Daniel 7 Overview

As shown here:

1. The Daniel7's "Fourth Beast" prophecy has two Daniel descriptions as the final one of Daniel 7:23-24 is synonymous with "8th King", "King North", and "King Fierce" all as the final sovereign development of the Adamic era, all identical to the later Revelation 17:8 "Scarlet Wildbeast" World Government convergence of all global power into its final fully globalized form of the future. (Rev16:13-16)

A. As you will notice from Daniel 7 to Daniel 8 to Daniel 11-12, as compared to Daniel 2, the prophecies start to increase in sovereign details.

B. What you can know is that although they all equate to world government in the future as the Christ arrival trigger development, they all have unique detail along with their repeating information contexts on the historic national power to globalist power progression "mapped" in these prophecies unto future "8th King" World Government.

For example, all modern Anglo-American national to globalist world power derives from the same goals and hubris of the Roman system which preceded and influenced them.

(Daniel 7:7-8) After this I kept on beholding in the visions of the night, and, see there! a fourth beast (Roman system 6th King historic developmental basis), fearsome and terrible and unusually strong. And it had teeth of iron, big ones. It was devouring and crushing, and what was left it was treading down with its feet. And it was something different from all the [other] beasts (the whole "beast" is unique) that were prior to it, and it had ten horns. 8 I kept on considering the horns, and, look! another horn, [small horn] (root Anglo national power), came up in among them, and there were three of the first horns that were plucked up from before it. And, look! there were eyes like the eyes of a man in this horn, and there was a mouth speaking grandiose things.

Thus the first "fourth beast" prophecy is described as the Roman system whose feeble power still exists to this day.

Daniel 7	Application	Prophecy/Record	Prophecy/Principle
Daniel 7:7-8	Roman National Government	Romans 13	To Anglo "small horn"
Daniel 7:23-26	World Globalized Government	Revelation 17:8-17	To Anglo-American larger "small horn"

Thus, Roman national existence is also preserved overall by Christ's salvation in Daniel 7:12, because God has permitted the Romans 13 national powers to exist by His decree. The Anglo root "small horns" also means England and the English in the national-sense will also be preserved in all willing.

(Daniel 7:11-12) "I kept on beholding at that time because of the sound of the grandiose words that the horn was speaking; I kept on beholding until the beast was killed and its body was destroyed and it was given to the burning fire. 12 But as for the rest of the beasts, their rulerships were taken away, and there was a lengthening in life given to them for a time and a season.

Because Rome and the world system still exists today, we know in Daniel 7:11, that prophecy has not fulfilled yet, and it cannot fulfill in Roman meaning. We also know we are transitioning to the world government details as "the beast was killed and its body was destroyed and it was given to the burning fire", while the national-based "rest of the beasts, their rulerships were taken away, and there was a lengthening in life given to them for a time and a season", are NOT to be destroyed.

As in the Daniel 4 tree "rootstock" also preserved, the nations are to be preserved at the Christ arrival. Now, as this one slipped by Jehovah's witnesses, they cannot explain why that one beast is destroyed yet the rest are saved.

*** Daniel's Prophecy chap. 9 pp. 144-145 pars. 34-35 Who Will Rule the World? ***

Daniel continues: "I kept on beholding at that time because of the sound of the grandiose words that the horn was speaking; I kept on beholding until the beast was killed and its body was destroyed and it was given to the burning fire. But as for the rest of the beasts, their rulerships were taken away, and there was a lengthening in life given to them for a time and a season." (Daniel 7:11, 12) The angel tells Daniel: "The Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate him and to destroy him totally."—Daniel 7:26.

35 By decree of the Great Judge, Jehovah God, the horn that blasphemed God and harassed his "holy ones" will have the same experience as the Roman Empire, which persecuted the early Christians. Its rulership will

not continue. Neither will that of inferior hornlike "kings" that came out of the Roman Empire. What, though, about the rulerships derived from the previous beastly powers? As foretold, their lives were lengthened "for a time and a season." Their territories have continued to have inhabitants to our day. Iraq, for example, occupies the territory of ancient Babylon. Persia (Iran) and Greece still exist. Remnants of these world powers are part of the United Nations. These kingdoms also will perish with the annihilation of the last world power. All human governments will be obliterated at "the war of the great day of God the Almighty." (Revelation 16:14, 16) But, then, who will rule the world?

The only problem is all of their "rulerships" "will not continue" has now been to the same extent for those "rest of the beasts" as it has been for Rome, none of them are dominant powers any longer, as they had been. Moreover, that "their territories have continued to have inhabitants to our day" is also true of Italy and its "territory" of Rome. Thus, no way is that attempted interpretation the reality of this massive prophecy coming at the Christ arrival, for the global preservation of all nations in all who surrender to him via Revelation 14:6-8 in the future.

And we have some new features, the "small horn" is now the "biggest horn", so something further-sighted and "grandiose" in intent is transforming this former "small horn".

(Daniel 7:19-20) Then it was that I desired to make certain concerning the fourth beast, which proved to be different from all the others, extraordinarily fearsome, the teeth of which were of iron and the claws of which were of copper, which was devouring [and] crushing, and which was treading down even what was left with its feet; 20 and concerning the ten horns that were on its head, and the other [horn] that came up and before which three fell, even that horn that had eyes and a mouth speaking grandiose things and the appearance of which was bigger than that of its fellows.

In addition, in the future, it is obvious Christ is not destroying Italy or England of today in that first Daniel 7:7-8 "fourth beast" development, the Roman historic basis of England had to be established for the Anglo to Anglo-American connection to the eventual world government "beast" of Daniel 7:23-26.

(Daniel 7:23-26) This is what he said, 'As for the fourth beast, there is a fourth kingdom that will come to be on the earth, that will be different from all the [other] kingdoms; and it will devour all the earth and will trample it down and crush it. 24 And as for the ten horns, out of that kingdom there are ten kings that will rise up; and still another one will rise up after them, and **he himself** (this "horn" is also different as well) **will be different from the first ones**, and three kings he will humiliate. 25 And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, **in order to annihilate [world government] and to destroy [world government] totally.**

That prophecy describes explicit Christ Kingdom targeted conquest and utter obliteration as if vaporized by immortal light, because that Daniel 7:23-26 matured prophecy is world government. It alone of all those "beasts" is slated for annihilation. And that is why the angel repeated this prophecy to Daniel, and why this final beast is the only one shown to be destroyed by Christ, as in Revelation 19:19-21, and why there is divine hope "for the rest of the beasts".

(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss (Rev13:3 future "sword-stroke" effect), **and it is to go off into destruction.** (1945 UN event) **And when they see how the wild beast was** (United Nations "image"), **but is not** (UN impotent to stop the coming "sword-stroke" global-crisis), **and yet will be present** (future (Rev11:7), final UN rendition to representing the World Government), **those who dwell on the earth will wonder admiringly**, but their names have not been written upon the scroll of life from the founding of the world. 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive **he must remain a short while.** (7th King/King South is not described as destroyed but "remains a short while") 11 **And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction.** (this is the actual world government destruction event, by the Christ will target for precision selective deposition and removal)

The preservation of nations and the explicit destruction of world government, alone, is also shown in the way the 7th King and 8th King destinies are described in the above. The 7th King "remains a short while" which can just be loss of rulership (which it will be via Daniel 11:42-43 and Rev17:12-13 in the future), not destruction. While the 8th King is the "king" which "goes off into destruction" explicitly stated.

Obviously, in the past, although the physical super-human Christ could have wiped out Rome with no need of "twelve legions of angels" by perfect divine power [alone], he did not. Instead, Christ submitted and "surrendered his soul" *voluntarily* for the new perfect human sacrifice for God, to recover mankind later with, including Rome. (Isa53)

Thus, this "fourth beast" still exists in Roman power of today from the past. And this "fourth beast" final maturation and prophecy has yet to complete into totally globalized-system "8th King" World Government in the future. That is when Christ will toast this "beast", [alone].

(Daniel 7:11-12) "I kept on beholding at that time because of the sound of the grandiose words that the horn was speaking; I kept on beholding until the beast was killed and its **body was destroyed and it was given to the burning fire.** (World Government entity forever destroyed; Rev17:8b,11b; Dan8:25b; Dan11:45b; Rev19:19-21) 12 **But as for the rest of the beasts, their rulerships were taken away** (national system remnants spared into Christ's "Kingdom of the World" reign), **and there was a lengthening in life given to them** (not totally destroyed in the Christ conquest of Rev19:11-21) **for a time** (in the Adamic era "time of the end" unto Christ global conquest) **and a season** (under the reign of Christ which "blesses" these nations but removes

their former sovereign purpose of Romans 13; 1Cor15:24).

And as you see plainly stated, the "rest of the beasts" will have a "lengthening of life given" as Christ is NOT destined to "end the world" or destroy the nations. Christ is destined to only conquer and fully remove the globalist-system-parasite and predatory world government "scarlet wildbeast" as synonymous with that Daniel 7:23-24 fourth beast, once it is finally completed in the future.

2. Thus, the Daniel 7 "rest of the beasts" are the **national-system** to be overcome in the future by the **globalist-system** world government.

A. That national-system global is also the "King South" and "7th King" symbol of the worldwide **national-system** powers, which lose all national sovereignty in the future, into the "King North" "8th King" **globalist-system** world government of the coming Daniel 11:42-43 world-crisis and its financial default effects worldwide. (Rev17:11-15)

3. As the **national-system** powers lose all "power and authority" in the sovereign transference into the **globalist-system** world government of the coming Revelation 17:12-13 completion of total loss of world national sovereignty, the whole sovereign prophecy parallels also converge into the same globalist-system Daniel 7:23-24 "fourth beast" as completed and fully globalized world government which will trigger the Christ arrival, in the future.

4. Christ's "second coming" is two-phased with the "salvation parousia" "coming with the clouds" first mission, to precede his full global "great power and glory" "without hand" conquest as the last Kingdom mission phase as Revelation 17 and Daniel 7:23-26 merges into Revelation 14. (Rev19:19-21; Rev11:15)

B. This is because Christ arrives to secure all savable humans first as he co-completes his Messianic Kingdom (Rev7:1-8; Rev14:1) "Court" of Daniel 7:26 note, into the "fourth beast" rival world government global-completion period in the future. (Ps110:2)

C. That Christ arrival is in the Revelation 14 parallel events of Daniel 7:26 as the parallel of Daniel 12:1, Revelation 17:12 (Ps110:2), Daniel 11:44-45 and Daniel 8:25.

5. The Christ "salvation parousia" is all open for salvation for ANYONE agreeing with the Christ Kingdom counter-peace terms of Revelation 14:6-7, available worldwide for the entire Daniel 12:11's 1290 days final period.

(Revelation 14:6-8) And I saw another angel flying in midheaven, and he had everlasting good news to declare as glad tidings to those who dwell on the earth, and to every nation and tribe and tongue and people, 7 saying in a loud voice: "Fear God and give him glory, because the hour of the judgment by him has arrived, and so worship the One who made the heaven and the earth and sea and fountains of waters." 8 And another, a second angel, followed, saying: "She has fallen! Babylon the Great has fallen, she who made all the nations drink of the wine of the anger of her fornication!"
(Rev17:15-17; Rev11:11-13; Rev16:17-20)

1. Thus, Christ arrives into the final Daniel 12:11 1290 days period of Daniel 7:26 parallel, which defines the Matthew 24:21-22 prophecy "those days" which are to be "cut short" in the Revelation 7:1 "four winds" period of total world government rule of Earth.

2. After Christ secures all savable humans first for that whole 1290 days open salvation period of Revelation 14:1-16, he will then conquer the rival globalist-system worldwide (Rev19:19-21; Rev11:15), and abyss Satan and the demons. (Rev20:1-3)

3. That Christ Kingdom "Prince of Peace" (Isa9:6), world peace offer completes the "great crowd" of savable humans marked for deathless transference (Rev14:6-7), into the protection of the Kingdom of Christ as parallel with the "sheep" of Matthew 25:31-40 and the "harvest of the earth" of Revelation 14:14-16.

(Matthew 24:21-22) for then there will be great tribulation such as has not occurred since the world's beginning until now, no, nor will occur again. 22 In fact, unless those days were cut short, no flesh would be saved; but on account of the chosen ones those days will be cut short.

4. Eventually, in the Daniel 12:11 1290 days the "great crowd" are former and veteran and newly "[earthly-anointed](#)" human beings in "chosen one" meaning, as well as many other types of new salvations. That is also the Revelation 14:12 earthly "holy ones" for those approved in anointing as earthlings, because all heavenly-anointed will be completed by that time as Revelation 14:1.

A. That living salvation "new generation" is delivered to God on Earth (Rev7:9-17), for that final purpose set by God for the [human immortality](#) potential of Revelation 22:14 after Christ's one thousand year rule completes.

5. Christ arrival is in the Revelation 14:1 Messianic Kingdom completion and Daniel 7:26 "Court" for the open salvation peace covenant offer of Revelation 14:6-7 which must span the entire 1290 days Daniel 12:11 period as the Christ "coming with the clouds" "salvation parousia" of Matthew 24:29-31's Christ second coming first priority principles.

A. When that Christ Kingdom salvation mission completes, then "Fourth Beast" World Government will be "annihilated and destroyed" by Christ.

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [world government] and to destroy [world government] totally. (Dan2:44-45; Rev19:19-20)

Thus, the Daniel 7:23-24 "Fourth Beast" manifests as world government in the future, while Christ "arrives" in "salvation parousia" into the [God required future world government completion](#) global convergent parallels of all prophecy as:

1. The whole [Daniel 4 global "tree"](#) prophecy to be "chopped down" by Christ in that final rejected manmade world government rulership;

2. The whole Daniel 2 "immense image" prophecy which is the whole completed world government of the future;
3. The whole Daniel 7:23-26 "fourth beast" prophecy as the whole completed world government of the future;
4. The whole Daniel 8:25 "King Fierce" prophecy which is the entire completed world government of the future;
5. The whole Daniel 11:45 to Daniel 12:11 "King North" prophecy which is the whole completed world government of the future;
6. The whole Ezekiel 38-39 Gog of Magog prophecy which also equates to finally completed "8th King" World Government of the future;
7. The whole Revelation 13 national-wildbeast to Revelation 17 "8th King" globalist-system "Scarlet Wildbeast" which is also the whole completed world government of the future;

Daniel 7's "Fourth Beast"

- Daniel 7 has a dual application due to actually two "fourth beast" prophecies, past (Roman national power; Dan7:7-8) and future (world government globalist power Dan7:23-26);

- While Daniel 7:25 repeats in the future with Daniel 12:7 (Rev11:3; Rev12:14; Rev13:5), Daniel 7:26 is the post 1260 days parallel with the Daniel 12:11 1290 days open salvation sheep gathering period of the initial Christ arrival mission prior to global conquest; (Dan11:7-12; Rev14:6-8)

- Daniel 7's divine time signatures include the 1260 days of God's Kingdom period (1914-1918) and the future repeating 1260 days for the Messianic Kingdom future completion proclamation and final world events as part of this prophecy "time, times, and half a time" repeating nature of this prophecy and that of Daniel 12:7 in Daniel;

- Daniel 7's "Fourth Beast" tracks historic national developmental history to the final world government finality meaning and details;

- Daniel 7 details the national powers will have their rulerships "taken away" but that there will be a "lengthening of their life" for that time and then into the "season" of Christ's rule and ever after; there is no destruction shown for the "rest of those beasts" only for world government;

- Daniel 7 is the first Christ Kingdom detailed prophecy information related to Daniel 2:31-45, in Daniel 7:9-10, Daniel 7:13-14, Daniel 7:21-22 and Daniel 7:25-27, which applied to Christ's Kingship in God's Kingdom in 1914, and to his final "King of kings" coronation of the future Messianic Kingdom completion upon the rival "8th King" "Fourth Beast" World Government of the future.

- Thus, Daniel 7:25-26 will repeat for 1260 days unto the Daniel 7:26 1290 days (Dan12:11 final cycle), in the future as the Daniel 7:25 "time, times, and half a time"=1260 days signature seal repeats with Daniel 12:7, Revelation 11:2-3, Revelation 12:14 and Revelation 13:5 in the future. Thus, Daniel 7 and Daniel 12 were the first prophecies with repeated applications related to God's Kingdom "mountain" and the Messianic Kingdom "stone" of Daniel 2.

Connection to Satan and World Government

(Daniel 7:2-3) "I happened to be beholding in my visions during the night, and, see there! the **four winds of the heavens** were stirring up the vast sea. 3 And four huge beasts were coming up out of the sea, each one being different from the others.

The Daniel 7 prophecy points out the "four winds of the heavens" is the demonic origin of these beasts. Unlike the Revelation 7:1 manmade "four winds of the earth", the "four winds of the heavens" are referring to super-human angelic, in this case demonic, guided world power development.

Though Daniel 7 is the least apparent world government prophecy, upon deeper investigation its second prophecy "Fourth Beast" details (Dan7:23-25) make it clear world government is being described.

And no other prophecy except Revelation 19, has as much Christ Kingdom prophecy present in the same prophecy text along with the rival world government development depiction. That also makes it clear the "annihilated and destroyed" "fourth beast" in global maturation in the future (Dan7:11; Dan7:26), is world government [alone].

Daniel 7 also describes world government development's main globalist engineering system in the Anglo national-to-globalist post-Roman historic root "small horn" system.

The Anglo system is the modern proponent and promoters of their world government objective, and its modern globalism-based engineering progress among the national systems worldwide which it is capturing the national sovereignty of, as we speak. (Dan11:40-43)

Now the "7th King" "King South" Anglo-American **dual national-alliance** world power is who pushes the "8th King" "King North" designate globalist "inspired utterance" of a "world rulership to ensure global peace" as the so-called "new world order". (Rev16:13-

16)

1. But above the scenes it is actually a globalist-elite guided objective as the globalist Anglo-American [elite system] "two horned wildbeast" of Revelation 13:11-15.

2. And further "above the scenes" for real, it is the "heavenly places" "four winds of the heavens" situated demonic guidance (Eph6:12), of the "seven headed dragon" which guides this final folly of the Anglo-American globalists (Rev12:1-7), and their prized-abomination of the "seven headed" "scarlet wildbeast" of eventual globalized world government.

It is now ascertainable the **nation-state system** is not the "end all" governmental system of world power, nor in Bible prophecy. It is now well known the national governmental system politicians are predominantly hand-placed puppets of massively wealthy and powerful **globalist-system** worldwide corporate conglomerate matrices at international and multi-national scale, of enormous wealth and power well beyond the national-governments they drain of wealth and sovereignty by these means. (Dan11:42-43; Rev17:12-13)

National governments are known to be but indebted enslaved hand maidens of the globalist corporate finance and global market system and its global central banking system of the globalists who administer the national economies and the global economy and fund all the national governmental powers of Earth globally.

(Daniel 11:42-43a) And [King North] (Globalist-System) will keep thrusting out his (globalization) hand against the (King South national-system) lands; and as regards the (7th King/King South national-system capitol symbol) land of Egypt, she (subservient King South, 7th King fall) will not prove to be an escapee. 43a And [King North] ("8th King" Globalist-System) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (of former "King South", then fallen "7th King" assets globally)

That is the exact globalist-engineered systematic wealth-control process which also slowly but surely empties national systems of their former real autonomous sovereignty into the globalist "King North" "Fourth Beast" future official ownership, in time, of the entire national-systems worldwide. (Dan11:42-43)

(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the (world government) wild beast with admiration.

This last global stressing crisis "sword-stroke" cycle coming up, is how the national governments will be bankrupted and "bought out with their own 'money'", as globalist-issued credit and currency from the "King North" globalist central banking global authority system, their true and final "owner" in the sense of Daniel 11:43.

Daniel 7 Former Interpretations

You can safely ignore all "Christendom" academic studies into these prophecies as Christendom scholars have never been able to ascertain a single prophecy of the Bible timeline of historic continuum significance past Greece in Daniel's prophecies and past Roman power in Revelation's prophecies.

So, if you think Jehovah's witnesses are behind the globalization-prophecy 8 ball, you are certainly correct. But, Christendom is several CENTURIES "behind", of absolutely no use today, fully embodied within the Babylon the Great overall global-corporate religious system.

Now both them and Jehovah's witnesses are stalled as one whole corporate apostate whole. Thus, you can also safely ignore anything modern Jehovah's witnesses GB-Clergy have to say about prophecy as well, especially since 1990.

But, the International Bible Students to Jehovah's witnesses did make great prophecy application progress advancements since after 1920 to around 1969, and some of their Daniel prophecy commentaries are valid.

Once globalist-system world government started to become apparent since 1990, Jehovah's witnesses took a detour into the past to retain former national-system outdated applications and an incomplete United Nations "image of the wildbeast" understanding, as it all equates to "8th King" "Fourth Beast" World Government in the future.

It is noted exactly where the Jehovah's witnesses prophecy interpretations which are in total error as part of the foretold apostate Governing Body active world government-in-progress apostate cover-up. (Dan8:12b; Dan11:32a) But, keep in mind, while Jehovah's witnesses are in a WTBS led active prophecy information suppression campaign (Dan8:12; Dan11:32a), they define the aiding final apostasy which for now conceals "world-government-in-progress" in ALL of these structured sovereign prophecies, and their co-developing apostasy of [Daniel 8 and Daniel 11 note](#).

The Jehovah's witnesses original interpretation of Daniel 7:1-8 is accurate in its nation-state applications. A final World Government application can also be made in the future for Daniel 7:23-26, but we cannot expect Jehovah's witnesses in their current apostate condition (Dan8:11-14; Zech3:1-3; Dan11:30-32) to make this announcement clarification until after [Daniel 8:13-14 transpires in the temple judgment](#) upon that final apostasy;

1. Anglo Small horn root;

Daniel 7 identifies the Anglo-globalist root system which guides the Anglo-American partnership for concerted effort to build the globalization system of today to fully employ the other nations of earth into the World Government globalization-goal.

The globalist-system private corporate complex and its worldwide globalization process in finance and military aspects will become World Government in the future, along with its United Nations international "Executive Branch" "image" and legislative forum which

then can carry out corporate dictates for the short time it exists. (Dan12:11=Rev17:12 "one hour")

2. Daniel 7 repeats in the future unto world government;

3. Daniel 7:23-26 second sovereign prophecy structural framework timeline and global continuum of world power to Daniel 7:23-24 world government parallels and connects to Daniel 2, Daniel 8, Daniel 11-12 and Revelation 13 and Revelation 17 in world government final convergent meaning.

Some Christ Kingdom Parallels from 1914 to the Future in Daniel 7

1. As will be covered at the [end of this study](#), the Christ Kingdom details of Daniel 7:9-10, 13-14, 21-22, 25-27 are placed in this prophecy from God because those events occurred as the Anglo-American globalist-system was making its first "image of the wildbeast" developments in the 1919 League of Nations.

Thus, Daniel 7:25-26 parallels the prophetic Revelation 13:11-14 WW1-to-League-of-Nations period which that first 1260 days prophecy led to in Daniel 7:25, Daniel 12:7, Revelation 11:2-3, Revelation 12:14, and Revelation 13:5 in 1914-1918.

Thus, upon that same prophecy pattern in the future drive to world government and the co-completing Messianic Kingdom final Kingdom of God "set up" agency, all those prophecies will repeat. (Rev10:11)

Now in the future, once again a world government and final "image" development will manifest in completed form as will the Messianic Kingdom also complete as depicted in that Daniel 7 prophecy for this very reason. Unto the final war at Armageddon, these two rival world governments [designates], both emerged and continue to develop to maturity *at the same time* as shown in the 1914-1919 first pattern, and both will complete at the same time in the future—upon the selfsame prophecy master pattern as set in 1914.

The superior Kingdom is who shall prevail, of course, as only one world government will be left remaining at that time.

(Daniel 2:44-45) "And in the days of those kings the God of heaven will set up a kingdom (the Messianic Kingdom of Christ) that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. **It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite; 45 forasmuch as you beheld that out of the mountain (of God's Kingdom) a stone (Messianic Kingdom) was cut not by hands, and [that] it crushed (world government whole "immense image") the iron, the copper, the molded clay, the silver and the gold. The grand God himself has made known to the king what is to occur after this. And the dream is reliable, and the interpretation of it is trustworthy."**

"Small Horn" Historic Anglo Guidance

Because Daniel asked for and received extra detail concerning the "fourth beast" we know these extra Daniel 7:23-26 details and re-summarized prophecy are for a reason.

Now we know today the reason is to identify some more World Government "fourth beast" features for the future. In addition we can extend the Anglo "small horn" details into Daniel 8 as the identical "small horn" root Anglo system guide, which formed the eventual Anglo-American national alliance to be led by the "globalist elite" actual global-guides since 1914 and into complete world government in the future.

These prophecies are illustrated by God in various contexts, because each one provides some unique details which needed to be separated to minimize confusion. By a few depictions of world government in the future in these parallel prophecies, we can focus on the most important features of each prophecy to be summarized as one whole final continuum to world government in the future.

For example, we know in Daniel 8 and Daniel 11 the "small horn" and "King North" globalist-system is what guides the apostasy of Jehovah's witnesses today as those details emerge with the third United Nations post-cold-war event of 1990 in the same prophecy at the same time. (Dan8:11-12,26; Dan11:30-35)

This prophecy below is already fulfilled as explained by Jehovah's witnesses since the 1958 commentary on Daniel 7. But for future reference it is the Anglo "small horn" root system which did arise in a national sense from its [Roman roots](#) at that time and in that first Daniel 7:7-8 "fourth beast" prophecy, unto Daniel 7:23-24 fourth beast world government fully matured meaning for the future.

We place it here for reference for the Daniel 7:23-26 future "Fourth Beast" fulfillment background detail.

(Daniel 7:7-8) "After this I kept on beholding in the visions of the night, and, see there! a fourth beast, fearsome and terrible and unusually strong. And it had teeth of iron, big ones. It was devouring and crushing, and what was left it was treading down with its feet. And it was something different from all the [other] beasts that were prior to it, and it had ten horns. 8 I kept on considering the horns, and, look! another horn, a **small one, came up in among them, and there were three of the first horns that were plucked up from before it. And, look! there were eyes like the eyes of a man in this **horn**, and there was a mouth speaking grandiose things.**

(Daniel 7:7-8) After this I kept on beholding in the visions of the night, and, see there! a fourth beast (Roman system 6th King historic developmental basis), fearsome and terrible and unusually strong. And it had teeth of iron, big ones. It was devouring and crushing, and what was left it was treading down with its feet. And it was something different from all the [other] beasts that were prior to it, and it had ten horns. 8 I kept on considering the horns, and, look! another horn, [small horn] (root Anglo national power), came up in among them, and there were three of the first horns that were plucked up from before it. And, look! there were eyes like the eyes of a man in this **horn, and there was a mouth speaking grandiose things.**

This global influential "horn" is the Anglo System national root which we know now is also the "Globalist Elite" Father System which actually formed the national alliance of the Anglo-American system. As time progressed, that development is parallel with now modern Globalist System "King North" designate-development active globally.

That progress is now seen in world sovereign developments since World War 1 as it peacefully resolved that "sword stroke" formulaic cycle [principle] for global presentation of the "world government" international idea, institution, and the "image", of world government itself, then to be internationally represented in the League of Nations. (Rev13:11-15; Dan12:11 first cycle of 1914-1918)

Four Sword-Stroke Cycle Unto Globalist World Government

1. The "League of Nations" is the historic **embryonic globalist-engineered "image"** (Rev13:11-15), and the globalism-germ-cell of what later became the "United Nations". (Rev17:8-11)
2. The United Nations Organization was globally presented after World War 2 as Revelation 17:8-11 in principle, in 1945.
3. Then for the third time the United Nations entity "image" was presented after the unique global cycle of Daniel 11:29 as the "Cold War" unique "Cold" World War 3 phase as the third United Nations global-presentation "place the disgusting thing" was performed in 1990 as Daniel 11:31b and Daniel 8:23.
4. In the future final sword-stroke (Rev13:3; Rev17:8-13), and from past to modern times, the future all United Nations related "image of the wildbeast" progress and entity meaning is the embryonic nucleus, the "image", of World Government, which will "ascend" after this fourth sword-stroke cycle also resolves peacefully for that final global presentation.

Thus, no matter what they may finally name and brand the "United Nations" botch as, after it "goes down" as impotent in the future final "sword stroke", to arise "ascend from abyss" the final time as Revelation 17:8-18 in its final form as will be discussed later, it is the same globalist-government "image" and "place the disgusting thing" as in Daniel 12:11 in 1919.

"Small Horn Becomes Greater" Historic Anglo-American Globalist Guidance

And that is why Daniel requested extra sovereign detail concerning this fourth beast after Daniel 7:7-8.

That extra "small horn" and "fourth beast" information in Daniel 7:23-26 will be useful for the future and to identify world government for after the final sword-stroke cycle of the future.

That Daniel 7 "fourth beast" has the same "small horn" Anglo main-guides in both prophecies now as Anglo-American "globalist elite" guides of "fourth beast" world government.

(Daniel 7:19-20) "Then it was that I desired to make certain concerning the fourth beast, which proved to be different from all the others, extraordinarily fearsome, the teeth of which were of iron and the claws of which were of copper, which was devouring [and] crushing, and which was treading down even what was left with its feet; 20 and concerning the ten horns that were on its head, and the other [horn] that came up and before which three fell, even that horn that had eyes and a mouth speaking grandiose things and the appearance of which was bigger than that of its fellows.

(Daniel 7:19-20) "Then it was that I desired to make certain concerning the fourth beast, which proved to be different from all the others, extraordinarily fearsome, the teeth of which were of iron and the claws of which were of copper, which was devouring [and] crushing, and which was treading down even what was left with its feet; 20 and concerning the ten horns that were on its head, and the other [small horn] that came up and before which three fell, even that [small horn] that had eyes and a mouth speaking grandiose things and the appearance of [small horn] was bigger than that of its fellows. (that "small horn" grows larger over time" Anglo system becomes the Anglo-American system expansion);

Now this is the second time this prophecy is related because it has a future final fulfillment while progressing to future world government.

This is also the "time, times and half a time" divine time-signature of the future final 1260 days "final witnessing" period (Rev11:1-7), which parallels Daniel 12:7, Revelation 11:2-3, Revelation 12:14 and Revelation 13:5-7 in concurrent future [repeating] fulfillment of that same three and a half year timing then progressing to world government in the future:

(Daniel 7:23-26) This is what he said, 'As for the fourth beast, there is a fourth kingdom that will come to be on the earth, that will be different from all the [other] kingdoms; and it will devour all the earth and will trample it down and crush it. 24 And as for the ten horns, out of that kingdom there are ten kings that will rise up; and still another one will rise up after them, and he himself will be different from the first ones, and three kings he will humiliate. 25 And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

(Daniel 7:23-26) "This is what he said, 'As for the fourth beast, there is a fourth kingdom that will come to be on the earth, that will be different from all the [other] kingdoms; and it will devour all the earth and will trample it down and crush it. 24 And as for the ten horns, out of that kingdom there are ten kings that will rise up; and still another one will rise up after them, and [small horn (now larger)] will be different from the first ones, and three kings [small horn (now larger)] will humiliate. 25 (Dan12:7; Rev11:3; Rev13:5-7 timeframe of the future) And [small horn (now larger)] will speak even words

against the Most High, and [small horn] will harass continually the holy ones themselves of the Supreme One. And [small horn (now larger)] will intend to change times and law, and [holy ones] will be given into his hand for a time, and times and half a time. (Dan12:11; Rev11:2-3; Rev12:14; Rev13:5 parallels) **26** (Dan12:11; Rev14:1-8 timeframe of the future) **And the Court itself proceeded to sit** (Matt25:31; Matt24:31), **and his own** (world government) **rulership they finally took away, in order to annihilate [world government] and to destroy [world government] totally.**

This "small horn" eventually grows bigger than the other horns as now the Anglo-American and its globalization evolution.

Three Horns to "Fall"

During and after the future global "sword-stroke" of Revelation 13:3 the US/EU "King South" Egypt (Dan11:42-43) and the Anglo-American national-system "7th King" falls in national sovereignty transferred to world government unipolar sovereignty.

But since the Anglo-American "7th King" system is the basis of the "8th King" globalist world government development, the "three horns" which fall are opposing powers of the "Anglo world order" known in the world today. Since all national powers will "fall" into the "rise" of world government, that emphatic "three horn" fall symbolically pictures that Daniel 11:42-43 parallel event of [the fall of all national sovereignty globally](#), in the future.

Thus, for illustrative purposes we can apply any three world powers to the future fallen "three horns". But if we picked the three most major "horns" to topple into "8th Horn" Anglo-American Globalist-System World Government subservience as also the Daniel 11:42-43 global parallel of the fall of "King South", Russia, China and the Middle East will become quite notable in the future.

And, AS PER PROPHECY, they have to also "fall" with the "7th King".

In addition, the "small horn" Anglo-system of Daniel 7:7-8, is a much "larger horn" than "its fellows" (Dan7:20) later, because the Anglo-American "bigger than its fellows" "8th horn" is what is being pictured today as en route to "8th King" World Government.

(Daniel 8:9-10) And out of one of them there came forth another horn, a small one, and it kept getting very much greater toward the south and toward the sunrising and toward the Decoration. 10 And it kept getting greater all the way to the army of the heavens, so that it caused some of the army and some of the stars to fall to the earth, and it went trampling them down.

Daniel 8 makes the same observation of that same "small horn" meaning. Like the Egyptians and Romans before them, the wealth and power drunk Anglo-American globalists also feel deified enough to also take on God Himself. But also like Egypt, Rome is saving a place for them "globalist gods" too, in the dust, their final "no trace left" destination as well.

(Daniel 2:35) At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the stone that struck the image, it became a large mountain and filled the whole earth.

That globalist super-"horn" now includes all of Global NATO which will get even larger as it absorbs the other fallen "three horns" military power into World Government "ten horns" in the future (Rev16:13-16), during the final sword-stroke cycle.

Thus, for the Daniel 7:23-26 future "three horns" that will "fall" in national sovereign power, predicting (1 "king" "horn") Russia, and (2 "king" "horn") China, as well as the (3 "king" "horn") Middle Eastern divided powers, is a sure bet as they all will fall. But for this study, that is applied only for illustrative purposes for the future.

All "three horns", no matter who you applied them to in national governmental systems, must end up "falling" into the "rise" of "8th King" "King North" World Government with all the other national systems as well. (Dan11:42-43)

Therefore, since all "King South" national power must fall, you can place any "three horn" national powers into those "tree horns fall" slots for the future, if you want, and still be correct, in the future. (Rev17:8-13)

Russia and China are the most powerful resisters of world government in the distracting *national sense* of "king" "kingdom". But they are all United Nations members in the *globalist sense* of the pinnacle of real power and wealth sovereignty in their countries (as in the rest of the national powers; Rev17:12-18) in such an actual globalist-super-corporate hierarchical top down control.

At the Globalist influenced tops of all the nations (Dan11:36-39), all their elite super-rich and globalism-supporting corporate real powers are for world government and they are who control their nations to this end, especially financially. (Dan11:42-43)

But after this next Revelation 13:3 "sword stroke" cycle coming up in the future that globalist-core control will be complete (Rev17:12-18; Dan11:42-43), and will come under world government for a very very short timeframe. (Rev17:12; Dan12:11)

In fact, the doomed globalist-system will be the shortest rule of any government in prophecy!

The triple meaning in "three horns" or "kings", which in some Bible prophecy denotes a triplicate repetition for emphasis, may mean the global fall of the nation-state system "old world order" will be devastatingly complete, even if it is not destroyed (which it cannot be), it will come under total Globalist "King North" "new world order" control, ownership and sovereign authority.

In the future, the national-systems will become completely undermined and then finally overtaken in sovereignty by mostly globalist finance system debt, buyout, and economic enforced dependency all aiding that wealth consolidation into globalist-system final control. (Dan11:42-43)

All the nations end up under world government as also emphasized in the symbology of the "three horns".

(Revelation 17:12) "And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast."

Because there are "ten kings" in Revelation 17:12, it was already a "humanly complete number" ten-based symbolism for that total worldwide national picture of the world system. In Daniel 7, that 3 fall in the past and future, it became a seven based system as a seven based spiritual whole. The "small horn" eighth "horn" is thus the controller system, the globalist core, the "8th King" root system in that "8th horn".

That the "7th King" must also "fall" in its "King South" national system pawned into Globalist "King North" globalized total ownership is required to fulfill Daniel 11:42-43 in complete form.

National System Downfall into Subservience:

(Daniel 11:42) And [King North] (Globalist-System) will keep thrusting out his (globalization) hand against the (King South national-system) lands; and as regards the (7th King/King South national-system capitol symbol) land of Egypt, she (subservient King South, 7th King fall) will not prove to be an escapee.

(Daniel 11:43a) And [King North] ("8th King" Globalist-System) will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (of former "King South", then fallen "7th King" assets globally)

That [worldwide] national-system downfall comes with the next major sword-stroke inspired world financial crash as wealth and asset control in the focal symbolism of that Daniel 11:42-43 prophecy.

That occurs in the future as the "sword stroke" phase runs its course into a peaceful global resolution into said "King North" World Government which "King North" **globalist-world-savior**, the "King South" "7th King" **global-national-system** will become fully subservient to in that final process of the future.

The Rise of World Government Global Domination:

(Daniel 11:44) "But there will be reports (Rev10:11; Rev11:1-7) that will disturb [King North] (Globalist-System), out of the sunrising and out of the north (from God and Christ), and [King North] (Globalist-System) will certainly go forth in a great rage in order to annihilate and to devote many to destruction. (Dan8:25 "during a freedom from care" as world peace "and security" phase of 1Thess5:1-3, under world government)

(Daniel 11:45) And [King North] (Globalist-System) will plant his (World Government global) palatial tents between [the] grand sea and the holy mountain of Decoration (fraud "Jerusalem" claims of Zion and God's Kingdom); and he will have to come all the way to his end, and there will be no helper for him. (Dan8:25b, Rev19:19-21; Rev11:15)

That being the case in the future and the prophecy requirement, the "King South" fall (Dan11:42-43), as the now predominant Anglo-American "7th King" *nation-state* system leader must also fall to "King North" "8th King" World Government but not in total destruction, as it "remains a short while" not destroyed.

But it does mean total loss of national sovereignty "power and authority" as in Revelation 17:8-18, by means of *globalist* "King North" financial and economic "checkmate" of the "King South" *national* system as in Daniel 11:42-43.

(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss (Rev13:3 future "sword-stroke" effect), and it is to go off into destruction. And when they see how the wild beast was (United Nations), but is not (UN impotent to stop the coming "sword-stroke" global-crisis), and yet will be present (but comes back up (Rev11:7), for the final UN rendition to representing the World Government 'miracle' "healing"), those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. (7th King/King South is not destroyed but "remains a short while", it becomes a global national-system vassalized-state of "King North" world government; Dan11:42-43) 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction. (world government is the entity Christ will target for precision selective deposition and removal, a UN-related "image" and "disgusting thing" globalist-entity will continue to represent it, no matter how they may rename and rebrand it in the future in this future "abyss ascension" finality)

(Revelation 17:12-14) And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast (as world government). 13 These have one thought (global-scale sovereignty), and so they give their (national-system) power and authority to the wild beast (world government). 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]."

Though "7th King" "King South" America will also "fall" into subservience in its nation-state system to "King North" as synonymous with World Government it is part of the "8th King's" "scarlet wildbeast" in the historic and real basis of the Anglo-American Globalist Elite System who guided and raised this nationalism-based protégé of the "7th King" "King South" national-system.

Therefore American nationalism and government does not resist Anglo-American Elite hegemony as thoroughly as Russia, China, and some parts of the Middle East seem to, and will become a central nation of the final World Government victory presentation.

But, it used to.

Despite (president) Wilson's efforts to establish and promote the League, for which he was awarded the Nobel Peace Prize in October 1919, the United States never joined.

https://en.wikipedia.org/wiki/League_of_Nations

Wilson's opponents in the Senate were led by Henry Cabot Lodge of Massachusetts, a dyed-in-the-wool Republican patrician who opposed the Versailles Treaty on the grounds that it amounted to a cession of American sovereignty. The Senate's refusal to accept the treaty signaled a resurgent isolationism that would characterize American diplomacy through the 1920s and early 1930s.

[world-war-i-vocab-history-flash-cards/](#)

America did not join the League of Nations.

Later [during WW2], America was grafted into the United Nations made official after the war. It was thus slowly brought into sovereign-jeopardy as a nation to finally be transitioned after WW2 into the United Nations [in a clever manner](#):

The earliest concrete plan for a new world organization began under the aegis of the U.S. State Department in 1939. The text of the "Declaration by United Nations" was drafted at the White House on 29 December 1941, by President Franklin D. Roosevelt, Prime Minister Winston Churchill, and Roosevelt aide Harry Hopkins. It incorporated Soviet suggestions, but left no role for France. "Four Policemen" was coined to refer to four major Allied countries, United States, United Kingdom, Soviet Union, and Republic of China, which emerged in the Declaration by United Nations. Roosevelt first coined the term United Nations to describe the Allied countries. "On New Year's Day 1942, President Roosevelt, Prime Minister Churchill, Maxim Litvinov, of the USSR, and T. V. Soong, of China, signed a short document which later came to be known as the United Nations Declaration and the next day the representatives of twenty-two other nations added their signatures."

During the war, "the United Nations" became the official term for the Allies. To join, countries had to sign the Declaration and declare war on the Axis.

That sort of predeveloped prepositioning, morphing character of name and function from its initial "allied war effort" "Allied Forces" original WW2 involvement purpose, is part of how the United States eventually "joined" the "United Nations" as the "Allies" terminology was changed later. Altogether it shows even some early American politicians in the national government of the USA in the early 1900s saw sovereign dangers in regard to what joining the League of Nations was already becoming, so they opted out at that time.

Daniel 7's "8th Horn" Anglo-American Globalist System

The "small horn" is the Anglo Globalist root system as the "8th Horn" in this fourth wildbeast. As three horns of ten fall leaving this "still another one will rise up after them" as an 8th horn in that ten horns minus three horns that fall to this "small horn" for the "8th Horn" is interesting (not prophetic) in meaning.

It is Anglo-system development relatable to the Anglo-Root-Horn system of the "8th King" World Government finality.

8th King World Government has been guided by Anglo-American Globalist "Elites" who are the leading horns of the "two horned wildbeast" meaning of Revelation 13:11-18. This "8th horn" is not prophecy per se, but just interesting to align with the "8th King" and prove its globalist guidance Anglo senior and master system mastery in guiding globalization (Rev16:13-16) even within the Anglo-American alliance known today.

That is, the globalist-root "small horn" is also how it can be ascertained that the Daniel 7 Fourth Beast is World Government as synonymous with the Daniel 2 "immense image", the Daniel 8 "King Fierce in Countenance", Daniel 11:44-45's "King North" and the Revelation 17's Globalized 'Scarlet Wildbeast' "8th King".

The "8th King" "Scarlet Wildbeast" globalized wildbeast finality of world government is based on the Revelation 13 nationalism based "seven headed" "wildbeast from the sea" of humankind.

But World Government "scarlet wildbeast" of exactly related "seven heads" mirroring the "seven headed dragon" is also the "Gog of Magog" (Eze38-39) totality.

It also pictures Satan "from the remotest parts of the north", that is, celestial and spirit realm located, as self-appointed World King ultimately over World government with his "demon court" as one whole symbology as all these symbols equate to and converge into final global-sovereign meaning as future World Government and Satan and the demons' zenith and last hurrah as one whole.

That is why it is repeated here in Daniel 7:23-26, the prophecy is repeated as it occurs twice as this Anglo-American system is marked as special in prophecy and transforms the world from a 7th King predominant national system into a fully globalized world government system.

The nation-state system also falls, but not into destruction but subservience to world government and thus remains central to "8th King" globalized World Government actually functional "power and authority", but under "8th King" World Government global-sovereign official authority.

That is why Daniel 8 "King Fierce" world government power is described as "not from his own power" (Dan8:24a) and the "8th King" as "springing from the seven" because globalized world government power is based on and dependent on *all national power* conglomerated for its use by engineered sovereign control.

And that is why Daniel requested more prophetic detail concerning this fourth beast, it has a final application. This is because it is the one destroyed forever as world government it is a special symbol in this "fourth beast", and it is shown the "rest of the beasts" are not obliterated by Christ.

World Nations will be Saved

These Daniel 7:12 "rest of the beasts" are national systems of Romans 13 as nations preserved through Christ's conquest "lengthening in life given to them" "for a time" as some people are spared in Revelation 14:6-7 from all these nations, into the "season" of the thousand year reign of Christ.

But these national systems worldwide have "their rulerships taken away" by the Messianic Kingdom of Christ. And in the reign of Christ, God Almighty blesses them all in Christ's one thousand year reign "season":

(Daniel 7:11-12) "I kept on beholding at that time because of the sound of the grandiose words that the horn was speaking; I kept on beholding until the beast was killed and its body was destroyed and it was given to the burning fire. (World Government entity forever destroyed; Rev17:8b,11b; Dan8:25b; Dan11:45b; Rev19:19-21) **12 But as for the rest of the beasts, their rulerships were taken away (national system remnants spared into Christ's "Kingdom of the World" reign), **and there was a lengthening in life given to them** (not totally destroyed in the Christ conquest of Rev19:11-21) **for a time** (in the Adamic era "time of the end" unto Christ global conquest) **and a season** (under the reign of Christ which "blesses" these nations but removes their former sovereign purpose of Romans 13; 1Cor15:24).**

As covered elsewhere the "rest of the beasts" are recovered into the "Kingdom of the World" (Rev11:15-18) as merely misled national powers of the past and present, placed and permitted as in Romans 13, since Genesis 10.

The national "rulerships are taken away" true, but those national powers are never shown as destroyed in this prophecy, but instead, there "lives" are extended for a "time" in that final period, and a "season" as subjects in the "Kingdom of the World" under Christ's rule, and that forever.

Of course, as humans become perfect the nature of the "beast" in those symbols becomes peaceful, no longer beast-like as does that of the actual beasts of Earth. (Isa11)

That is also why Daniel 4's "gentile promise" given to King Nebuchadnezzar at that time was "their kingdom will be preserved for them" just as Babylon was "your kingdom will be sure to you" for King Nebuchadnezzar in Daniel 4:26.

True, Babylon was destroyed forever, but the people of that nation will be restored in the resurrection, and Christ has saved the "whole world" (2John2:1-2) so his interest is to preserve, guide and allow God Almighty to "bless the nations" (Gen12,17) since they are also victims of globalist world government obsessions and delusions along with their Devil. There is nothing beneficial with Christ destroying all the nations or even one of them.

And unlike the deluge of Noah's day, this is not a transition to more imperfection but a final global "rebirth" into a global system which can easily guide billions of people into everlasting life. The challenge is for human beings, God's Kingdom knows no "limitations" as far as reality of human imagination or limited sciences.

Christ is not coming to "destroy the world" or the nations, he is coming to destroy one key element, the "scarlet wildbeast" "8th King" world government once it is finally ready and forewarned for the engagement of all time. It has no good plans for humanity anyways.

The nations as world entities of many people, some sheep, some goats, will be saved in the Christ arrival processes as there will be "sheep" in all the nations, even if "on the spot sheep" come Revelation 14:6-7 time.

None of this is being "read in" to the prophecy it has always been there. It has been a matter of time until it was understandable to offer a true "good news" divinely guaranteed hope for the nations. Christ's epic salvation and the way it is administered has to be an example for eons to come, it has to be different than humans have been misled to imagine. It has to be actually good news. The "everlasting good news" of Revelation 14:6-7.

World Government is a Temporary Sole "Superior Authority"

(Romans 13:1-4) Let every soul be in subjection to the superior authorities, for there is no authority except by God; the existing authorities stand placed in their relative positions by God. 2 **Therefore he who opposes the authority has taken a stand against the arrangement of God; those who have taken a stand against it will receive judgment to themselves. 3 **For those ruling are an object of fear, not to the good deed, but to the bad. Do you, then, want to have no fear of the authority? Keep doing good, and you will have praise from it; 4 for it is God's minister to you for your good. But if you are doing what is bad, be in fear: for it is not without purpose that it bears the sword; for it is God's minister, an avenger to express wrath upon the one practicing what is bad.****

The world government "superior authority" totally illegal and anti-Romans 13 globalized-system entity is destroyed by Christ permanently. (Rev19:19-21; Dan7:26; Rev11:15-18)

Romans 13 shows the national "superior authorities" are permitted, but a globalist "superior authority" in world government does not

apply and it is not permitted and that is why it is what triggers the Christ arrival as they proceed into that infraction anyways, even after full fair forewarning has been given. (Rev11:1-18)

Christ and the Messianic Kingdom are who are placed by God as the final "superior authority" of the whole universe which includes planet Earth, not a "new world order" club of human globalist philosophers, technocrats, bankers, politicians and warlords and the demons who are really behind this is the "seven headed dragon". There is no real future in that "8th King" final globalized debacle.

As we see, unlike the "fourth beast" the "rest of the beasts" actually remain in a divine "lengthening of life" into and AFTER World Government destruction by Christ as plainly shown in that Daniel 7:11-12 timeline version of the final global-sovereign sequence. Never, are they shown destroyed.

This shows they as national powers will survive the conquest of Christ's Kingdom but so-called "Globalist Elite" "8th King" World Government pictured in this "fourth beast" will be fully destroyed and that for all eternity as "lake of fire" fodder as an [entity], humans in the system can "change sides" as Revelation 14:6-8 will plainly offer then as it is described even now as Christ empowered by angels of his, not humans. (Matt10:23)

Some Prophecy Described Nationalism Versus Globalism Future Final Cycle World Possibilities

The "North" Globalism and "South" Nationalism in All Bible Prophecy Symbology

Now that we see Daniel 7:23-24 final "fourth beast" prophecy has to be world government as synonymous with the "8th King", we also find some Daniel 7:12 [hopeful salvation "good news"](#) for the nations overall in this final world cycle coming up. (Rev14:6-7)

(Daniel 7: 12) But as for the rest of the beasts, their rulerships were taken away, and [there was a lengthening in life given to them](#) for a time (Dan12 "time of the end" periods) and a season (1000 year rule of Christ).

We also see how God already has known how the globalization force would develop worldwide. (Rev16:13-16) God *has known* that the true final polarity would become **nationalism versus globalism** at worldwide scale as the final evolutionary power to form world government, in the future. That is why God's prophecy has all these nationalism versus globalism details in it, for now.

It is no accident God knew the final global development of "north" and "south", also present in those "locations" in prophecy, would be global and uniquely recognizable at the same time.

King North **globalist-system** is the global driving globalization force of planet Earth. The "King South" **national-system worldwide** is the national-based targets to control. (Rom13)

Though it took paying attention to what has been developing in the world since after the Cold War to 911 to the 2008 Financial Crisis and further setups to today, the King North globalism system did become hugely researched and made public on the Web, and other media sources, over that period of a few decades.

This is because the corporate media "King North" owns and controls, is for their own purposes, and it was not going to initially cover the globalist-system as widely. But, even in that media world, the globalist system details have also begun to surface.

In the Bible [Isaiah 19 and Ezekiel 29-32](#) describe the "Egypt" "south" national system takeover of power by the "Assyrian" "north" system, and eventually Babylon.

(Isaiah 19:11-15) The princes of Zoan (nation-state advisors) are indeed foolish. As regards the wise ones of Pharaoh's counselors, [their] counsel is something unreasonable. How will you men say to Pharaoh: "I am the son of wise ones, the son of kings of ancient time"? (Dated and irrelevant credentials) 12 Where, then, are they—the wise men of yours—that they may now tell you and that they may know what Jehovah of armies has counseled concerning Egypt? 13 The princes of Zoan have acted foolishly, the princes of Noph have been deceived, the keymen of her tribes have caused Egypt to wander about. 14 Jehovah himself has mingled in the midst of her the spirit of disconcertedness; and they have caused Egypt to wander about in all its work, just as someone drunk is made to wander about in his vomit. 15 And Egypt will not come to have any work that the head or the tail, the shoot or the rush, can do. (economic effects);

And in that globalist-system world government principle of undermining Egypt, the outcome is the same for the future of "strong king" world government.

(Isaiah 19:4) And I will deliver up Egypt into the hand of a hard master, and strong will be the king that will rule over them," is the utterance of the [true] Lord, Jehovah of armies.

Thus, the same polarity of north and south was already being laid out in the national-system symbology of the Egypt and its prophecy "Egypt" symbol and the "Assyrian" globalist symbol derived from Assyrian intrigues, as Babylon also pictures the globalist masculine symbol of Babylon's political and military power picture.

(Jeremiah 1:14-15) 14 At this Jehovah said to me: "Out of the north the calamity will be loosened against all the inhabitants of the land. 15 For 'here I am calling for all the families of the kingdoms of the north,' is the utterance of Jehovah; 'and they will certainly come and place each one his throne at the entrance of the gates of Jerusalem, and against all her walls round about and against all the cities of Judah.

Israel also had troubles from the "north" in that polarity as God's nation, another conflict in this coming final cycle drama. God was already laying out this polarity in the entire prophecy framework since the days of Babel and Egypt.

(Zephaniah 2:13) And he will stretch out his hand toward the north, and he will destroy Assyria.

Therefore, from other prophecies we can derive modern "north" versus "south" principles to support the "King North" **globalization-system** and "King South" **national-system worldwide** final meanings for the future final sword-stroke cycle. And as we see in Isaiah and Ezekiel prophecies noted above, certain effects of world power transition remain the same today, as they were at those times. (Jer43,44,46)

Thus, not only is the world literally setup in the historic national system meaning all can see, it is also now going into the ascendancy of the globalist-system matured world government which is not quite as easy to "see".

But, as the future unfolds the whole world will "see" world government. This is because that also aids the mass global awareness to come with Christ as in Revelation 1:7, Matthew 24:30, Matthew 24:27, and Revelation 14. It is all to get far "clearer" to aid the salvation of Revelation 14:6-7.

1. Thus, from the first fourth beast national system meaning in Roman power (Dan7:7-8), it is also now going into the globalist-system "north" ascendancy of the Daniel 7:23-24's second "fourth beast" prophecy meaning, as matured globalist-system based world government.
2. The Revelation 13 seven-headed wildbeast national system meaning, is also now going into the ascendancy of the Revelation 17:8-17 globalist-system seven-headed scarlet wildbeast as matured world government.
3. The Daniel 11 "King South" national system meaning, is also now going into the ascendancy of its "King North" globalist-system as matured world government.
4. The Daniel 4 "tree" is the world government system based on the national system meaning of its preserved "rootstock".
5. The Ezekiel 38 "Magog" national system meaning "from the north", is also now going into the ascendancy of its "Gog" globalist-system as matured world government.
6. The whole Daniel 2 "immense image" is the whole completed globalist-system world government of the future, as constructed of its national-system components of gold, silver, copper, iron, and iron mixed with clay;
7. King Fierce derives its world government power "not by its own power" but by that of the vassalized nations of the future.

(Daniel 8:24a) And his power must become mighty, but not by his own power.

The Devil and King North Global Divide and Conquer Complex

Thus, the world is being "divided" in [every way possible], before the world government conquest based on sovereign "power and authority". (Rev17:12-13)

And never in history has this "dividing" been so effective in every realm of society, globalist versus nationalist, national political view versus national political view, nation versus nation, national bloc versus national bloc, class versus class, race versus race, etc, which all amplify their own political, social, financial and religious instability basis.

But, Babylon also had a feminine symbology meaning in prophecy, in addition to its globalist-power "immense image" masculine globalist-political meaning, for its spiritual "kingdom" development.

(Revelation 17:18) And the woman whom you saw means the great city that has a kingdom over the kings of the earth."

That religious "kingdom" sovereignty is also set to be deposed by world government. (Rev17:16)

Though global religion is a scattered Babel of confusion, that allows the Devil to globalize religious based error and uncertainty, while dividing up nations globally based on those errors and assumptions to complete the divisive effect global-religion has on mankind for final sword-stroke cycle use.

Contrary to what apostate Jehovah's witnesses have to add to that error as they teach that "Babylon the Great goes down first and next", Babylon the Great is shown in prophecy to be present to be deposed under world government (Rev17:12-18; Rev16:17-20), for that final future spiritual-endorsement use, prior to its final foretold global deposition.

Thus, even now, as shown in the modern "Babel" of Jehovah's witnesses "religion", the use of a Babylon the Great judgment *assumption* will also send Jehovah's witnesses into scattered confusion soon (Zech13:7), as they are what is judged and deposed as the final apostasy first and next. (Dan8:13-14; Rev8)

Now, in the spiritual world of Babel, "Babylon the Great" and its stall and darkness as in Christendom (its Revelation 11:8 "Broadway"), is also being setup for divisive instability use during the final sword-stroke. In that process of many fails, Christendom will have all their "rapture" prophecies fail. But those fails can still be "respun" for final use as the sword-stroke resolves peacefully into scarlet wildbeast "8th King" world government.

THAT "8th King" will be the only world power Christendom will have left, and other religions, to apply prophecy and optimism to.

When Babylon the Great's last prophecy respin can only be applied to the "divine" "scarlet wildbeast" to "prophetically interpret", bless and endorse, to attempt to make "666" "8th King" World Government appear divine to as many people as possible, spiritual-national Christendom and physical-national "Israel" can also aid that final delusion. (Rev13:3; Rev17:8; Rev11:7-13)

The goal will be to make 666 Scarlet Wildbeast World Government appear as "from God Almighty" as "God's Kingdom and 'Zion' on Earth", thus believed in by many people by deception.

Those final false-applications are for the general stalwart global religious mass mindset, then still existing in some at that time. Though limited and increasingly diminishing in number (Rev16:12), some people will still be susceptible to these various religious based final spiritual cons, myths, and delusions.

Thus, the Bible prophecy's "Babylon" insightful symbolic dual-application to both the "Babylon" **globalist-political** and the "Babylon the Great" Satan-controlled **"spiritual Babylon" religious complex**, shows in prophecy they will *both* be used, at global scale, to aid the world government completion drive of the future.

Like the Cold WW3 Cycle, The Final "Sword-Stroke" Cycle Will Also Be Unique

(Daniel 11:29) At the time appointed he will go back, and (globalist-system) [King North] will actually come against the south ("King South" national-systems); but it will not prove to be at the last (post-1945 Cold WW3 cycle to 1990) the same as at the first (WW1, WW2, hot world war cycles 1914-1945).

This is how, over the last century and three world wars including the Cold War cycle, the nations are now set up for the final act of the play in a truly globally unique manner and global scope never seen before in human history.

As with the Cold War era, the past USSR intrigues setup a seeming Daniel 11:27-45 "king north versus king south" drama that was just two "King South" national alliance based powers vying with each other for global territory and control. (Dan11:27)

The real globalist-system "King North" is what orchestrated and profited off of that Cold War cycle, just as they did the WW1 and WW2 cycles before it.

That allows the future Russian revival of resistance to revisit the Cold War issues possibly "heating up" in the future. With the Cold War cycle as an example, even if that world war cycle was "cold" and unique, which uniqueness is stated in Daniel 11:29, it still created real world and psychological changes which can still be taken advantage of in the future for the final sword-stroke cycle.

Even the deceiver globalist-allied Governing Body can now apply a King South assured to fall nation in Russia, to the "King North" of Daniel 11, for a final Daniel 11:44-45 claim of fulfillment.

In reality, it will be Daniel 11:41-43 that has yet to complete in the future sword-stroke cycle. "Russia is King North" is the future decoy to make Jehovah's witnesses think "the end has arrived", when it is just a smokescreen cover and handy exit strategy to cover over their required judgment for apostasy, to START, not end, the final cycle. (1Pet4:17)

That allows Daniel 11:32 globalist "King North", now controlling that ministry into apostasy, to depose and loot Jehovah's witnesses organization and ministry worldwide with that deceptive "prophecy is fulfilling brothers!" pretext then fully active.

(Daniel 11:32) And those (Jehovah's witnesses) who are acting wickedly against [the] covenant, [King North] (Globalist-System) will lead into apostasy by means of smooth words. (from the Governing Body "King North" placed apostasy leadership of the WTBS)

With now also political, terror, class, financial, gender based, gender identity based, and other divisive instabilities ad infinitum, this final sword-stroke cycle is also unique in the largest destabilization potential the world and society have even known, and at truly worldwide scale.

The also unique [Global War on Terrorism](#) also amplifies the focus on Middle Eastern countries. That GWOT "world war on terror" prep-cycle, was also termed uniquely as "global war" "on terrorism", to give the impression it was not a fourth sword-stroke cycle preparatory setup and military expansion cycle. The "Cold War" was also termed in a unique manner to disguise its actual world war cycle meaning in prophecy.

That obscuring of the Cold world war as a third global "sword-stroke" cycle was also why it was easier to slide by the 1990 third UN event prophecy cover-up on Jehovah's witnesses. That also allowed the other two UN-related prophecies of 1919 and 1945 to be disconnected from that actual UN1-2-3 prophecy progression then active. That allows the logic of the future UN1-2-3-4 four cycle prophecy to world government reality in the future, to also be "dropped" from Jehovah's witnesses modern prophecy explanations. Now at the WTBS it is all now be filled in by the Governing Body "its the end of the world" [fraud final chapter](#).

BOTH of those conflicts have the potential of becoming GWOT 2.0 and Cold War 2.0 getting warmer, in the future.

Even if that third world war cycle in the "Cold War" was "cold" in nature, it had the same global effect and "peace resolution" hyping United Nations presentation in 1990, as WW2 had in 1945, and the Great War (WW1) had in 1919, before they started to have to number the "world wars".

[ALL global "sword-stroke" cycles, even with the fear of "hot" one as in the "Cold War", serve the purpose of](#)

presenting the United Nations "image", as the future fourth cycle will also resolve to result in the final UN "image" and the then completed "8th King" World Government it represents. (Rev17:8-13; Dan12:11; Dan8:25; Dan7:23-26; Dan11:44-45; Dan2:44)

Thus, expect all these national and other prop "pieces" to all fall together worldwide, as planned, in the final sword-stroke cycle of the future. The whole setup is not accidental and as per Revelation 16:13-16 it is demon aided as well.

The Globalization Means to "Gather Nations"

(Revelation 16:13-16) And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, **expressions inspired by demons and perform signs**, and they go forth to the kings of the entire inhabited earth, to (by the "8th King" producing globalization means) **gather them together** to the war of the great day of God the Almighty. 15 "Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness." 16 And **they gathered them together** (globalized to completion in the future) to the place that is called in Hebrew Har-Magedon. (the global military globalization planetary completion aspect of the "ten horns" of the "8th King" "scarlet wildbeast" world government entity)

After the Cold War cycle, when many formerly socialist based economic nations scrapped their socialism based economies for globalization market investment then opened fully to them, the real globalization cycle to assimilate the wealth of all the nations into this effort began with no more USSR "socialist" interference.

Then 100s of extra trillions, and billions of extra "human resources", entered the globalization process since after 1990. And "free trade" and other partial "global unions", as massive globalized production and marketing systems, was there to tap that worldwide "over seas" labor, talent, and global-capital pool.

And by that the national-systems became part of the global system of globalist-system "[enforced dependency](#)".

Now all this globalist-system real "King North" development can be applied to the same prophecy Jehovah's witnesses now conceal with dated national-era applications from 1958.

The only thing retained from the Cold War as political "communism" to continue that distraction for final use.

(Daniel 8:23a,25) "And in the final part of their kingdom... 25 **And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a** (world government announced world peace) **freedom from care** (post-sword-stroke "healing" into 1Thess5:1-3 "world peace"; Isa41:1) **he will bring many to ruin** (Dan11:44; Rev13:15-18). **And against the Prince of princes he will stand up** (in completed world government; Dan12:11), **but it will be without hand that he will be broken.** (Rev19:19-21)

Thus, the Globalist-System defining "Fourth Beast", "King North", "8th King", and "King Fierce", is indeed the globalist "master of deception" advanced system of global orchestrations.

(Daniel 8:25a) New Living Translation

He will be a master of deception...

The Middle East Drama and the Israel and Jerusalem Physical "Divine" Decoy

Because the Middle East had already been financially plumbed by the globalist banking network to handle their eventual trillions in oil revenue from the 1970s (then having no finance or credit system itself at the required scale and expertise), as they hopped over the "industrial revolution", into their own unique "petro dollar revolution", as half of that globalist equation, they have been divided up and set up to fall for the final sword-stroke cycle dramas as well.

Throughout this whole process from WW1, but especially since the 1970s in the middle of the Cold War phase, the "Middle East" drama, with roots far more ancient, is also set up for its modern "spiritual drama" "versus Israel" for that tier of the distraction-production for climax use in the final-sword-stroke cycle.

Israel has been greatly useful by the globalist "King North" for divisive Middle Eastern destabilization strategies, and much western "carrot" dangling with regard to that country's future. Israel is a linchpin nation and literal location in the Middle East region. Israel's "spiritual location" is also of keystone global importance for "King North" controlled deceptions as Christendom and others try to project Israel's spiritual past into a perpetual spiritual superiority complex for the future.

Therefore, when World Government does arrive expect some "King North" globalist "miracles of God" to fully "restore Israel" "as per prophecy" as a centerpiece "restored nation" by and of World Government. The power of that deception is as also shown in the Daniel 11:45.

(Daniel 11:45) And [King North] (Globalist-System) will plant his (World Government global) palatial tents **between [the] grand sea and the holy mountain of Decoration** (fraud "Jerusalem" claims of Zion and God's Kingdom); **and he will have to come all the way to his end, and there will be no helper for him.** (Dan8:25b, Rev19:19-21; Rev11:15)

Daniel 11:45 is the world government completed, "King North" finale, as the globalists "place their palatial tents" of distributed World Government icons and authority, this case, "between the grand sea and the holy mountain of Decoration", as King North planned deceptive claims of world government.

God does NOT use the "Jerusalem" term, because that is to be all Christ based "holy city Jerusalem" and "New Jerusalem" spirit immortal realities "come down from heaven" to earth, in Revelation 21-22.

in Daniel 11:45, Jerusalem's location *is implied* because King North has nothing to do with the real "New Jerusalem" of God, and God has nothing to do with the Jerusalem physicality of today. It is all to be for the King North divine claims they will be making there for a "King North" "spiritual location" global decoy.

Under world government the King North globalists can provide their decoy "new Jerusalem" and its "new temple" as well, to celebrate the "restoration of Israel" along with complete world government and its "world peace" (1Thess5:1-3), as if Isaiah's prophecy is having final fulfillment in them and their fake "New Zion".

(Revelation 2:9) 'I know your tribulation and poverty—but you are rich—and the blasphemy by those who say they themselves are Jews, and yet they are not but are a synagogue of Satan.

(Revelation 3:9) Look! I will give those from the synagogue of Satan who say they are Jews, and yet they are not but are lying—look! I will make them come and do obeisance before your feet and make them know I have loved you.

Under world government, as [Satan may even mimic the Christ arrival](#) with him and the demons, all the actual spiritual prophecies of God are portrayed by King North globalist-produced material decoys, even the location of Israel and Jerusalem themselves are to aid the deception, to fool people.

(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.

(Revelation 17:8) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. (Rev17:14) And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.

Though many will be "drained" from the swamp of the "Euphrates river" of Babylon the Great (Rev16:12; Rev17:15; Rev9:13-14 in population loss of all religion worldwide in preparation for its world government sanctioned eventual downfall), the "spiritual effect" will still have momentum with some people. People may leave religion, but religious errors they believe do not also leave the person.

These kinds of final deceptions can be useful especially on those in certain religions which will hype the divinity of Israel today, for final use at that time of the future world government endorsement phase.

And just as all the prophecy fails by that time in Christendom and other religions, as had occurred in Jehovah's witnesses earlier in the sword-stroke beginning phase by that time, final application of prophecy to world government by Babylon the Great will be the only option of survival left. ANYTHING that can make that look more real, like they finally got a prophecy correct, will be used.

They will also apply known Israel prophecies from the Bible to aid the world government deception. The fleshly Israel decoy "now becoming an official nation" must be used for globally misleading purposes for those susceptible to this spiritual con to make "666" World Government "8th King" all seem "divine" and "Zion" real for a while longer.

Israel and the "Christian Crusade" it is related to, must also "prevail over Islam" in the general future sword-stroke sideshow. That required "happy ending for Israel" as the victor over the "Global Jihad", as a tribal religious ensign of religious drama creation, is to distract and bait the world mindset for those susceptible to this production after the Middle East folds into "King North" hands, in time.

For further false-prophecy effect expect "Israel" to become a central "crown jewel" prop-decoy "spiritual" nation in the "King North" globalized-crown. Israel has been useful as an international "carrot" to wave around due to its classic connection to much "Babylon the Great" usable and pliable "prophecy" applications. Thus, along with the 7th King Anglo-American national system, Israel will come along with its "soon to be national" official "Israel" "Zion" "crown jewel" accompaniment, to be centrally set into the World Government Crown.

But it brings the last global- drama to an "Israel and Christian Crusade" triumph, within the larger political development, as a hugely climactic global victory effect. That "happy ending" is for the hopeful and positive "spiritual light" it will deceptively cast on world government as that huge global drama is finally resolved in its final chapter, in the future.

They will sell what has always been globalist guidance of physical "Israel" together with the "Zion Elites" at that time, as "God's guidance" and "prophecy fulfilling!". That deception is promoted to aid world government's spiritual credibility, which "Babylon the Great" will of course aid, endorse, and bless, with its final 666-selling world government endorsements and more false-prophecies being applied to that counterfeit system.

It will be Globalist "King North" who will be "fulfilling" their own false-prophecy on "Israel" and playing "God" to do so as has been the case this whole time since after WW1.

Just as the Revelation 13:11-18, the "two horned wildbeast" is the Anglo-American **Globalist-Elite System**, as a dual based world power, they have a dual based spiritual-power as well in their fraud "Christ Kingdom" and fraud "Zion Kingdom" duality for part of their

Globalist "False-Prophet" parallel development.

(Daniel 11:43b) And the Libyans and the Ethiopians will be at his steps.

Other smaller nations like Africa, South America, Mexico, India, etc, are all sucked into the globalist-vacuum of the core national system collapse wake for global recovery "healing" purposes into "King North" "8th King" "King Fierce" World Government.

That is why they were lower priority, due to their smaller scale, they will naturally tumble into the wake of the 7th King "King South" national-system downfall of the US and EU systems and other larger nations or blocs of nations. Smaller nations must capitulate as the whole system globalizes them into international-alignment under world government.

The Final "Sword-Stroke" Will Also Pass and Resolve Peacefully

In reality, though a few nukes may be used here and there in the final sword-stroke cycle of the future (Rev13:3), the final sword-stroke cycle must also "resolve into world peace" by design. (Rev13:3; Rev17:8-13; 1Thess5:1-3) Therefore, no matter how severe and "end of the world" appearing this final "sword-stroke" cycle may seem for a time, it must resolve peacefully in time and "heal" into "8th King" World Government, keep in mind. (Rev13:3; Rev17:8-13)

(Revelation 13:3) And I saw one of its heads as though slaughtered to death, but its death-stroke got healed, and all the earth followed the wild beast with admiration.

(Revelation 17:8) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. (Rev17:14) And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world.

(Isaiah 41:1) Attend to me in silence, you islands; and let national groups themselves regain power. Let them approach. At that time let them speak. Let us come up close together for the judgment itself.

Since this has always been a "globalist Revolution" to install world government since even WW1's first sword-stroke cycle, "revolutionaries" in any national system would never succeed because they reluctantly aid the "divide and conquer" process overall for globalist-system profit and benefit.

Be patient instead, the "sword stroke" phase will run its course (Rev13:3), into a final peaceful resolution. That overall cycle purpose, aids the hopeful positivity to be directed to world government's presentation.

Because world government sells much better with global hopefulness, dramatic relief, "a happy ending", and global "healing" recovery rather than the preparatory *but never-manifesting* "doomsday" and "end of the world" (Rev13:3), it has to go this way as it did after WW1, WW2, Cold WW3, as it will after this final global-crisis cycle also resolves peacefully in the future.

It is part of the "King North" globalist "world-war-to-world-government" formulaic dialectic cycle. It is the age-old "engineered problem to intended solution" formula.

In Bible prophecy "the disgusting thing" "causes" these "desolation" cycles for a future recovery use. In the Revelation 13:3 prophecy, the "sword-stroke" cycle in the problem phase is "causes desolation" designed to resolve peacefully and "heal" into the world government "solution" "disgusting thing" presentation.

From engineered "causes desolation" world chaos comes their next version of global "order". It is a "disgusting thing that causes desolation" for a reason. That cyclic "sword-stroke"-to-"healing" cycle orchestration has an end goal presentation for the future: world government, and it accepted by as many people as they can fool by these devices. (Rev13:3; Rev17:8-12)

But also keep in mind this kind of world crisis turbulence is NOT the signal of the Christ arrival.

(Matthew 24:6) you are going to hear of wars and reports of wars; see that you are not terrified. For these things must take place, but the end is not yet.

(Luke 21:9) Furthermore, when you hear of wars and disorders, do not be terrified. For these things must occur first, but the end does not [occur] immediately."

Completed future World Government proclaimed "world peace everyone!", after this next sword-stroke runs its course, is the real "world peace and security" signal of the future.

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying: "Peace and security!" then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

Three Future Horns to Fall is Speculation, All Nations will "Fall" for the World Government "Rise" Daniel 11:42-45

All National Sovereignty Converges into World Government Daniel 11:42-45

All Sovereign Prophecy Converges into World Government Revelation 17:12-18

1. Since 7th King=7th Horn [national system] is part of the ascendant basis of Anglo-American [globalist system] world government that Daniel 11:42-43 "King South" identical coming [national] downfall is not part of the three future horns which fall because it is part of the same line of power development not overtly opposed to Anglo-globalist based sovereign global progress as is Russia (in its USSR counter-"world order" goals, China and the stalwart "anti-American" and anti-globalism remaining sector of the Middle East. (Like Iran, as an example);

2. In addition, the EU and Great Britain, in the national sphere, will also have to "fall" as part of the "King South" national-system, while their "Globalist Elite" corporate sectors will ascend as part of World Government "8th King" "King North", a unified development above it all.

The "Son of Man" Kingdom Details from 1914-1918 to the Future Prophecy Repeat

The Christ Kingdom details of Daniel 7:9-10, Daniel 7:13-14, Daniel 7:21-22, Daniel 7:25-27 are "weaved" into this Daniel 7 "four beast" prophecy in detail, because those [parallel] dual-events occurred in the past, and will repeat in the future.

1. In 1914-1918 the Anglo-American globalist-system was guiding the first Revelation 13:3 sword-stroke cycle to then resolve peacefully to present their "image of the wildbeast" in the 1919 League of Nations.

That set the first prophecy and world event pattern of the past, for also the future upon the same prophecy (Dan12; Rev8-11; Rev16; Rev17:8-18), but in completed form of all entities in the future, including the co-completing Messianic Kingdom of Christ, upon then fully completed "8th King" World Government. (Ps110:2)

That first Daniel 7:25 related prophetic parallel was in Revelation 13:3-7 which led to that prophetic Revelation 13:11-14 period which that first 1260 days prophecy expired into (Rev11:7; Dan12:7) in Daniel 7:25, Daniel 12:7, Revelation 11:2-3, Revelation 12:14, and Revelation 13:5. All those first 1260 days prophecies REPEAT in the future final cycle in parallel.

Thus, in the future final Revelation 13:3 sword-stroke drive to resolve peacefully, again, into world government then completed, the co-

completing Messianic Kingdom final Kingdom of God "set up" agency, will also complete as all those prophecies noted in the above will also repeat. (Rev10:11)

2. Once again, but in final form, a world government and final "image" development will manifest from the "sword-stroke" "healing" resolution, as will the Messianic Kingdom also completes in the future, also depicted in that Daniel 7 prophecy for this very reason.

These two vying Kingdom "world governments" will continue to co-develop as they did in 1914-1919, unto the final war at Har-Magedon. (Rev16:13-16) These two rival world government [designates]:

1. Both emerged at the same time in 1914-1919, and;
2. Both will complete at the same time in the future upon the exact same prophecy master pattern as set in 1914;

Now interjected into this Daniel 7 depicted world government "fourth beast" prophecy is the divine Kingdom appointment of Jesus Christ as the Kingdom authority who will:

1. Save the nations; (by means of Rev14:6-7 for **any and all** willing humans);
2. While destroying globalist-system world government [alone];

The Daniel 7:25-26 timed prophecy and its Daniel 12:7,11 parallels, must repeat because Christ has TWO "Kingdom events" which must complete;

1. The one in 1914 in God's Kingdom;
2. And the one in the future in the Messianic Kingdom required completion before Christ can be crowned by God as also the Messianic Kingdom "King of kings".

Thus, as the Daniel 8:13-14 temple judgment on the final apostasy now terminal in Jehovah's witnesses completes to lead to the "cleansed" recovery for the future final 1260 days "last witnessing", Daniel 7:25-26, Daniel 12:7, Daniel 12:11, Daniel 12:12, and Revelation 11:2-3, Revelation 12:14, Revelation 13:5 will ALSO REPEAT AS 1260 DAYS IN THE FUTURE, in the final convergent trajectory to said world government in prophecy and the final world events that prophecy describes.

Thus, this is the Revelation 4 God's Kingdom Christ coronation event parallel set up, whose principle-essence will also repeat for the Christ King of kings Messianic Kingdom event in the future.

(Daniel 7:9-10) "I kept on beholding until there were thrones placed (Rev4) and the Ancient of Days sat down. His clothing was white just like snow, and the hair of his head was like clean wool. His throne was flames of fire; its wheels were a burning fire. 10 There was a stream of fire flowing and going out from before him. There were a thousand thousands that kept ministering to him, and ten thousand times ten thousand that kept standing right before him. The Court took its seat, and there were books that were opened.

One of the "books" that were opened would be in regard to the first approved heavenly-anointed Christians to then be coming into Kingdom power with Christ in, at the least, the twelve apostles and possibly others. (Rev21:14)

(Revelation 21:14) The wall of the city also had twelve foundation stones, and on them the twelve names of the twelve apostles of the Lamb.

As this is also the Revelation 12:1-12 parallel after Satan was extricated from heaven in 1914.

(Daniel 7:13-14) I kept on beholding in the visions of the night, and, see there! with the clouds of the heavens someone like a son of man happened to be coming; and to the Ancient of Days he gained access, and they brought him up close even before that One. 14 And to him there were given rulership and dignity and kingdom, that the peoples, national groups and languages should all serve even him. His rulership is an indefinitely lasting rulership that will not pass away, and his kingdom one that will not be brought to ruin.

Thus, as the "first witnessing" ministry of 1914-1918 was being resisted to be deposed in 1918 as it proclaimed the "end of the gentile times", in what would be eventually understood as the appointment of Christ in God's Kingdom in 1914 first, that set the future pattern as well.

(Daniel 7:21-22) "I kept on beholding when that very (globalist-system since WW1) horn made war upon the holy ones, and it was prevailing against them, 22 until the Ancient of Days came and judgment itself was given in favor of the holy ones of the Supreme One, and the definite time arrived that the holy ones took possession of the kingdom itself. (The "definite time arrived" expires with the final Daniel 8:14 temple judgment and following Daniel 12:7,11,12 cycle of the future)

(Daniel 7:25-26) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law, and they will be given into his hand for a time, and times and half a time. 26 And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

In the above, Daniel 7:25 is the 1260 days parallel period and Daniel 7:26 is the 1290 days period of Daniel 12:11, as the "League of

Nations" was "ascending" to 1919 as the first witnessing ministry was deposited in 1918.

(Past: Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, 1914-1918 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as the "League of Nations" "image"), there will be one thousand two hundred and ninety days.

(Future: Daniel 12:11) And from the time that the constant [feature] has been removed (Rev11:7; Rev13:5-7, post 1260 days final ministry cancelled) and there has been a placing of the disgusting thing that is causing desolation (as world government with its final UN-related rendition "image"), there will be one thousand two hundred and ninety days.

Now, since after that earlier prophecy period to repeat, Christ is set to become the "King of kings" of the Messianic Kingdom which must co-complete with "8th King" World Government, its global rival, in the future, when the final 1260 days ministry "last witnessing" also completes and is cancelled the final time by also "ascending", but then to be fully completed, world government in the future. (Rev11:7-12; Rev13:5-7)

(Daniel 7:27) And the kingdom and the rulership and the grandeur of the kingdoms under all the heavens were given to the people who are the holy ones of the Supreme One. Their kingdom is an indefinitely lasting kingdom, and all the rulerships will serve and obey even them.

In the future, what began in 1914 in God's Kingdom will then complete with Christ's Messianic Kingdom completion and final "King of kings" coronation. And it must occur as the doomed rival "8th King" world government is also completing in that same future trajectory to "Har-Magedon".

This is also how we know Daniel 7:23-24 "fourth beast" is the particular ruling rival agency which Christ will conquer and annihilate in total worldwide destruction of that globalist-system [alone].

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [world government] and to destroy [world government] totally. (Dan2:44-45; Rev19:19-20)

Daniel 7 was the first ever extra-detailed Christ picturing Kingdom prophecy.
