority was given it over every tribe and people and tongue and nation. (*world government completing to complete*) 8 And all those who dwell on the earth will worship it (*world government and "image"*); the name of not one of them stands written in the scroll of life of the Lamb who was slaughtered, from the founding of the world.

(Daniel 12:8) Now as for me, I heard, but I could not understand; so that I said: "O my lord, what will be the final part of these things?"

(Daniel 12:9) And he went on to say: "Go, Daniel, because the words are made secret and sealed up until the time of the end.

(Daniel 12:10) Many will cleanse themselves and whiten themselves and will be refined. And the wicked ones will certainly act wickedly, and no wicked ones at all will understand; but the ones having insight will understand. (*Rev1:1*)

## E. The 1290 Days - Christ Arrival, Messianic Kingdom and [Temple Completion Phase](#)

(Daniel 12:11) "And from the time that the constant feature has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

(Daniel 12:11) "And from the time that the constant feature has been removed (*"finishing of the dashing of the power of the holy people to pieces" in the "final witnessing" ceased as Rev11:7-10*) **and there has been a placing of ("King North" "8th King" world government and its UN-related "image") the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.** (*final open salvation period Christ arrives into*)

### 1. Parallels of complete Messianic Kingdom "Court" Judgment Events Within this 1290 Day 'Open Salvation' Period After the 1260 Days:

World government completion:

(Daniel 11:45) And he will plant his palatial tents between the grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

(Daniel 11:45) And [King North] will (*complete*) plant his (*world government*) palatial tents between the (*global-people of the grand sea and the holy mountain of Decoration (Jerusalem; Zion counterfeit claims, may be literal as well)*); and he will have to come all the way to his end (*Dan8:25; Rev19:11-21; Dan2:44*), and there will be no helper for him. (*Satan as "king of world government" and "Gog" conglomeration will also "helpless" and then abyssed; Rev20:1-3*)

Post Daniel 7:25 1260 days completion into this Messianic Kingdom "Court" completion, Daniel 12:11 parallel:

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally. (*the rest of the "beasts" are spared as signifying Christ will not destroy the nations, just take away their rulerships*)

(Matthew 25:31-32) "When the Son of man arrives in his glory, and all the angels with him, then he will sit down on his glorious throne (*of Messianic Kingdom completion*). 32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats.

Christ arrival after the "tribulation of those days" expires with the "sword stroke" globally resolving peacefully into the Daniel 12:11 complete world government period:

(Matthew 24:29-31) "Immediately after the tribulation of those days (*1260 days conclusion*) the sun will be darkened, and the moon will not give its light, and the stars will fall from heaven, and the powers of the heavens will be shaken. 30 And then the sign of the Son of man will appear in heaven, and then all the tribes of the earth will beat themselves in lamentation, and they will see the Son of man coming on the clouds of heaven with power and great glory. 31 And he will send forth his angels with a great trumpet sound, and they will gather his chosen ones (*Rev14:6-7,14-16; Matt25:31-40*) together from the four winds, from one extremity of the heavens to their other extremity.

This is an overview of the entire 1260 days completion into the Daniel 12:11 1290 days.

(Revelation 6:12-14) And I saw when he opened the sixth seal (*secrets revealed to Christ in 1914 of future events*), and a great earthquake occurred (*Rev16:17-20*); and the sun became black as sackcloth of hair, and the entire moon became as blood, 13 and the stars of heaven fell to the earth (*Eze38:7*), as when a fig tree shaken by a high wind casts its unripe figs. 14 And the heaven departed (*Isa24:21-22; Rev20:1-3*) as a scroll that is being rolled up, and every mountain and every island were removed from their places. (*parallels the end of the 1260 days into the 1290 days Christ arrival and after*)

(Revelation 11:7-10) And when they have finished their (*1260 days*) witnessing, the wild beast that ascends out of the abyss (*into world government; Rev17:8-12; Dan11:44-45*) will make war with them and conquer them and kill them. (*final*)

ministry ceased by world government complete or going into "ascended" completion) **8 And their corpses will be on the (Christendom's) broad way of the great city (Babylon the Great, still present to endorse world government) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days (last pre-Christ arrival symbolic timing), and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth.**

Christ arrival parallel:

**(Revelation 11:11-12) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet (immortal rebirth and instant immortalization), and great fear fell upon those beholding them. (of the living, this is the immortal rebirth into earth-present manifestation among the earth-sheep) 12 And they heard a loud voice out of heaven say to them: "Come on up here." And they went up into heaven in the cloud, and their enemies beheld them. (because Christ is 1Thess4:17 "in the air" as Rev16:17, this is a symbol of divine approved completion of the Messianic Kingdom for further Earth-based earthly-sheep gathering salvation and then conquest of the world government as the "7th Trumpet" events of Rev11:15-19)**

Sheep saved from Babylon the Great parallel of Revelation 14:6-8:

**(Revelation 11:13) And in that hour (Rev17:12 world government) a great earthquake occurred, and a tenth of the city fell (religion deposed, many saved); and seven thousand persons were killed by the earthquake (complete spiritual savable symbol), and the rest (total global savable symbol) became frightened and gave glory to the God of heaven.**

Christ arrival open salvation offer during the Daniel 12:11 1290 days post Messianic Kingdom completion "earthly-sheep gathering" first mission:

**(Revelation 14:6-8) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: "Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters." 8 And another, a second angel, followed, saying: "She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!"**

## F. Messianic Temple Completion

### 2. Note that in the final fulfillment cycle, the word "temple" in Revelation denotes all 144000 in completion at this time:

Prior to anointed Christian "gathered" completion, the "tent" term is used instead of the completed "temple" term:

**(Revelation 15:5-8) And after these things I saw, and the sanctuary of the tent of the witness was opened in heaven, 6 and the seven angels with the seven plagues emerged from the sanctuary, clothed with clean, bright linen and girded about their breasts with golden girdles. 7 And one of the four living creatures gave the seven angels seven golden bowls that were full of the anger of God, who lives forever and ever. 8 And the sanctuary became filled with smoke because of the glory of God and because of his power, and no one was able to enter into the sanctuary until the seven plagues of the seven angels were finished.**

Because "The Temple" has been incomplete, Christ gave his sacrifice to God in "the tent" as well, as the temple "foundation stone":

**(Hebrews 9:11-12) However, when Christ came as a high priest of the good things that have come to pass, through the greater and more perfect tent not made with hands, that is, not of this creation, 12 he entered, not with the blood of goats and of young bulls, but with his own blood, once for all time into the holy place and obtained an everlasting deliverance [for us].**

But now has come the time in world development and prophecy maturity for the Temple to complete in the future.

The Temple completes as a concurrency with the Messianic Kingdom, the "Jerusalem" Holy City, and the Bride of Christ, they just have their own immortal meanings.

And, when all the approved anointed are post-affirmation sealed (Rev7:1-8; Rev11:11-12), fully "gathered" by Christ into 100% completion in the future, the Temple completes as Christ is crowning completion headstone set by God Almighty (Zech4:6-9; Zech3:8-9) as the Immortal King-Priest:

**(Revelation 11:11-13) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: "Come on up here." And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.**

**(Revelation 11:19) And the temple sanctuary of God that is in heaven was opened, and the ark of his covenant was seen in his temple sanctuary. And there occurred lightnings and voices and thunders and an earthquake and a great hail.**

(Revelation 14:14-20) ... another angel emerged from the **temple** sanctuary... And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped. 17 And still another angel emerged from the **temple** sanctuary that is in heaven, he, too, having a sharp sickle... And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God...

(Revelation 16:17-18) And the seventh one poured out his bowl upon the air. (*Christ arrival*) At this a loud voice issued out of the sanctuary from the throne, saying: "**It has come to pass!**" 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great.

## **V. Daniel 12; Daniel 12:12—The 1335 days; Kingdom, Temple, Holy City, Bride Completed for the Marriage of the Lamb**

### **A. Overview of Final "Good News" Completion**

1. Daniel 11:27-45 eventually merges into Daniel 8:13-14 unto Daniel 12:1-12 which covers all the prophetic detail of the Revelation seven trumpets/plagues timeframe continuum of the final several years of the future.

2. The Daniel 12 timed prophecy periods are a timed-continuum in which the timed 1260 days (final "good news" ministry), 1290 days (World government marked Christ arrival completion period and open salvation purpose), and 1335 days (Marriage of the lamb staging to universal ceremonial Holy Day), are known in final fulfillment overall divine purposed meaning.

3. All of these things perfectly register into the Revelation seven trumpet/plague sequence map for the future, as do all the other supporting prophecies.

4. Now a general "seven trumpet" map and its known final Daniel 8:14 and Daniel 12 timed periods as continuum [steps], are all registered as one whole "time of the end" prophetic picture to help save human beings.

5. The seven trumpet/plague structure and sequential overall continuum is the map of spiritual and global event contexts/meanings to contain the sequence of:

[1.] The Temple Judgment, desolation purifications, recovery, (Rev8-9; Dan8:14 timing 1150/2300 days) in Revelation 16:1-9 global crisis context, to the final ministry commission (1260 days) and deployment; (Rev10:-11:1-6; Rev16:10-12)

[2.] The World government ascendant completion or going into completion to cancel the final ministry (Rev11:7-10; Daniel 12:11 defining 1290 days), and the Christ arrival (Rev16:17; Matt24:29; Matt24:31), it was giving information "good news" concerning (Rev11:11-12), into which 1290 days period Christ will arrive.

[3.] The Messianic Kingdom completion (Rev11:15-18) and Temple completion (Rev11:19), to the Babylon the Great downfall context. (Rev16:18-19)

[4.] Which leads to the post-Kingdom conquest "Marriage of the Lamb" as Revelation 19 and Revelation 14 provide post Christ conquest sequences;

Into that framework all other applicable prophecies and parables register reliably and add further meaning to.

6. Because every line of judgment and sovereign prophecy and parable is now registered in a known final cycle continuum of global events/meanings described in the prophecy from God, the unknowns will only be slight.

A. The overall meaning will be guaranteed more and more as it steps along over the several final years it maps, especially after the apostate Jehovah's witnesses ministry and organization suffers its global catastrophic downfall which must become the main "wake up" benchmark start-up prophecy marking event of Daniel 8:13-14.

7. Whereas Revelation 8-11 provides a generically identified prophecy meaning stepping structure into which Daniel 11:40-45 meanings and effects register or related to directly (like the Daniel 11:30-35 modern JW apostasy), Daniel 11 provides actual historic context along with its progressive continuum, because it is a one time prophecy fulfillment.

8. Because Daniel 12 and Revelation 8-11 and Revelation 15-16 are repeating structured prophecies they provide principles of divine meaning with no specifically identified national histories, but they do gauge its known development since 1914's globalism foundations by use of world war cycles .

**That is how both the 1919 League of Nations and future world government completion will have arrived at Daniel 12:11 as it repeats in the future upon the same prophecy and world event pattern.**

A. Yet, in the future they will parallel the final unique Daniel 11 events to world government to trigger the Christ arrival in the final cycle.

B. That is how those prophecies applied to 1914 events to the League of Nations, and how it can now repeat the same principles and timing en route to now, World Government.

C. World Government will be the future event the League of Nations "image" has been representing since 1919. And it too will have a God driven "Kingdom Proclamation" manifesting with the same global developments as in 1914 to 1922. (Dan12:7; Rev11:3 to Dan12:11; Rev7:26)

9. Now the Revelation 13 and Revelation "seven headed wildbeast" map of historic gentile world power progressive development does benchmark actual historic contextual benchmarks in nations of history.

10. Thus, following the logic of national progression and power expansion and advancement over those centuries since Egypt's and Babylon's time, it really is not that surprising, nor does it require a "smidge of genius", to understand World Government is where it has always been headed. In fact, in Genesis 11 and Babel, the first world government attempt is where it began.

A. Thus, for the wildbeast as a whole (and all the other sovereign prophecies' final and whole symbology) to symbolize world government as the culmination of this whole development for the "earth square" four millenniums approximate, it is logical, it is historic, it is prophecy of God, it is required for the Messianic Kingdom conquest.

11. Christ is not "showing up" to pick on bedraggled nations as they struggle against the globalists to retain their own national sovereignty. Christ is not arriving to "sneak in" and kick them when they are down so as to "assure victory".

12. Christ must arrive when they, not he, thinks they can keep the world from him. Christ shows up, as in Joel 3:9-17, when they are fully ready and given notice to meet him for the context of the rulership of planet Earth, with the known world peace surrender *option* from him as in Revelation 14 also known by means of the final ministry then completed.

God has not set up an anti-climactic fizzle of a story here.

13. God has set up the epic global cycle and the epic build up to meet Christ's then complete Messianic Kingdom, one on one, "on the plains of Har-Magedon". Armageddon is just the entire planetary arena of planet Earth in its entirety as the focal "place" for the ultimate universal and global military convergence of all time.

14. Not just the "ten horned" scarlet wildbeast military and possibly divinely permitted to "become" empowered Satan and the demons (Eze38:7), "stars fall to earth", will be there to try hold on to planet Earth, God, Christ, God's entire Kingdom and the entire Messianic Kingdom with at least a "million billion" holy angels is also showing up.

That is also why it is called "The War of the Great Day of God The Almighty!". It will be worth the wait. (Rev17:14)

## **B. For Future Final Cycle Overview**

1. This Daniel 11-12 prophecy detail describes events from the apostasy, to the temple judgment period context, then to the timeframe of the 1260 days of the final ministry the temple judgment purified the way to.

2. The 1260 days expiration is then described leading to the Daniel 12:11 1290 days of Christ's final Messianic Kingdom completion missions, and then into the start of the Christ conquest aftermath of Daniel 12:12.

3. Daniel 11:42-43 shows the King South nation-state classic "world power" system amalgam is to go through a final global-crisis in grand global fashion and total financial compromise of the whole "King South" domain, in which events, EU, US governments will lead the plunge (Dan11:42-43) of all the nations, but a recovery forms into King North World Government.

4. Thus, the simple outline continuing where Fred Franz had been helping Jehovah's witnesses reach, which was cut short in 1992, in his death, is what this "forecast" is. But now we know an apostasy had been forming to also undermine the completing of the prophecy story by Jehovah's witnesses.

A. That is, while Bethel went UN NGO (1991; Dan11:31b; Dan8:13; Matt24:15), while COVERING UP the 1990 third United Nations prophecy (Dan11:31b; Dan8:23), they work for the real "King North" 8th King world government project internally (Dan11:32a; Dan8:12), to effectively derail Jehovah's witnesses into apostate driven delusion.

**Thus, the apostasy signal of most ominous meaning, for now, is that WTBTS-Bethel leads the signal UN aligned apostasy of modern note. (Dan11:30-35, Dan8:11-13)**

5. Now, it will continue into the Daniel 8:13-14 Temple Judgment inception of the "time of the end" as the final fulfillment cycle of Revelation 8-11 and Daniel 12 as Daniel 11:41-45 proceeds into Daniel 8:14 and Daniel 12 in the future.

## **Daniel 8:14 to Daniel 12**

### **1. Temple Judgment Temple desolation to Temple purification, recovery**

The Jehovah's witnesses ministry, now in the final apostasy will ignite a judgment on the JW organization, which will be prophetically timed as Daniel 8:13-14 ignites Daniel 11:41, first (1Pet4:17)

As the 7th King nation-state system takes its initial sovereign sword-stroke and financial hit, the JW org visible corporate "trampling" of Daniel 8:13-14 will be in action to form an eventual recovery, in which the Bethel apostasy (permitting Dan11:41), and everything they are now covering up regarding 7th King downfall (Dan11:42-43), UN abyss plunge and global "sword-stroke" peaceful recovery (Rev13), to "ascend" as the 8th King world government eventual "rise" (Rev17:8-12), will become part of:

### **2. The Final 1260 days ministry of the "second witness" of the "two witnesses"**

And by that time, that final warning will precede full world government full "8th King" finality by 1260 days as Revelation 11:2-3, parallels Revelation 13:5, Revelation 12:14 and Daniel 12:7, Daniel 7:25 en route to world government.

### 3. The Final 1290 days period of World Government which triggers Christ's arrival

That final warning is ceased in Revelation 11:7-10, climaxing Revelation 13:5-7, as Daniel 12:11 activating the final 1290 days. In that period, Christ arrives, triggered by complete world government. (Rev11:11-12; Matt24:29-31) This period results in the "great crowd" gathering and the global conquest of the Messianic Kingdom of Christ as God's Kingdom appointed agency over planet Earth.

### C. "Happy" Defined "Great Crowd" Marriage of the Lamb Global Guests

1. The "sheep" are then the palm-branch waving happy victorious "great crowd" symbology and actuality, as many are "sheep-on-the-spot" due to the epic super-natural angelic events which will effect the salvation global "sheep sweep".

**(Daniel 12:12) "Happy is the one who is keeping in expectation and who arrives at the one thousand three hundred and thirty-five days!"**

It appears this may just be 45 days after the conquest, not a final 1335 days. It may indeed be a 1335 days period. But in any event it is very important but as far as of people's use NOW and in the future it is not of the critical key meaning of the Daniel 8:14 timing, the 1260 days to follow and the Christ arrival 1290 days which can be proven by fully cross-referenced prophecy upon known features in prophecies which do obviously co-relate. That is how we know the Daniel 12:12 period is a cur off, only "the happy" will enter into it, and by that time Christ and legions of angels and the whole "Holy City" of him and the anointed will be squarely "descending" to planet Earth anyways. They can plainly then explain what it exactly is in timing and how the big victory party of the Marriage of the Lamb is to unfold.

2. The conclusion of the 1290 days results in the deposition of global "Babylon the Great" religion, the conquest of world government and the "goats", and thus only the "happy" enter the period of the Lamb's Marriage.

**(Revelation 19:1-10) After these things I heard what was as a loud voice of a great crowd in heaven. They said: "Praise Jah, you people! The salvation and the glory and the power belong to our God, 2 because his judgments are true and righteous. For he has executed judgment upon the great harlot who corrupted the earth with her fornication, and he has avenged the blood of his slaves at her hand." 3 And right away for the second time they said: "Praise Jah, you people! And the smoke from her goes on ascending forever and ever." 4 And the twenty-four elders and the four living creatures fell down and worshiped God seated upon the throne, and said: "Amen! Praise Jah, you people!" 5 Also, a voice issued forth from the throne and said: "Be praising our God, all you his slaves, who fear him, the small ones and the great." 6 And I heard what was as a voice of a great crowd and as a sound of many waters and as a sound of heavy thunders. They said: "Praise Jah, you people, because Jehovah our God, the Almighty, has begun to rule as king. 7 Let us rejoice and be overjoyed, and let us give him the glory, because the marriage of the Lamb has arrived and his wife has prepared herself. (the bride is complete) 8 Yes, it has been granted to her to be arrayed in bright, clean, fine linen, for the fine linen stands for the righteous acts of the holy ones." 9 And he tells me: "Write: Happy are those invited to the evening meal of the Lamb's marriage." Also, he tells me: "These are the true sayings of God." 10 At that I fell down before his feet to worship him. But he tells me: "Be careful! Do not do that! All I am is a fellow slave of you and of your brothers who have the work of witnessing to Jesus. Worship God; for the bearing witness to Jesus is what inspires prophesying."**

3. Thus, the Daniel 8:13-14 1150/or/2300 days temple judgment is the wake up call, to get the "lamps" ready.

**(Luke 12:35-40) 35 "Let your loins be girded and your lamps be burning, 36 and you yourselves be like men waiting for their master when he returns from the marriage, so that at his arriving and knocking they may at once open to him. 37 Happy are those slaves whom the master on arriving finds watching! Truly I say to you, He will gird himself and make them recline at the table and will come alongside and minister to them. 38 And if he arrives in the second watch (Dan12:11 1290 days salvation phase), even if in the third (Dan12:12 Christ conquest), and finds them thus, happy are they! 39 But know this, that if the householder had known at what hour the thief would come, he would have kept watching and not have let his house be broken into. 40 you also, keep ready, because at an hour that you do not think likely the Son of man is coming."**

4. The first watch would be the 1260 days fully awake and approved prophecy summary explanation in the "little scroll" short but powerfully complete "good news" summary ministry. The 1290 days is the "second watch" in Daniel 12:11 period as the Christ "bridegroom" arrival period the 1260 days will have been giving due proven notification of.

5. This is an illustration which has to actually be known when Christ returns for the Marriage of the Lamb to complete the "Bride", because at that time the "Bride" is in incomplete form, but the principles will apply.

6. At the time of Christ's second coming, most, but not all, of the anointed are already in the immortal spirit state of the "Bride" designate. And they too, that incomplete "Bride", will be coming with Christ for his arrival to complete the "Bride".

**(Joel 2:15-16) 15 "Blow a horn in Zion, O men. Sanctify a time of fasting. Call together a solemn assembly. 16 Gather [the] people together. Sanctify a congregation. Collect [the] old men together. Gather children and those sucking the breasts together. Let [the] bridegroom go forth from his interior room, and [the] bride from her nuptial chamber."**

### D. The Final "Good News" Commission

1. Since this is a time of "trumpet alarm" being in the late 6th trumpet events of the Christ arrival, the "Bride" is shown coming with the "Bridegroom".

2. But long before it gets there, the temple judgment of Daniel 8:13-14 must run its full events and timed course before the 1260 days can even deploy with an actually truthful final ministry. Because this whole period of 1260 days final ministry is leading to the full sheep gathering first mission of Christ.

**(Joel 2:30-32) “And I will give portents in the heavens and on the earth, blood and fire and columns of smoke. 31 The sun itself will be turned into darkness, and the moon into blood, before the coming of the great and fear-inspiring day of Jehovah. 32 And it must occur that everyone who calls on the name of Jehovah will get away safe; for in Mount Zion and in Jerusalem there will prove to be the escaped ones, just as Jehovah has said, and in among the survivors, whom Jehovah is calling.”**

3. And God Almighty does the "calling" by prophecy explaining public announcement of the 1260 days final ministry which will be explaining the Jehovah's witnesses devolution and apostate downfall temple judgment meaning and why it had to purify the message for the final summary of all time for the Adamic era:

**(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: “There will be no delay any longer; 7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet, the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish.”**

4. As that promise of God to cease the delay and to summarize the "good news" full meaning to aid the salvation, the temple judgment purification results in the divine commission:

**(Revelation 10:8-10) And the voice that I heard out of heaven is speaking again with me and saying: “Go, take the opened scroll that is in the hand of the angel who is standing on the sea and on the earth.” 9 And I went away to the angel and told him to give me the little scroll. And he said to me: “Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey.” 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter.**

5. And since Revelation 10 is the preparatory "little scroll" final ministry commission events for use in the Revelation 11's actual final ministry deployment (Rev11:3), it leads to the divine commission.

**(Revelation 10:11) And they say to me: “You must prophesy *again* (for another 1260 days "second witness") with regard to peoples and nations and tongues and many kings.”**

6. The temple judgment of the future will divinely determine and position (Zech3:4-5), the "five discreet virgins" approved anointed Christian "body" ministry. The "five discreet virgins" will have "enough oil" and thus "more light" to ignite as a result of the temple cleansing. (Matt25:1-13)

7. The Temple "right condition" of the temple judgment events and required timeframe of Daniel 8:13-14, will produce the Malachi 3:1-5 "refined" and clarified "final witnessing".

## **E. Zechariah 3 Final "Good News" Commission to Temple Completion**

1. In Zechariah 3 the "befouled" condition of the current anointed Christian ministry is judged and also cleansed and recommissioned.

**(Zechariah 3:3-5) Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. (the former "befouled" "garments" are REPLACED with newgarments, not "cleansed" as in "laundrying" the current garment) 4 Then he answered and said to those standing before him: “Remove the befouled garments from upon him.” And he went on to say to him: “See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state.” (because this is the final commission of the final of the anointed) 5 At that I said: “Let them put a clean turban upon his head.” And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by.**

2. And that required cleansing and divine actual anointed positioning leads to the divine recommissioning for the final ministry.

**(Zechariah 3:6-9) And the angel of Jehovah began to bear witness to Joshua, saying: 7 “This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, *then* also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these (angels) who are standing by.’ 8 “Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men [serving] as portents; for here I am bringing in my servant **Sprout!** 9 For, look! the **stone** that I have put before Joshua! Upon the **one stone** there are **seven eyes**. Here I am engraving its engraving,’ is the utterance of Jehovah of armies, ‘and I will take away the error of that land in one day.’ (the temple judgment of Daniel 8:13-14 is that "one day" purification)**

## **F. The King-Priest of Temple Completion**

1. And that "stone" is the Temple Completing Christ "Head Stone" final "stone" in the temple, the capstone, the Temple Completion finale:

**(Zechariah 4:6-10) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “Not by**

a military force, nor by power, but by my spirit," Jehovah of armies has said. 7 Who are you, O great mountain? Before Zerubbabel [you will become] a level land. And he will certainly bring forth the **headstone**. There will be shoutings to it: "How charming! How charming!" 8 And the word of Jehovah continued to occur to me, saying: 9 "The very hands of Zerubbabel have laid the foundation of **this house**, and his own hands will finish [it]. And you will have to know that Jehovah of armies himself has sent me to you people. 10 For who has despised the day of small things? And they will certainly rejoice and see the plummet in the hand of Zerubbabel. **These seven are the eyes** of Jehovah. They are roving about in all the earth."

2. Which Temple Completing Final "Stone" is also the Coronation Stone of the King-Priest coronation of Christ in *the complete temple* by God Almighty pictured here:

**(Zechariah 6:12-15)** And you must take silver and gold and make a grand (*King-Priest symbolizing*) crown and put [it] upon the head of Joshua the son of Jehozadak the high priest. 12 And you must say to him, "This is what Jehovah of armies has said: "Here is the man whose name is **Sprout**. And from his own place he will sprout, and he will certainly build the **temple** of Jehovah. 13 And he himself will build the temple of Jehovah, and he, for his part, will carry [the] dignity; (*The Christ King-Priest symbol for future completion meaning:*) and he must sit down and rule on his throne, and he must become a priest upon his throne, and the very counsel of peace will prove to be between both of them. 14 And the grand crown itself will come to belong to Helem and to Tobijah and to Jedaiah and to Hen the son of Zephaniah as a memorial in the temple of Jehovah. 15 And those who are far away will come and actually build in the temple of Jehovah." And you people will have to know that Jehovah of armies himself has sent me to you. And it must occur—if you will without fail listen to the voice of Jehovah your God."

## G. "Ten Virgins" Good News Commission

1. The temple judgment parallel illustration of Christ, which provides more temple judgment detail, is the parable of the "ten virgins" which is a parallel parable of the "temple judgment" prophecy of Daniel 8:13-14. That temple judgment divine judgment determination is to select the "five discreet virgins" to be approved, to be commissioned, for the final mission ministry.

**(Matthew 25:1-5)** "Then the kingdom of the heavens will become like ten virgins that took their lamps and went out to meet the bridegroom. 2 Five of them were foolish, and five were discreet. 3 For the foolish took their lamps but took no oil with them, 4 whereas the discreet took oil in their receptacles with their lamps. 5 While the bridegroom was delaying, they all nodded and went to sleep.

2. The final "oil" light up for future enlightenment is based on the original "oil" supply of the 1914 prophecy era, as the approved anointed have retained some "extra oil", through this whole Jehovah's witnesses apostasy "oil dumping" process.

A. That is, the doubts and discrediting and general Governing Body hubris, lawlessness, transgressions and laziness have NOT allowed the prophecy belief to be "dumped" and burnt out in this "oil" supply of the "five discreet virgins".

B. In fact, the Governing Body led apostasy for King North globalist-intel is further apostasy prophecy proof in Daniel 8:11-14 and Daniel 11:30-35 to have full faith in the "oil" of valid 1914 era prophecy as a light giver to explain the true modern events, even bad ones, such as this signal apostasy of Jehovah's witnesses which are also all in the same prophecy.

3. Now, the global-crisis forming initial events and the apostate JW downfall catastrophe will "wake up" both discreet and foolish virgins in one set of events and globally alarming developments in the future:

**(Matthew 25:6)** Right in the middle of the night there arose a cry, 'Here is the bridegroom! Be on your way out to meet him.'

4. All the "ten virgins" will be looking for some prophecy light on the situation, that is what this means.

**(Matthew 25:7)** Then all those virgins rose and put their lamps in order.

5. The purpose is for "more light" from prophecy (Matt25:5-9), of the "five discreet virgins" as approved anointed to carry out the final mission leading to the 1260 days and its conclusion.

6. Now, the "oil" cannot be shared, because in reality fool virgins have to get their own enlightenment, the excuse given by the discreet virgins is true in the illustration, thus, the reality of the world it applies to is, fool virgins will not have any light, and even Sellers' "oil" light will be darkness, it will be just more erred guesses.

**(Matthew 25:8-9)** The foolish said to the discreet, 'Give us some of your oil, because our lamps are about to go out.' 9 The discreet answered with the words, 'Perhaps there may not be quite enough for us and you. Be on your way, instead, to those who sell it and buy for yourselves.'

A. In that pre-1260 days, during the global crisis starting and the shocking events of the JW apostate organizational implosions, foolish virgins will have to seek "Sellers' Oil" which is all over the Web now (and in other media forms) in many guesses even now as to what all this means. But when this really starts to develop enough to wake everyone up as somehow "Christ advent" related, the volume of "Sellers' Oil" will increase.

7. When all "ten virgins" are shocked awake by future events in the world context which will also swallow up the apostate Jehovah's witnesses ministry in catastrophic downfall and ministerial rejected failure, "Sellers' Oil" will be any Christian based guessworks which will be erred and thus not the real "light" of the original "oil" of 1914-1918's first light up phase.

### **(Matthew 25:10) While they were going off to buy...**

8. As the temple judgment events and Daniel 8:14 timing lead to that final 1260 days, in that whole period, the eventual timeframe of the final anointings "door" will cease as being "shut", because the final affirmation sealings will be given (Rev7:1), by carrying out the final 1260 days commission. That is the "reserved oil" "light" will have met its purpose.

9. Thus, as in the "1918" Christ "temple visit", this future "here is the bridegroom", "Christ is arriving" alarm, is NOT the Revelation 14 arrival. As in the temple inspection and visitation principle, it is again, Christ "arriving to the temple" first, to judge the profaned temple and "right condition" cleanse it before the final 1260 days ministry can be recovered, commissioned, and deployed by God later, in its final non-religious form of the future. (Rev10-11)

10. Those approved and affirmed by God in the final anointings sealed (Rev7:1-8), is the "door" which is "shut" in completion meaning, to the future "marriage feast" approval.

### **(Matthew 25:10b) the bridegroom arrived, and the virgins that were ready went in with him to the marriage feast; and the door was shut.**

11. We KNOW this is not the "Christ arrival" because the "oil" enlightenment of the "discreet virgins" is by divine appointed commission for a final 1260 days. But, the whole parable extends through that 1260 days as the "five foolish virgins" are ultimately rejected at the door of the final affirmation sealing of God.

### **(Matthew 25:11) Afterwards the rest of the virgins also came, saying, 'Sir, sir, open to us!' 12 In answer he said, 'I tell you the truth, I do not know you.'**

12. Thus, the judgment is of anointed Christians for approval and disapproval as the first judgment meaning for the final 1260 days ministerial commission, because the world can still benefit from the "light" from that preserved "oil" for that whole final ministerial 1260 days final "light" mission.

## **H. Good News for Newly and New Anointed Christians**

1. Thus, even anointed questioning things now and at that time, can also take advantage of the "oil" "light" to determine the reality of the situation and "refill", join in the 1260 days final good news ministry, and enter approval, because that is why this parable is provided.

A. These "ten virgins" cannot be NEW ANOINTED who have not had time to "store oil", this is a judgment of actual-anointed veterans who have had time to "take a receptacle" for some years now.

### **(Matthew 25:13) "Keep on the watch, therefore, because you know neither the day nor the hour.**

2. It means these "five foolish virgins" will also be the anointed-group judgment known by God, who never do figure out what was going on in the entire temple judgment Daniel 8:14 timing to the final 1260 days completion overall timing, rejected, no oil, no "light".

### **Thus, THE OIL is based on the prophetic FACT the 1914-1918 and 1919-1922 first cycles of Daniel 12 are VALID.**

3. Do NOT dump that "oil", because that OIL is what the final fulfillment cycle proof is all based on! And once the Governing Body are vanquished, removed, exposed and explained in everything they have been doing in evil cover-up and lawless discrediting will be RECTIFIED BY GOD, in fully truthful and convincing form of Revelation 10:5-7, because THIS IS LEADING TO THE ACTUAL FULL-BLOWN CHRIST ARRIVAL!

4. There is no way in hell, heaven or earth that God will just let the Jehovah's witnesses quagmire of reproach and confusion be the last word on prophecy.

A. Instead, it is the apostate prophecy proof of the first words of the "little scroll" future proof for salvation of many. It proves why, in all this failure by humans (Matt10:23), Christ MUST ARRIVE TO FIRST COMPLETE HIS OWN GOD BLESSED MINISTRY!

## **I. Now Hiring: More Anointings Required**

### **A final note on the Jehovah's witnesses apostasy and its coming anointed Christian "five foolish virgins" DEPLETION.**

### **(Matthew 25: 11) Afterwards the [five foolish virgins] also came, saying, 'Sir, sir, open to us!' 12 In answer he said, 'I tell you the truth, I do not know you.'**

1. That in the above, is not the Christ arrival yet, it is the final sealed-anointings "door" meaning. Because the five discreet virgins have to make announcement of these very meanings during the 1260 days, when that "reserved oil" "light" is needed to explain the final prophecy meaning, there is a whole temple judgment to end of the 1260 days timeframe in this parable. That would be when the "virgins" made it to the "feast", the purpose of the "reserved oil" then fully completed.

2. The "ten virgins" parable does parallel the temple judgment but it also parallels the final witnessing "enlightenment" mission of the 1260 days the temple judgment cleansing will lead to, as also the period of the final anointed affirmation sealings of Revelation 7:1-8!

3. More anointings will be needed, and new "virgins" do not have to fear not having "oil" they could not have been "preserving", they

can TOTALLY FILL FOR THE FIRST TIME on the "oil" of Zechariah 4 as a result of this coming temple judgment!

**(Zechariah 4:11-14)** And I proceeded to answer and say to him: "What do these **two olive trees** on the right side of the lampstand and on its left side mean?" 12 Then I answered the second time and said to him: "What are the two bunches of twigs of the olive trees that, by means of the two golden tubes, are pouring forth from within themselves the golden [OIL] [liquid]?" 13 So he said to me: "Do you not really know what these [things] mean?" In turn I said: "No, my lord." 14 Accordingly he said: "These are the **two anointed ones** who are standing alongside the Lord of the whole earth."

4. Which is the direct Revelation 11 parallel meaning for the final 1260 days, that is the "Golden Oil" that will be poured out with the holy spirit of the future commission for use by the final ministry:

**(Revelation 11:1-4)** And a reed like a rod was given me as he said: "Get up and measure the temple [sanctuary] of God and the altar and those worshiping in it. 2 But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months. 3 And I will cause my **two witnesses** to prophesy a thousand two hundred and sixty days dressed in sackcloth." 4 These are [symbolized by] the **two olive trees and the two lampstands** and are standing before the Lord of the earth.

5. This is because in the temple judgment coming up, the Jehovah's witnesses apostasy will have resulted in "five foolish virgins" losing the approval, **and more final anointings will be required.**

6. At this time the Christian anointings are incomplete, by that time they will suffer a severe depletion due to apostate "five foolish virgins" fallout and much of it is the results of the corrupted apostate activity of the Governing Body of Jehovah's witnesses (Dan8:12; Dan11:32a), and the now terminally corrupt JW organization.

## J. The Governing Body of Apostasy Purpose

1. The whole purpose of the Devil to form the Governing Body "operation of error" deception, which has progressed to now the full-blown "the lie" practiced by misled Jehovah's witnesses, was to DISCREDIT THE "FIRST WITNESSING" "OIL" BASIS OF THE "FINAL WITNESSING" FUTURE FINAL GOOD NEWS MINISTRY!

2. And that is how "oil" was actually burnt out and dumped as "noddled off" Jehovah's witnesses and their signal prophetic apostasy:

A. Retained known errors to majorly discredit valid prophecy;

B. Codified global lawlessness and illegal alliances like the UN NGO, and the worship of human and organizational idols as divine intermediaries in place of Christ;

C. Performed mass lawlessness like the pedophile protection program and support network among the Jehovah's witnesses congregational system as a known predator "hunting grounds", along with the known racketeering JW Org system now money laundering billions in non-ministerial "applied" assets;

THAT is how oil was not preserved but drained!

**(Joel 1:14)** Sanctify a time of fasting. Call together a solemn assembly. Gather together [the] older men, all the inhabitants of the land, to the house of Jehovah your God, and cry to Jehovah for aid.

1. Parallel:

**(Revelation 7:9-17)** After these things I saw, and, look! a great crowd, which no man was able to number, out of all nations and tribes and peoples and tongues, standing before the throne and before the Lamb, dressed in white robes; and there were palm branches in their hands. 10 And they keep on crying with a loud voice, saying: "Salvation we owe to our God, who is seated on the throne, and to the Lamb." 11 And all the angels were standing around the throne and the elders and the four living creatures, and they fell upon their faces before the throne and worshiped God, 12 saying: "Amen! The blessing and the glory and the wisdom and the thanksgiving and the honor and the power and the strength be to our God forever and ever. Amen." 13 And in response one of the elders said to me: "These who are dressed in the white robes, who are they and where did they come from?" 14 So right away I said to him: "My lord, you are the one that knows." And he said to me: "These are the ones that come out of the great tribulation, and they have washed their robes and made them white in the blood of the Lamb. 15 That is why they are before the throne of God; and they are rendering him sacred service day and night in his **temple**; and the One seated on the throne will spread his tent over them. 16 They will hunger no more nor thirst anymore, neither will the sun beat down upon them nor any scorching heat, 17 because the Lamb, who is in the midst of the throne, will shepherd them, and will guide them to fountains of waters of life. And God will wipe out every tear from their eyes."

**(Daniel 12:13)** "And as for you yourself, go toward the end; and you will rest, but you will stand up for your lot at the end of the days."

Progressive King North global power development must culminate into World Government over the final cycle.

## VII. Daniel 11:27-45 Simpler Details

### World War1, World War2, Cold War First Three Cycles of Four (Dan11:27-30)

**(Daniel 11:27a)** "And as regards these two kings, their heart will be inclined to doing what is bad, and at one table a lie is what they will keep speaking.

1. These "two kings" are "south" nation-state system, and "north" globalizing system, all at global scope.
2. The one table, "one thought" of global rulership, of the "empty thing" of Psalm 2, upon the whole planet Earth scale.
3. The lie is the same lie of successful human global rulership sovereign development.

**(Daniel 11:27b)** But nothing will succeed, because [the] end is yet for the time appointed.

1. All nation-state and globalist efforts at premature world domination fail. The nation-state failures of Germany and the USSR are the visible "and nothing will succeed" in all three first world wars, WW1, WW2, and Cold WW3.
2. What has "proven successful" (Dan11:36b) was the globalist King North United Nations global presentation marked "image" finales of all THREE of those world war periods.

**(Daniel 11:28)** "And he will **go back** to his land with a great amount of goods, and his heart will be against the holy covenant. (WW1 HC ID period) And he will act effectively (League placement) and certainly **go back** to his land. (WW2 or WW2 prep)

1. From first identification of holy covenant location; 1897-1918 WTBTs corporate coup attempts (1897; 1917) and imprisonment are examples of these denunciation attempts;
2. They did not want first League of Nations placement or the 2nd United Nations placement exposed as prophecy;

**(Daniel 11:29)** "At the **time appointed** he will **go back**, (WW2 and 2nd UN placement; Rev17:8-11) and he will actually come against the south (WW2 and Cold War beginning); but it will not prove to be at the last the same as at the first.

1. Cold War is a unique world war cycle different in that "cold war" cycle in comparison to the first two "hot" world wars to mark this period as certain;

**(Daniel 11:30)** And there will certainly come against him the ships of Kittim, and he will have to become dejected.

1. Nation-state vessels of sovereign resistance impede global government in the whole WW1-Cold War phase...

**(Daniel 11:30b)** "And he will actually **go back**

...over that whole period of preparatory world government steps in WW1, WW2, and the Cold War whole period.

2. But after two successful United Nations related prophecies exposed, a new effort of subversion against the "holy covenant" ministry had to be undertaken by internal means of assured success to keep the 3rd United Nations global presentation severed from the continuum in prophecy of the original two.

**(Daniel 11:30b)** and hurl denunciations against the holy covenant and act effectively; and he will have to **go back** and will give consideration to those leaving the holy covenant.

1. Since WW1 era attempts to silence the League of Nations exposure, the "hurl denunciations" are present, and "consideration" of internal Bethel subversion is first by apostasy developing inside of Bethel for the whole time.

A. By 1944-1990 "King North" "will act effectively" within the Bethel administration to effect a successful "operation of error" subversion that God permits for greater purposes later. (2Thess2:11-12);

2. Which, in time, formed an "effective" internal operation inside of Bethel for a dictatorial ministerial controlling device:

A. 1944 "governing body" first mentioned at Bethel and accepted as valid; (introduced in WW2 period active and Rutherford 1942 death distraction)

B. 1971 "lifted up" "Governing Body" title applied at Bethel; (Cold War period)

C. 1976 Governing Body dictatorship established; (Cold War period)

D. Which sets up for the whole Cold War period the eventual 1990-1991 UN NGO and 3rd UN presentation cover-up and silencing.

3. This allows apostasy and internal infiltration to mature for that whole period to the point of profaning the whole anointed Christian ministry:

**(Daniel 11:31a)** And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

### **Third United Nations Placement, Bethel UN NGO 1990-1991**

1. By the time 1990 3rd UN presentation occurs, it is joined by infiltrated Bethel as UN NGO, as all these former participants, "they" work in collusion:

**(Daniel 11:31b)** "And they will certainly put in place the disgusting thing that is causing desolation.

1. Subsequently the 3rd UN prophecy is covered up as prophecy, breaking the UN1-2-3 continuum;

2. Example of "desolation" "caused" is the real King North globalist orchestration of all this world war cycles, and their various "wars

and reports of wars"; (Matt24:6)

3. All the world war cycles culminated all three times into a marked "disgusting thing" UN related presentation, as the finale of the "desolation" cycle as per the Revelation 13:3 principle as first seen in the WW1 first cycle.

### **Bethel Progressive Apostasy Period Effects**

1. This sections parallels features of the whole "hurl denunciations" period, because both "weed" and "wheat" progress is present in the anointed Christian updated "locale":

**(Daniel 11:32)** "And those who are acting wickedly against [the] covenant, he will lead into apostasy by means of smooth words. But as regards the people who are knowing their God, they will prevail and act effectively.

1. "Leading" into fresh apostasy takes time, but it progresses to the point of apostate Bethel's modern state;

2. But "the people" "knowing their God" are also effective at explaining prophecy the whole time, in the principle of "wheat" and "weeds" growing parallel (Matt13:36-42) for the whole period:

**(Daniel 11:33)** And as regards those having insight among the people, they will impart understanding to the many. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for [some] days.

1. General persecutions and internal "arms that stand up" "harassment" (Dan7:25) occurs at the same time.

**(Daniel 11:34a)** But when they are made to stumble they will be helped with a little help;

1. God helps the "wheat" through the "harassments" internal and external to the ministry, yet all "King North" "led" apostasy;

**(Daniel 11:34b)** and many will certainly join themselves to them by means of smoothness.

1. These "many" are also "joining themselves" to the ministry not by sincerity, but by "smoothness" of the apostasies "smooth words" which has created a transformed Christian ministry that is not in the "right condition" of purity and full prophetic truth, thus attracting some people for the wrong reasons.

### **Temple Judgment "Time Appointed"**

**(Daniel 11:35)** And some of those having insight will be made to stumble, in order to do a refining work because of them (2Thess2:11-12) and to do a cleansing and to do a whitening, until the time of [the] end; because it is yet for the time appointed.

1. The "time appointed" is the Daniel 8:13-14 temple judgment to produce that full "cleansing and "whitening" as Daniel 8:14 temple purification in the culmination of the removal and exposure of the modern apostasy. (2Thess2:3-4; Mal3:1-5; Zech3:1-5)

### **Globalist King North Attributes**

**Parallels the whole development to overcome the USSR system as the prophetic marker of irreversible global ascendancy of the real King North who alone possesses these attributes to overcome any nation or national bloc.**

1. Features of King North effectiveness, culminating in the 3rd UN global presentation marking Cold War victory:

**(Daniel 11:36a)** "And the king will actually do according to his own will, and he will exalt himself and magnify himself above every god; and against the God of gods he will speak marvelous things.

1. A "New World Order" of the World Government objective is one of these "marvelous things";

As marked by the Cold War victorious real King North Anglo-American globalists meaning, marked by that 3rd UN presentation, the real King North globalist system is successful the whole time, from the first two UN related presentations (1919,1945), to the 3rd UN presentation of 1990, to World Government of the future in Daniel 11:45, UN1-2-3-4:

**(Daniel 11:36b)** And he will certainly prove successful until [the] denunciation will have come to a finish; because the thing decided upon must be done.

**(Daniel 11:37)** And to the God of his fathers he will give no consideration; and to the desire of women and to every other god he will give no consideration, but over everyone he will magnify himself.

**(Daniel 11:38)** But to the god of fortresses, in his position he will give glory; and to a god that his fathers did not know he will give glory by means of gold and by means of silver and by means of precious stone and by means of desirable things.

1. Military global monopoly progresses under NATO to Global NATO, as Daniel 11:40-41 active now, must culminate in the final cycle.

**(Daniel 11:39)** And he will act effectively against the most fortified strongholds, along with a foreign god. Whoever has given [him] recognition he will make abound with glory, and he will actually make them rule among many; and [the] ground he will apportion out for

a price.

## King North Global Expansion Progress Since 1990 Marked Events (Daniel 11:40-41)

### Global Invasion

Which real King North attributes lead to continued global expansion of the globalist system, technocratic, financial, and military as prophetically marked since 1990:

**(Daniel 11:40)** "And in the time of [the] end the king of the south will engage with him in a pushing, and against him the king of the north will storm with chariots and with horsemen and with many ships; and he will certainly enter into the lands and flood over and pass through.

### Bethel Invasion

1. And as seen in Daniel 11:30b-31a, they have "given consideration to those leaving the holy covenant" in the "Decoration" ministerial "fortress", so by apostasy and infiltration they have already "entered the Decoration" as well:

**(Daniel 11:41a)** He will also actually enter into the land of the Decoration, and there will be many [lands] that will be made to stumble.

But in time of Daniel 8:13 "trampling" that "invasion" above on Bethel, will become globally culminated and visible.

These are anti-Christian and opposing supports that "escape" the Bethel "trampling":

**(Daniel 11:41b)** But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon.

1. And so all of Daniel 11:40-41 is now active fully marked since 1990, but it will reach the global invasion maturation in the future in far more visible forms of financial and military domination of King North.

2. Thus the coming financial system coup of King North is also well set-up during this whole post 1990 globalization wave (as founded since WW1 financial systems),

3. Must culminate in the future in the actuality of its intended real purpose of global wealth control also to be seen globally, before World Government completes.

### Future Global Wealth Coup of King North Globalists

**(Daniel 11:42)** And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee.

1. Now the "King South" "Egypt" symbol, will not "escape" as the nation-state system will become fully subservient to "King North" forming World Government, by total global gold, wealth and asset ownership:

**(Daniel 11:43a)** And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt.

1. Insignificant nations were not yet the goal to fully dominate as dominating the core industrial nations first, will lead to every dependent nation "at his steps" falling in in time.

**(Daniel 11:43b)** And the Libyans and the Ethiopians will be at his steps.

### Final King North Agenda Prelude into World Government Completion

1. In the future, the temple judgment "right condition" will restore a fully truthful prophetic explanation of all this 1990 3rd UN and globalization developments in a final witnessing which is what will really "disturb" King North before and as it progresses to World Government:

**(Daniel 11:44)** "But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction.

World Government global distribution of power:

**(Daniel 11:45)** And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

1. Because only the 8th King will become the final World Government parallel, and this is obviously "palatial tents" of just such a system, "King North" has actually always been explicit in Daniel 11:45 as to "who" this global pinnacle world power "king" "north" must be.

2. Because the "Jerusalem" location is not mentioned, and the entity will be in spiritual completion as Revelation 14:1-7 in this period, this "location" is the counterfeit "Kingdom of God" and "Zion" claims of King North's World Government system.

3. Daniel 11:45 must parallel Daniel 12:11 final placing of the "disgusting thing", thus Daniel 11:40-45 merges into Daniel 12 whose final fulfillment must be "during that time" of Daniel 11:40-45 final cycle events.
